To: The Mayor and Council

From: Matthew W. Szabo, City Administrative Officer 

Reference: Transmittal from the Mayor's Office dated December 9, 2022; referred for report December 12, 2022

Subject: **FISCAL YEAR 2022 URBAN AREAS SECURITY INITIATIVE GRANT AWARD ACCEPTANCE**

RECOMMENDATIONS

That the Council:

1. Authorize the Mayor, or designee, to:
 - a. Accept on behalf of the City and the Los Angeles/Long Beach Urban Area, the Fiscal Year 2022 Urban Areas Security Initiative Grant in the amount of \$54,753,330 from the California Governor's Office of Emergency Services, for a performance period of September 1, 2022 to May 31, 2025;
 - b. Submit to the grantor on behalf of the City and the Los Angeles/Long Beach Urban Area, requests for drawdown of funds for payment or reimbursements of City and partner jurisdiction funds expended for approved grant purposes;
 - c. Execute subrecipient contracts, subject to the approval of the City Attorney as to form, for the distribution of the FY22 UASI grant funds, for a term of up to 33 months within the applicable performance period with the Los Angeles/Long Beach Urban Area partner jurisdictions including: Alhambra, Beverly Hills, Burbank, Culver City, El Segundo, Glendale, Hawthorne, Inglewood, Long Beach, Monterey Park, Pasadena, Santa Fe, Santa Monica, South Pasadena, Torrance, and County of Los Angeles consistent with the approved grant budgets and in accordance with the Performance Agreement attached to Mayor's transmittal dated December 9, 2022 (Attachment 7);
 - d. Execute a Memoranda of Agreement, subject to the approval of the City Attorney as to form, for the distribution of the FY22 UASI grant funds, for a term of 33 months with the Los Angeles World Airports (LAWA) and Port of Los Angeles (POLA) consistent with the approved grant budgets;

- e. Release Requests for Proposals, evaluate proposals, and negotiate contracts for the purchase of approved equipment, training, exercise, and planning items, including consulting services, with the assistance of General Managers of affected City departments, as detailed in the FY 2022 UASI budget;
 - f. Execute on behalf of the City, the contracts referenced in Attachment 6 to this report, for a term of up to 33 months within the applicable performance period, subject to the approval of the City Attorney as to form;
 - g. Negotiate and execute a contract with a vendor to assist the Mayor’s Office grant, contract or fiscal team, for a term up to 24 months, within the grant performance period, in an amount not to exceed \$100,000, subject to the approval of the City Attorney as to form;
 - h. Receive, deposit into, and disburse from a new FY22 UASI Homeland Security Grant Fund, the grant funds from the FY22 UASI grant award;
2. Authorize the continuance of Personnel Authority Resolution for two grant-funded sworn positions for the Los Angeles Fire Department for Fiscal Year 2022-23, one for the Joint Regional Intelligence Center and one for the Regional Training Group:

<u>No. of Positions</u>	<u>Class Code</u>	<u>Class Title</u>
1	2142-2	Fire Captain II
1	2152	Fire Battalion Chief

3. Authorize Personnel Authority Resolution for one Crime and Intelligence Analyst I, Class Code 2236-1, for the Los Angeles Police Department for Fiscal Year 2023-24.
4. Authorize the Controller to:
- a. Establish a new interest-bearing fund entitled "FY22 UASI Homeland Security Grant Fund" and create a receivable in the Fund in the amount of \$54,753,330 for the FY22 UASI grant;
 - b. Expend and receive funds upon presentation of documentation and proper demand by the Mayor’s Office of Public Safety to reimburse City departments and the Los Angeles/Long Beach Urban Area participants for approved FY22 UASI Homeland Security grant purchases;
 - c. Transfer funds between appropriation accounts upon request by the Mayor, pursuant to modifications of the grant approved by the grantor;
5. Adopt the attached FY22 UASI Grant Budget (Attachment 3 to the Mayor’s Transmittal dated December 9, 2022) and authorize the Mayor to create new appropriation accounts within

the new FY22 UASI Homeland Security Grant Fund No. XXX for the FY 2022 UASI Grant, as follows:

9. Authorize the Controller to transfer cash from Fund XXX/46 to reimburse the General Fund, on an as-needed basis, upon presentation of proper documentation from City departments, subject to the approval of the Mayor's Office of Public Safety; and
10. Authorize the Mayor, or designee, to prepare Controller instructions for any technical adjustments, subject to approval of the City Administrative Officer, and authorize the Controller to implement the instructions.

