Project Title: Addendum 2 to the Fisherman's Pride Processor's Inc. Project

Project Applicant: Los Angeles Harbor Department

Project Location (include county): LA County – 338 Cannery Street, Terminal Island CA 90731

Project Description:

The Proposed Revised Project would modify the footprint of the Fisherman's Pride Processors, Inc. site with a new Revocable Permit (RP) to occupy approximately 55,000 square feet of property in order to allow continued storage of materials, racking, and equipment related to the processing of fish products. These areas have been previously assessed for storage under the 2014 Final IS/MND and 2019 Addendum. The proposed modifications would create no potential adverse impacts or substantial changes to impact areas previously analyzed in the Final IS/MND. This Proposed Revised Project includes the issuance of a new month-to-month RP, which is subject to the Board's review for potential continuation or modification after 5 years, if not terminated earlier.

This is to advise that the Los Angeles Harbor Department has approved the above
(Lead Agency)
