No offensive or refuse matter, or any substance constituting any unnecessary, unreasonable, or unlawful fire hazard, or material detrimental to the public health, shall ever be permitted by Assignee to be or remain on the Premises, and Assignee shall prevent any such material or matter from being or accumulating upon the Premises. Where applicable, the drawings, plans, and specifications must be prepared and stamped by a licensed engineer registered in the State of California. All projects in the Harbor District are subject to review by City's Harbor Department pursuant to the California Environmental Quality Act (CEQA) and the certified Port Master Plan. City's Chief Harbor Engineer shall have the right to reject or order reasonable changes in said drawings, plans, and specifications. Assignee, at its own expense, shall obtain all permits necessary for such Alteration, including a Harbor Engineer Permit, prior to the commencement of such Alteration. All Alterations by Assignee pursuant to this Revocable License shall be at Assignee's sole expense. Assignee shall keep the Premises free and clear of liens for labor and materials and shall hold City harmless from any responsibility in respect thereto. Assignee shall give written notice to the Chief Harbor Engineer, in advance, of the date it will commence any Alteration. Immediately upon the completion of the Alteration, Assignee shall notify the Chief Harbor Engineer of the date of such completion.

8. Signs and Lighting. Assignee shall not erect or display, or permit to be erected or displayed, on the Premises any signs or advertising matter of any kind without first obtaining the written consent of Executive Director. If Assignee obtains consent, Assignee shall also comply with the requirements of Section 7 of this Revocable License prior to erecting or displaying any signs or advertising matter on the Premises. Assignee shall further post, erect, and maintain on the Premises such signs as Executive Director may direct. All signs erected or displayed on the Premises shall comply with the regulations set forth in Section 14.4.1 *et seq.* of the Los Angeles Municipal Code. Assignee acknowledges that the Premises may lack adequate lighting for a Permitted Use and that Assignee is responsible for installing temporary or permanent lighting as it may deem necessary to perform any labor, or to protect any property stored or located on the Premises, or to otherwise use the Premises for any Permitted Use. Assignee shall comply with the requirements of Section 7 of this Revocable License prior to installing any lighting. Any lighting installed shall meet Illuminating Engineering Society / American National Standards Institute (IES/ANSI) standards.

Assignee is aware that City's Department of Water & Power, other utility, or other maintenance or service from or on behalf of City, may need to service or repair certain facilities on the Premises. If such repair is necessary, Assignee agrees to relocate, at its expense, all of its equipment and other personal property to provide such personnel adequate access. Assignee agrees to complete such relocation within twenty-four (24) hours of receiving notice from City except in case of emergency. Assignee agrees neither the department servicing the Premises nor City shall be responsible for any loss Assignee may suffer as a result of such maintenance or repair.

10. Premises Subject to Tariff. Assignee accepts the Premises and shall undertake the Permitted Use set forth in Section 2 of this Revocable License subject to each and every term and condition provided herein, and to each and every rate, term, and condition of the Tariff, as applicable to Premises and/or the Permitted Use. Assignee represents and warrants that it has received, read, and understands the rates, terms, and conditions of the Tariff. Except as otherwise set forth in this Revocable License, Assignee is contractually bound by all Tariff rates, terms, and conditions as if the same were set forth in full herein. City in its sole and absolute discretion shall determine if a conflict exists between a provision of this Revocable License and a Tariff provision. In the event of such conflict, this Revocable License shall at all times prevail.

11. Compliance with Applicable Laws and Environmental Obligations.

(a) At all times in its use and occupancy of the Premises and its conduct of operations thereon, Assignee, at Assignee's sole cost and expense, shall comply with all applicable federal, state, county, City, or government agency laws, statutes, ordinances, standards, codes (including all building codes), rules, regulations, requirements, or orders in effect now or hereafter in effect ("Applicable Laws") pertaining to the use or condition of the Premises and/or Assignee's operations and conduct of its business. Applicable Laws shall include, but not be limited to, all environmental laws and regulations in effect now or hereafter in effect including:

(v) The federal Clean Air Act (42 USCS §§ 7401 *et seq.*) in its present or successor form and its implementing regulations;

(vi) The California Clean Air Act of 1988 (Chapter 1568, Statutes of 1988) in its present or successor form and its implementing regulations;

(vii) The California Lewis-Presley Air Quality Management Act of 1976 (California Health and Safety Code §§ 40400 *et seq.*) in its present or successor form and its implementing regulations; and

(viii) Any other applicable federal, state, or local law, regulation, ordinance, or requirement (including consent decrees and administrative orders imposing liability or standard of conduct) now or hereinafter in effect which concerns Environmentally Regulated Material (as defined in Section 11(c)), the Premises, and/or Assignee's use and/or occupancy thereof.

