Engineering

Engineering and Architectural Services for the Port of Los Angeles Maritime Support Facility Access/Terminal Island Rail System Grade Separation & Terminal Island Maritime Support Facility

REQUEST FOR PROPOSALS
Prospective Consultants:

SUBJECT: REQUEST FOR PROPOSALS FOR ENGINEERING AND ARCHITECTURAL SERVICES FOR THE PORT OF LOS ANGELES MARITIME SUPPORT FACILITY ACCESS/Terminal Island Rail System Grade Separation & Terminal Island Maritime Support Facility

The City of Los Angeles Harbor Department (Harbor Department) invites the submittal of proposals to provide engineering and architectural services for the Port of Los Angeles Maritime Support Facility Access/Terminal Island Rail System Grade Separation and the Terminal Island Maritime Support Facility. These services shall commence after a contract is approved by the Board of Harbor Commissioners.

Instructions and forms to be used in preparing the proposal are found in the information included in the Request for Proposals (RFP).

The schedule for this RFP will be as follows:

<table>
<thead>
<tr>
<th>Event</th>
<th>Date/Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Request for Proposals Published</td>
<td>Wednesday, July 26, 2023</td>
</tr>
<tr>
<td>Questions Due</td>
<td>Thursday, August 3, 2023 by 3pm</td>

<tr>
<td>Response Posted</td>
<td>Wednesday, August 16, 2023</td>
</tr>
<tr>
<td>Proposals Due</td>
<td>Thursday, August 31, 2023 by 3pm</td>
</tr>
</tbody>
</table>

If your firm cannot agree to the requirements exactly as set forth in this RFP, please do not submit a proposal.

For questions regarding this RFP, please contact Tanisha Herr by email at THerr@portla.org. Questions must be submitted by 3pm, Thursday, August 3, 2023. Responses will be posted on the Harbor Department’s website and the Regional Alliance Marketplace for Procurement (RAMP), at www.rampla.org, on Wednesday, August 16, 2023. It is the responsibility of all proposers to review the Port’s website for any RFP revisions or answers to questions prior to submitting a proposal in order to ensure their proposal is complete and responsive.

In addition to providing information requested in this RFP, it should be noted that there are administrative documents that must be submitted with the proposal. Please refer to the Business Enterprise Programs and Contract Administrative Requirements section of this RFP. In order for your proposal to be deemed responsive, these documents MUST be included with your proposal.

All consultants and subconsultants must be registered on RAMP at the time proposals are due. If selected for award, for-profit companies and corporations must comply with RAMP’s demographic reporting requirements, per the Mayor’s Executive Directive 35.

Sincerely,

Tanisha Herr
TRICIA J. CAREY
Director, Contracts and Purchasing Division

1. INTRODUCTION

1.1 Brief Overview of the Project

The Engineering Division is soliciting proposals from qualified consultants to provide engineering and architectural services to develop plans, specifications, and estimates (PS&E) for the construction of two projects, the Port of Los Angeles Maritime Support Facility Access/Terminal Island Rail System Grade Separation (TIGS) and the Terminal Island Maritime Support Facility (TIMSF), including engineering and architectural support services during bidding and construction. Consultants are invited to submit proposals for one or both projects. If submitting for both projects, separate proposals are required.

The TIGS project will provide unimpeded access into the TIMSF. The TIMSF project will develop the temporary support facility site, which was developed under emergency conditions to alleviate vessel congestion, into a permanent backland support facility.

The duration of the contract awarded as a result of this RFP is expected to be three years from the date of execution of the agreement. Funding for the TIGS project will be a cost share between the Ports of Los Angeles and Long Beach and supplemented with United States Department of Transportation (USDOT) Rebuilding American Infrastructure with Sustainability and Equity (RAISE) Grant funding. The total Project budget for TIGS is approximately $39 million and for TIMSF is approximately $194 million.

1.2 The Port of Los Angeles

The Port of Los Angeles is America’s Port®, the nation’s premier gateway for international commerce and the busiest seaport in the Western Hemisphere. Located in San Pedro Bay, 25 miles south of downtown Los Angeles, the Port encompasses 7,500 acres of land and water along 43 miles of waterfront.

The Port features both passenger and cargo terminals, including cruise, container, automobile, breakbulk, dry and liquid bulk, and warehouse facilities that manage billions of dollars’ worth of cargo each year. One of the world’s busiest seaports and leading gateway for international trade in North America, the Port of Los Angeles has ranked as the number one container port in the United States each year since 2000. In 2022, the Port handled a total of 9.9 million TEUs, its second busiest calendar year on record.

The Port of Los Angeles is a department of the City of Los Angeles (also known as the Los Angeles Harbor Department) and is governed by the Los Angeles Board of Harbor Commissioners, a panel appointed by the Mayor of Los Angeles. Although the Port is a City department, it is not supported by City taxes. Operating as a landlord port with more than 200 leaseholders, the Port instead generates its revenues from leasing and shipping service fees. The Port’s jurisdiction is limited to the Harbor District, which includes property in San Pedro, Wilmington, and Terminal Island.
2. PROJECT DESCRIPTIONS

2.1 Project A - Terminal Island Rail System Grade Separation

The proposed Terminal Island Rail System Grade Separation (TIGS) entails the following:

- A new four-lane grade separated roadway that shall span three (3) existing Port of Los Angeles (POLA) mainline tracks, linking the intersection of Ferry Street and Terminal Way to the Terminal Island Maritime Support Facility (TIMSF). Attachment 1, a site map showing both the TIGS project and TIMSF project, provides a visual representation of the proposed construction. The new grade separation is currently envisioned to be constructed on fill material, retaining walls, and abutments, featuring a precast girder bridge. Attachment 2 provides one (1) conceptual plan view drawing of a proposed layout for the grade separation. Attachment 3 provides a profile view of the conceptual grade separation plan referenced in Attachment 2.

- Modifications to the intersection of Ferry Street and Terminal Way to provide access to the new grade separated roadway; including the installation of a new and/or modified traffic signal.

- A new westbound (WB) on-ramp from Terminal Way to the new grade separated roadway, between the intersection of Ferry Street and Terminal Way and the existing Terminal Way grade separation.

This grade separation will provide access to the TIMSF which is located at the former LAXT 80-acre site and is enclosed by a loop of three heavily used rail tracks. Current access to and from the site is severely limited and constrained via an existing at-grade rail crossing, and by a one-way tunnel with substandard vertical clearance which requires manual flagging operation for non-concurrent movement in one direction.

The Ports of Los Angeles and Long Beach (POLB) completed a joint rail study in December 2020 using current rail data and projections to identify future expansion needs over the next 25 years. Under opening year 2027 and year 2046 conditions, an estimated 1,325 and 3,030 trucks per day, respectively, will be blocked by trains (moving and stationary) for about 10 hours/day. The completion of this project will eliminate a significant truck access impediment into the TIMSF and connect the TIMSF to Terminal Way and Ferry Street.

2.2 Project B – Terminal Island Maritime Support Facility

The proposed Terminal Island Maritime Support Facility (TIMSF) entails the following:

- Redevelopment of the approximately 80-acres (Exhibit A) new backland facility will include removals (including contaminated soil removal), grading, paving, pavement marking, electrical and power infrastructure, high mast pole lighting, security fencing, storm water drainage system, low impact development improvements, sewage system, potable water, and fire protection.
• New electric charging stations. This site will operate using zero emission equipment and will include three (3) electric charging stations.
• New roadability canopy, two (2) longshore restrooms, and two (2) guard booths.
• Modifications to the existing tunnel access to the current TIMSF facility for emergency use only.

The 80-acre backland site at 740 Terminal Way in San Pedro, CA 90731 on Terminal Island will be used for a permanent chassis support facility and container storage for three separate operators. The facility will support activities such as chassis dispatch, stacking and storage, maintenance, other roadability services, and stop/start functionality. The backland will be linked to the rest of the Port by the TIGS.

POLA completed 23.3 acres of temporary site improvements (CMB pavement) to the existing 80-acre site in October 2021. This previous project was completed under emergency development to help alleviate vessel congestion by providing additional storage area to stack empty containers and chassis.

2.3 Project Scope of Work

The Scope of Work shall include, but is not limited to, project management, coordination, design, preparing drawings, specifications, engineering calculations, cost estimates, schedules, studies, and reports for:

• Architectural, civil, electrical, mechanical, plumbing, structural design, and traffic control;
• Geotechnical;
• Contract and record documents;
• Applying for and obtaining plan checks and permits;
• CAD drafting;
• Grant and/or funding support; and
• Engineering support during environmental assessment, bid, and construction.

Harbor Department Engineering Guidelines: Consultant acknowledges receipt, review and understanding of LAHD’s "Engineering Design Guidelines," and "Computer Aided Design (CAD) 2022 Manual" ("Guidelines") and shall perform this Scope of Work in accordance with Guidelines. Within ten (10) days of this Agreement’s effective date, Consultant shall notify the Chief Harbor Engineer of the Engineering Division of the City’s Harbor Department ("Engineer") in writing of any terms, criteria, or procedures contained therein which Consultant does not intend to use in performing the Scope of Work. Engineer shall provide a written response to any such comments received from Consultant, which shall be binding for the purposes of this Agreement.

The following task descriptions are provided as a guideline for the preparation of a Proposal. Detailed project tasks specific to the Maritime Support Facility Access/Terminal Island Rail System Grade Separation (Project A) and Terminal Island Maritime Support Facility (Project B) will be developed jointly by the selected Consultant and Harbor Department staff. Task descriptions pertain to both Project A and Project B. Task
Deliverables are separated and denoted as Task 1A Deliverables, Task 2A Deliverables, Task 3A Deliverables, and so on for Project A. Task Deliverables pertaining to Project B are denoted as Task 1B Deliverables, Task 2B Deliverables, Task 3B Deliverables, and so on.

**Task 1  Project Management & Coordination**

Consultant shall provide state-of-the-art project management services throughout the Project. This project management effort shall be provided for the following processes: Project initiation, Project planning and scheduling, Project controls, Project execution, and Project administration and closing. Consultant shall deal with the Project issues, including, but not limited to, Project integration, Project scope development, Project management, cost management, quality assurance and control issues, human resource requirements, Project communications including stakeholders, and Project risk management.

Consultant shall initiate, plan, execute, direct, control, and administer the Project by effectively organizing, staffing, directing, integrating, and coordinating the required Project Tasks and Subtasks. These services shall be performed in a professional fashion as per current project management principles, guidelines, and standards promoted by recognized project management organizations and institutions.

Coordination between the two projects is required to ensure that the TIGS and TIMSF projects are developed and constructed in a manner that meets the needs of both projects. This task includes the following:

**Task 1.1  Project Management Plan, Suitability of Work and Consultant Cooperation**

Consultant shall provide a detailed Project Management Plan (PMP) including information on coordination with appropriate agencies to ensure timely completion of the plans, specifications, and estimates (PS&E) packages. This plan shall include a schedule for milestone completion and an hourly breakdown for each task and subtask. The PMP shall be delivered within 30 days of the first Notice-To-Proceed (NTP).

Consultant shall furnish, in accordance with the agreed upon schedule, a complete, practical, economical design, plans, specifications, and estimates (if such plans and specifications are within the scope of Consultant’s work), and related corrections and changes which are best suited for the contemplated construction, and ensure all work is completed in accordance with this Agreement and with sound engineering principles utilizing current engineering standards and is signed and sealed by a licensed Professional Engineer and/or Architect, as appropriate. Consultant shall, upon request of the Engineer, provide all calculations, data, charts, and other information of any type whatsoever which support its designs or other work performed pursuant to this Agreement. Consultant may not assert as a basis for refusing to provide such information that it is proprietary. Consultant shall satisfy Engineer that design decisions are based on objective evaluation of the requirements of the facility owner and user, meet site-specific conditions, comply with Project construction cost budget, and minimize long term operation and maintenance costs.

Consultant is aware and agrees that the City has the right to submit the
Consultant’s work product to independent design reviewers. Consultant agrees to fully cooperate with such reviewers if City determines review is appropriate. Consultant’s cooperation obligation shall include response in an objective professional manner to requests for information, and, as requested by the Engineer, to participate into dialogue with the reviewer in order to address the comments in a timely manner.

The City’s Harbor Department’s CAD Standards adopt Autodesk Applications such as AutoCAD, Civil 3D, and Revit as the “Standard CAD Software”. All submitted files must conform and comply with the latest version of the City’s Harbor Department CAD Standards outlined in the City’s Harbor Department’s 2022 CAD Manual. When submitting files on electronic media, the AutoCAD (.dwg), Civil 3D (.dwg) or Revit (.rvt) drawing file version should be included. Drawings and data should be transferrable and able to integrate with other applications, such as Geographic Information Systems (GIS) (such as ESRI ArcGIS), PDF reviews (such as Bluebeam REVU), cost estimating applications and specification development.

Specifications shall be prepared using SpecLink Cloud and submitted in Portable Document Format.

**Task 1.2 Quality Assurance/Quality Control Plan**

In conjunction with the Project Management Plan (PMP), the Consultant shall also prepare a quality assurance/quality control plan (QA/QC Plan) for the Project, within 30 days of the first Notice to Proceed under this Agreement. The QA/QC Plan shall be prepared in accordance with the City’s Harbor Department, recognized professional standards, and shall identify procedures for reviewing and checking computations, design drawings and other submittals specific to the design phase for both Consultant and Subconsultants. The plan shall also identify roles and responsibilities for implementing and monitoring quality control and quality assurance. As part of the Consultant’s QA/QC Plan, Consultant Senior Staff shall perform independent review of all documents for completeness, technical accuracy, and coordination and code compliance at the end of each work phase prior to submittal of deliverables to Engineer.