SUMMARY

The Mayor's Office of Public Safety (Mayor's Office) requests authority to accept the United States Department of Homeland Security (DHS) Fiscal Year (FY) 2022 Urban Areas Security Initiative (UASI) grant award and to take actions related to award implementation. The grant performance period is from September 1, 2022 to May 31, 2025. The grant award provides a total allocation of \$54,753,330 divided among the City of Los Angeles (City) and the Los Angeles/Long Beach Urban Area (LA/LB UA) Partner Jurisdictions. While the grant funds are provided to the entire LA/LB UA, the City serves as the administrative and fiscal agent for the grant and receives a total allocation to distribute the grant funds in accordance with the approved grant budget. No matching funds are required for this grant.

Because the performance period of the FY 2022 UASI grant commenced on September 1, 2022, certain grant-approved activities that will be reimbursed by grant funds have already occurred; therefore, the recommendations to accept the grant, adopt the FY 2022 UASI budget, and enter into certain contracts would include retroactive approval of grant-funded activities that occurred within the grant performance period, but prior to the Council adoption of the recommendations set forth in this report.

The Mayor's Office transmittal dated December 9, 2022 includes a recommendation to authorize the continuation of Personnel Authority Resolution (PAR) for two Los Angeles Fire Department (LAFD) positions. Authority for these two positions is already included in the FY 2022-23 PAR (C.F. 21-1700): one for the Joint Regional Intelligence Center (JRIC), and one for the Regional Training Group. In addition, the transmittal requests authorization for one Crime and Intelligence Analyst I, Class Code 2236-1, for the Los Angeles Police Department and assigned to the JRIC, for Fiscal Year 2023-24. The three positions will be funded through the FY 2022 UASI grant.

Program Background

The UASI grant program provides funding to dense urban areas to prevent, protect against, mitigate, respond to, and recover from threats or acts of terrorism. The grant funding can be used to purchase homeland security equipment and fund costs associated with planning, training, exercises, operational costs, and grant administration.

The DHS awards the UASI grant funds to the State Administrative Agent (SAA) using a risk-based methodology and assessment of each grant applicant's proposed solutions to urban area risks. The SAA then disperses the funds to the urban areas and is permitted by grant guidelines to retain up to 20-percent of the grant award to directly support the designated urban area in the respective state. The State of California's SAA is the California's Governor's Office of Emergency Services (Cal OES). The FY 2022 UASI funding retained by the Cal OES will be provided to the State of California for projects that will benefit the region, but will not be allocated to, or managed by, the LA/LB UA.

On May 13, 2022, the DHS announced a FY22 UASI allocation of \$67,182,000 to the LA/LB UA. The Cal OES retained 18.5-percent of this award, totaling \$12,428,670. On October 24, 2022, the

LA/LB UA received the formal award letter for its final allocation of \$54,753,330. The City, as the administrative fiscal agent for the LA/LB UA, distributes the grant funds to the Partner Jurisdictions based on the region’s approved allocation plan and funding priorities. The FY 2022 UASI allocation plan provides funding for four major homeland security focus areas, or Investment Justifications (IJs), as follows:

FY 2022 UASI Investment Justifications

- | |
|---|
| 1. Strengthen interoperable and communications capabilities - \$16,188,338 |
| 2. Strengthen information sharing, collaboration capabilities, and law enforcement investigations - \$12,993,703 |
| 3. Protection of critical infrastructure and key resources (limited to commercial airports and seaports) - \$12,426,977 |
| 4. Catastrophic incident planning response and recovery - \$13,144, 312 |

The remaining \$2,737,667 in FY 2022 UASI funding will be dedicated to Management and Administration expenditures for the LA/LB UA. Additional detail on the IJs is provided in the Mayor’s transmittal dated December 9, 2022.

