**SUBJECT: REQUEST FOR PROPOSALS FOR CLEAN TRUCK PROGRAM
ADMINISTRATIVE SERVICES**

Pursuant to the Clean Truck Program Administrative Services Request for Proposals (RFP), all proposers were to submit any questions regarding this RFP by no later than May 4, 2023. Questions were to be submitted in writing, and all questions and responses were to be posted on [the Department's website](#) and www.rampla.org.

Below is a list of questions received from proposers, and the Department's response:

1. Q: In the Exhibit L, there is a format for the POLB proposal rates. Is there any format we need to follow for the POLA proposal rates?

A: No, any format for POLA is acceptable as long as the requested information is included.

2. Q: Our indirect rates are considered confidential and proprietary. Since the proposal information is subject to Public Records, we would like to confirm as we have done in the past, that we can use rounded indirect provisional rates to protect our business.

A: All information submitted is subject to the California Public Records Act. If you deem your multiplier confidential, simply provide the fully loaded rate.