**Task 1.3 Project Schedule**

Consultant shall develop a computerized critical path method schedule (CPM Schedule) using Microsoft Project. This schedule shall be created and maintained in close coordination with the Engineer or Engineer’s designer. The initial schedule shall be submitted 30 days after the issuance of the first Notice to Proceed under this Agreement. The schedule shall initially focus on design phase activities, including significant milestones (including 40%, 80% quality assurance and quality control, 80%, 100%, and 100% quality assurance and quality control design delivery and review periods), permits, utility coordination and related Tasks, to allow for effective planning, monitoring, and reporting throughout the Project. The schedule shall at a minimum accommodate a 14-calendar day review period at the 80% quality assurance and quality control review period, and an additional 7 calendar days to meet and resolve issues. The schedule shall at a minimum accommodate a 28-calendar day review period at the 40%, 80% and 100% design review milestone, and an additional 21 calendar day period to meet and resolve any issues. The schedule shall at a minimum accommodate a 21-calendar day review period at the 100% quality assurance and quality control review period, and an additional 21-calendar day review period at the 100% quality assurance and quality control review period, and an additional...
14 calendar days to meet and resolve issues. It shall combine activities related to cost, planning and design, reviews, delivery, and approvals and shall provide uniform guidance for planning, scheduling, budgeting, and coordination efforts. Updates to the schedule should coincide with the monthly Project Development Team (PDT) Meeting, where reporting shall take place.

**Project A Schedule:**

The currently approved baseline schedule for Project A is as follows:

Design completion by: 03/31/2024  
Bid & Award: 04/01/2024 – 09/30/2024  
Construction: 10/01/2024 – 06/30/2024

The schedule for Project A is anticipated to be updated as follows pending approval from the grant funding agencies:

Design completion by: 02/28/2025  
Bid & Award: 03/01/2025 – 08/31/2025  
Construction: 09/01/2025 – 08/31/2027

**Project B Schedule:**

The currently approved baseline schedule for Project B is as follows:

Design completion by: 02/28/2025  
Bid & Award: 03/01/2025 – 08/31/2025  
Construction: 09/01/2025 – 08/31/2027

**Task 1.4 Cost Estimate**

The Consultant shall compile and prepare the Cost Estimate based on all biddable construction items identified throughout the design package, conforming to the City’s standard practice. The Consultant shall be required to periodically submit updated cost estimates.

The Consultant’s final construction cost estimate shall be based upon, and in agreement with, the final estimated quantities. Computations showing estimated quantities and costs for each location of work, as well as the sum totals, shall be submitted to the Harbor Department for review. Submission of computations does not relieve the Consultant’s responsibility for submitting an accurate estimate of quantities. Cost estimate shall include current industry standard inflation rates to the middle of construction, allowance items, and contingency items calculated from the risk register.

**Task 1.5 Monthly Progress Status Reports and Schedule Updates**

Consultant shall prepare monthly progress reports that will include an update to the key milestone delivery schedule and percent completion of each task worked on during that period. Consultant shall maintain CPM Schedule. The schedule will be reviewed in close coordination with Engineer. Each month a schedule shall be issued for Project
progress meetings and other public meetings where Project status and the schedule may be an agenda item. The CPM Schedule shall also be updated each month to show progress.

**Task 1.6 Project Development Team (PDT) Meetings**

Consultant team shall attend periodic PDT meetings with Project stakeholders throughout the term of this Agreement. Consultant’s Project Manager shall attend each meeting. It is anticipated that various other members of the Project team, including Subconsultants, may be required to attend the meetings. Consultant shall prepare an agenda and distribute meeting minutes, as well as track design contract action items. Monthly progress reports shall be presented and discussed at this meeting. Up to 12 PDT meetings are assumed for the duration of services in addition to weekly design team meetings.

**Task 1.7 Subconsultant Administration**

The Consultant shall administer all Subconsultants on this Project. All Subconsultant requests for information, questions, clarifications, and invoices shall be processed through the Consultant. The consultant shall QA/QC subconsultant work to verify it meets all relative standards, including the City’s Harbor Department CAD standards.

**Task 1.8 Meetings, Permits, and Utility Coordination**

Consultant shall attend meetings, conferences, hearings and provide drawings, applications and exhibits necessary to obtain all required approvals, plan checks, permits, variances and utility services/modifications for the Project. Consultant shall obtain regulatory agency approvals, plan checks, permits and variances necessary for Project's design and construction unless the Engineer otherwise directs in writing. Consultant shall prepare and deliver to Engineer, for review and comment, minutes of all meetings attended within three (3) working days after the meeting, whether or not City is represented at said meetings if the subject of such meeting is material to design of Project or if Engineer requests such meeting minutes.

i. For permits and permit related activities as described below, the Consultant shall be solely responsible for preparing applications, including providing all required data, support documents, and drawings; completing the application; submitting the permit application after review and approval by the City; monitoring the permit progress; obtain required permit clearances if applicable, and picking up and delivering the permit to the Harbor Department, including, but not limited to:

a. All permits and approvals that are under the jurisdiction of the City of Los Angeles Department of Building and Safety including, but not limited to:

- Electrical;
- Building;
- Geotechnical;
b. Provide all required data, support documents, and drawings for approval of this project by the City of Los Angeles Fire Department.

c. All permits and approvals that are under the jurisdiction of the City of Los Angeles Department of Water and Power (LADWP) including, but not limited to:

- Water; and
- Electrical.

ii. The City’s Harbor Department shall pay fees for all permits required for the project.

iii. The Consultant shall contact permit or regulatory agency personnel only when directed by LAHD for the purpose of clarifying technical issues.

iv. The Consultant shall coordinate with LAHD prior to answering questions received from permit or regulatory agencies as required to obtain drawing and design approval.

v. When directed by LAHD, the Consultant shall pick up any documents prepared by the Consultant from permit agencies in order to make required corrections and return those documents to the permit agency, all in a timely manner.

vi. The Consultant shall prepare a schedule for processing permits required for this project, including all milestones available for monitoring permit progress. Consultant shall prepare a permit matrix for monitoring permit progress.

vii. The Consultant shall perform all necessary coordination with utility owners, to include but is not limited to, notification letters, information gathering and acquisition of as-builts, design and construction standards, field verification, relocation, removals, abandonment, and installation of existing and proposed utilities in support of the project. All correspondence shall be communicated in written format and provided to the Engineer.

Task 1.9 Design Standards

Design shall be in accordance with the American Association of State Highway Transportation Officials' (AASHTO) A Policy on Geometric Design of Highways and Streets, latest edition; Latest California Manual on Uniform Traffic Control Devices, Caltrans’ Bridge Design Specifications Manual, Caltrans Highway Design Manual (HDM) and other Caltrans bridge design standards; City Standard Drawings, and City standard practices. Project design shall meet the standards and requirements of the City of Los...
Angeles, conform to current Federal and State regulations, and meet recognized design standards, including those of the California Department of Transportation (Caltrans), City of Los Angeles, Port of Los Angeles Design Guidelines (including the Port-wide Ground Motion and Palos Verdes Fault Study), and the "GREENBOOK" (Standard Specifications for Public Works Construction).

Specifications shall be in accordance with the City of Los Angeles and LAHD standard bid documents and latest edition.

All dimensions shall be in English Units.

Task 1.10 Additional Requirements

The Consultant shall be responsible for the engineering design, final PS&E (or Construction Documents) and related approvals for the project. The Consultant's services will include identification of required permits and licenses; topographic survey of the project site; geotechnical investigation; coordination with responsible agencies and parties impacted by the construction of the project; and such other services that are necessary for the completion of the project.

Task 1A – Project A Deliverables

- Detailed project management plan (PMP);
- Quality control/quality assurance (QC/QA) plan;
- Microsoft (MS) Project Critical Path Method (CPM) schedule;
- Monthly written progress reports, including CPM schedule updates;
- Permit Matrix Tracking
- Meeting minutes (for all meetings), agendas and updated renderings (which are updated and tracked per meeting);
- Copies of all permit related documents; and
- Schedule for the processing of permits required for the project.

Task 1B – Project B Deliverables

- Detailed project management plan (PMP);
- Quality control/quality assurance (QC/QA) plan;
- Microsoft (MS) Project Critical Path Method (CPM) schedule;
- Monthly written progress reports, including CPM schedule updates;
- Permit Matrix Tracking
- Meeting minutes (for all meetings), agendas and updated renderings (which are updated and tracked per meeting);
- Copies of all permit related documents; and
- Schedule for the processing of permits required for the project.

Task 2 Conceptual Study and Report Phase

After issuance of the first written Notice to Proceed under this Agreement, Consultant shall perform Conceptual Study and Report for Project A and Project B. That work shall include but not necessarily be limited to the following:
A. Visit the sites and become familiar with the Project areas;

B. Review available survey, coordinate control information and record plans and use this material to establish site boundaries, locations of existing facilities, utilities (including utilities below grade), and existing grades. Provide a list of additional surveys required, which will be performed by the City’s survey forces;

C. Identify and analyze permits, approvals and requirements of local, state, and federal regulatory agencies, and coordinate with them as necessary for conformance with their requirements, rules, and regulations;

D. Planning

1. Identification of planning goals and objectives. Consultant shall identify and analyze issues affecting planning, design, permits/approvals, costs, and construction.

2. Coordinate with all major users and regulatory agencies in the area with regard to their present operations, problems, use conflicts, land use efficiency and future plans.

E. Coordinate work with adjacent facilities;

F. Develop detailed project design criteria and identify critical issues, opportunities, and constraints. Prepare Design Criteria Manual to incorporate results of this work;

G. Validation of preliminary concept drawings provided by the Harbor Department and conduct a Value Analysis Study

H. Prepare Conceptual Design and Cost Estimates;

Consultant shall prepare:

1. Two (2) conceptual alternatives. Each alternative shall include plans, sections, relevant details, cost estimate and schedule.

2. Draft and final conceptual design report and documentation package presenting the results of the two (2) conceptual studies to clearly present the considerations involved and the alternative solutions available setting forth Consultant’s findings, and evaluations. Include a summary of the cost, schedule, and a list of risks with pros and cons for each alternative. Provide a recommendation of preferred alternative that best achieves the project objective and design criteria.

3. Final conceptual design of the preferred alternative at the direction of the PDT. Include updated photorealistic renderings of the preferred alternative.
I. Prepare PowerPoint and presentations outlining the conceptual designs.

**TASK 2A – PROJECT A DELIVERABLES**

- Site Parameters;
- Validate Conceptual Design Drawing;
- Value Analysis Report;
- Preliminary Conceptual Study (Design Criteria Manual);
- Draft and Final Conceptual Study report;
- 3D renderings;
- Structural exhibit(s);
- Grading and surfacing exhibit(s);
- Utility and substructure exhibit(s);
- Construction phasing;
- All electronic files including calculations, model files, photographs, etc.;
- Preliminary project construction cost estimates; and
- Preliminary project design and construction schedules.

**TASK 2B – PROJECT B DELIVERABLES**

- Site Parameters;
- Validate Conceptual Design Drawing;
- Value Analysis Report;
- Preliminary Conceptual Study (Design Criteria Manual);
- Draft and Final Conceptual Study report;
- Building program and schematic design;
- 3D renderings;
- Structural exhibit(s);
- Grading and surfacing exhibit(s);
- Utility and substructure exhibit(s);
- Construction phasing;
- All electronic files including calculations, model files, photographs, etc.;
- Preliminary project construction cost estimates; and
- Preliminary project design and construction schedules.

**Task 3 Geotechnical Engineering Services**

Consultant will investigate, sample, and test the soil and subsurface conditions at the project sites, and provide geotechnical recommendations for design of the projects. The geotechnical work shall include, but not necessarily be limited to, the following:

A. **Review and Analysis of Existing Information:**

1. Collect and review existing geotechnical reports, boring logs, and other geotechnical information from adjacent and nearby projects, as well as from previously performed geotechnical work in the Project area.
2. Review and represent the site geology on plan, section, and profiles. Summarize soil parameters as presented in existing data.

3. Inspect site to determine existing site conditions.

B. Field Investigation:

1. Consultant shall develop a geotechnical work plan, including determination of the number of borings, cone penetration tests (CPT) or other data acquisition and testing required for design of the Project.

2. Submit a boring plan indicating the location and depths of all borings and CPTs for approval by Engineer prior to sampling. Boring plan shall indicate substructures in the vicinity of the proposed borings.

3. Detailed planning of field investigation:
   a. Identify, notify, coordinate with, and obtain approvals as required: tenants, site occupants, utility owners, other stakeholders, agencies, departments, and other entities;
   b. Arrange for and schedule drillers;
   c. Make preparations for sample handling, transportation, and testing;
   d. Locate test borings;
   e. Locate utilities and other onsite interferences and mark location on the ground;
   f. Obtain necessary permits; and
   g. Schedule field staff.

4. Perform borings and other fieldwork as necessary for the surface and subsurface investigation. As initial surface and subsurface investigation is accomplished and data is reviewed, Consultant shall adjust boring depths, locations, and number of borings and CPTs using prudent engineering judgment and considering subsurface conditions and project requirements and as approved by Engineer. CPT data shall be obtained during borings.