Starting FY 2022, it is required that recipients of UASI funds submit an IJ for five national priorities:

- Enhancing cybersecurity
- Enhancing the protection of soft targets/crowded places
- Enhancing information and intelligence sharing and cooperation with federal agencies
- Combating domestic violent extremism
- Addressing emergency threats, such as Transnational Criminal Organizations

City of Los Angeles Allocations

The FY 2022 UASI grant award is allocated to the City as follows:

Department	Allocation
Emergency Management Department	\$ 1,349,667
Los Angeles Fire Department	5,157,828
Los Angeles Police Department	7,578,608
Information Technology Agency (Cybersecurity)	400,000
Mayor’s Office (Management and Administration)	2,647,667
Total	\$17,133,770

Attachment 4 to the Mayor’s transmittal provides a detailed list of the projects to be completed by the City as part of the FY 2022 UASI program.

The grant guidelines allow up to five-percent of the grant award or, \$2,737,667, to be allocated for Management and Administration (M&A) of the grant; however, it should be noted that the allocation for the Mayor's Office for M&A is presented as \$2,647,667 in the table above. The remaining \$90,000 for M&A is reflected in the City of Long Beach's FY 2022 UASI allocation for its personnel costs associated with managing FY 2022 UASI grant projects.

Of the Mayor's Office M&A allocation, funding in the amount of \$2,437,667 will support salaries and fringe benefits of the Mayor's Office UASI team throughout the grant performance period of September 1, 2022 through May 31, 2025. The Mayor's Office utilizes funding from various UASI grant award cycles to support salaries over several fiscal years. An amount of \$200,000 in M&A funding will cover administrative expenses, including office supplies and grant-related travel. The remaining \$100,000 is allocated towards contractual services for temporary staffing. To procure these services, the Mayor's Office requests the authority to contract with a temporary employment agency to assist the Mayor's Office in grant fiscal operations and compliance according to City and grant standards.

Partner Jurisdiction Allocations and Contracting Authority

The Mayor's Office requests authority to execute subrecipient agreements with the cities of Alhambra, Beverly Hills, Burbank, Culver City, El Segundo, Glendale, Hawthorne, Inglewood, Long Beach, Monterey Park, Pasadena, San Fernando, Santa Monica, South Pasadena, and Torrance, and the County of Los Angeles. Partner Jurisdictions will receive a total of \$23,931,222 in FY 2022 UASI funding. Attachment 7 to the Mayor's transmittal dated December 9, 2022 provides a draft of the subrecipient agreement. The remaining \$11,688,338 in FY 2022 UASI funds is allocated to the Joint Powers Authority for the LA/LB Region.

FISCAL IMPACT STATEMENT

Approval of the recommendations within this report will have no additional impact to the General Fund and will provide a total allocation of \$54,753,330 to various City departments and the Los Angeles/Long Beach Urban Area Partner Jurisdictions from the Fiscal Year 2022 Urban Areas Security Initiative grant award. No matching funds are required for this grant.

FINANCIAL POLICIES STATEMENT

The recommendations in this report are in compliance with the City's Financial Policies in that all grant-eligible costs are fully covered by grant funds.

