Dear Mr. Romano:

SUBJECT: MEMORANDUM OF AGREEMENT NO. 2662 BETWEEN THE CITY OF LOS ANGELES AND SEASIDE TRANSPORTATION SERVICES, LLC

In accordance with Agreement No. 2662 (Agreement), Section VI.A., this written notice is required for the early cancellation of Agreement No. 2662 with Seaside Transportation Services, LLC, which funds the retrofit of fourteen rubber-tired gantry cranes (RTGs). As discussed, the Agreement is being cancelled due to the lack of availability of the retrofits described in the Agreement. A new agreement is being prepared to reallocate the funds to retrofit fourteen top picks. Additionally, the remaining funds will be available for RTG diesel particulate filters if they receive verification. We anticipate that the new agreement will be presented to the City of Los Angeles Board of Harbor Commissioners for approval at its meeting to be held in April.

If you have any questions, please feel free to contact Rene Spencer of my staff at (310) 732-3950.

Sincerely,

CHRISTOPHER CANNON
Director of Environmental Management
