**SUBJECT: RESPONSE TO BID PROTEST LETTER
SAN PEDRO WATERFRONT
BERTHS 74-84 PROMENADE AND TOWN SQUARE
SPECIFICATION NO. 2807**

Thank you for submitting a bid package for the San Pedro Waterfront Berths 74-84 Promenade and Town Square Project, Specification No. 2807.

National's bid package was found to be non-responsive for the following reason:

- Contingency Item Nos. 78 through 85 were left blank. As a bidding requirement, all bidders were required to submit prices for all items, including contingency items, for the sum total, regardless of whether all those items are actually awarded.

The Harbor Department has received your protest letter dated October 23, 2019 responding to staff's intent to recommend award of the construction contract to the second lowest bidder, Griffith Company. Department staff, in consultation with the City Attorney's Office, has reviewed the letter and has found the protest without merit and staff will be recommending award of the contract at the Board of Harbor Commissioners meeting on November 21, 2019. You are welcome to attend the meeting.

This decision does not preclude your firm from consideration on other Harbor Department projects and we look forward to receiving bids from your firm in the future.

Sincerely,

SHAUN SHAHRESTANI
Chief Harbor Engineer
Director of Construction