Anticipated Contract Service Requirements, FY 22 UASI

City Department	Project Description	Maximum Cost	Contract Term
EMD	<p>Update the Faith-Based Community Organization Webpage (Prep4Faith.org) and Materials: The City of Los Angeles Emergency Management Department (EMD) will work through the City procurement process to hire a contractor and subject matter expert who will work to update materials and the faith-based community organization webpage "Prep4Faith.org".</p> <p>The Prep4Faith webpage provides free resources to faith-based community organizations. However, it is not continuously monitored or updated, and therefore, not being utilized to its greatest potential.</p> <p>The City of Los Angeles has established relationships with many faith-based community organizations throughout the jurisdiction. In order to maintain partnerships during disasters, EMD maintains a quarterly faith-based organization meeting with over 100 participants from local churches and community organizations. Although the current webpage provides helpful resources for building community resilience, EMD may reach more community organizations by updating the contents on the website.</p> <p>EMD's goal is to enhance the overall self-resilience of City of Los Angeles faith-based organizations through the current web-based information hub (prep4faith.org).</p>	\$100,000	24 months
EMD	<p>RYLAN App updates with 24 month support: The City of Los Angeles Emergency Management Department (EMD) provides free emergency preparedness workshops to residents through the Ready your LA Neighborhood (RYLAN) program. In 2021, EMD successfully updated the RYLAN website based on a series of focus groups with City of Los Angeles residents conducted by a contractor, which initially brought in over 150 requests for services to EMD, in less than a week's time.</p> <p>To better service the needs of Angelenos, EMD is developing a RYLAN cellular phone application that is being funded by the City of Los Angeles Innovation and Performance Commission Grant.</p> <p>This project will continue to support the RYLAN App that delivers planning and recovery to residents before and after a catastrophic incident and will allow for the continued maintenance and servicing for the phone application via one year of maintenance.</p>	\$100,000	24 months
EMD	<p>EOP Gap Analysis for Climate Change Impacts and Plan Update(s): The City of Los Angeles Emergency Management Department (EMD) will work through the City procurement process to hire a contractor and subject matter expert who will perform a gap analysis of the City of Los Angeles Emergency Operations Plan (EOP), including its Annexes and Appendices, to identify impacts of Environmental Changes to the City. Currently the EOP and its Annexes and Appendices do not adequately speak to how the City's 4 million residents will be affected by the climate impacts including extreme heat, wildfires, sea level rise, flooding, drought, and lowering water table levels.</p> <p>Therefore, keeping in line with recent State legislation (Senate Bill (SB) 379) which calls for cities to better address climate change mitigation and impacts, EMD will work with the Planning Department and the Public Works Climate Emergency Mobilization Office to review and assess the needs of the plan. This law requires the legislative body of a city or county to adopt a comprehensive, long-term general plan that includes various elements, such as a safety element for the protection of the community from unreasonable risks associated with the effects of various geologic hazards.</p>	\$150,000	24 months
EMD	<p>RYLAN Program for City Housing Projects: The City of Los Angeles is vulnerable to a number of natural and man-made threats, including wildfires, flooding, mudslides, earthquakes, and terrorist attack. Due to the many threats that Angelenos face, emergency preparedness is paramount to the wellbeing, safety, and resilience of our communities.</p> <p>The City of Los Angeles Emergency Management Department (EMD) will work through the City procurement process to hire a contractor and subject matter expert who will enhance the overall self-resilience and provide detailed and relevant guidance to the City of Los Angeles residents living in housing projects during a catastrophic event such as an earthquake.</p> <p>EMD provides preparedness information to residents through the RYLAN program to address the needs of single family residents but not the unique needs of the 13 major public housing developments within city limits. Therefore, this project will help to create materials dedicated to public housing units including pamphlets, lesson plans, or instructional videos as well as specialized training unique to the needs of the housing projects.</p> <p>By developing materials for public housing residents, EMD will build self-resilience within some of the city's most vulnerable populations.</p>	\$200,000	24 months
EMD	<p>Annual EOC Functional Exercise; The City of Los Angeles Emergency Management Department (EMD) will work through the City procurement process to hire a contractor who will design, produce, coordinate and execute the City of Los Angeles Emergency Operations Center's (EOC) annual functional exercise.</p> <p>The EOC exercise will be based on identified core capabilities and hazards in the City's Integrated Preparedness Plan (formerly the Multi-Year Training and Exercise Plan) to conduct a Level 1 EOC Functional Exercise based on identified core capabilities and hazards. The exercise will follow Homeland Security Exercise Evaluation and Program (HSEEP) guidelines and provide after action reporting and improvement planning.</p>	\$120,444	24 months