(b) It is the parties' intent that Assignee will make, at Assignee's sole cost and expense, any and all alterations, improvements, and changes, whether structural or nonstructural, that are required by Applicable Laws. In addition, Assignee shall comply immediately with all applicable environmental policies, rules, and directives of City's Harbor Department, known as the Port Environmental Policies. This Revocable License shall be construed in accordance with California law.

(c) Assignee shall not cause or permit any Environmentally Regulated Material, as defined in this Section 11(c), to be generated, brought onto, handled, used, stored, transported from, received, or disposed of (hereinafter sometimes collectively referred to as "handle" or "handled") in or about the Premises except for limited quantities of standard office and janitorial supplies containing chemicals categorized as Environmentally Regulated Material and except as permitted, required, or necessary under Section 2 of this Revocable License, if any. Assignee shall handle all such Environmentally Regulated

Material in strict compliance with Applicable Laws in effect during Assignee's occupancy. The term "Environmentally Regulated Material" shall mean:

- (i) Any "hazardous substance" as that term is defined in the CERCLA;
- (ii) "Hazardous waste" as that term is defined in the RCRA;
- (iii) Any pollutant, contaminant, or hazardous, dangerous, or toxic chemical, material, or substance, within the meaning of any other applicable federal, state, or local law, regulation, ordinance, or requirement (including consent decrees and administrative orders imposing liability or standard of conduct concerning any hazardous, dangerous, or toxic waste, substance, or material, now or hereinafter in effect);

- (v) Asbestos in any form or condition;
- (vi) Polychlorinated biphenyls ("PCBs") and any substance or compound containing PCBs; and
- (vii) Petroleum products.

(d) Assignee shall remediate or cause the remediation of any spill, discharge, or release of any Environmental Regulated Material that occurs in, on, under, or about the Premises ("Contamination"), whether caused by Assignee or any third-party during Assignee's occupancy, including Contamination of improvements, adjacent harbor waters, soil, sediment, groundwater, or air, or of adjacent premises (including soil, sediment, groundwater, or air) and including Contamination that is considered a nuisance under Applicable Laws. Remediation shall be to the satisfaction of City, and the requirements of the applicable governmental agencies including the Regional Water Quality Control Board, by removing or effecting the removal of all Contamination including but not limited to contaminated soil, water, groundwater, sediment, or other material it may place or cause to be placed on site such that no encumbrances, such as deed or land use restrictions, be imposed on the Premises as a result of such Contamination. In fulfilling the obligations under this Section 11, Assignee shall also comply with any other conditions reasonably imposed by City. If Assignee knows or has reasonable cause to believe that Contamination has occurred in, on, under, or about the Premises, Assignee shall immediately give written notice to City.

(e) Assignee bears sole responsibility for full compliance with any and all Applicable Laws regarding the use, storage, handling, distribution, processing, and/or disposal of Environmentally Regulated Material including Contamination, regardless of whether the obligation for such compliance or responsibility is placed on the owner of the Premises, on the owner of any improvements on the Premises, on the user of the Premises, or on the user of any improvements on the Premises. For purposes of CERCLA, and any and all other Applicable Laws, Assignee shall be considered the owner and operator. Assignee agrees that any claims, damages, fines, or other penalties asserted against or levied on City and/or Assignee as a result of noncompliance with any Applicable Laws shall be the sole responsibility of Assignee and that Assignee shall indemnify and hold City harmless from any and all such claims, damages, fines, penalties, and/or judgments, as well as any costs expended to defend against such claims, damages, fines, and penalties and/or judgments, including attorneys' and experts' fees. City, at its sole option, may pay such claims, damages, fines, penalties, and/or judgments resulting from Assignee's noncompliance with any of the aforementioned authorities, and Assignee shall indemnify and reimburse City for any such payments.

