

**EXHIBIT A**

## EXHIBIT B - Endangered Southern Tarplant and Site Impacted Area

Figure 1 – Southern Tarplant Recovery and Expansion from 2016 Impacts

**Photo 1 – Resource sign on western edge of the property along Southerland Ave.**

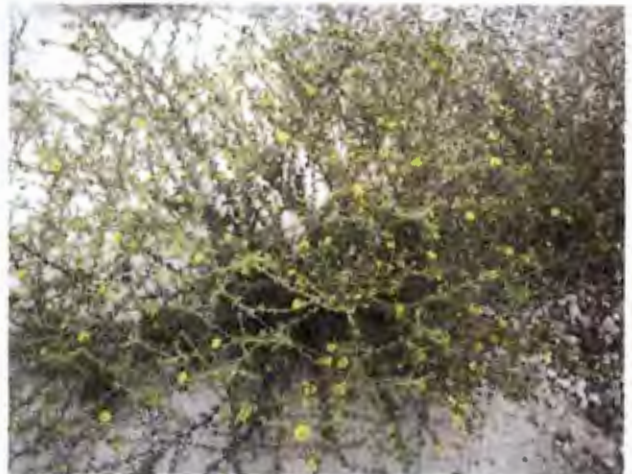

**Photo 2 – Turnaround area with evidence of recent disturbance. The strip between the turnaround area and the road supports the tarplant**

**Photo 3 – Gravel pile with tarplant growing around the perimeter.**

**Photo 4 – Stem has very small micro thorns that are soft when plant is green and flexible.**

**Photo 5 – Leaves are spaces along steam and sharp thorns.**