5. Borings in uncontaminated areas shall be backfilled with soil cuttings except CPTs will not be backfilled. Borings and CPTs in contaminated areas shall be backfilled with grout. Contaminated drilling spoils shall be stored, tested, and disposed by Consultant.

C. Laboratory Testing:

1. Perform laboratory testing to include, but not necessarily be limited to, the following:
   a. Index testing:
i. Moisture content/dry density;
ii. Specific gravity;
iii. Atterberg limits;
iv. Sand equivalent;
v. Sieve analysis; and
vi. Resistivity.

b. Consolidation tests with time plot.

c. Soil Strength tests:
   i. Triaxial compression;
   ii. Direct shear; and
   iii. Standard penetration test.

d. R-value or CBR tests.

e. Compaction tests.

f. Chemical analysis:
   i. pH;
   ii. sulfates; and
   iii. chlorides.

D. Prepare Soil Data Report:

1. Prepare narrative summary of the site soil conditions and soil parameters as developed from review of existing data, borings, and laboratory testing.
2. Prepare and draft boring logs using GINT program.
3. Prepare site soil plan, profile, and cross sections.
4. Prepare data report.

E. Geotechnical Analysis:

The geotechnical analysis shall be based on both the currently available geotechnical site information and the results of the new field investigation. The following items shall be addressed by the geotechnical analysis:

1. Provide seismic design requirements and recommendations based on the Port-Wide Ground Motion and Palos Verdes Fault Study.

2. Foundation Analysis:

   a. Develop recommendations for the foundations and/or bedding of structures, including retaining walls, vaults, storm drains and light poles considering local site conditions and recommended seismic requirements.
   b. Perform analysis and provide recommendations for design and
construction of pile-supported structures, including but not limited to buildings and ship-to-shore crane rail girders.

c. Prepare technical report.

3. Pavement Design:

   a. Develop pavement section for pavement improvements based on adjoining property, and proposed operational usage of the sites;
   b. Provide R-values and CBRs of sub-grade for pavement design; and
   c. Prepare technical report.

4. General Grading:

   a. Provide analyses and recommendations for the following:

      i. Trench excavation, backfill and shoring;
      ii. Site grading, fill placement and compaction;
      iii. Subgrade preparation for foundations and footings of structures;
      iv. Bedding requirements for utilities and substructures;
      v. Dewatering;
      vi. Settlement and volume expansion; and
      vii. Evaluation of liquefaction potential.

5. Corrosive Potential:

   a. Determine soil corrosion potential and recommend protective measures for utilities and substructures.

F. Final and Draft reports:

   The findings, conclusions and recommendations shall be discussed with LAHD as they are developed. Upon completion of the work, Consultant shall submit 1 electronic PDF-formatted copy of the draft report containing the findings, conclusions, and recommendations together with the supporting field and laboratory data for review by LAHD. Consultant shall review and address LAHD’s comments and submit 1 electronic PDF-formatted copy of the final LADBS approved report to LAHD.

G. Plans, Specifications, and Estimates Review:

   Consult with designers during Preliminary and Final Designs as necessary to implement recommendations and review project plans, specifications, and estimates for conformance with geotechnical recommendations.
TASK 3A – PROJECT A DELIVERABLES

- Boring plan and schedule;
- Copies of all necessary permit documents;
- Soil data reports; and
- Draft and final geotechnical reports.

TASK 3B – PROJECT B DELIVERABLES

- Boring plan and schedule;
- Copies of all necessary permit documents;
- Soil data reports including methane levels; and
- Draft and final geotechnical reports.

**Task 4 Preliminary Design Phase (40% DESIGN)**

A. Upon completion of the conceptual study and report phase, selection of a preferred alternative by City, and issuance of a written Notice to Proceed from the Engineer, or written provisional Notice to Proceed with individual elements, Consultant shall perform the preliminary (40%) design for Project A and Project B.

B. Consultant shall be responsible for all necessary permit plan check submittals and approvals as required by the LADBS and other applicable regulatory agencies with jurisdiction.

C. Plans shall include typical elevations, sections, schedules, and details and illustrate the architectural, civil, structural, electrical, mechanical, and other design aspects in sufficient detail to cover all matters, which will materially affect the essential features and cost of the Project.

D. Prepare a preliminary list of required permits and approvals, including estimated durations.

E. The preliminary design submittal shall include, but not necessarily be limited to, the following:

1. Site plan showing coordination and relationships with overall site development;
2. Construction phasing plan, including consideration of both Project A and Project B;
3. Removal plan;
4. Substructure plan;
5. Architectural plan;
6. Mechanical and plumbing plan;
7. Electrical and lighting plan;
8. Grading and paving design;
9. Utility plan;
10. Structural plan;
11. Traffic signal plan;
12. Striping and signage plan;
13. Outline specifications for each discipline of work;
14. Updated project cost estimate and schedule; and
15. Perform all appropriate code coordination and review with applicable local, state, and federal agencies.

TASK 4A – PROJECT A DELIVERABLES

- Preliminary site plans;
- Preliminary construction phasing plans;
- Preliminary removal plans;
- Preliminary substructure plans;
- Preliminary mechanical and plumbing plans;
- Preliminary electrical and lighting plans;
- Preliminary grading plans;
- Preliminary utility plans;
- Preliminary structural plans;
- Preliminary traffic signal plans;
- Preliminary striping and signage plans;
- Preliminary construction cost estimate;
- Preliminary construction schedule;
- Associated reports and analysis work;
- Outline of specifications; and
- Spreadsheet summarizing comments and responses on 40% submittal.

TASK 4B – PROJECT B DELIVERABLES

- Preliminary site plans;
- Preliminary construction phasing plans;
- Preliminary removal plans;
- Preliminary substructure plans;
- Preliminary architectural plans;
- Preliminary mechanical and plumbing plans;
- Preliminary electrical and lighting plans;
- Preliminary grading and paving plans;
- Preliminary utility plans;
- Preliminary striping and signage plans;
- Preliminary construction cost estimate;
- Preliminary construction schedule;
- Associated reports and analysis work;
- Outline of specifications; and
- Spreadsheet summarizing comments and responses on 40% submittal.
Task 5  Eighty Percent Construction Documents (80% DESIGN)

A.  Upon issuance of written Notice(s) to Proceed from the Engineer, proceed with 80% design of Project A and Project B.

B.  Preparation of plans, specifications, and estimates in sufficient detail to provide the information necessary for competitive construction contract bidding for Project.

C.  All review comments provided in and during the Preliminary Design Phase (40% Construction Plans – Task 4) shall be addressed and incorporated, as necessary.

D.  All 80% quality assurance and quality control review comments from the first deliverable iteration shall be addressed and incorporated, as necessary. See Task 5 deliverables.

E.  Update the list of required permits and approvals, including estimated durations.

F.  Permits and Approvals:

1.  Perform all appropriate code coordination and review with all applicable local, state, and federal agencies.

2.  Consultant shall complete applications, including necessary documentation, to obtain all permits and approvals for Project other than those that are required to be obtained by contractor(s). These applications shall be submitted to Engineer for review and approval prior to filing with appropriate agencies.

3.  Permits/approvals for this project include but are not necessarily limited to the following:

   a. City of Los Angeles, Department of Building and Safety;
   b. City of Los Angeles Department of Public Works (B-Permit);
   c. City of Los Angeles Fire Department;
   d. Los Angeles Department of Transportation;
   e. Los Angeles Bureau of Street Lighting;
   f. Regional Water Quality Control Board; and
   g. California Public Utilities Commission.

4.  Changes in the plans, specifications, and estimates, including any changes required by a change in rules, regulations, or laws required to obtain final approval from said agencies shall be made by Consultant.

5.  Consultant shall determine and obtain any other permits required by the local, state, and federal agencies for Project.

TASK 5A – PROJECT A DELIVERABLES

Consultant shall provide an 80% design submittal to LAHD at the end of this design
Consultant shall provide an 80% design submittal to LAHD at the end of this design phase. Consultant shall include two (2) iterations for comment and review. The first iteration will be for a quality assurance and quality control (QA/QC) review. Consultant shall address comments from QA/QC review and resubmit. The second iteration will be for the 80% review.

• Site plans;
• Construction phasing plans;
• Removal plans;
• Substructure plans;
• Mechanical and plumbing plans;
• Electrical and lighting plans;
• Grading and paving plans;
• Structural plans;
• Utility plans;
• Traffic signal plans;
• Striping & signage plans;
• Updated construction estimates itemized per the Bid Proposal Line Items;
• Updated construction schedule;
• Associated reports and analysis work;
• Calculations;
• Specifications;
• 3D renderings; and
• Spreadsheet summarizing comments and responses on 80% submittal.

**TASK 5B – PROJECT B DELIVERABLES**

Consultant shall provide an 80% design submittal to LAHD at the end of this design phase. Consultant shall include two (2) iterations for comment and review. The first iteration will be for a quality assurance and quality control (QA/QC) review. Consultant shall address comments from QA/QC review and resubmit. The second iteration will be for the 80% review.

• Site plans;
• Construction phasing plans;
• Removal plans;
• Substructure plans;
• Architectural plans;
• Mechanical and plumbing plans;
• Electrical and lighting plans;
• Grading and paving plans;
• Structural plans;
• Utility plans;
• Striping & signage plans;
• Updated construction estimates itemized per the Bid Proposal Line Items;
• Updated construction schedule;
• Associated reports and analysis work;
• Calculations;
• Specifications;
- 3D renderings; and
- Spreadsheet summarizing comments and responses on 80% submittal.

**Task 6  Final Design Documents (100% DESIGN)**

A. Upon issuance of a written Notice to Proceed from the Engineer, or written provisional Notice to Proceed with individual elements, Consultant shall prepare the Final Design submittal and respond to and incorporate all comments received from all regulatory agencies.

B. All review comments provided in and during the 80% design (Task 5) shall be addressed and incorporated, as necessary.

C. Provide status and updates to the list of required permits and approvals.

D. Plans, specifications, and estimates shall be stamped and signed by an architect or engineer appropriately licensed to practice in the State of California.

E. Submit to Engineer all construction quantities as well as structural, civil, electrical, mechanical, and any other calculations used in the design of the Project.

F. Submit a detailed estimate of the cost based on the bid items and provide a Class “A” estimate.

G. Submit a proposed construction schedule in sufficient detail for use by Engineer in evaluating the adequacy of contractor’s scheduling submittal.

**TASK 6A - PROJECT A DELIVERABLES**

Consultant shall provide a 100% design submittal to LAHD at the end of this design phase. Consultant shall include two (2) iterations for comment and review. The first iteration will be for a 100% review. Consultant shall address comments from 100% review and resubmit. The second iteration will be for the 100% QA/QC review.

- Site plans;
- Construction phasing plans;
- Removal plans;
- Substructure plans;
- Mechanical and plumbing plans;
- Electrical and lighting plans;
- Grading and paving plans;
- Structural plans;
- Utility plans;
- Traffic signal plans;
- Striping & signage plans;
- Updated construction estimates itemized per the Bid Proposal Line Items;
- Updated construction schedules;
- Associated reports and analysis work;
Calculations;
Specifications;
3D renderings; and
Spreadsheet summarizing comments and responses on 100% submittal.

**TASK 6B - PROJECT B DELIVERABLES**

Consultant shall provide a 100% design submittal to LAHD at the end of this design phase. Consultant shall include two (2) iterations for comment and review. The first iteration will be for a 100% review. Consultant shall address comments from 100% review and resubmit. The second iteration will be for the 100% QA/QC review.

- Site plans;
- Construction phasing plans;
- Removal plans;
- Substructure plans;
- Architectural plans;
- Grading plans;
- Civil plans;
- Structural plans;
- Utility plans;
- Striping & Signage plans;
- Updated construction estimates itemized per the Bid Proposal Line Items;
- Updated construction schedules;
- Associated reports and analysis work;
- Calculations;
- Specifications;
- 3D Renderings; and
- Spreadsheet summarizing comments and responses on 100% submittal.

**Task 7 Signature Submittal**

A. Following review and incorporation of comments of Engineer, original plans, specifications, and estimates, stamped, and signed by an engineer or architect appropriately licensed to practice in the State of California, shall be submitted for signature by Engineer.

B. Preparation of documents in sufficient detail to provide the information necessary for competitive construction contract bidding for project.

C. All review comments provided in and during the 100% QA/QC design (Task 6A) shall be addressed and incorporated, as necessary.

D. The original drawings in electronic PDF-format, electronic CAD files, original specification in electronic PDF-format, and copies of final cost estimate and schedule in electronic PDF-format shall be submitted.

E. Submit to Engineer all final construction quantities as well as structural, civil,
electrical, mechanical, and any other calculations used in the design of the Project.

F. Provide status and updates to the list of required permits and approvals.

**TASK 7A – PROJECT A DELIVERABLES**

- Full signature drawing set with PE stamp;
- Specifications;
- Final cost estimate itemized per the Bid Proposal Line Items;
- Final schedule; and
- Final quantities and calculations.

**TASK 7B – PROJECT B DELIVERABLES**

- Full signature drawing with PE stamp;
- Specifications;
- Final cost estimate itemized per the Bid Proposal Line Items;
- Final schedule; and
- Final quantities and calculations.

