Dear Mr. Hecht:

The Los Angeles County Department of Public Health and the TraPac Appellants have cooperated to jointly identify and select Cristin Mondy to serve as Director F of the Harbor Community Benefit Foundation (HCBF), pursuant to Section 7.1.2 of HCBF's bylaws. We have confirmed her interest in serving on HCBF's board. We understand that this selection needs the concurrence of the Los Angeles Board of Harbor Commissioners of its designee, and thus we request that you contact the Port of Los Angeles staff to request that the Port move forward to concur with our selection. For your reference and for forwarding to the Board of Harbor Commissioners, we are attaching Ms. Mondy's CV.

Sincerely,

A handwritten signature in black ink, appearing to read "Morgan Wyenn", is positioned below the word "Sincerely,".

Morgan Wyenn
Staff Attorney
On Behalf of the TraPac Appellants

A handwritten signature in black ink, appearing to read "Deborah Davenport", is positioned above the typed name.

Deborah Davenport
On Behalf of the LACDPH

NATURAL RESOURCES DEFENSE COUNCIL

CRISTIN MONDY, MSN/MPH, RN, CNS, PHN

EDUCATION

- 1999-2002 MSN/MPH, California State University, Long Beach
Summa Cum Laude
- 1994-1998 BSN, PHN, California State University, Dominguez Hills
- 1989-1992 ADN, Los Angeles Harbor College

EMPLOYMENT

- 7/2010-present *Area Health Officer, Los Angeles County Department of Public Health
Community Health Services*
Directs the operation of core public health services for approximately 3 million residents within 2 contiguous geographical Service Planning Areas (SPAs) in Los Angeles County. Responsible for developing and maintaining relationships with various communities in the SPAs to develop plans and programs to assure effective, evidenced-based programs. Provides leadership in developing SPA and community level status profiles, needs assessments, strategically-aligned goals and objectives and performance measures. Responsible for the operation of 4 public health centers and a satellite clinic providing categorical public health clinical service. Provides management oversight for over 200 full time employees and oversees an annual budget of over \$13 million.
- 7/2005-7/2010 *Area Nurse Manager, Los Angeles County Department of Public Health,
Community Health Services*
Provided management oversight for over 100 full time nursing personnel. Interpreted and directed the implementation of nursing philosophy and objectives, departmental policies and procedures, and applied recognized standards of nursing care and practice. Planned, selected, and devised nursing operations, work methods, procedures, work flow and standards for quality and quantity of work, including staffing standards. Coordinated nursing activities with those of other services or disciplines.
- 11/2004-7/2005 *Infection Control Practitioner, Los Angeles County Department of Health
Services, Harbor UCLA Medical Center*
Responsible for hospital-wide surveillance activities required to assure continued compliance with recommended standards for prevention and control of infections.
- 5/2004-11/2004 *Director of Epidemiology and Infection Control, Los Angeles County Department
of Health Services, Rancho Los Amigos National Rehabilitation Center*
Responsible for hospital-wide surveillance activities required to assure continued compliance with recommended standards for prevention and control of infections.
- 11/2000-5/2004 *Program Specialist, Los Angeles County Department of Health Services,
Acute Communicable Disease Control Program*
Provided consultative, surveillance, investigative and educational services to prevent or control the spread of communicable diseases including emerging infectious diseases and those potentially due to bioterrorism. Served as a resource person for expert clinical and technical knowledge on emerging infectious diseases and bioterrorism issues. Responsibilities included grant writing, development of policies and procedures, duty statements, response plans, and educational materials including curriculums.

1/1999-11/2000 *Public Health Nurse, Los Angeles County Department of Health Services
Community Health Services*
Conducted case finding investigations to prevent and control communicable diseases. Participated in a multidisciplinary team to assess community health status and implement community health programs, which concern the maintenance and promotion of health of individuals within a geographical area.

3/1996-4/1999 *Case Manager, Sun Plus Home Health Services*
Assessed and identified client needs, designed plan of care, implemented interventions and oversaw implementation of others, referred clients to other services and coordinated overall patient care. Supervised LVNs and Home Health Aides.

6/1994-3/1996 *Case Manager, Stat Medical Services*
Assessed and identified client needs, designed plan of care, implemented interventions and oversaw implementation of others, referred clients to other services and coordinated overall patient care. Supervised LVNs and Home Health Aides.

4/1993-6/1994 *Staff Nurse, Robert F. Kennedy Medical Center*
Planned, implemented, and evaluated nursing care of adults with recurring illness problems. Relief charge nurse: Coordinated scheduling and nursing care planning for staff of 8-10. Client load: 30-45 adults.

ACADEMIC EXPERIENCE

2/2003-1/2010 *Part-time Lecturer, California State University, Dominguez Hills*
Taught undergraduate course in community health nursing. Planned, developed, and presented appropriate lecture material. Educated students assuring efficiency and effectiveness of learned theory for application within field experiences. Implemented, organized, and maintained appropriate grading system.

6/2003-8/2003
(part-time) *Clinical Instructor, California State University Fullerton*
Taught undergraduate course in community health nursing and supervised student clinical experiences. Educated students assuring efficiency and effectiveness of learned theory for application within field experiences. Collaborated with public health department and community agencies to ensure appropriate field experiences. Implemented, organized, and maintained appropriate grading system.