(f) In discharging Assignee's obligations under this Revocable License, if Assignee disposes of any Contamination, within thirty (30) days of Assignee's receipt of original documents, Assignee shall provide City copies of all records, including a copy of each uniform hazardous waste manifest indicating the quantity and type of material being disposed of, the method of transportation of the material to the disposal site, and the location of the disposal site. Neither City, Port of Los Angeles, nor Los Angeles Harbor Department shall appear on any manifest document as a generator of such material.

(g) In discharging Assignee's obligations under this Revocable License, Assignee shall perform any tests using a State of California Department of Health Services certified testing laboratory or other similar laboratory upon City's written approval. By signing this Revocable License, Assignee hereby irrevocably directs any such laboratory to provide City, upon written request from City, copies of all of its reports, tests results, and data gathered. As used in this Section 11, "Assignee" includes agents, employees, contractors, subcontractors, and/or invitees of Assignee.

(h) Assignee shall implement City's Harbor Department's policies, known as Best Management Practices, in order to reduce the potential for pollutants to enter Harbor waters, as follows:

(i) Facility Operations: Clean and maintain facility regularly. Use dry cleaning methods whenever possible; avoid washing areas down. Do not allow sweepings or sediment to enter the storm drain or the Harbor. Collect wash water for disposal or direct to a clarifier. Do not encourage scavengers. Do not feed birds, feral cats, sea lions, or other scavengers. Recycle whenever possible.

(ii) Maintenance Operations: Use drip pans to prevent any drips or leaks from contacting the ground during maintenance and fueling operations. Clean spills or drips immediately using dry methods. Use spill cleanup kits to confine or contain spills. Do not hose down equipment or allow process water to enter the storm drain or the Harbor. Place tarps beneath maintenance and repair operations to prevent materials such as paint chips and metals from contacting the ground.

(iii) Material and Waste Handling and Storage: Train employees responsible for waste management on handling and disposal procedures. Store all hazardous and universal waste in accordance with all federal, state, and local regulations. Store all materials and waste inside and in secondary containment. If stored outside, store only in designated, covered, and contained areas. Store waste in covered, leak proof, labeled containers. Keep lids closed on all outdoor containers including dumpsters. Store all oily products (e.g. engines), batteries, tires, and metal off the ground and under cover when stored outdoors.

(i) Except as may be otherwise provided in this Revocable License, Assignee's obligations in this Section 11 shall survive the Termination Date of this Revocable License.

12. Restoration and Surrender of Premises. Upon the termination of this Revocable License, Assignee shall quit and surrender occupancy and use of the Premises to City and shall, without cost to City, remove any and all its property and restore the Premises to the same or as good condition as the same were in at the time of the first occupancy thereof by Assignee. Assignee may incur additional charges and/or forfeit any deposit if Assignee fails to fully restore the Premises to the satisfaction of the Executive Director prior to the termination of this Revocable License.

13. Indemnity.

(a) Except as may arise from the sole negligence or willful misconduct of City, Assignee shall at all times relieve, indemnify, protect, and save harmless City and any and all of its boards, officers, agents, and employees from any and all claims and demands, actions, proceedings, losses, liens, costs, and judgments of any kind and nature whatsoever, including cost of litigation (including all actual litigation costs

incurred by City, including but not limited to costs of experts and consultants), for death of or injury to persons, or damage to property, including property owned by or under the care and custody of City, and for civil fines and penalties that may arise from or be caused directly or indirectly by:

(i) Any dangerous, hazardous, unsafe, or defective condition of, in, or on the Premises, of any nature whatsoever, which may exist by reason of any act, omission, neglect, or any use or occupation of the Premises by Assignee, its officers, agents, employees, sublessees, Assignees, or invitees;

(ii) Any operation conducted upon, or any use or occupation of, the Premises by Assignee, its officers, agents, employees, sublessees, Assignees, or invitees under or pursuant to the provisions of this Revocable License or otherwise;

(iii) Any act, error, omission, willful misconduct, or negligence of Assignee, its officers, agents, employees, sublessees, Assignees, or invitees, arising from the use, operation, or occupancy of the Premises, regardless of whether any act, omission, or negligence of City, its officers, agents, or employees contributed thereto;

(iv) Any failure of Assignee, its officers, agents, or employees to comply with any of the terms or conditions of this Revocable License or any Applicable Laws; or

(v) The conditions, operations, uses, occupations, acts, omissions, or negligence referred to in subdivisions (i), (ii), (iii) and (iv) above, existing or conducted upon or arising from the use or occupation by Assignee or its invitees on any other premises within the Harbor District, as defined in the Charter of City.