**Task 8 Bidding Phase**

Consultant will provide assistance to the City during the contract(s) advertising and award process including the following:

A. Assistance in pre-qualifying potential bidders.

B. Attendance at pre-bid meetings.

C. Reviewing and providing responses to bidder inquiries.

D. Preparing and issuing addendums as needed.

E. Assistance in reviewing bids.

**TASK 8A – PROJECT A DELIVERABLES**

- Addendums; and
- Report including bidders’ questions and consultant response.

**TASK 8B – PROJECT B DELIVERABLES**

- Addendums; and
- Report including bidders’ questions and consultant response.

**Task 9 Design Services During Construction**

Provide design support during construction. Responsibilities include attending meetings, responding to Contractor RFI (Request for Information), submittals, delta
drawings, and other construction support related tasks. Consultant shall provide the following services in support of the City on-site construction management efforts.

A. Office Engineering:

1. Check detailed construction drawings, submittals, shop and erection drawings, and substitutions submitted by the project contractor for compliance with permits and plans, specifications, and estimates.

2. Review specific non-routine laboratory, shop, and mill test reports of materials and equipment as directed by the City.

3. Address requests for information ("RFI's") from the project contractor and inspectors.

4. Prepare record (as-built) drawings on original plans as per the data supplied by the Project contractor via the City's construction manager.

B. Field Engineering:

1. Make periodic visits to the site to observe the work in progress and provide appropriate reports, including attendance at weekly progress meetings.

2. Observe and report to the City on any performance test required by the plans and specifications.

3. Attend final inspections of project’s completed construction contracts.

C. Structural Observation:

1. Consultant shall provide qualified personnel for observation of structural systems, for general conformance to the approved plans and specifications in conformance with all applicable codes.

2. This task includes a limited number of field trips at significant construction stages and at completion of the structural system. The structural systems include the lateral and/or gravity of load paths.

D. Geotechnical Observation and Testing:

1. Consultant shall provide qualified personnel for geotechnical observations to the geotechnical report, and approved plans and specifications in conformance with all applicable codes.

2. This task includes a limited number of field trips at significant construction stages and at completion as required.
TASK 9A - PROJECT A DELIVERABLES

- Responses to RFIs;
- Provide Clarifications;
- Field reports and “punch lists”;
- Reviewed shop drawings and submittals; and
- Prepare Record Drawings in accordance with City’s Harbor Department 2022 CAD Manual.

TASK 9B - PROJECT B DELIVERABLES

- Responses to RFIs;
- Provide Clarifications;
- Field reports and “punch lists”;
- Reviewed shop drawings and submittals; and
- Prepare Record Drawings in accordance with City’s Harbor Department 2022 CAD Manual.

TASK 10 - Additional Design Services

The work includes, but is not limited to, technical studies, analysis, conceptual – final designs, and other engineering services as directed by the Engineer that relate to the Project.

TASK 11 – Project Control for Grant Funding

The work includes Project control services related to Project grant funding as directed by Engineer. This optional task may be awarded by the Board of Harbor Commissioners upon further definition of project elements.

3. PROPOSAL REQUIREMENTS

3.1 Proposal Questions

All questions regarding this RFP must be submitted, in writing, exclusively to Tanisha Herr, the Contract Administrator, at THerr@portla.org no later than 3 p.m. on Thursday, August 3, 2023.

Attempts to contact any other Harbor Department employee or members of the Board of Harbor Commissioners, either directly or through third-parties acting for or on the proposer’s behalf, may be presumed to constitute efforts to bias or influence the competitive process with information not detailed in the RFP and not available on an equal basis to all proposers. Accordingly, such attempts shall constitute grounds to disqualify the proposer undertaking them. Any information provided by the Contract Administrator to one proposer in response to questions shall be provided to all proposers.
3.2 Proposal Submission

Consultants are invited to submit proposals for one or both projects. If submitting for both projects, separate proposals are required.

One (1) digital copy of your proposal as one complete file in .pdf format, per project, must be submitted no later than 3:00 p.m. PST on Thursday, August 31, 2023 to Tanisha Herr at THerr@portla.org.

Proposal shall be in searchable PDF (Portable Document Format). Files shall not be password protected or saved with restrictions that prevent copying, saving, highlighting, or reprinting of the contents. The electronic copy will not be returned.

Proposers solely are responsible for the timeliness of their submittals. As such, proposers are cautioned to budget adequate time to ensure that their proposals are delivered before the deadline set forth above.

By submitting a proposal proposers certify that such proposal constitutes their full and complete written response to the RFP and evidences their acknowledgement that additional written material outside of such proposal shall not be considered by the City in connection with this RFP, unless the City provides a written request that they submit additional written materials. Absent such written request, proposers are instructed to not submit to the City written or other materials outside of the proposal, either in a subsequent interview or otherwise.

3.3 Evaluation Process and Selection Criteria

All proposals meeting the requirements of this RFP shall be reviewed and rated by an evaluation committee according to the following criteria: 1) firm qualifications, experience, and references; 2) project organization, personnel, and staffing; 3) project approach, work plan, management, and timeline; 4) rates, fees, and budget control; and 5) clarity and comprehensiveness of the proposal. See Exhibit F.

Selected proposers may be contacted to arrange in-person or virtual interviews with the evaluation committee. The evaluation committee will make the final recommendation for selecting the consultant. All recommendations are subject to the approval of the Chief Harbor Engineer, the Executive Director of the Harbor Department, and the Board of Harbor Commissioners.

Proposers are advised that all documentation submitted in response to this RFP will be considered property of the Harbor Department and may become available to the public as a public record and be released without further notification. Any information that the proposer considers confidential should not be submitted with the proposal.

The right to reject any and all proposals shall, in every case, be reserved, as shall the right to waive any informality in the proposal when to do so would be to the advantage of the City.
3.4 Proposal Content

The following items shall be included in your proposal:

1. **Cover Transmittal Letter**

   Provide a narrative which introduces the firm and team highlighting the special strengths of the firm to perform the work requested in this RFP. The letter should be signed by an authorized principal of the proposing consulting firm.

2. **Firm Qualifications, Experience and References**

   Provide a narrative describing the firm’s qualifications to perform the project work, including past (relevant) experience and at least three client references, with contact names and information. Include information regarding your firm’s experience involving the size and level of complexity of the proposed project. Qualifications and experience for proposed subconsultants should also be included.

   Identify any members of your proposed team, including proposer's firm and any subconsultant firms, who are former Commissioners, officers or employees of the Harbor Department. Provide their name, proposed team position, and their past position and years of employment/appointment with the Department. If your proposed team does not have any such members, please include a statement in your proposal so stating.

   Proposers are advised that it is a proposer’s obligation to determine whether any conflicts of interest exist for their team members and the extent to which those conflicts need to be resolved or disclosed prior to engaging in business with the Department.

   Additionally, include a narrative of your firm’s expertise in the following areas:

   - Container Terminal Design
   - Architectural Design
   - Transportation Design
   - Structural Design
   - Geotechnical Investigation and Design

3. **Project Organization, Personnel and Staffing**

   Provide a brief description of all key personnel and technical staff (including vendors, partners or subconsultants) to be involved and their relationship to the services to be provided.

   - Include names, titles, licenses, certificates, fields of expertise, and relevant experience for all proposed personnel and staff.
   - Identify the Project Manager for the proposed services.
   - Complete resumes should be provided as part of an appendix to the proposal.
   - Provide a project organization chart which depicts the organization of the project team, including reporting relationships to the Department’s Project Manager and supervision of project team staff.
   - Indicate the on-site availability for project manager as well as other staff during the
lifetime of the project.

4. Project Approach and Work Plan

Provide a narrative which shows your firm’s understanding of the project’s requirements and documents a logical technical approach to the project scope of work. Include a general work plan as well as the proposed approach to undertaking the scope of work described earlier in this RFP.

☐ Using the scope of work presented in this RFP, propose a work plan detailing major tasks and subtasks and the work to be conducted in each. For each task, detail the number of hours by staff level and the hourly rate for each staff level. Extrapolate the total cost for each major task and for each staff level for a total project cost.
☐ If specific project team members or vendors are critical to specific tasks, identify where they will be utilized and/or committed.
☐ Include the results and deliverables expected from each major task.
☐ Identify appropriate assumptions and considerations that could impact the scope and timeline for completing each task.
☐ Provide a detailed equipment list for each application area with associated costs.
☐ Provide a detailed list of estimated expenses by category. Identify related considerations and assumptions for these expenses.

5. Project Management

Describe how your firm intends to manage all aspects of the work to be performed, including schedules for completion of tasks/subtasks, procedures for scheduling and cost control. The Project management proposal must include:

☐ Project kick off meeting.
☐ Regularly scheduled project team meetings.
☐ Written progress reports.
☐ Issue/risk management techniques.

6. Timeline

Based upon the proposed project approach and work plan, provide a detailed project schedule that illustrates the duration of each task/subtask and identifies results and deliverable milestones.

7. Rates, Fees and Budget Control

Provide pricing and cost information for the project. Include hourly rates for all proposed team members and a total project cost. Also provide pricing for any proposed equipment, software, or hardware costs and any other related expenses for the project. Discuss any budget control measures of your firm and proposed subconsultants.

8. Business Enterprise Programs and Contract Administrative Requirements

In order for your proposal to be deemed responsive, the following documents **MUST** be included with your proposal:
A) SMALL/VERY SMALL BUSINESS ENTERPRISE AND LOCAL BUSINESS PREFERENCE PROGRAMS (EXHIBIT B)

Provide with your proposal the Small/Very Small Business Enterprise and Local Business Preference Programs Affidavit and Consultant Description forms (Exhibit B), fully filled out for your firm and any proposed subconsultants. Please refer to Exhibit B for detailed information relative to these programs and instructions on completing the forms.

The mandatory Small Business Enterprise (SBE) participation will be 25%, including 5% Very Small Business Enterprise (VSBE) participation. Proposers who fail to demonstrate that they will meet or exceed the SBE requirements will be deemed non-responsive. In order to ensure the highest participation of SBEs, VSBEs, Minority Business Enterprises, Women Business Enterprises, and Disabled Veteran Business Enterprises, all proposers shall utilize the RAMP to outreach to potential subconsultants.

Firms must be certified as SBEs or Very Small Business Enterprises (VSBE) through RAMP at the time proposals are due. Firms will only receive credit for SBE/VSBE certifications reflected on their RAMP profile. Firms may certify as SBE (Proprietary) and VSBE (Harbor) by completing the SBE (Proprietary) application (Exhibit C). Please refer to the Road Map in Exhibit C for a listing of agency certifications that may be accepted in lieu of completing the application. For VSBE certification, you must complete the application or be certified as a Micro-business through the State of California Department of General Services (DGS). If your firm is certified by one of the listed agencies, you must complete the instructions in the application in regards to obtaining certification on RAMP. Applications should be mailed to the following address referencing the RFP:

CITY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
Bureau of Contract Administration  
Office of Contract Compliance – Centralized Certification Administration  
1149 S. Broadway, Ste. 300  
Los Angeles, CA 90015

Proposers who qualify as a Local Business Enterprise (LBE) will receive an 8% preference on any services valued in excess of $150,000. Proposers who do not qualify as a LBE may receive a maximum 5% preference for identifying and utilizing LBE subconsultants.

B) INSURANCE VERIFICATION LETTER

Provide a letter from your insurance carrier or broker indicating that the insurance requirements for this project as described in this RFP are presently part of the proposer’s coverage, or that the insurance company is able to provide such coverage should the proposer be selected. The insurance carrier/broker must be aware of the indemnification requirements also set forth in this RFP. Proposers are not required to purchase the required insurance in order to respond; however, all required insurance will need to be
submitted at the time of contract award. **ACORD® Certificate of Liability Insurance sheets will not be accepted in lieu of an insurance verification letter.** Proposals submitted without an insurance verification letter, as described above, will be deemed non-responsive.

C) CITY ETHICS COMMISSION (CEC) FORMS 50 and 55

Proposers who submit a response to this solicitation (proposers) are subject to Charter section 470 (c) (12) and related ordinances. As a result, proposers may not make campaign contributions to and or engage in fundraising for certain elected City officials or candidates for elected City office from the time they submit the response until either the contract is approved or, for successful proposers, 12 months after the contract is signed. The proposer’s principals and subcontractors performing $100,000 or more in work on the contract, as well as the principals of those subcontractors, are also subject to the same limitations on campaign contributions and fundraising.

Proposers must submit CEC forms 50 and 55 to the awarding authority at the same time the response is submitted (See Exhibit G). The forms require proposers to identify their principals, their subcontractors performing $100,000 or more in work on the contract, and the principals of those subcontractors. Proposers must also notify their principals and subcontractors in writing of the restrictions and include the notice in contracts with subcontractors. Responses submitted without completed CEC Forms 50 and 55 may be deemed non-responsive. Proposers who fail to comply with City law may be subject to penalties, termination of contract, and debarment. Additional information regarding these restrictions and requirements may be obtained from the City Ethics Commission at (213) 978-1960 or ethics.lacity.org.

D) IRAN CONTRACTING ACT OF 2010

In accordance with California Public Contract Code Sections 2200-2208, all proposers submitting proposals for, entering into, or renewing contracts with the Harbor Department for goods and services estimated at $1,000,000 or more are required to complete, sign, and submit the Iran Contracting Act of 2010 Compliance Affidavit (See Exhibit H).

