SECTION THREE - Continued  
PILOTAGE - Continued

Item No.

Exception 1: Three-fourths (3/4) the entering or leaving charge shall be assessed when vessel subject to the payment of pilotage is not piloted by a port pilot. (Subject to the minimum pilotage charge.)

Exception 2: No intra-harbor shifting charge shall be assessed when entering vessels which anchor because of inclement weather or other causes beyond the control of such vessel, if such vessels proceed thence to berth immediately after such cause of delay ceases to exist.

Exception 3: For the purpose of assessing pilotage charges against barges, the sum of the overall length plus the overall width will be used. When the barge and tug or towboat are combined as an integrated unit, pilotage charges shall be assessed on the overall length and gross tonnage of the combined unit.

(c) The pilotage charges assessed for the services proffered or rendered by a port pilot are assessed in accordance with and based upon each and every one of the limitations, agreements, covenants and conditions set forth in Item 305. However, said pilotage charges do not include marine insurance insuring the vessel, her owners, master, operators and charterers against the consequences of acts, omissions or negligence of the port pilot. Upon reasonable notice given to the Port of Los Angeles, marine insurance will be provided on a "trip" basis in an amount specified up to a maximum limit of liability of \$1,000,000.00, the premium of which will be assessed at cost in addition to the pilotage charges specified above.

The coverage provided will insure said vessel, her owners, master, operators and charterers, as their interests may appear, against those losses or physical damages to said vessel and against those legal liabilities and damages which arise from the consequences of acts, omissions or negligence of the port pilot; provided, however, that such insurance will provide coverage only for that proportion of losses, damages and liabilities sustained by the vessel, her owners, master, operators and charterers proximately caused by acts, omissions or negligence of the port pilot; and that no coverage is provided for losses, damages and liabilities resulting from any other cause whatsoever.

A copy of the insurance policy under which such insurance is available will be provided upon written request sent to the Port of Los Angeles.
