THIS PERMIT ("Agreement") is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between THE CITY OF LOS ANGELES, a municipal corporation ("City") acting by and through its Board of Harbor Commissioners ("Board"), and CRIMSON CALIFORNIA PIPELINE, L.P., a California limited partnership, 3760 Kilroy Airport Way, Suite 300, Long Beach, CA 90806 ("Tenant") (individually referred to as "Party" and collectively referred to as "Parties").

## ARTICLE 1

### Section 1. Agreement.

For good and valuable consideration, the receipt and sufficiency of which are acknowledged by the Parties, City hereby delivers, and Tenant hereby accepts, the Premises hereinafter described, subject to the terms, limitations, conditions, restrictions and reservations contained herein and in the Charter of the City of Los Angeles and the State Tidelands Trust and the terms and conditions provided herein.

### Section 2. Premises.

#### 2.1 Description.

2.1.1 Land and Improvements. The premises subject to this Agreement are as delineated and more particularly described on Drawing No. 45693 ("Premises"). Such drawing is on file in the office of the Chief Harbor Engineer of the Harbor Department ("Harbor Engineer") attached hereto as Exhibit "A". The total area of the Premises is comprised of 2,259 square feet (sq. ft.) of subsurface pipeline right-of-way (Parcel Nos. 1 and 2), including 301 sq. ft. of pipeline (Pipeline Portion of Parcel Nos. 1 and 2), as depicted on the Exhibit attached. The Parties acknowledge that the Pipeline Portion of Parcel Nos. 1 and 2 is currently governed by the provisions of California Public Utilities Code (CPUC) Section 6231.5.

2.1.2 Existing City Improvements. The improvements on the Premises as of the Effective Date, which improvements are owned by City and subject to this Agreement, are identified in Exhibit "B", a copy of which is attached hereto. This Agreement refers to the totality of such City-owned improvements as "City Improvements."

2.1.3 New Improvements. The Parties acknowledge that new improvements may be constructed on the Premises following the Effective Date. If, following the Effective Date, an improvement is added to the Premises, the Harbor Engineer shall: (i) revise Exhibit "B" to include both a depiction of such additional improvement and a statement identifying such improvement's ownership; (ii) renumber the revised Exhibit "B" (such that, for example, after any such revision and renumbering, Exhibit "B" becomes "Exhibit "B-1""); and (iii) transmit such revised and renumbered Exhibit "B" to Tenant. Upon City's transmittal to Tenant, such revised and renumbered Exhibit "B" shall be

deemed to: (i) be incorporated into this Agreement without further action of the Board or the Council; and (ii) supersede any earlier issued iterations of Exhibit "B".

**2.2 Acceptance and Surrender.** It is understood and agreed that Tenant accepts the Premises "AS IS", "WHERE IS", with all faults and limitations, provided that nothing herein shall be construed to negate any provision of this Agreement. Tenant agrees to surrender the Premises upon the expiration or earlier termination of this Agreement in conformance with the terms and conditions of this Agreement.

**Section 3. Effective Date; Term and Holdover.**

**3.1 Effective Date.** This Agreement shall become effective on the date of its approval by the City Council of City ("Council") pursuant to Section 606 of City's Charter, and execution by the Executive Director of the Harbor Department ("Executive Director"), after approval as to form and legality by the City Attorney of the City of Los Angeles ("Effective Date").

**3.2 Term.** The Term of this Agreement shall be for twenty (20) years commencing on the Effective Date and expiring on \_\_\_\_\_ ("Expiration Date"), unless sooner terminated in accordance with Agreement.

**3.3 Holdover.** Should Tenant remain in possession of all or any part of the Premises after the expiration of this Agreement, with or without the express or implied consent of City, such occupancy shall be considered to be a "holdover" from month to month only, and not a renewal of this Agreement nor an extension for any further term, and in such case, rent or other monetary sums due hereunder for such expired Premises shall be payable in the amount of: (i) one hundred fifty percent (150%) of the Rent, as defined in Section 4 (Rent), payable for the last month of the term of this Agreement, or one hundred fifty percent (150%) of the fair market rental, whichever is higher, plus (ii) other charges payable hereunder at the time specified in the Agreement, and such month to month occupancy shall be subject to every other provision, covenant and agreement contained herein, including any applicable Rental Adjustments set forth in Section 4. The foregoing provisions of this Subsection 3.3 are in addition to and do not affect the right of re-entry or any right of City hereunder or as otherwise provided by law, and in no way shall such provisions affect any right which City may otherwise have to recover damages, to the extent permissible by Applicable Law, from Tenant for loss or liability incurred by City resulting from the failure by Tenant to surrender the Premises, or for any other reason. Nothing contained in this Subsection 3.3 shall be construed as consent by City to any holding over by Tenant, and City expressly reserves the right to require Tenant to surrender possession of the Premises to City as provided in the Agreement, and to the extent permissible by Applicable Law, upon the expiration of this Agreement.

**Section 4. Rent and Other Tenant Payments.**

**4.1 Definitions.**

4.1.1 Compensation Year. "Compensation Year" shall mean a period of twelve (12) consecutive calendar months commencing on the Effective Date and every twelve-month period thereafter. Any period of less than twelve (12) consecutive calendar months shall be a partial year. For any partial year, the Rent shall be prorated on the basis of a three hundred and sixty-five (365) day year.

4.1.2 Tariff Charges. "Tariff Charges" shall mean all charges due and owing by Tenant under the Tariff on account of Tenant's use and occupancy of the Premises.

4.1.3 CPI-U. "CPI-U" shall mean the Consumer Price Index for All Items, All Urban Consumers for the Los Angeles-Long Beach-Anaheim, California area, 1982-84=100 as published by the U.S. Department of Labor, Bureau of Labor Statistics, or a successor index selected by the Executive Director in the Executive Director's sole reasonable discretion.

