TO THE COURT, ALL PARTIES, AND COUNSEL OF RECORD:

PLEASE TAKE NOTICE that Respondents and Defendants’ Third Mitigation Status Report filed by the Port of Los Angeles (“Port”) on July 30, 2025 contained the following errors:

- MM AQ-17 was reported as “in compliance”

An Errata to Declaration of Lisa Ochsner was signed on June 16, 2026, a true and correct copy of which is attached hereto as Exhibit A.

Respondents and Defendants apologize to the Court and other parties for the error and submits the enclosed Errata to the Third Mitigation Status Report that reflects MM AQ-17 was “not in compliance” due to a delay in the arrival of the ordered equipment. The Errata to the Third Mitigation Status Report has also been posted on the Port’s website.

DECLARATION OF LISA OCHSNER

I, Lisa Ochsner, declare as follows:

1. I have been an employee at the Los Angeles Harbor Department, known as the Port of Los Angeles (“POLA”), since March 2008. My current position is Marine Environmental Manager, a position that I have held since April 2013.

2. As the Marine Environmental Manager, I oversee environmental compliance of Port tenant leases and permits, including but not limited to, mitigation measures and lease measures implemented through Mitigation Monitoring and Reporting Programs, environmental conditions imposed through project approvals, and other environmental requirements contained in tenant Environmental Compliance Plans.

3. Pursuant to the Peremptory Writ of Mandate adopted and ordered on May 24, 2024 by Judge Timothy Taylor, as modified by the May 2025 Ruling, I am responsible for overseeing compliance and reporting on all of the Mitigation Measures and Lease Measures of the Permit with China Shipping to operate the 142-acre Terminal at Berths 97-109.

4. This Errata is submitted to correct an error in my Declaration regarding Respondents and Defendants’ Third Mitigation Status Report filed on July 30, 2025 (“July 2025 Declaration”). My July 2025 Declaration erroneously indicated that Mitigation Measure AQ-17 Yard Equipment at Berth 97-109 (Electric Yard Tractor Pilot Project) was “in compliance.” The correct status of the MM AQ-17 for that reporting period is “not in compliance.”

5. This Errata will be posted on the Port of Los Angeles Website at <https://portoflosangeles.org/environment/environmental-documents> under the project title heading “Berths 97-109 [China Shipping] Container Terminal Project – Certified” and document title heading “Compliance Reports on Status of Mitigation Measures and Lease Measures” dated July 30, 2025.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on this 16th day of June, 2026 at San Pedro, California.
