Port of Los Angeles Concession Agreement FAQ

July 28, 2021

Before Applying

Q: What types of licenses/permits are applicants required to carry before completing a Concession Application?

A: Motor Carriers are required to have either a state Motor Carrier Permit or a Federal Motor Carrier License (USDOT number) and MC number. Your company is also required to obtain a Standard Carrier Alpha Code (SCAC) with the National Motor Freight Traffic Association, Inc. (NMFTA)

Q: I am a broker; can I sign up as a concessionaire with the Port of Los Angeles?

A: No. Only motor carriers with Common or Contract authority to transport property, with the Federal Motor Carrier Safety Administration (FMCSA) can become a concessionaire with the Port of Los Angeles (POLA).

Q: Are all companies required to have a POLA Concession Agreement?

A: Yes; all drayage trucking companies that need to access POLA cargo terminals are required to have a valid POLA Concession Agreement. All Concession Agreements regardless of effective date shall terminate on the specified date stated within the Concession Agreement. Please review the Concession Agreement Terms and Conditions to learn of Concession Agreement term expiration dates.

Q: Are there any costs associated with completing a Concession Agreement?

A: Yes. All Concession Agreements applicants are required to pay a one-time Concession Fee when signing up with the Port of Los Angeles. The Concession Fee is required to be paid at the time of submission of the Concession Agreement to cover the administrative costs of the
Concession program throughout the Agreement term. Following the completion and payment of the Concession Agreement, an annual truck fee of $100 per truck will be collected within 30 days of the effective date of the Agreement, within 30 days of new registration of additional Drayage trucks into the Port Drayage Truck Registry, and on the annual registration anniversary for each registered Drayage truck in the Port Drayage Truck Registry.

**Q:** Do I get a discount if I obtained the 2014-21 version of the Concession Agreement recently?

**A:** If a Licensed Motor Carrier (LMC) received a 2014-21 Concession Agreement between October 1, 2019 to September 30, 2021 and paid the full $2,500 Concession Fee, then the LMC only has to pay a $1,000 Concession Fee for the 2021-26 Concession Agreement.

**Q:** Can I get the annual truck fee waived?

**A:** Annual truck fee of $100 for the duration of the 2021-26 Concession Agreement is waived only for zero-emission trucks that meet the definition of zero-emission trucks within the California Air Resources Board Zero-Emission Powertrain Certification Regulation. Your zero-emission truck must be verified in person by Terminal Access Center (TAC) staff before the annual truck fee can be waived.

**TAC Location**

1265 Harbor Ave.

Long Beach, CA 90813

**Q:** If I received a fully executed 2021-26 Concession Agreement before October 1, 2021, can I enter the Port?

**A:** LMCs that do not currently hold a 2014-21 Concession Agreement, but have received a 2021-26 Concession Agreement cannot enter POLA cargo terminals until the start of the 2021-26 Concession Agreement on October 1, 2021. LMCs can apply for a Day Pass where a truck can operate at the Port of Los Angeles for 24 hours. A truck is limited to 24 Day Passes in a calendar year. LMCs must still meet all the requirements set forth in a Concession Agreement to be issued a Day Pass.

**Q**: Why was my signature rejected?

**A**: Signatures are usually rejected for missing proper officer authority for the company type, or inconsistency with the company’s Statement of Information (SOI) filed with the CA Secretary of State (SOS). Signature rejections can result from a variety of reasons such as your authorized officers for your company type, authorized officer titles, and clerical errors. Corporations and Partnerships require two authorized company officers to sign the agreement. LLCs require either a Member or Manager signature. Sole Proprietorships only require a single signature from the company Owner. Only signatures from authorized company officers with appropriate company titles consistent with CA Secretary of State SOI will be accepted.

To ensure proper signatories, consult your filed SOI form (see sample on the next page of this FAQ) and have two officers listed for companies with multiple officers – see below for one-officer companies.

Q: My SOI from the CA Secretary of State shows only one authorized company officer; do I still have to obtain two signatures for my Concession Agreement?

A: Sole Proprietorships may have only the one Owner’s signature as sole officer. LLCs may have a single Member sign, or a Manager sign if the LLC is filed as a Manager-managed LLC. If your SOI lists a single individual that holds multiple company office titles, e.g. John Doe as Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Secretary, that single individual should sign in capacity of two company office titles from Category 1 and Category 2 in the Checklist instructions (e.g. “John Doe, CEO” and “John Doe, CFO”).

Q: What are the insurance requirements?

A: To work in the Port of Los Angeles, your insurance must fulfill the following:

i. A commercial auto liability policy with a combined single limit (CSL) of $1 million.
ii. Your Auto policy must be marked as either an "Any Auto," "Scheduled and Hired" or "All Owned and Hired" policy.
iii. The City of Los Angeles Harbor Department, its officers, agents, and employees must be included as the additional insured in respect to your company’s Auto and General liability.

An "All Owned" or "Scheduled Only" auto policy is not acceptable. If the policy includes "Scheduled Vehicles," the schedule of vehicles must be provided with your agreement.

Q: What options do I have to submit my insurance?

A: There are two options to fulfill the insurance requirement:

- Option 1(preferred): Complete the City of Los Angeles Harbor Department Additional Insured Endorsement Forms - General and Auto Liability. You may have your insurance agent complete both forms.
- Option 2: Submit your company’s ACORD Certificate, which must include the City of Los Angeles Harbor Department as Additional insured confirmations.

Q: Do I have to insure the City of Los Angeles Harbor Department? How do I include them in my insurance policy?

A: The City of Los Angeles Harbor Department must be included as the additional insured in respect to your company’s Auto and General liability policy. If you chose to complete the City of
Los Angeles Harbor Department Additional Insured Endorsement Forms (Option 1), the City of Los Angeles Harbor Department is included in the “1. Additional Insured” statement.