(b) Assignee also agrees to indemnify City and pay for all damages or loss suffered by City and City's Harbor Department including, but not limited to, damage to or loss of property, to the extent not insured by City, and loss of City revenue from any source, caused by or arising out of the conditions, operations, uses, occupations, acts, omissions, or negligence referred to in this Section 13. The term "persons" as used in this Section 13 shall include, but not be limited to, officers and employees of Assignee.

(c) Assignee shall also indemnify, defend, and hold City harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities, or losses (including, without limitation, diminution of the value of the Premises, damages for loss or restriction on use of rentable or useable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space, and sums paid in settlement of claims, attorneys' fees, consultants' fees, and experts' fees) which arise during or after the term of this Revocable License as a result of Contamination for which Assignee is otherwise responsible for under the terms of this Revocable License. This indemnification of City by Assignee includes, without limitation, costs incurred in connection with any investigation of site conditions or any clean up, remedial, removal, or restoration work required by any federal, state, or local governmental agency because of Contamination present in the soil or groundwater on or under the Premises.

(d) The indemnity obligations under this Section 13 shall survive the Termination Date of this Revocable License and shall apply regardless of the active or passive negligence of City and regardless of whether liability without fault or strict liability is imposed or sought to be imposed on City.

14. Insurance. In addition to, and not as a substitute for, or limitation of, any of the indemnity obligations imposed by Section 13 of this Revocable License, Assignee shall procure and maintain at its sole cost and expense and keep in force at all times during the term of this Revocable License the following insurance:

(a) Commercial general liability or marine general liability insurance, including contractual liability and property damage insurance, written by an insurance company authorized to do business in the State of California, or approved by the California Department of Insurance as a surplus lines insurer eligible to do business in California, rated VII, A- or better in Best's Insurance Guide (or an alternate guide acceptable to City if a Best's Rating is not available) with Assignee's normal limits of liability but not less than One Million Dollars (\$1,000,000) for injury or death to one or more persons out of each accident or occurrence and One Million Dollars (\$1,000,000) for bodily injury and property damage for each occurrence / Two Million Dollars (\$2,000,000) general aggregate. Where Assignee's operations involve work within fifty (50) feet of railroad track, Assignee's commercial general liability coverage shall also have the railroad exclusion deleted.

(b) Where Assignee utilizes any vehicles, Assignee shall procure and maintain at its expense and keep in force at all times during the term of this Revocable License automobile insurance with limits of liability not less than One Million Dollars (\$1,000,000) covering injuries or death resulting from each accident or claim arising out of any one claim or accident. This insurance shall cover all owned, non-owned, and/or hired automobiles.

(c) Limits for coverage required under Section 14 of this Revocable License shall provide first dollar coverage except that Executive Director may permit a self-insured retention or self insurance in those cases where, in his or her sole judgment, such retention or self insurance is justified by the net worth of Assignee. The self-insured retention or self insurance shall provide that any other insurance maintained by City's Harbor Department shall be excess of Assignee's insurance and shall not contribute to it. In all cases, regardless of any deductible, retention, or self insurance, Assignee shall have all the obligations of an "insurer" under the California Insurance Code and said insurance shall be deemed to include a defense of suits provision and a severability of interest clause.

(d) If Assignee maintains higher limits than the minimums shown above, City requires and shall be entitled to coverage for the higher limits maintained by Assignee. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

(e) Policies submitted pursuant to Section 14 of this Revocable License shall, in addition, provide the following coverage either in the original policy or by endorsement substantially as follows:

(i) "Notwithstanding any inconsistent statement in the policy to which this endorsement is attached, or any endorsement or certificate now or hereafter attached hereto, it is agreed that the City of Los Angeles, acting by and through its Harbor Department, the Board of Harbor Commissioners, and their officers, agents, and employees, are additional insureds hereunder, and that coverage is provided for all contractual obligations, operations, uses, occupations, acts, and activities of all the insureds, including any sole negligence of the additional insureds, under Revocable License No. 2024-13, and under any amendments, modifications, extensions, or renewals of said permit regardless of whether such contractual obligations, operations, uses, occupations, acts, and activities occur on the Premises or elsewhere."