E) ACCEPTANCE OF STANDARD CONTRACT PROVISIONS AND EXECUTIVE DIRECTIVE 35

Proposers are advised that pursuant to Executive Directive (ED) 35, if your firm is a for-profit company or corporation and is selected for award, you shall, within 30 days of the effective date of the contract and on an annual basis thereafter (i.e., within 30 days of the anniversary of the effective date of the contract), report the following information to the City via the Regional Alliance Marketplace for Procurement (RAMP) or via another method specified by the City:

- Annual revenue
- Number of employees
- Location
- Industry
• Race/ethnicity and gender of majority owner

On an annual basis, the consultant shall further request that any subconsultant input or update its business profile, with the above information, on RAMP or via another method prescribed by City.

Proposers must submit a signed letter confirming their intention to comply with the RAMP demographic reporting requirements of ED 35, and their firm’s acceptance of all of the Standard Contract Provisions exactly as set forth in Section 4. Do not submit your demographic information in the letter; only the selected consultant needs to enter that information into RAMP, after contract award.
3.5 Checklist for RFP Submittal Requirements

A checklist is provided to assist in verification that all elements of the RFP have been addressed. However, firms are encouraged to review the entirety of the RFP, including the Standard Contract Provisions section, to ensure full compliance and not rely solely on this checklist.

☐ Cover transmittal letter, signed by an authorized principal of the proposing consulting firm
☐ Table of Contents, if included (not required)
☐ Proposal with the following sections, in order:
  ▪ Firm Qualifications, Experience and References
  ▪ Project Organization, Personnel and Staffing
  ▪ Project Management
  ▪ Cost
☐ Resumes for all proposed staff personnel provided in an appendix
☐ Small/Very Small Business Enterprise and Local Business Preference Program forms:
  ▪ Affidavit of Company Status (Prime)
  ▪ Consultant Description Form (Prime and any subconsultants)
☐ Letter from insurance carrier or broker indicating ability to meet insurance requirements for this project, including general liability, auto liability and workers’ compensation. **Do not submit an ACORD® Certificate of Liability Insurance sheet. It will not be accepted in lieu of an insurance verification letter.**
☐ CEC Form 50 (Bidder Certification)
☐ CEC Form 55 (Prohibited Contributors (Bidders))
☐ Iran Contracting Act of 2010 Compliance Affidavit
4. STANDARD CONTRACT PROVISIONS

The following sections are standard contract provisions for the Harbor Department. In submitting a proposal, proposer agrees to accept these terms without change. **If your firm cannot agree to the following requirements, exactly as set forth below, please do not submit a proposal.**

4.1 Affirmative Action

Consultant, during the performance of the Agreement, shall not discriminate in its employment practices against any employee or applicant for employment because of the employee’s or applicant’s race, religion, national origin, ancestry, sex, age, sexual orientation, disability, marital status, domestic partner status, or medical condition. The provisions of Section 10.8.4 of the Los Angeles Administrative Code shall be incorporated and made a part of the agreement. All subcontracts awarded shall contain a like nondiscrimination provision. See Exhibit A.

4.2 Small/Very Small Business Enterprise Program and Local Business Preference Programs

It is the policy of the Department to provide Small Business Enterprises (SBE), Very Small Business Enterprises (VSBE), Minority-Owned, Women-Owned, Disabled Veteran-Owned and all Other Business Enterprises (MBE/WBE/DVBE/OBE) an equal opportunity to participate in the performance of all City contracts in all areas where such contracts afford such participation opportunities. Consultant shall assist the City in implementing this policy and shall use its best efforts to afford the opportunity for SBEs, VSBEs, MBEs, WBEs, DVBEs, and OBEs to achieve participation in subcontracts where such participation opportunities present themselves and attempt to ensure that all available business enterprises, including SBEs, VSBEs, MBEs, WBEs, DVBEs, and OBEs, have equal participation opportunity which might be presented under this Agreement. See Exhibit B.

It is also the policy of the Department to support an increase in local and regional jobs. The Department’s Local Business Preference Program aims to benefit the Southern California region by increasing jobs and expenditures within the local and regional private sector. Consultant shall assist the City in implementing this policy and shall use its best efforts to afford the opportunity for Local Business Enterprises to achieve participation in subcontracts where such participation opportunities present themselves. See Exhibit B.

NOTE: Prior to being awarded a contract with the Harbor Department, all consultants and subconsultants must be registered on the City’s Contracts Management and Opportunities Database, Regional Alliance Marketplace for Procurement (RAMP), at [http://www.RAMPLA.org](http://www.RAMPLA.org).

4.3 Business Tax Registration Certificate

The City of Los Angeles, Office of Finance requires the implementation and enforcement of Los Angeles Municipal Code Section 21.09 et seq. This section provides
that every person, other than a municipal employee, who engages in any business within the City of Los Angeles, is required to obtain the necessary Business Tax Registration Certificate and pay business taxes. The City Controller has determined that this Code Section applies to consulting firms that are doing work for the Los Angeles Harbor Department. See Exhibit D.

4.4 Indemnity and Insurance Requirements

REQUIRED AT PROPOSAL STAGE: A letter from each proposer’s carrier or broker must be provided with their proposal. The letter should indicate that the requirements below are presently part of the proposer’s coverage, or that the carrier/broker is able to provide such coverage should the proposer be selected. The carrier/broker must be aware of the indemnification requirements below. Proposers are not required to purchase the required insurance in order to respond, however all required insurance will need to be submitted at the time of contract award. ACORD® certificates will not be accepted.

1. Indemnification

Except for the sole negligence or willful misconduct of the City, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, Contractor undertakes and agrees to defend, indemnify and hold harmless the City and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the City, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including Contractor's employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Contract by Contractor or its subcontractors of any tier. Rights and remedies available to the City under this provision are cumulative of those provided for elsewhere in this Contract and those allowed under the laws of the United States, the State of California, and the City.

2. Acceptable Evidence and Approval of Insurance

Electronic submission is the required method of submitting Consultant’s insurance documents. Consultant’s insurance broker or agent shall register with the City’s online insurance compliance system KwikComply at https://kwikcomply.org/ and submit the appropriate proof of insurance on Consultant’s behalf.

Carrier Requirements

All insurance which Consultant is required to provide pursuant to this Agreement shall be placed with insurance carriers authorized to do business in the State of California and which are rated A-, VII or better in Best’s Insurance Guide. Carriers without a Best’s rating shall meet comparable standards in another rating service acceptable to City.
Primary Coverage

The coverages submitted must be primary with respect to any insurance or self insurance of the City of Los Angeles Harbor Department. The City of Los Angeles Harbor Department’s program shall be excess of this insurance and non-contributing.

Notice Of Cancellation

For each insurance policy described below, the Consultant shall give the Board of Harbor Commissioners a 10-days prior notice of cancellation or reduction in coverage for nonpayment of premium, and a 30-days prior notice of cancellation or reduction in coverage for any other reason, by written notice via registered mail and addressed to the City of Los Angeles Harbor Department, Attention Risk Manager and the City Attorney’s Office, 425 S. Palos Verdes Street, San Pedro, California 90731.

Modification of Coverage

Executive Director, at his or her discretion, based upon recommendation of independent insurance consultants to City, may increase or decrease amounts an types of insurance coverage required hereunder at any time during the term hereof by giving ninety (90) days' written notice to Consultant.

Renewal of Policies

At least thirty (30) days prior to the expiration of any policy, Consultant shall direct their insurance broker or agent to submit to the City’s online insurance compliance system KwikComply at http://kwikcomply.org a renewal certificate showing that the policy has been renewed or extended or, if new insurance has been obtained, evidence of insurance as specified below. If Consultant neglects or fails to secure or maintain the insurance required below, Executive Director may, at his or her own option but without any obligation, obtain such insurance to protect the City’s interests. The cost of such insurance will be deducted from the next payment due Consultant.

Policy Copies

Upon request by City, Consultant shall furnish a copy of the binder of insurance and/or full certified policy for any insurance policy required herein. This requirement shall survive the termination or expiration of this Agreement.

Limits of Coverage

If Consultant maintains higher limits than the minimums required by this Agreement, City requires and shall be entitled to coverage for the higher limits maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.
Right to Self-Insure

Upon written approval by Executive Director, Consultant may self-insure if the following conditions are met:

a. Consultant has a formal self-insurance program in place prior to execution of this Agreement. If a corporation, Consultant must have a formal resolution of its board of directors authorizing self-insurance.

b. Consultant agrees to protect the City, its boards, officers, agents and employees at the same level as would be provided by full insurance with respect to types of coverage and minimum limits of liability required by this Agreement.

c. Consultant agrees to defend the City, its boards, officers, agents and employees in any lawsuit that would otherwise be defended by an insurance carrier.

d. Consultant agrees that any insurance carried by Department is excess of Consultant’s self-insurance and will not contribute to it.

e. Consultant provides the name and address of its claims administrator.

f. Consultant submits its most recently filed 10-Q and its 10-K or audited annual financial statements for the three most recent fiscal years prior to the Executive Director’s consideration of approval of self-insurance and annually thereafter.

g. Consultant agrees to inform Department in writing immediately of any change in its status or policy which would materially affect the protection afforded Department by this self-insurance.

h. Consultant has complied with all laws pertaining to self-insurance.

Insurance

In addition to and not as a substitute for, or limitation of, any of the indemnity obligations imposed by [Indemnification Section Above], Consultant shall procure and maintain at its sole cost and expense and keep in force during the term of this Agreement the following insurance:

3. General Liability Insurance

Consultant shall procure and maintain in effect throughout the term of this Agreement, without requiring additional compensation from the City, commercial general liability insurance covering personal and advertising injury, bodily injury, and property damage providing contractual liability, independent contractors, products and completed operations, and premises/operations coverage written by an insurance company authorized to do business in the State of California rated VII, A- or better in Best’s Insurance Guide (or an alternate guide acceptable to City if Best’s is not available) within Consultant’s normal limits of liability but not less than Five Million Dollars ($5,000,000) combined single limit for injury or claim. Where Consultant provides or dispenses alcoholic beverages, Host Liquor Liability coverage shall be provided as above. Where Consultant
provides pyrotechnics, Pyrotechnics Liability shall be provided as above. Said limits shall provide first dollar coverage except that Executive Director may permit a self-insured retention or self-insurance in those cases where, in his or her judgment, such retention or self-insurance is justified by the net worth of Consultant. The retention or self-insurance provided shall provide that any other insurance maintained by Department shall be excess of Consultant’s insurance and shall not contribute to it. In all cases, regardless of any deductible or retention, said insurance shall contain a defense of suits provision and a severability of interest clause. Additionally, each policy shall include an additional insured endorsement (CG 2010 or equivalent) naming the City of Los Angeles Harbor Department, its officers, agents and employees as Primary additional insureds.

Where Consultant’s operations involve work within 50 feet of railroad track, Consultant’s Commercial General Liability coverage shall also have the railroad exclusion deleted.

4. Automobile Liability Insurance

Consultant shall procure and maintain at its expense and keep in force at all times during the term of this Agreement, automobile liability insurance written by an insurance company authorized to do business in the State of California rated VII, A- or better in Best’s Insurance Guide (or an alternate guide acceptable to City if Best’s is not available) within Consultant’s normal limits of liability but not less than Five Million Dollars ($5,000,000) covering damages, injuries or death resulting from each accident or claim arising out of any one claim or accident. Said insurance shall protect against claims arising from actions or operations of the insured, or by its employees. Coverage shall contain a defense of suits provision. Additionally, each policy shall include an additional insured endorsement (CG 2010 or equivalent) naming the City of Los Angeles Harbor Department, its officers, agents and employees as Primary additional insureds.

5. Workers’ Compensation and Employer’s Liability

Consultant shall certify that it is aware of the provisions of Section 3700 of the California Labor code which requires every employer to be insured against liability for Workers’ Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that the Consultant shall comply with such provisions before commencing the performance of the tasks under this Agreement. Coverage for claims under U.S. Longshore and Harbor Workers’ Compensation Act, if required under applicable law, shall be included. Consultant shall submit Workers’ Compensation policies whether underwritten by the state insurance fund or private carrier, which provide that the public or private carrier waives it right of subrogation against the City in any circumstance in which it is alleged that actions or omissions of the City contributed to the accident. Such worker’s compensation and occupational disease requirements shall include coverage for all employees of Consultant, and for all employees of any subcontractor or other vendor retained by Consultant.

6. Professional Liability

Consultant is required to provide Professional Liability insurance with respect to negligent or wrongful acts, errors or omissions, or failure to render services in connection with the professional services to be provided under this “Agreement”. This insurance shall
protect against claims arising from professional services of the insured, or by its employees, agents, or contractors, and includes coverage (or no exclusion) for contractual liability.

Consultant certifies that it now has professional liability insurance in the amount of Five Million Dollars ($5,000,000), which covers work to be performed pursuant to this Agreement and that it will keep such insurance or its equivalent in effect at all times during performance of said Agreement and until two (2) years following the completed term of the Agreement.

Notice of occurrences of claims under the policy shall be made to the City Attorney's office with copies to Risk Management.

4.5 Conflict of Interest

It is hereby understood and agreed that the parties to this Agreement have read and are aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the California Government Code relating to conflict of interest of public officers and employees, as well as the Los Angeles Municipal Code (LAMC) Municipal Ethics and Conflict of Interest provisions of Section 49.5.1 et seq. and the Conflict of Interest Codes of the City and Department. All parties hereto agree that they are unaware of any financial or economic interest of any public officer or employee of City relating to this Agreement. Notwithstanding any other provision of this Agreement, it is further understood and agreed that if such financial interest does exist at the inception of this Agreement, City may immediately terminate this Agreement by giving written notice thereof.

