To: Parties listed on Exhibit A

Subject: Notice of Mutual Agreement No. 2018-6 - Request for Approval under Amended and Restated Alameda Corridor Use and Operating Agreement

Matter: Eight-month Term Extension through August 14, 2019 for Alameda Corridor Maintenance Agreement dated as of April 15, 2007, as amended, with Balfour Beatty Infrastructure, Inc. (No. 782)

Dear Sir or Madam:

Reference is made to that certain Amended and Restated Alameda Corridor Use and Operating Agreement (the Agreement), dated December 15, 2016, by and among the BNSF Railway Company (BNSF), Union Pacific Railroad Company (UP), the City of Los Angeles, acting by and through its Board of Harbor Commissioners (POLA), the City of Long Beach, acting by and through its Board of Harbor Commissioners (POLB), and the Alameda Corridor Transportation Authority (ACTA).

The Agreement governs the use and operation of the Alameda Corridor and, among other things, contains provisions which require certain parties to make decisions from time to time by Mutual Agreement (as defined in the Agreement) or unanimous consent/approval. In particular, Mutual Agreement requires the approval from at least three of the following parties: BNSF, UP, POLB, and POLA, and unanimous consent/approval requires the approval of each of the same four entities. Pursuant to the terms of the Agreement, ACTA as an entity does not approve or disapprove Mutual Agreement matters.

Attached as Exhibit B is Notice of Mutual Agreement (NMA) No. 2018-6, for which approval by the requisite parties is requested at this time. The matter to be approved is described in the attached NMA (the "Matter"). Following consideration of the Matter, please forward to ACTA at the address listed above, in writing via email, the response of your respective entity to either approve or disapprove the Matter, no later than November 1, 2018. Once all responses are received, ACTA will send a letter to the four entities with the results.

If there are any questions, please advise.

Sincerely,

John T. Doherty, P.E.
Chief Executive Officer

EXHIBIT B
NOTICE OF MUTUAL AGREEMENT

Number: 2018-6

Subject: Request for Approval of a Eight-month Term Extension of the Alameda Corridor Maintenance Agreement dated as of April 15, 2007, as Amended, with Balfour Beatty Infrastructure, Inc. (No. 782).

Recommendation:

Approve an up to eight-month extension through August 14, 2019 to the term of ACTA's Maintenance Agreement (Rail Corridor and Non-Rail Components) dated as of April 15, 2007, as amended, with Balfour Beatty Infrastructure, Inc. which is set to expire on December 14, 2018.

Discussion:

The Amended and Restated Use and Operating Agreement (UOA) requires that the Ports and Railroads, through Mutual Agreement, select the Corridor Maintenance Contractor and that ACTA endeavor to enter into an agreement with the selected entity on the business terms specified by the Owner (Ports) and Railroads.

The existing Maintenance Agreement (Agreement) with Balfour Beatty Infrastructure, Inc. (BBII) expires December 14, 2018 pursuant to NMA 2018-1 as approved in April 2018. A Request for Proposals (RFP) for Maintenance Services was issued on August 15, 2018 and proposals are due October 3, 2018. As the current contract expires on December 14, 2018, the contract is recommended to be extended to account for the new selection and approval process and to ensure a smooth transition to a new contract. Therefore, it is recommended that the term of the Agreement be extended up to eight-months through August 14, 2019.

The exact Agreement termination date will be established once the maintenance contractor is selected and a reasonable transition period, if applicable, is completed. The termination date will be set forth in a written notice from ACTA to BBII. In no event shall the date be later than August 14, 2019 unless additional approval is obtained. The draft amendment to the BBII contract is attached.

Potential Future 2019 Budget Amendment

The 2019 Maintenance of Way (MOW) Budget, which describes the maintenance and capital improvement work to be performed by the contractor for calendar year 2019, was submitted for approval through Mutual Agreement No. 2018-5 in September 2018.

The new contractor selection in late 2018 may result in a budget revision to the approved 2019 MOW Budget, and a request for approval of the revised budget will be processed through a separate Notice of Mutual Agreement at a future time.
