To: Parties listed on Exhibit A

Subject: Notice of Mutual Agreement No. 2020-2 - Request for Approval under Amended and Restated Alameda Corridor Use and Operating Agreement

Matter: One-Year Term Extension through April 14, 2021 for Alameda Corridor Dispatching Agreement dated as of January 30, 2002, as amended, and Alameda Corridor Police and Security Services Agreement dated as of October 15, 2002, as amended

Dear Sir or Madam:

Reference is made to that certain Amended and Restated Alameda Corridor Use and Operating Agreement (the Agreement), dated December 15, 2016, by and among the BNSF Railway Company (BNSF), Union Pacific Railroad Company (UP), the City of Los Angeles, acting by and through its Board of Harbor Commissioners (POLA), the City of Long Beach, acting by and through its Board of Harbor Commissioners (POLB), and the Alameda Corridor Transportation Authority (ACTA).

The Agreement governs the use and operation of the Alameda Corridor and, among other things, contains provisions which require certain parties to make decisions from time to time by Mutual Agreement (as defined in the Agreement) or unanimous consent/approval. In particular, Mutual Agreement requires the approval from at least three of the following parties: BNSF, UP, POLB, and POLA, and unanimous consent/approval requires the approval of each of the same four entities. Pursuant to the terms of the Agreement, ACTA as an entity does not approve or disapprove Mutual Agreement matters.

Attached as Exhibit B is Notice of Mutual Agreement (NMA) No. 2020-2, for which approval by the requisite parties is requested at this time. The matter to be approved is described in the attached NMA (the "Matter"). Following consideration of the Matter, please email to ACTA a signed copy of the attached NMA (or, if such Matter is not approved by your entity, a written statement indicating such disapproval), no later than March 4, 2020. Once all responses are received, ACTA will send a letter to the four entities with the results.

If there are any questions, please advise.

Sincerely,

A handwritten signature in black ink that reads "J P Preusch".

James P. Preusch, CPA

EXHIBIT B
NOTICE OF MUTUAL AGREEMENT

Number: NMA 2020-2

Subject: Request for Approval to Extend the Alameda Corridor Dispatching Agreement dated as of January 30, 2002, as amended, and the Police and Security Services Agreement, dated as of October 15, 2002, as amended.

Recommendation:

Approve an up to one-year extension through April 14, 2021 to the term of the Alameda Corridor Dispatching Agreement, dated as of January 30, 2002, as amended, and the Alameda Corridor Police and Security Services Agreement, dated as of October 15, 2002, as amended, between ACTA, the BNSF Railway Company, and Union Pacific Railroad Company, which agreements are set to expire April 14, 2020.

Discussion:

The Amended and Restated Use and Operating Agreement (UOA) requires that the Ports and Railroads, through Mutual Agreement, select the Corridor Dispatcher and security provider and that ACTA endeavor to enter into an agreement with the selected entity on the business terms specified by the Owner (Ports) and Railroads.

The existing Dispatching Agreement and Police and Security Services Agreement (Agreements) between ACTA, the BNSF Railway (BNSF), and Union Pacific Railroad (UP) have been in place since 2002 and will expire on April 14, 2020. Costs for the services provided under both Agreements are mostly paid directly by the Railroads.

The original term of the Agreements was five years, as approved by the former Operating Committee (OC), and both were extended twice with OC approval for an additional 10 years via two amendments through April 14, 2017. An interim extension of up to one year through April 14, 2018 was provided for in the second amendment to both agreements, which was exercised. Additional 6-month extensions through October 14, 2018 and April 14, 2019, and a one-year extension through April 14, 2020 were approved via NMA 2018-2 and 2018-3, and NMA 2019-2 respectively. The parties are currently in the process of negotiating amended and restated Agreements which will remove references to the former Operating Committee and update certain other provisions, as well as extend the term through April 14, 2023.

Approval of an additional one-year interim extension of the existing Agreements is hereby requested, until such time as the amended and restated Agreements are approved and executed or through April 14, 2021, whichever is earlier. Approval of the amended and restated Agreements will be the subject of a future Notice of Mutual Agreement. The draft amendments to the existing Agreements are attached.