During the term of this Agreement, Consultant shall inform the Department when Consultant, or any of its Subconsultants, employs or hires in any capacity, and for any length of time, a person who has worked for the Department as a Commissioner, officer or employee. Said notice shall include the individual's name and current position and their prior position and years of employment with the Department. Notice shall be provided by Consultant to the Department within thirty (30) days of the employment or hiring of the individual.

4.6 Compliance with Applicable Laws

Consultant shall at all times in the performance of its obligations comply with all applicable laws, statutes, ordinances, rules and regulations, and with the reasonable requests and directions of the Executive Director.

4.7 Governing Law / Venue

This Agreement shall be governed by and construed in accordance with the laws of the State of California, without reference to the conflicts of law, rules and principles of such State. The parties agree that all actions or proceedings arising in connection with this Agreement shall be tried and litigated exclusively in the State or Federal courts located in the County of Los Angeles, State of California, in the judicial district required by court rules.
4.8 Termination Provision

The Board of Harbor Commissioners, in its sole discretion, shall be able to terminate and cancel all or any part of the Agreement it enters into with the selected Consultant for any reason upon giving the Consultant ten (10) days’ notice in writing of its election to cancel and terminate the Agreement. It is agreed that any Agreement entered into shall not limit the right of the City to hire additional Consultants to perform the services described in the Agreement either during or after the term of the Agreement.

4.9 Proprietary Information

1. Writings, as that term is defined in Section 250 of the California Evidence Code (including, without limitation, drawings, specifications, estimates, reports, records, reference material, data, charts, documents, renderings, computations, computer tapes or disks, submittals and other items of any type whatsoever, whether in the form of writing, figures or delineations), which are obtained, generated, compiled or derived in connection with this Agreement (collectively hereafter referred to as "property"), are owned by City as soon as they are developed, whether in draft or final form. City has the right to use or permit the use of property and any ideas or methods represented by such property for any purpose and at any time without compensation other than that provided in this Agreement. Consultant hereby warrants and represents that City at all times owns rights provided for in this section free and clear of all third-party claims whether presently existing or arising in the future, whether or not presently known. Consultant need not obtain for City the right to use any idea, design, method, material, equipment or other matter which is the subject of a valid patent, unless such patent is owned by Consultant or one of its employees, or its Subconsultant's employees, in which case such right shall be obtained without additional compensation. Whether or not Consultant's initial proposal or proposals made during this Agreement are accepted by City, it is agreed that all information of any nature whatsoever connected with the Scope of Work, regardless of the form of communication, which has been or may be given by Consultant, its Subconsultants or on either's behalf, whether prior or subsequent to this Agreement becoming effective, to the City, its boards, officers, agents or employees, is not given in confidence. Accordingly, City or its designees may use or disclose such information without liability of any kind, except as may arise under valid patents.

2. If research or development is furnished in connection with this Agreement and if, in the course of such research or development, patentable work product is produced by Consultant, its officers, agents, employees, or Subconsultants, the City shall have, without cost or expense to it, an irrevocable, non-exclusive royalty-free license to make and use, itself or by anyone on its behalf, such work product in connection with any activity now or hereafter engaged in or permitted by City. Upon City's request, Consultant, at its sole cost and expense, shall promptly furnish or obtain from the appropriate person a form of license satisfactory to the City. It is expressly understood and agreed that, as between City and Consultant, the referenced license shall arise for City's benefit immediately upon the production of the work product, and is not dependent on the written license specified above. City may transfer such license to its successors in the operation or ownership of any real or personal property now or hereafter owned or operated by City.
4.10 Trademarks, Copyrights, and Patents

Consultant agrees to save, keep, hold harmless, protect and indemnify the City and any of its officers or agents from any damages, cost, or expenses in law or equity from infringement of any patent, trademark, service mark or copyright of any person or persons, or corporations in consequence of the use by City of any materials supplied by Consultant in the performance of this Agreement.

4.11 Confidentiality

The data, documents, reports or other materials which contain information relating to the review, documentation, analysis and evaluation of the work described in this Agreement and any recommendations made by Consultant relative thereto shall be considered confidential and shall not be reproduced, altered, used or disseminated by Consultant or its employees or agents in any manner except and only to the extent necessary in the performance of the work under this Agreement. In addition, Consultant is required to safeguard such information from access by unauthorized personnel.

4.12 Notices

In all cases where written notice is to be given under this Agreement, service shall be deemed sufficient if said notice is deposited in the United States mail, postage paid. When so given, such notice shall be effective from the date of mailing of the same. For the purposes hereof, unless otherwise provided by notice in writing from the respective parties, notice to the Department shall be addressed to Chief Harbor Engineer, Los Angeles Harbor Department, P.O. Box 151, San Pedro, California, 90733-0151, and notice to Consultant shall be addressed to it at the address set forth above. Nothing herein contained shall preclude or render inoperative service of such notice in the manner provided by law.

4.13 Termination Due to Non-Appropriation of Funds

This Agreement is subject to the provisions of the Los Angeles City Charter which, among other things, precludes the City from making any expenditure of funds or incurring any liability, including contractual commitments, in excess of the amount appropriated thereof.

The Board, in awarding this Agreement, is expected to appropriate sufficient funds to meet the estimated expenditure of funds through June 30 of the current fiscal year and to make further appropriations in each succeeding fiscal year during the life of the Agreement. However, the Board is under no legal obligation to do so.

The City, its boards, officers, and employees are not bound by the terms of this Agreement or obligated to make payment thereunder in any fiscal year in which the Board does not appropriate funds therefore. The Consultant is not entitled to any compensation in any fiscal year in which funds have not been appropriated for the Agreement by the Board.

Although the Consultant is not obligated to perform any work under the Agreement
in any fiscal year in which no appropriation for the Agreement has been made, the Consultant agrees to resume performance of the work required by the Agreement on the same terms and conditions for a period of sixty (60) days after the end of the fiscal year if an appropriation therefore is approved by the Board within that 60 day period. The Consultant is responsible for maintaining all insurance and bonds during this 60 day period until the appropriation is made; however, such extension of time is not compensable.

If in any subsequent fiscal year funds are not appropriated by the Board for the work required by the Agreement, the Agreement shall be terminated. However, such termination shall not relieve the parties of liability for any obligation previously incurred.

4.14 Taxpayer Identification Number

The Internal Revenue Service (IRS) requires that all consultants and suppliers of materials and supplies provide a TIN to the party that pays them. Consultant declares that it has an authorized TIN which shall be provided to the Department prior to payment under the Agreement. No payments will be made under the Agreement without a valid TIN.

4.15 Service Contractor Worker Retention Policy and Living Wage Policy Requirements

The Board of Harbor Commissioners of the City of Los Angeles adopted Resolution No. 5771 on January 3, 1999, agreeing to adopt the provisions of Los Angeles City Ordinance No. 171004 relating to Service Contractor Worker Retention (SCWR), Section 10.36 et seq. of the Los Angeles Administrative Code, as the policy of the Harbor Department. Further, Charter Section 378 requires compliance with the City’s Living Wage requirements as set forth by ordinance, Section 10.37 et seq. of the Los Angeles Administrative Code. Consultant shall comply with the policy wherever applicable. Violation of this provision, where applicable, shall entitle the City to terminate the Agreement and otherwise pursue legal remedies that may be available.

4.16 Wage and Earnings Assignment Orders/Notices of Assignments

The Board of Harbor Commissioners of the City of Los Angeles adopted Resolution Nos. 19-8419 and 19-8420 on January 24, 2019, adopting the provisions of Los Angeles City Ordinance No. 185356, relating to Service Contractor Worker Retention (SCWR), Section 10.36 et seq. of the Los Angeles Administrative Code, as the policy of the Department. Further, Charter Section 378 requires compliance with the City’s Living Wage requirements as set forth by ordinance, Section 10.37 et seq. of the Los Angeles Administrative Code. Consultant shall comply with the policy wherever applicable. Violation of this provision, where applicable, shall entitle the City to terminate this Agreement and otherwise pursue legal remedies that may be available.

4.17 Equal Benefits Policy

The Board of Harbor Commissioners of the City of Los Angeles adopted Resolution No. 6328 on January 12, 2005, agreeing to adopt the provisions of Los Angeles City Ordinance 172,908, as amended, relating to Equal Benefits, Section 10.8.2.1 et seq. of the
Los Angeles Administrative Code, as a policy of the Harbor Department. Consultant shall comply with the policy wherever applicable. Violation of the policy shall entitle the City to terminate any Agreement with Consultant and pursue any and all other legal remedies that may be available. See Exhibit E.

4.18 State Tidelands Grants

The Agreement will be entered into in furtherance of and as a benefit to the State Tidelands Grant and the trust created thereby. Therefore, the Agreement will at all times be subject to the limitations, conditions, restrictions and reservations contained in and prescribed by the Act of the Legislature of the State of California entitled “An Act Granting to the City of Los Angeles the Tidelands and Submerged Lands of the State Within the Boundaries of Said City,” approved June 3, 1929, (Stats. 1929, Ch. 651), as amended, and provisions of Article VI of the Charter of the City of Los Angeles relating to such lands. Consultant agrees that any interpretation of the Agreement and the terms contained therein must be consistent with such limitations, conditions, restrictions and reservations.

4.19 Contract Solicitations Charter Section 470 (c) (12)

Persons who submit a response to this solicitation (proposers) are subject to Charter section 470 (c) (12) and related ordinances. As a result, proposers may not make campaign contributions to and or engage in fundraising for certain elected City officials or candidates for elected City office from the time they submit the response until either the contract is approved or, for successful proposers, 12 months after the contract is signed. The proposer’s principals and subcontractors performing $100,000 or more in work on the contract, as well as the principals of those subcontractors, are also subject to the same limitations on campaign contributions and fundraising.

Proposers must submit CEC form 50 and 55 to the awarding authority at the same time the response is submitted (See Exhibit G). The forms require proposers to identify their principals, their subcontractors performing $100,000 or more in work on the contract, and the principals of those subcontractors. Proposers must also notify their principals and subcontractors in writing of the restrictions and include the notice in contracts with subcontractors. Responses submitted without completed CEC Form 50 and 55 may be deemed nonresponsive. Proposers who fail to comply with City law may be subject to penalties, termination of contract, and debarment. Additional information regarding these restrictions and requirements may be obtained from the City Ethics Commission at (213) 978-1960 or ethics.lacity.org.

4.20 Iran Contracting Act of 2010

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits proposers engaged in investment activities in Iran from submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars ($1,000,000) or more (PCC § 2203(a)). In accordance with California Public Contract Code Sections 2200-2208, all proposers submitting proposals for, entering into, or renewing contracts with the Harbor Department for goods and services estimated at
$1,000,000 or more are required to complete, sign, and submit the Iran Contracting Act of 2010 Compliance Affidavit (See Exhibit H).

4.21 Recordkeeping And Audit Rights

A. Consultant shall keep and maintain full, complete and accurate books of accounts and records of the services performed under this Agreement in accordance with generally accepted accounting principles consistently applied, which books and records shall be readily accessible to and open for inspection and copying at the premises by City, its auditors or other authorized representatives. Notwithstanding any other provision of this Agreement, failure to do so shall constitute a conclusive waiver of any right to compensation for such services as are otherwise compensable hereunder. Such books and records shall be maintained by Consultant for a period of three (3) years after completion of services to be performed under this Agreement or until all disputes, appeals, litigation or claims arising from this Agreement have been resolved.

B. During the term of this Agreement, City may audit, review and copy any and all writings (as that term is defined in Section 250 of the California Evidence Code) of Consultant and Subconsultants arising from or related to this Agreement or performance of the Scope of Work, whether such writings are (a) in final form or not, (b) prepared by Consultant, Subconsultants or any individual or entity acting for or on behalf of Consultant or a Subconsultant, and (c) without regard to whether such writings have previously been provided to City. Consultant shall be responsible for obtaining access to and providing writings of Subconsultants. Consultant shall provide City at Consultant's sole cost and expense a copy of all such writings within fourteen (14) calendar days of a written request by City. City's right shall also include inspection at reasonable times of the Consultant's office or facilities which are engaged in the performance of the Scope of Work. Consultant shall, at no cost to City, furnish reasonable facilities and assistance for such review and audit. Consultant's failure to comply with this Article 6 shall constitute a material breach of this Agreement and shall entitle City to withhold any payment due under this Agreement until such breach is cured.
EXHIBIT A - AFFIRMATIVE ACTION PROGRAM PROVISIONS

Sec. 10.8.4 Affirmative Action Program Provisions.

Every non-construction and construction Contract with, or on behalf of, the City of Los Angeles for which the consideration is $25,000 or more shall contain the following provisions which shall be designated as the AFFIRMATIVE ACTION PROGRAM provisions of such Contract:

A. During the performance of a City Contract, the Contractor certifies and represents that the Contractor and each Subcontractor hereunder will adhere to an Affirmative Action Program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

1. This section applies to work or services performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor shall post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor shall, in all solicitations or advertisements for employees placed, by or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify on an electronic or hard copy form to be supplied, that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of its records pertaining to employment and to its employment practices by the Awarding Authority or the DAA for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City Contracts and, upon request, to provide evidence that it has or will comply therewith.