(ii) "The coverage provided by the policy to which this endorsement is attached is primary coverage and any other insurance carried by the City is excess coverage."

(iii) "In the event of one of the named insureds incurring liability to any other of the named insureds, this policy shall provide protection for each named insured against whom claim is or may be made, including claims by other named insureds, in the same manner as if separate policies had been issued to each named insured. Nothing contained herein shall operate to increase the insurance company's limit of liability."

(iv) "Notice of occurrences or claims under the policy shall be made to the City's Risk Manager with copies to the Los Angeles City Attorney's Office."

(f) Assignee shall secure the payment of compensation to any employees injured while performing work or labor necessary for and incidental to performance under this Revocable License in accordance with Section 3700 of the California Labor Code. Assignee shall file with City one of the following:

(i) A certificate of consent to self insure issued by the Director of Industrial Relations, State of California;

(ii) A certificate of Workers' Compensation insurance issued by an admitted carrier;
or

(iii) An exact copy or duplicate thereof of the policy certified by the Director of Industrial Relations or the insurer.

Such documents shall be filed prior to Assignee's occupancy of the Premises. Where Assignee has employees who are covered by the United States Longshore and Harbor Workers' Compensation Act ("USLHWC Act"), Assignee shall furnish proof of such coverage to City. It is suggested that Assignee consult with its insurance professional of its choosing to determine whether its proposed operation methods will render its employees subject to coverage under the USLHWC Act. All Workers' Compensation insurance submitted to City shall include an endorsement providing that any carrier paying benefits agrees to waive any right of subrogation it may have against City.

(g) All insurance procured by Assignee shall comply with the following:

(i) For each insurance policy, the Assignee shall give to the Board of Harbor Commissioners a 10-days prior notice of cancellation or reduction in coverage for nonpayment of premium, and a 30-days prior notice of cancellation or reduction in coverage for any other reason, by written notice via registered mail and addressed to the City of Los Angeles Harbor Department, Attn: Risk Manager and City Attorney's Office, 425 S. Palos Verdes Street, San Pedro, California 90731.

(ii) Electronic submission is the required method of submitting Assignee's insurance documents. KwikComply is City's online insurance compliance system which is designed to be used by insurance brokers and agents to submit client insurance certificates directly to City. Assignee's insurance broker or agent shall obtain access to KwikComply at <http://kwikcomply.org> and follow the instructions to register and submit the appropriate proof of insurance on Assignee's behalf.

(iii) Prior to the expiration of each policy, Assignee shall show through submitting to KwikComply that the policy has been renewed or extended or, if new insurance has been obtained, submit the appropriate proof of insurance to KwikComply. If Assignee neglects or fails to secure or maintain the required insurance, or if Assignee fails to submit proof of insurance as required above, City's Harbor Department may, at its option and at the expense of Assignee, obtain such insurance for Assignee.

(iv) Executive Director, at his or her discretion, based upon recommendation of the Risk Manager of City's Harbor Department, may request that Assignee increase or decrease amounts and types of insurance coverage required hereunder at any time during the term hereof by giving written notice to Assignee.

(v) Upon request by City, Assignee must furnish a copy of the binder of insurance and/or full certified copies of any or all policies of insurance required herein. Assignee's obligation to provide

such copies shall survive the Termination Date regardless of whether City's request is made prior to or after the Termination Date.

(vi) Assignee shall report in writing to Executive Director within fifteen (15) days after it, its officers, or its managing agents have knowledge of any accident or occurrence involving death of or injury to any person or persons, or damage in excess of Ten Thousand Dollars (\$10,000) to property, occurring upon the Premises, or elsewhere within the Harbor District, if Assignee's officers, agents, or employees are involved in such an accident or occurrence. Such report shall contain to the extent available: (1) the name and address of the persons involved; (2) a general statement as to the nature and extent of injury or damage; (3) the date and hour of occurrence; (4) the names and addresses of known witnesses; and (5) such other relevant information as may be known to Assignee, its officers, or its managing agents.