EMD	<p>2024 DSCA Exercise Series - Seminar, Tabletop, Drill: The City of Los Angeles Emergency Management Department (EMD) will work through the City procurement process to hire a contractor who will design, produce, coordinate and execute a Senior Leaders Seminar based around Defense Support to Civil Authority (DSCA) that will review the lessons learned and best practices captured from previous exercises.</p> <p>Defense Support of Civil Authorities (DSCA) is a process by which military assets may be requested to perform missions normally carried out by civilian authorities. DSCA seminars are held in conjunction with Fleet Week that gathers emergency responders, military partners, and federal emergency management leaders for hands-on workshops and exercises designed to prepare and enhance the City's coordination and collaboration with the U.S. Department of Defense (DOD) during a disaster, crisis, or special condition that exceeds the capacity of local government to respond to.</p> <p>The DSCA seminar will provide an opportunity for emergency managers, City and other regional local officials, federal military partners, civilian DOD personnel, and DOD component assets, including National Guard forces, to discuss lessons learned from national hazards which affect the Los Angeles region and to garner practices and policies that can be applied to all future responses regardless of hazard.</p>	\$200,000	24 months
EMD	<p>Business Operations Center Coordinator (1 Staff Person): The City of Los Angeles Emergency Management Department (EMD) will work with the Mayor's Office of Public Safety (MOPS) and the Personnel Department to determine the quickest way to onboard a Project Coordinator (Civil Service Code 1537) or equivalent into the position while still keeping in line with the City's policies and procedures.</p> <p>Once onboard, the BOC Coordinator will oversee tasks such as, administer the Emergency Operations Center (EOC) Business Operations Center (BOC) Program, coordinate the Local Business Continuity of Operations Plan Program, coordinate the Mega Contracts Program, coordinate the Mayor's Fund Emergency Management Advisory Board, and coordinate the City's Donations Management Program in concert with the Community Outreach Promoting Emergency Preparedness (COPE).</p> <p>The BOC Coordinator will be able to review, revise and complete a range of public-private partnership programs, projects and initiatives that are at a conceptual level but have yet to be operationalized</p>	\$159,222	12 months
EMD	<p>Special Events Coordinator (1 Staff Person): The City of Los Angeles Emergency Management Department (EMD) will work with the Mayor's Office of Public Safety (MOPS) and the Personnel Department to determine the quickest way to onboard a Project Coordinator (Civil Service Code 1537) or equivalent into the position while still keeping in line with the City's policies and procedures.</p>	\$150,000	12 months
EMD	<p>Supply Chain Management Coordinator (1 Staff Person): The City of Los Angeles Emergency Management Department (EMD) will work with the Mayor's Office of Public Safety (MOPS) and the Personnel Department to determine the quickest way to onboard a Project Coordinator (Civil Service Code 1537) or equivalent into the position while still keeping in line with the City's policies and procedures.</p> <p>Currently EMD has a limited staff that does not allow adequate coordination between EMD and other entities. The Supply Chain Management Coordinator will administer operations and daily activities for the City's supply chain activities, including but not limited to, updating the Supply Chain Annex, continuing to enhance the work already begun on supply chain management, and working with City Departments and other Local, State and Federal entities on supply chain issues that affect the City of Los Angeles, as well as helping to monitor activities that arise around the issue of supply chain management.</p> <p>In addition, the Supply Chain Management Coordinator will be able to review, revise and complete a range of public-private partnership programs, projects and initiatives that are at a conceptual level but have yet to be operationalized and will be able to develop specific recommendations that will help to maximize EMDs goals of enhancing and maintaining a supply chain information network throughout the Region and Nationally.</p>	\$150,000	12 months
LAFD	<p>CONSULTANT CONTRACT - O-305 All Hazards Incident Management Team, E/L 958 All-Hazard Operations Section Chief, E/L 954 All-Hazard Safety Officer, E/L 960 All-Hazard Division/Group Supervisor: The LAFD will utilize FY 22 UASI funds to cover overtime, backfill, and contractual services for the delivery of All-Hazards Incident Management Team (AHIMT) training. AHIMT training may include any of the following: O-305 All Hazards Incident Management Team, E/L 958 All-Hazard Operations Section Chief, E/L 954 All-Hazard Safety Officer, E/L 960 All-Hazard Division/Group Supervisor which are five-day session courses for up to 36 students per class at an estimated total cost of \$50,000</p>	\$50,000	12 months
LAFD	<p>Unmanned Aircraft Systems (UAS) Training: This funding is to provide training for preparedness and response capabilities in the LA/LB Urban Area and Los Angeles County Operational Area. Currently, grant funds have been utilized to bring the region to the current response capabilities and additional grant funds have supported the maintenance and sustainment of those capabilities. Developing a small UAS training program for public safety will include: evolving regulations for the use of UAS; expanding roles for employment of aircraft; creating public approval for drone operations; and ensuring safety is the pinnacle of the training, a critical element highlighted by the Federal Aviation Administration (FAA). The goal of the course will be to teach students FAA rules and regulations, give them simulation training to learn how to safely pilot a drone, and then gain hands-on flight time with FAA licensed teachers.</p>	\$10,000	12 months