E. The failure of any Contractor to comply with the Affirmative Action Program provisions of City Contracts may be deemed to be a material breach of a City Contract. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has breached the Affirmative Action Program provisions of a City Contract, the Contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the Awarding Authority, and all monies
due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, the breach may be the basis for a determination by the Awarding Authority or the Board of Public Works that the Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such determination, the Contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.

G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that the Contractor has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City Contract, there may be deducted from the amount payable to the Contractor by the City of Los Angeles under the contract, a penalty of ten dollars for each person for each calendar day on which the person was discriminated against in violation of the provisions of a City Contract.

H. Notwithstanding any other provisions of a City Contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

I. The Public Works Board of Commissioners shall promulgate rules and regulations through the DAA and provide to the Awarding Authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish this contract compliance program.

J. Nothing contained in City Contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

K. By affixing its signature to a Contract that is subject to this article, the Contractor shall agree to adhere to the provisions in this article for the duration of the Contract. The Awarding Authority may also require Contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Program.

1. The Contractor certifies and agrees to immediately implement good faith effort measures to recruit and employ minority, women and other potential employees in a non-discriminatory manner including, but not limited to, the following actions as appropriate and available to the Contractor's field of work. The Contractor shall:
   (a) Recruit and make efforts to obtain employees through:
      (i) Advertising employment opportunities in minority and other community news media or other publications.
      (ii) Notifying minority, women and other community organizations of employment opportunities.
      (iii) Maintaining contact with schools with diverse populations of students to notify them of employment opportunities.
      (iv) Encouraging existing employees, including minorities and women, to refer their friends and relatives.
(v) Promoting after school and vacation employment opportunities for minority, women and other youth.

(vi) Validating all job specifications, selection requirements, tests, etc.

(vii) Maintaining a file of the names and addresses of each worker referred to the Contractor and what action was taken concerning the worker.

(viii) Notifying the appropriate Awarding Authority and the DAA in writing when a union, with whom the Contractor has a collective bargaining agreement, has failed to refer a minority, woman or other worker.

(b) Continually evaluate personnel practices to assure that hiring, upgrading, promotions, transfers, demotions and layoffs are made in a non-discriminatory manner so as to achieve and maintain a diverse work force.

(c) Utilize training programs and assist minority, women and other employees in locating, qualifying for and engaging in the training programs to enhance their skills and advancement.

(d) Secure cooperation or compliance from the labor referral agency to the Contractor’s contractual Affirmative Action Program obligations.

(e) Establish a person at the management level of the Contractor to be the Equal Employment Practices officer. Such individual shall have the authority to disseminate and enforce the Contractor’s Equal Employment and Affirmative Action Program policies.

(f) Maintain records as are necessary to determine compliance with Equal Employment Practices and Affirmative Action Program obligations and make the records available to City, State and Federal authorities upon request.

(g) Establish written company policies, rules and procedures which shall be encompassed in a company-wide Affirmative Action Program for all its operations and Contracts. The policies shall be provided to all employees, Subcontractors, vendors, unions and all others with whom the Contractor may become involved in fulfilling any of its Contracts.

(h) Document its good faith efforts to correct any deficiencies when problems are experienced by the Contractor in complying with its obligations pursuant to this article. The Contractor shall state:

   (i) What steps were taken, how and on what date.

   (ii) To whom those efforts were directed.

   (iii) The responses received, from whom and when.

   (iv) What other steps were taken or will be taken to comply and when.

   (v) Why the Contractor has been or will be unable to comply.

2. Every contract of $25,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall also comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.

L. The Affirmative Action Program required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Awarding Authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;

2. Classroom preparation for the job when not apprenticeable;

3. Pre-apprenticeship education and preparation;

4. Upgrading training and opportunities;

5. Encouraging the use of Contractors, Subcontractors and suppliers of all racial and ethnic groups; provided, however, that any contract subject to this ordinance shall require the Contractor, Subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the Contractor's, Subcontractor's or supplier's geographical area for such work;

6. The entry of qualified women, minority and all other journeymen into the industry; and

7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.

M. Any adjustments which may be made in the Contractor's work force to achieve the requirements of the City's Affirmative Action Program in purchasing and construction shall be accomplished by either an increase in the size of the work force or replacement of those employees who leave the work force by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.

N. This ordinance shall not confer upon the City of Los Angeles or any Agency, Board or Commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by Contractors engaged in the performance of City Contracts.

O. All Contractors subject to the provisions of this article shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Failure of the Contractor to comply with this requirement or to obtain the compliance of its Subcontractors with all such obligations shall subject the Contractor to the imposition of any and all sanctions allowed by law, including, but not limited to, termination of the Contractor's Contract with the City.
EXHIBIT B

(1) SMALL/VERY SMALL BUSINESS ENTERPRISE PROGRAM

(2) LOCAL BUSINESS PREFERENCE PROGRAM

(1) SMALL/VERY SMALL BUSINESS ENTERPRISE PROGRAM:

The Harbor Department is committed to creating an environment that provides all individuals and businesses open access to the business opportunities available at the Harbor Department in a manner that reflects the diversity of the City of Los Angeles. The Harbor Department's Small Business Enterprise (SBE) Program was created to provide additional opportunities for small businesses to participate in professional service and construction contracts. An overall Department goal of 25% SBE participation, including 5% Very Small Business Enterprise (VSBE) participation, has been established for the Program. The specific goal or requirement for each contract opportunity may be higher or lower based on the scope of work.

It is the policy of the Harbor Department to solicit participation in the performance of all service contracts by all individuals and businesses, including, but not limited to, SBEs, VSBEs, women-owned business enterprises (WBEs), minority-owned business enterprises (MBEs), and disabled veteran business enterprises (DVBEs). The SBE Program allows the Harbor Department to target small business participation, including MBEs, WBEs, and DVBEs, more effectively. It is the intent of the Harbor Department to make it easier for small businesses to participate in contracts by providing education and assistance on how to do business with the City, and ensuring that payments to small businesses are processed in a timely manner. In order to ensure the highest participation of SBE/VSBE/MBE/WBE/DVBEs, all proposers shall utilize the City’s contracts management and opportunities database, the Regional Alliance Marketplace for Procurement (RAMP), at http://www.RAMPLA.org, to outreach to potential subconsultants.

The Harbor Department defines a SBE as an independently owned and operated business that is not dominant in its field and meets criteria set forth by the Small Business Administration in Title 13, Code of Federal Regulations, Part 121. Go to www.sba.gov for more information. The Harbor Department defines a VSBE based on the State of California's Micro-business definition which is 1) a small business that has average annual gross receipts of $5,000,000 or less within the previous three years, or (2) a small business manufacturer with 25 or fewer employees.

The SBE Program is a results-oriented program, requiring consultants who receive contracts from the Harbor Department to perform outreach and utilize certified small businesses. Based on the work to be performed, it has been determined that the percentage of small business participation will be 25%, including 5% VSBE participation. The North American Industry Classification System (NAICS) Code for the scope of services is 541330. This NAICS Code is the industry code that corresponds to at least 51% of the scope of services and will be used to determine the size standard for SBE participation of the Prime Consultant. The maximum SBE size standard for this NAICS Code is $16.5 million.

Consultant shall be responsible for determining the SBE status of its subconsultants for purposes of meeting the small business requirement. Subconsultants must qualify as an SBE based on the type of services that they will be performing under the Agreement. All business participation will be determined by the percentage of the total amount of compensation under the agreement paid to SBEs. The Consultant shall not substitute an SBE firm without obtaining prior approval of the City. A request for substitution must be based upon demonstrated good cause. If substitution is permitted, Consultant shall endeavor to make an in-kind substitution for the substituted SBE.

Consultant shall complete, sign, and submit as part of the executed agreement the attached Affidavit and Consultant Description Form. The Affidavit and Consultant Description Form, when signed, will signify the Consultant’s intent to comply with the SBE requirement. All SBE/VSBE firms must be certified by the time proposals are due to receive credit. In addition all consultants and subconsultants must be registered on the RAMP by the time proposals are due.
(2) LOCAL BUSINESS PREFERENCE PROGRAM:

The Harbor Department is committed to maximizing opportunities for local and regional businesses, as well as encouraging local and regional businesses to locate and operate within the Southern California region. It is the policy of the Harbor Department to support an increase in local and regional jobs. The Harbor Department's Local Business Preference Program (LBPP) aims to benefit the Southern California region by increasing jobs and expenditures within the local and regional private sector.

Consultants who qualify as a Local Business Enterprise (LBE) will receive an 8% preference on any proposal for services valued in excess of $150,000. The preference will be applied by adding 8% of the total possible evaluation points to the Consultant's score. Consultants who do not qualify as a LBE may receive a maximum 5% preference for identifying and utilizing LBE subconsultants.

The Harbor Department defines a LBE as:

(a) A business headquartered within Los Angeles, Orange, Riverside, San Bernardino, or Ventura Counties. Headquartered shall mean that the business physically conducts and manages all of its operations from a location in the above-named counties; or

(b) A business that has at least 50 full-time employees, or 25 full-time employees for specialty marine contracting firms, working in Los Angeles, Orange, Riverside, San Bernardino, or Ventura Counties.

In order for Harbor Department staff to determine the appropriate LBE preference, Consultant shall complete, sign, notarize (where applicable) and submit the attached Affidavit and Consultant Description Form. The Affidavit and Consultant Description Form will signify the LBE status of the Consultant and subconsultants.

In the event of Consultant's noncompliance during the performance of the Agreement, Consultant shall be considered in material breach of contract. In addition to any other remedy available to City under this Agreement or by operation of law, the City may withhold invoice payments to Consultant until noncompliance is corrected, and assess the costs of City's audit of books and records of Consultant and its subconsultants. In the event the Consultant falsifies or misrepresents information contained in any form or other willful noncompliance as determined by City, City may disqualify the Consultant from participation in City contracts for a period of up to five (5) years.
AFFIDAVIT OF COMPANY STATUS

“The undersigned declares under penalty of perjury pursuant to the laws of the State of California that the following information and information contained on the attached Consultant Description Form is true and correct and includes all material information necessary to identify and explain the operations of

Name of Firm

as well as the ownership and location thereof. Further, the undersigned agrees to provide complete and accurate information regarding ownership in the named firm, and all of its domestic and foreign affiliates, any proposed changes of the ownership and to permit the audit and examination of firm ownership documents, and the ownership documents of all of its domestic and foreign affiliates, in association with this agreement.”

(1) **Small/Very Small Business Enterprise Program**: Please indicate the ownership of your company. Please check all that apply. At least one box must be checked:

- [ ] SBE
- [ ] VSBE
- [ ] MBE
- [ ] WBE
- [ ] DVBE
- [ ] OBE

- A Small Business Enterprise (SBE) is an independently owned and operated business that is not dominant in its field and meets criteria set forth by the Small Business Administration in Title 13, Code of Federal Regulations, Part 121.
- A Very Small Business Enterprise (VSBE) is (1) a small business that has average annual gross receipts of $5,000,000 or less within the previous three years, or (2) a small business manufacturer with 25 or fewer employees.
- A Minority Business Enterprise (MBE) is defined as a business in which a minority owns and controls at least 51% of the business. A Woman Business (WBE) is defined as a business in which a woman owns and controls at least 51% of the business. For the purpose of this project, a minority includes:
  - (1) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
  - (2) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish Culture or origin, regardless of race);
  - (3) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, The Indian Subcontinent, or the Pacific Islands); and
  - (4) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
- A Disabled Veteran Business Enterprise (DVBE) is defined as a business in which a disabled veteran owns at least 51% of the business, and the daily business operations are managed and controlled by one or more disabled veterans.
- An OBE (Other Business Enterprise) is any enterprise that is neither an SBE, VSBE, MBE, WBE, or DVBE.
(2) **Local Business Preference Program:** Please indicate the Local Business Enterprise status of your company.

Only one box must be checked:

- [ ] LBE
- [ ] Non-LBE

- A Local Business Enterprise (LBE) is: (a) a business headquartered within Los Angeles, Orange, Riverside, San Bernardino, or Ventura Counties; or (b) a business that has at least 50 full-time employees, or 25 full-time employees for specialty marine contracting firms, working in Los Angeles, Orange, Riverside, San Bernardino, or Ventura Counties. “Headquartered” shall mean that the business physically conducts and manages all of its operations from a location in the above-named counties.

- A Non-LBE is any business that does not meet the definition of a LBE.

