MOU
West Santa Ana Branch

Presented by
Marisa Katnich
Director, Cargo & Industrial Real Estate

Background

Today's action: Non-binding MOU amongst POLA, Metro, UPRR, POLB, and ACTA regarding proposed West Santa Ana Branch Transit Corridor project

- Project will expand light rail passenger service along the West Santa Ana Branch Transit Corridor
- Portions of the corridor will interface with freight operations
- MOU facilitates coordination of design, construction, property interests, operation, and maintenance
- Project will be executed in accordance with the final EIS/EIR, including implementing measures to mitigate noise impacts and safety/security impacts

Requested Action

Approve the non-binding MOU amongst POLA, Metro, UPRR, POLB, and ACTA regarding proposed WSAB Transit Corridor project
