

# SR 47 INTERCHANGE PROJECT

NEW TRAFFIC PATTERN AND INTERMITTENT CLOSURES  
ON KNOLL DRIVE

Monday, July 8, 2024

[portofla.org/SR47](http://portofla.org/SR47)

## WHAT:

Crews will implement a new lane configuration on Knoll Drive between the Front Street intersections. The western portion of Knoll Drive between Front Street and N. Center Street will be converted to one lane in each direction, allowing two-way traffic on this portion of the roadway. In conjunction with the new traffic pattern, the eastern portion of Knoll Drive between N. Center Street and Front Street will be fully closed. This configuration will be in place for approximately nine months to allow crews to safely perform construction activities at this location for the SR 47 Improvement Project.

Crews will perform intermittent daytime closures on Knoll Drive to facilitate restriping work, flaggers will be onsite to direct traffic.

## WHEN:

KNOLL DRIVE INTERMITTENT CLOSURES  
7 a.m. to 7 p.m., Monday, July 8, 2024

NEW LANE CONFIGURATION ON KNOLL DRIVE:  
Monday, July 8, 2024 for approximately  
nine months

## KNOLL DRIVE DETOUR:

From N. Center Drive, turn right onto Knoll Drive to access Front Street.

Please follow posted traffic signs accordingly. Community members and commuters can leave a message at (310) 732-7778 and your call will be returned within 24 hours.

The SR 47 Interchange Project will replace the existing southbound SR 47 off-ramp from the Vincent Thomas Bridge, currently on the south side, with a new off-ramp on the north side. Additional improvements include realigning the existing on-ramp to the northbound I-110 connector; modifying the northbound SR 47 off-ramp onto Harbor Boulevard; modifying the northbound SR 47 on-ramp onto the bridge toward Terminal Island; and improving local streets near the interchange.