EXHIBIT C
PROPRIETARY SMALL BUSINESS ENTERPRISE (SBE)

ROADMAP FOR APPLICANTS

Should I apply?
If your firm is currently certified with any of the following agencies, you do NOT need to submit the SBE (Proprietary) Application:
- Federal Small Business Administration (SBA) - 8(a) Business Development Program
- State of California Department of General Services (DGS) – Small Business (SB), Micro Business (MB) and Public Works (PW)
- California Department of Transportation (CALTRANS) - Small Minority/Women Business Enterprise (SMBE/SMBE)
- L.A. County Metropolitan Transportation Authority (METRO) – Small Business Enterprise (SBE)
- US Women’s Chamber of Commerce (USWCC) - Women-Owned Small Business (WOSB) & Economically Disadvantaged Women-owned Business (EDWOSB)
- National Women Business Owners Corporation (NWBOC) - Women-Owned Small Business (WOSB) & Economically Disadvantaged Women-owned Business (EDWOSB)
- Women’s Business Enterprise Council WEST (WBEC - West) - Women-Owned Small Business (WOSB)
- City of Los Angeles – Local Small Business (LSB)
- Los Angeles County – Local Small Business Enterprise (LSBE)
- California Unified Certification Program (CUCP) – Disadvantaged Business Enterprise (DBE)

CUCP Agencies include:
- California Department of Transportation (CALTRANS)
- L.A. County Metropolitan Transportation Authority (METRO)
- San Francisco Bay Area Rapid Transit District (BART)
- San Francisco Municipal Transportation Agency (SFMTA)
- Santa Clara Valley Transportation Authority (VTA)
- City of Fresno
- City of Los Angeles
- San Diego County Regional Airport Authority (SAN)
- San Francisco International Airport (SFO)
- San Mateo County Transit District (SAMTRANS)

If you are certified by one of the agencies listed above you may add SBE (Proprietary) to your RAMP profile for verification or check the Bid/Proposal documents for the Department’s instruction regarding verification of certification.

If your firm is not currently certified with one of the above agencies, answer these questions:
- Is your firm an independently-owned and operated business?
- Is your firm a small business that meets the size criteria set forth by the Small Business Administration 8(a) Business Development Program or the State of California DGS Small Business Program?
- Is your firm organized as a for-profit business?

If you answered “Yes” to all of the questions above, you may be eligible to be certified as an SBE (Proprietary)

Complete the attached application and include all of the required documents listed on the checklist of SUPPORTING DOCUMENTATION at the end of this form.

Send completed application to:
CITY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
Office of Contract Compliance – Centralized Certification Administration
1149 S. Broadway, Ste. 300
Los Angeles, CA 90015

☐ Joint Venture Agreement and Amendments

TRUCKING COMPANY

☐ Title(s) and registration certificate(s) for each truck owned and/or operated by your business

☐ Current Motor Carrier Permit
Exhibit D - Business Tax Registration Certificate (BTRC) Number

The City of Los Angeles, Office of Finance requires all firms that engage in any business activity within the City of Los Angeles to pay City business taxes. Each firm or individual (other than a municipal employee) is required to obtain the necessary Business Tax Registration Certification (BTRC) and pay business tax. (Los Angeles Municipal code Section 21.09 et seq.)

All firms and individuals that do business with the City of Los Angeles will be required to provide a BTRC number or an exemption number as proof of compliance with Los Angeles City business tax requirements in order to receive payment for goods or services. Beginning October 14, 1987, payments for goods or services will be withheld unless proof of tax compliance is provided to the City.

The Tax and Permit Division of Los Angeles Office of Finance, has the sole authority to determine whether a firm is covered by business tax requirements. Those firms not required to pay will be given an exemption number.

If you do NOT have a BTRC number contact the Tax and Permit Division at the office listed below, or log on to http://finance.lacity.org/, to download the business tax registration application.

MAIN OFFICE
LA City Hall 201 N. Main Street, Rm. 101 (844) 663-4411
Exhibit E- Equal Benefits Ordinance

Sec. 10.8.2.1. Equal Benefits Ordinance.

Discrimination in the provision of employee benefits between employees with domestic partners and employees with spouses results in unequal pay for equal work. Los Angeles law prohibits entities doing business with the City from discriminating in employment practices based on marital status and/or sexual orientation. The City's departments and contracting agents are required to place in all City contracts a provision that the company choosing to do business with the City agrees to comply with the City's nondiscrimination laws.

It is the City’s intent, through the contracting practices outlined in this Ordinance; to assure that those companies wanting to do business with the City will equalize the total compensation between similarly situated employees with spouses and with domestic partners. The provisions of this Ordinance are designed to ensure that the City’s contractors will maintain a competitive advantage in recruiting and retaining capable employees, thereby improving the quality of the goods and services the City and its people receive, and ensuring protection of the City’s property.

(c) Equal Benefits Requirements.

(1) No Awarding Authority of the City shall execute or amend any Contract with any Contractor that discriminates in the provision of Benefits between employees with spouses and employees with Domestic Partners, between spouses of employees and Domestic Partners of employees, and between dependents and family members of spouses and dependents and family members of Domestic Partners.

(2) A Contractor must permit access to, and upon request, must provide certified copies of all of its records pertaining to its Benefits policies and its employment policies and practices to the DAA, for the purpose of investigation or to ascertain compliance with the Equal Benefits Ordinance.

(3) A Contractor must post a copy of the following statement in conspicuous places at its place of business available to employees and applicants for employment: “During the performance of a Contract with the City of Los Angeles, the Contractor will provide equal benefits to its employees with spouses and its employees with domestic partners.” The posted statement must also include a City contact telephone number which will be provided each Contractor when the Contract is executed.

(4) A Contractor must not set up or use its contracting entity for the purpose of evading the requirements imposed by the Equal Benefits Ordinance.

(d) Other Options for Compliance. Provided that the Contractor does not discriminate in the provision of Benefits, a Contractor may also comply with the Equal Benefits Ordinance in the following ways:

(1) A Contractor may provide an employee with the Cash Equivalent only if the DAA determines that either:

a. The Contractor has made a reasonable, yet unsuccessful effort to provide Equal Benefits; or

b. Under the circumstances, it would be unreasonable to require the Contractor to provide Benefits to the Domestic Partner (or spouse, if applicable).

(2) Allow each employee to designate a legally domiciled member of the employee's household as being eligible for spousal equivalent Benefits.
(3) Provide Benefits neither to employees' spouses nor to employees' Domestic Partners.

(e) Applicability.

(1) Unless otherwise exempt, a Contractor is subject to and shall comply with all applicable provisions of the Equal Benefits Ordinance.

(2) The requirements of the Equal Benefits Ordinance shall apply to a Contractor's operations as follows:

   a. A Contractor's operations located within the City limits, regardless of whether there are employees at those locations performing work on the Contract.

   b. A Contractor's operations on real property located outside of the City limits if the property is owned by the City or the City has a right to occupy the property, and if the Contractor's presence at or on that property is connected to a Contract with the City.

   c. The Contractor's employees located elsewhere in the United States but outside of the City limits if those employees are performing work on the City Contract.

(3) The requirements of the Equal Benefits Ordinance do not apply to collective bargaining agreements ("CBA") in effect prior to January 1, 2000. The Contractor must agree to propose to its union that the requirements of the Equal Benefits Ordinance be incorporated into its CBA upon amendment, extension, or other modification of a CBA occurring after January 1, 2000.

(f) Mandatory Contract Provisions Pertaining to Equal Benefits. Unless otherwise exempted, every Contract shall contain language that obligates the Contractor to comply with the applicable provisions of the Equal Benefits Ordinance. The language shall include provisions for the following:

   (1) During the performance of the Contract, the Contractor certifies and represents that the Contractor will comply with the Equal Benefits Ordinance.

   (2) The failure of the Contractor to comply with the Equal Benefits Ordinance will be deemed to be a material breach of the Contract by the Awarding Authority.

   (3) If the Contractor fails to comply with the Equal Benefits Ordinance the Awarding Authority may cancel, terminate or suspend the Contract, in whole or in part, and all monies due or to become due under the Contract may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach.

   (4) Failure to comply with the Equal Benefits Ordinance may be used as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, et seq., Contractor Responsibility Ordinance.

   (5) If the DAA determines that a Contractor has set up or used its Contracting entity for the purpose of evading the intent of the Equal Benefits Ordinance, the Awarding Authority may terminate the Contract on behalf of the City. Violation of this provision may be used as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, et seq., Contractor Responsibility Ordinance.

**Certification**

I certify the following on my own behalf or on behalf of the entity named above, which I am authorized to represent:

A. I am applying for one of the following types of contracts with the City of Los Angeles:

1. A goods or services contract with a value of more than $25,000 and a term of at least three months;
2. A construction contract with any value and duration;
3. A financial assistance contract, as defined in Los Angeles Administrative Code § 10.40.1(h), with a value of at least $100,000 and a term of any duration; or
4. A public lease or license, as defined in Los Angeles Administrative Code § 10.40.1(i), with any value and duration.

B. I acknowledge and agree to comply with the disclosure requirements and prohibitions established in the Los Angeles Municipal Lobbying Ordinance if I qualify as a lobbying entity under Los Angeles Municipal Code § 48.02.

I certify under penalty of perjury under the laws of the City of Los Angeles and the state of California that the information in this form is true and complete.

Name: ______________________________ Signature: __________________

Title: __________________ Date: __________________
Los Angeles Administrative Code § 10.40.1

(h) "City Financial Assistance Recipient" means any person who receives from the City discrete financial assistance in the amount of One Hundred Thousand Dollars ($100,000.00) or more for economic development or job growth expressly articulated and identified by the City, as contrasted with generalized financial assistance such as through tax legislation.

Categories of such assistance shall include, but are not limited to, bond financing, planning assistance, tax increment financing exclusively by the City, and tax credits, and shall not include assistance provided by the Community Development Bank. City staff assistance shall not be regarded as financial assistance for purposes of this article. A loan shall not be regarded as financial assistance. The forgiveness of a loan shall be regarded as financial assistance. A loan shall be regarded as financial assistance to the extent of any differential between the amount of the loan and the present value of the payments thereunder, discounted over the life of the loan by the applicable federal rate as used in 26 U.S.C. Sections 1274(d), 7872(f). A recipient shall not be deemed to include lessees and sublessees.

Los Angeles Administrative Code § 10.37.1

(l) "Public lease or license".

(a) Except as provided in (l)(b), "Public lease or license" means a lease or license of City property on which services are rendered by employees of the public lessee or licensee or sublessee or sublicensee, or of a contractor or subcontractor, but only where any of the following applies:

1. The services are rendered on premises at least a portion of which is visited by substantial numbers of the public on a frequent basis (including, but not limited to, airport passenger terminals, parking lots, golf courses, recreational facilities); or
2. Any of the services could feasibly be performed by City employees if the awarding authority had the requisite financial and staffing resources; or
3. The DAA has determined in writing that coverage would further the proprietary interests of the City.

(b) A public lessee or licensee will be exempt from the requirements of this article subject to the following limitations:

1. The lessee or licensee has annual gross revenues of less than the annual gross revenue threshold, three hundred fifty thousand dollars ($350,000), from business conducted on City property;
2. The lessee or licensee employs no more than seven (7) people total in the company on and off City property;
3. To qualify for this exemption, the lessee or licensee must provide proof of its gross revenues and number of people it employs in the company’s entire workforce to the awarding authority as required by regulation;
4. Whether annual gross revenues are less than three hundred fifty thousand dollars ($350,000) shall be determined based on the gross revenues for the last tax year prior to application or such other period as may be established by regulation;
5. The annual gross revenue threshold shall be adjusted annually at the same rate and at the same time as the living wage is adjusted under section 10.37.2 (a);
6. A lessee or licensee shall be deemed to employ no more than seven (7) people if the company’s entire workforce worked an average of no more than one thousand two-hundred fourteen (1,214) hours per month for at least three-fourths (3/4) of the time period that the revenue limitation is measured;
7. Public leases and licenses shall be deemed to include public subleases and sublicenses;
8. If a public lease or license has a term of more than two (2) years, the exemption granted pursuant to this section shall expire after two (2) years but shall be renewable in two-year increments upon meeting the requirements therefor at the time of the renewal application or such period established by regulation.
FORM 55
Prohibited Contributors
(Bidders)

This form must be completed in its entirety and submitted with your bid or proposal to the City department that is awarding the contract. Failure to submit a completed form may affect your bid or proposal. If you have questions about this form, please contact the Ethics Commission at (213) 978-1960.

EXHIBIT H
IRAN CONTRACTING ACT OF 2010 COMPLIANCE AFFIDAVIT
(California Public Contract Code Sections 2200-2208)

The California Legislature adopted the Iran Contracting Act of 2010 to respond to policies of Iran in a uniform fashion (PCC § 2201(q)). The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars ($1,000,000) or more (PCC § 2203(a)). A bidder who “engages in investment activities in Iran” is defined as either:

1. A bidder providing goods or services of twenty million dollars ($20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; or

2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars ($20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is not identified on the DGS list of ineligible businesses or persons and that the bidder is not engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

California law establishes penalties for providing false certifications, including civil penalties equal to the greater of $250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).

To comply with the Iran Contracting Act of 2010, the bidder shall provide its vendor or financial institution name, and City Business Tax Registration Certificate (BRTC) if available, in completing ONE of the options shown below.

**OPTION #1: CERTIFICATION**

I, the official named below, certify that I am duly authorized to execute this certification on behalf of the bidder or financial institution identified below, and that the bidder or financial institution identified below is not on the current DGS list of persons engaged in investment activities in Iran and is not a financial institution extending twenty million dollars ($20,000,000) or more in credit to another person or vendor, for 45 days or more, if that other person or vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current DSG list of persons engaged in investment activities in Iran.

</tr>
</tbody>
</table>

**OPTION #2: EXEMPTION**

Pursuant to PCC § 2203(c) and (d), a public entity may permit a bidder or financial institution engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or enter into, or renew, a contract for goods and services. If the bidder or financial institution identified below has obtained an exemption from the certification requirement under the Iran Contracting Act of 2010, the bidder or financial institution shall complete and sign below and attach documentation demonstrating the exemption approval.
