

Executive Director's
Report to the
Board of Harbor Commissioners

DATE: JUNE 2, 2026

FROM: CARGO MARKETING

SUBJECT: RESOLUTION NO. _____ - APPROVAL OF FOREIGN-TRADE ZONE (FTZ) OPERATING AGREEMENT BETWEEN THE CITY OF LOS ANGELES HARBOR DEPARTMENT AND TRADELINK WAREHOUSING LLC, FTZ 202, SITE 85

SUMMARY:

Staff requests approval of a Foreign-Trade Zone (FTZ) Operating Agreement (Agreement) between the City of Los Angeles Harbor Department (Harbor Department) and Tradelink Warehousing LLC (Tradelink), to operate its facility within FTZ 202, Site 85, located at 135 East Stanley Street, Compton, CA, 90220. This is a 0.57-acre site with a warehouse and office space located approximately 15 miles from the Port of Los Angeles (Port). Tradelink will operate its facility under FTZ procedures as a single-usage site.

The proposed Agreement is for a term of five years with three, five-year renewal options. If the proposed Agreement is approved, the Harbor Department will receive \$10,000 annually from Tradelink (per FTZ Tariff No. 2).

RECOMMENDATION:

It is recommended that the Board of Harbor Commissioners (Board):

1. Find that the Director of Environmental Management has determined that the proposed action is administratively exempt from the requirements of the California Environmental Quality Act (CEQA) under Article II Section 2(f) of the Los Angeles City CEQA Guidelines;
2. Approve the proposed Foreign-Trade Zone Operating Agreement between the Harbor Department and Tradelink;
3. Authorize the Executive Director to execute and the Board Secretary to attest to the proposed Foreign-Trade Zone Operating Agreement; and
4. Adopt Resolution No. _____.

SUBJECT: FOREIGN-TRADE ZONE OPERATING AGREEMENT WITH TRADELINK WAREHOUSING LLC, FTZ 202, SITE 85

DISCUSSION:

Background and Context – The FTZ Act of 1934, as amended (19 U.S.C. 81a-81u), was established to support U.S. commerce and create jobs by reducing import duties or excise taxes by deferring payment of duties, thereby making it attractive for companies to perform some work on their products in the U.S. rather than offshore. The definition of an FTZ is a restricted access site located in the U.S. Customs and Border Protection territories. The importer may defer payment of duties and other fees until the merchandise is brought into the U.S. for consumption.

Need for Agreement – The Harbor Department, as the FTZ grantee, is required by the FTZ Board to have an Operating Agreement with FTZ site operators. The term of this proposed FTZ Operating Agreement is five years with three, five-year extensions (Transmittal 1). Tradelink, a U.S. company with its head office located in Compton, will employ two full-time employees at this FTZ site. This 0.57-acre property includes a warehouse and office space (Transmittal 2) and is within the FTZ 202 service area (Transmittal 3).

Tradelink shall follow the rules and procedures as outlined in the Department of Homeland Security's FTZ manual, such as providing a secured area within the FTZ. Tradelink shall notify truck drivers, truck brokers, and trucking companies that the trucks serving the Port confine their routes to the designated Wilmington Truck Route.

Need for Approval – Tradelink is requesting approval from the Harbor Department to execute the proposed FTZ Operating Agreement to operate Site 85 as a single-usage FTZ facility. Tradelink receives, stores, manages inventory, and distributes various general merchandise for U.S. consumption. Occasionally, products may be re-exported from this facility.

If Tradelink does not obtain approval as an operator with FTZ status from the Harbor Department, they potentially have the choice of going to another FTZ in California such as Long Beach.

ENVIRONMENTAL ASSESSMENT:

The proposed action is the approval of the FTZ Agreement with Tradelink, which is an administrative activity. Therefore, the Director of Environmental Management has determined that the proposed action is administratively exempt from the requirements of CEQA in accordance with Article II Section 2(f) of the Los Angeles City CEQA Guidelines.

FINANCIAL IMPACT:

If the proposed Agreement is approved, the Harbor Department will receive \$10,000 annually from Tradelink (per FTZ Tariff No. 2).

Approval of the FTZ Operating Agreement is not anticipated to result in additional, incremental FTZ-related consulting service expenses being incurred by the Harbor Department.

CITY ATTORNEY:

The City Attorney's Office has prepared and approved the proposed Operating Agreement as to form and legality.