15. No Assignments/Sublicenses/Transfers. No transfer of this Revocable License, or any interest therein or any right or privilege thereunder, regardless of whether accomplished by a separate agreement, sale of stock or assets, merger or consolidation or reorganization by or of Assignee (or any entity that directly or indirectly controls or owns fifty percent (50%) or more of Assignee), or accomplished in any other manner, whether voluntary or by operation of law, including but not limited to assignment, sublicense, transfer, gift, hypothecation, or grant of total or partial control, or any encumbrance of this Revocable License (hereafter collectively referred to as "Transfer"), shall be valid or effective for any purpose. "Transfer" also shall include the involvement of Assignee or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout, or otherwise) whether or not a formal assignment or hypothecation of this Revocable License or Assignee's assets, which involvement results in a reduction of the net worth of Assignee (defined as the net worth of Assignee, excluding guarantors, established by generally accepted accounting principles) by an amount greater than twenty-five percent (25%) of such net worth as it was represented at the time of the execution of this Revocable License or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater. For purposes of this Section 15, the term "by operation of law" includes but is not limited to: (1) the placement of all or substantially all of Assignee's assets in the hands of a receiver or trustee; or (2) a transfer by Assignee for the benefit of creditors; or (3) transfers resulting from the death or incapacity of any individual who is an Assignee or of a general partner of an Assignee. Notwithstanding the provisions of this Section 15, Assignee may enter into subcontracts with other individuals or entities as necessary for the Permitted Use authorized under this Revocable License provided that Assignee remains primarily responsible for all obligations under this Revocable License.

16. Assignee Name Change. Assignee shall notify City in writing within ten (10) days of making any changes to its name as set forth in the preamble of this Revocable License and shall provide City with all documents in connection with the change.

17. Transfer of Stock. If Assignee is a corporation and more than ten percent (10%) of the outstanding shares of capital stock of Assignee is traded during any calendar year after filing its application for this Revocable License, Assignee shall notify Executive Director in writing within ten (10) days after the transfer date; provided, however, that this provision shall have no application in the event the stock of Assignee is listed on either the New York Stock Exchange, NASDAQ, or the NYSE Arca Options. If more than twenty-five percent (25%) of the Assignee's stock is transferred, whether by one or by means of successive transfers, regardless of whether Assignee is a publicly or privately held entity, such transfer shall be deemed an assignment within the meaning of Section 15. Any such transfer shall void this Revocable License. Such a transfer is agreed to be a breach of this Revocable License which shall entitle the Executive Director to immediately terminate this Revocable License by giving written notice thereof.

18. Conflict of Interest. It is understood and agreed that the parties to this Revocable License have read and are aware of the provisions of Section 1090 *et seq.* and Section 87100 *et seq.* of the

Government Code relating to conflict of interest of public officers and employees, as well as the Conflict of Interest Code of City's Harbor Department. All parties hereto agree that they are unaware of any financial or economic interest of any public officer or employee of City relating to this Revocable License. Notwithstanding any other provision of this Revocable License, it is further understood and agreed that if such a financial interest does exist at the inception of this Revocable License, City may immediately terminate this Revocable License by giving written notice thereof.

19. Termination for Misrepresentations. This Revocable License is granted pursuant to an application filed by Assignee with City. If the application or any of the attachments thereto contain any misstatement of fact which, in the judgment of Executive Director, affected his or her decision to grant said Revocable License, Executive Director may terminate this Revocable License immediately upon written notice to Assignee.

20. Notice. In all cases where written notice, including the service of legal pleadings, is to be given under this Revocable License, service shall be deemed sufficient if said notice is deposited in the United States mail, in a sealed envelope, addressed as set forth below, with postage thereon fully prepaid. When so given, such notice shall be effective from the date of mailing. Unless changed by notice in writing from the respective parties, notice to the parties shall be as follows:

Nothing herein contained shall preclude or render inoperative service of such notice in the manner provided by law. All notice periods under this Revocable License refer to calendar days unless otherwise specifically stated.

21. Construction of Agreement. This Revocable License shall not be construed against the party preparing it and shall be construed without regard to the identity of the person who drafted this Revocable License.

22. No Waiver. No waiver by either party at any time of any terms or conditions of this Revocable License shall be a waiver at any subsequent time of the same or any other term or condition. The acceptance of compensation by City shall not be deemed a waiver of any other breach by Assignee of any term or condition of this Revocable License other than the failure of Assignee to timely make any particular compensation payment so accepted. No breach of a covenant, term, or condition of this Revocable License will be deemed to have been waived by City unless the waiver is in writing and executed by City.

