

LOS ANGELES HARBOR DEPARTMENT  
GRANT AGREEMENT NO. \_\_\_\_\_

1. Parties. This Grant Agreement ("Agreement") is made and entered into by and between the CITY OF LOS ANGELES, a municipal corporation ("City"), acting by and through its Board of Harbor Commissioners ("Board"), and International Trade Education Programs, Inc. (dba EXP), a non-profit corporation, 2417 E. Carson Street, Suite 200, Carson, CA 90810 ("Grantee"). This Agreement sets forth the terms and conditions of this Agreement and to use the grant award monies as set forth herein.

2. Grant Scope of Work. Grantee has submitted a Port of Los Angeles Community Investment Grant ("Grant") Application, which has been approved for funding by City. Grantee hereby agrees to diligently conduct, perform and carry out the programs and services as set forth in Exhibit A. Grantee shall also prominently display a plaque, banner, signage or publication announcement declaring that Grant support was provided by the Port of Los Angeles and include the Department's Port logo (in accordance with Harbor Department use guidelines). Grantee shall provide to City any Grant event member/attendee information as practicable. The Grant program and services in Exhibit A and the additional activities set forth in this paragraph 2 shall comprise the "Grant Scope of Work."

All events will be subject to a post-execution audit and a site visit.

3. Term. This Agreement shall be effective from the date it is executed on behalf of both parties and shall continue in effect for a period of two years from its effective date. This Grant is made with the understanding that City has no obligation to provide additional grants or support to Grantee.

4. Termination Due to Non-Appropriation of Funds. This Agreement is subject to the provisions of the Los Angeles City Charter which, among other things, precludes the City from making any expenditure of funds or incurring any liability, including contractual commitments, in excess of the amount appropriated thereof.

The City, in awarding this Agreement, is expected to appropriate sufficient funds to meet the estimated expenditure of funds through June 30 of the current fiscal year and to make further appropriations in each succeeding fiscal year during the life of the Agreement. However, the Board is under no legal obligation to do so.

The City, its boards, officers, and employees are not bound by the terms of this Agreement or obligated to make payment thereunder in any fiscal year in which the Board does not appropriate funds therefore. The Grantee is not entitled to any compensation in any fiscal year in which funds have not been appropriated for the Agreement by the Board.

Although the Grantee is not obligated to perform any work under the Agreement in any fiscal year in which no appropriation for the Agreement has been made, the Grantee agrees to resume performance of the work required by the Agreement on the same terms and conditions for a period of sixty (60) days after the end of the fiscal year if an appropriation therefore is approved by the Board within that 60-day period. The Grantee is responsible for maintaining all insurance and bonds during this 60-day period until the appropriation is made; however, such extension of time is not compensable.

If in any subsequent fiscal year funds are not appropriated by the Board for the work required by the Agreement, the Agreement shall be terminated. However, such termination shall not relieve the parties of liability for any obligation previously incurred.

5. Grant Award and Payment.

(a) Subject to the limitations set forth below, pursuant to Section 5.47 of Chapter 4, Article 1 of the City's Administrative Code which authorizes advance funding for services performed through grants, City agrees to pay and Recipient agrees to accept for performance of the Grant Scope of Work, a Grant in the
