

**REQUEST FOR BID NO. F-1277 - FENCING MATERIALS AND GATES
WORKSHEET**

BIDDER NAME: _____

Bidder must complete this worksheet showing net prices to the City of Los Angeles Harbor Department. As applicable, net prices are to reflect the discount or mark-up quoted in bid. This worksheet is for evaluation purposes only and is not intended to be restrictive in any way. Failure to complete and return this worksheet with the bid will deem the bidder non-responsive.

IMPORTANT NOTE:

- In order to accurately reflect "Net(City) Price" in the spreadsheet,
- 1) all discounts must be entered as a minus(-) percentage(%) in the "Discount or Markup Column", Example: -20% and
- 2) all mark-ups must be entered as a positive(+) percentage(%) in the "Discount or Markup Column", Example: +20%.

- The highlighted rows below each item shall only be used if your company is quoting an "or equal" manufacturer other than the manufacturer already listed on this worksheet.
- **When no catalog price list exists, bidder shall provide their supplier's detailed quote for ALL items. Otherwise, your company's bid may be deemed non-responsive.**