23. Joint and Several Obligations of Assignee. If more than one individual or entity comprises Assignee, the obligations imposed on each individual or entity that comprises Assignee under this Revocable License shall be joint and several.

24. Time of the Essence. Time is of the essence in this Revocable License.

25. Nondiscrimination and Affirmative Action Provisions. Assignee agrees not to discriminate in its employment practices against any employee or applicant for employment because of employee's or applicant's race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status, domestic partner status, or medical condition. All subcontracts awarded under or pursuant to this Revocable License shall contain this provision.

26. Minority, Women and Other Business Enterprise (MBE/WBE/OBE) Outreach Program. It is the policy of City to provide minority business enterprises ("MBEs"), women's business enterprises ("WBEs"), and all other business enterprises ("OBEs") an equal opportunity to participate in the performance of all City contracts in all areas where such contracts afford such participation opportunities. Addendum #1 to Revocable License 2024-13

37. **Compensation:** As stated in section 5(a) of Revocable License 2024-13, Assignee shall pay to the City's Harbor Department three percent (3%) of Gross Receipts.

(a) "Gross Receipts", except as herein otherwise provided in this Revocable License, means all money, cash receipts, or other things of value, including but not limited to charges, sales, rentals, fees and commissions received directly by Assignee from any business, use, occupation or any combination thereof, originating, transacted, or performed in whole or in part, on the Premises, including, but not limited to, rentals, the rendering or supplying of services and the sale of goods, wares or merchandise.

(i) Except as otherwise set forth herein, there shall be no deduction from Gross Receipts for any overhead or cost or expense of operation, such as, without limitation, salaries, wages, costs of goods, interest, debt amortization, rent credit (but the value of any free rent period shall not be imputed as Gross Receipts), collection costs, discounts from credit card operations, insurance and taxes.

(ii) Gross Receipts shall not include direct taxes imposed upon the consumer and collected therefrom by Assignee or its vendors such as, without limitation, retail sales taxes, excise taxes, or related direct taxes paid periodically by Assignee to a governmental agency accompanied by a tax return statement.

(iii) Gross Receipts reported by Assignee must include the usual charges for any services, goods, rentals or facilities provided by Lessee. Bona fide bad debts actually accrued by Assignee for amounts owed by subtenants, assignees, licensees, concessionaires or permittees may be deducted from Gross Receipts to the extent that such amounts have been previously reported as Gross Receipts; however, there shall be no deduction for bad debts based on past experience or transfer to a bad debt reserve. Subsequent collection of bad debts previously not reported as Gross Receipts shall be included in Gross Receipts at the time they are collected.

(b) Gross Receipts shall not include any of the following items:

(i) goods returned to suppliers or which are delivered for resale (as opposed to delivery) to another retail location or to a warehouse or to any retailers without profit to Assignee, where such returns or deliveries are made solely for the convenient operation of the business of Lessee and not for the purpose of consummating a sale made in, about or from the Premises;

(ii) an amount equal to the cash refunded or credit allowed on merchandise returned by customers and accepted by Assignee, or the amount of cash refunded or credit allowed thereon in lieu of Assignee's acceptance thereof, but only to the extent that the sales relating to such merchandise were made in, about or from the Premises; provided that whenever Assignee accepts a credit slip as payment for goods or services, the amount of credit shall be included in Gross Receipts;

(iii) sales of fixtures, equipment or property which are not Assignee's stock in trade;

(iv) receipts from insurance claims other than rental interruption or business interruption insurance related to the replacement of Gross Receipts;

(v) reimbursements for common area maintenance repairs or replacements, insurance costs, taxes and operating expenses;

(vi) interest earned by Assignee on funds arising from the Premises or the use thereof, deposited or maintained by Assignee in banks or similar financial institutions;

(vii) the cost of Assignee's submetered electricity. For the purpose of the foregoing sentence, the "cost" of the Sublessee's electricity shall mean the actual costs incurred by Lessee, plus any customary overhead and general and administrative expenses for administering and billing such costs.

38. **Access:** Assignee shall maintain public access to the site and be responsible for all utilities, maintenance and security associated with their monthly event.

39. **No Firearms:** Assignee shall prohibit all staff and attendees from carrying or bringing firearms onto the premises. The prohibition of firearms includes, but is not limited to, any security personnel regardless of whether such security personnel is licensed to carry firearms.
