Project Title: Addendum to the Berth 87 USS Iowa Project EIR

Project Applicant: Los Angeles Harbor Department

Project Location (include county): Berth 87, San Pedro, Port of Los Angeles, County of Los Angeles

Project Description:

The Addendum changes the Project description by reducing the size of the visitor center to be approximately 17,161 sq. ft., updating construction activities to include the installation of piles, and including approximately 50,000 sq. ft. of renovated park space. The remaining construction components of the visitor center and its operations were included in the original assessment. Key features of the proposed Project would include a multipurpose visitor center, community gathering space, educational exhibits, veterans memorials with local, state, and national significance, maritime equipment displays, public art, and a child's play area. No new significant environmental impacts or substantial increase in the severity of previously identified significant effects have been identified from these Project modifications.

This is to advise that the Los Angeles Harbor Department has approved the above described project  
(Lead Agency)

on January 6, 2026 and has made the following determinations regarding the above described project.  
(date)

1. An Addendum to the Berth 87 USS Iowa Project Environmental Impact Report, previously adopted by the Board of Harbor Commissioners on May 17, 2012, was prepared and considered for this project pursuant to the provisions of CEQA.
2. There have been no substantial changes in circumstances or new information that would warrant subsequent environmental analysis in accordance with §15164 of the State CEQA Guidelines.

This is to certify that the certified Final EIR with comments and responses and record of project approval is available to the General Public at: <https://www.portoflosangeles.org/environment/environmental-documents>

Signature (Public Agency):  Title: Director of Environmental Mgmt.

Date: Jan. 6, 2026 Date Received for filing at OPR: \_\_\_\_\_
