

ORDER NO. _____

An Order of the Board of Harbor Commissioners of the City of Los Angeles ("Board") requiring the removal and/or relocation of pipelines constructed or maintained pursuant to Permit No. 486.

WHEREAS, on or about March 15, 1984, Permit No. 486 ("Permit") was granted to Chevron U.S.A. Inc. ("Tenant") granting permission to use and occupy certain lands at the Port of Los Angeles, as more particularly described therein;

WHEREAS, Section 11(u) of the Permit provides, among other things, that the Board shall have the right to make any change in the route or location of any pipeline constructed or maintained by Tenant pursuant to the Permit, as may be required or made necessary by the progress of harbor development or the performance of any work or improvement within the jurisdiction of the Board;

WHEREAS, Section 11(u) of the Permit further provides that the Board give Tenant at least ninety (90) days' written notice of a determination any such change in the route or location is required or necessary;

WHEREAS, Section 11(u) of the Permit requires that all associated removal and relocation costs shall be borne by Tenant;

WHEREAS, the City of Los Angeles Harbor Department will be developing the Wilmington Waterfront Promenade Project ("Wilmington Waterfront Promenade Project") as shown in the attached Exhibit A; and

WHEREAS, the Wilmington Waterfront Promenade Project will require the removal and/or relocation of pipelines constructed or maintained by Tenant pursuant to the Permit.

NOW, THEREFORE, IT IS HEREBY ORDERED by the Board of Harbor Commissioners of the City of Los Angeles as follows:

Section 1. The Board finds that the Wilmington Waterfront Promenade Project is to be performed as part of the continued progress of harbor development and as work or improvement within the jurisdiction of the Board in the area depicted in the attached Exhibit A.

Section 2. The Board finds that implementation of the Wilmington Waterfront Promenade Project will require the removal and/or relocation of pipelines constructed or maintained by Tenant pursuant to the Permit.

Section 3. The Board, by adoption of this Order, is providing written notice to Tenant that removal and/or relocation of pipelines constructed or maintained by Tenant pursuant to the Permit is necessary.

Section 4. Pursuant to Section 11(u) of the Permit, all costs associated with the removal and/or relocation of the pipelines shall be borne by Tenant.

Section 5. Pursuant to Section 11(u) of the Permit, Tenant is hereby given ninety (90) days notice ("Notice Period") that removal and/or relocation is necessary and unless additional time is granted by the Harbor Engineer, Tenant shall have ninety (90) days ("Work Period") after the Notice Period to perform the work of removing, relocating, and/or modifying the pipelines as determined necessary by the Harbor Engineer to avoid interference with performance of the Wilmington Waterfront Promenade Project. Tenant is advised that if Tenant fails to complete the removal, relocation and/or modification of the pipelines within the Work Period, the City of Los Angeles may incur increased construction costs and losses of revenue resulting from delayed completion of the Wilmington Waterfront Promenade Project.

Section 6. Tenant shall also remove any and all contamination associated with the pipelines removed, relocated, and/or modified as determined necessary by the Harbor Engineer to avoid interference with performance of the Wilmington Waterfront Promenade Project.

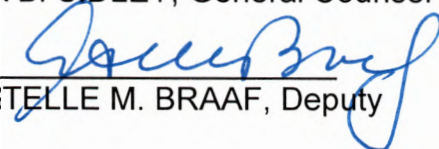

Section 7. The Secretary shall certify to the adoption of this Order by the Board of Harbor Commissioners of the City of Los Angeles.

I HEREBY CERTIFY that the foregoing Order was adopted by the Board of Harbor Commissioners of the City of Los Angeles at its meeting held _____.