4.1.4 Base Rent. "Base Rent" shall mean the monetary sum, in U.S. Dollars, Tenant shall pay to City for its use and occupancy of the Premises per Compensation Year, excluding Tariff Charges and other Additional Rent.

4.1.5 Additional Rent. "Additional Rent" shall mean all monetary sums, in U.S. Dollars, Tenant shall pay to City for applicable Tariff Charges, impositions, taxes, liens and fees imposed on the Premises or Tenant's leasehold interest in the Premises, including but not limited to late fees, and any additional monetary payments which Tenant is required to pay to City as more fully set forth in this Agreement.

**4.2 Base Rent.** As consideration for rights granted in this Agreement, Tenant shall pay to City in the manner herein described without abatement, deduction or offset, except as provided herein, the following Base Rent when due, whether or not an invoice for same has been received, the initial annual base rent of Four Thousand Three Hundred Twenty-Four Dollars (\$4,324.00) to be paid within no more than thirty (30) days from the Effective Date and then annually thereafter on or before the anniversary of the Effective Date. Notwithstanding the foregoing, if the aforementioned CPUC Section 6231.5 status of the Pipeline Portion of Parcel Nos. 1 and 2 is terminated then i) the Tenant shall notify the City of the termination within 30 days and ii) the Base Rent rate for the Pipeline Portion of Parcel Nos. 1 and 2 shall, within 30 days of such termination and without further action by the Board, automatically be adjusted to match the Base Rent rate of the portion of the Premises that is not governed by CPUC Section 6231.5.

**4.3 Rental Adjustments.** It is agreed that the Base Rent shall be adjusted in accordance with the following procedures:

4.3.1 Annual Adjustments. Effective on the first (1<sup>st</sup>) day of the second (2<sup>nd</sup>) Compensation Year (which date and subsequent annual anniversaries shall be referred to individually as "Annual Adjustment Date"), and annually thereafter, the Base Rent shall be adjusted as of the Annual Adjustment Date automatically without further notice to

reflect the percentage increase (*but in no event decrease*), if any, in the CPI-U, or successor index selected by the Executive Director in the Executive Director's sole reasonable discretion ("Annual Adjustments"). Such adjusted Base Rent shall be equal to the product obtained by multiplying the Base Rent amount in effect on the Annual Adjustment Date by a fraction, the numerator of which is the CPI-U index for the second month immediately preceding the Annual Adjustment Date, (the "Adjustment Index") and the denominator of which is the CPI-U index as it stood on the same month of the prior year (the "Base Index"). For accounting purposes, the Annual Adjustment shall be rounded to the nearest thousandth.

The formula illustrating the adjustment computation is as follows:

$$\text{Annual Adjusted Rent} = \text{Base Rent as of Annual Adjustment Date} \times \frac{\text{Adjustment Index}}{\text{Base Index}}$$

#### 4.3.2 Five-Year Rate Adjustments.

4.3.2.1 Adjusted Base Rent. In addition to, and not as a substitute for the Annual Adjustments required in Subsection 4.3.1, above, as required pursuant to the Charter Section 607, on every fifth (5<sup>th</sup>) anniversary of the Effective Date ("Reset Date"), the Base Rent to be paid by Tenant for each five (5) year period, or any portion thereof, following the first five (5) year period of the Term ("Five-Year Adjusted Period") shall be adjusted to reflect the fair market rental for the Premises, *provided that in no case will the Base Rent be adjusted downward*. City and Tenant shall commence negotiations ("Commencement of Negotiations") not less than six (6) months before each Reset Date. The Adjusted Base Rent shall be mutually agreed upon between the Parties at some time not more than nine (9) months and not less than three (3) months before each Reset Date. If the Parties are able to reach agreement on the Adjusted Base Rent prior to the Reset Date, then said agreement shall be presented as a recommendation to the Board with the final determination of the Adjusted Base Rent to be established by order of the Board. If the Adjusted Base Rent has not been agreed upon between the Parties by the Reset Date, the Base Rent for the new Five-Year Adjusted Period shall be one hundred twenty-five percent (125%) of the Base Rent for the former period, and shall be paid in the same manner as provided in this Section 4 until completion of negotiations or the Appraisal Process (set forth below) has determined the new Adjusted Base Rent and such adjustment has been implemented by order of the Board.

4.3.2.2 Appraisal Process. If the Parties cannot agree on the amount of the Adjusted Base Rent, within ninety (90) days from the Commencement of Negotiations, then the Parties shall apply the following process to determine the Adjusted Base Rent (the "Appraisal Process"); provided, however, that the Parties may continue to negotiate during the Appraisal Process period and, if an

agreement is reached, the Appraisal Process shall be terminated and the negotiated amount shall be presented as a recommendation to the Board.

4.3.2.3 The Appraisal Process shall be:

(a) No later than (90) days from the Commencement of Negotiations, the Executive Director shall provide to Tenant a written statement of the Executive Director's determination of the Market Rent for the Five-Year Adjusted Period ("Determination Due Date"). If Tenant disagrees with the Executive Director's determination, Tenant must provide to City a written objection within ten (10) calendar days of receipt of the Executive Director's determination. The written objection must include the basis for Tenant's objection to the imposition of the new Adjusted Base Rent. Tenant acknowledges and agrees that Tenant's failure to submit a timely, written objection shall be deemed approval of the Executive Director's determination of the Adjusted Base Rent commencing on, and retroactive to, the Reset Date.

(b) If either (i) City has not provided Tenant with the Executive Director's determination of Market Rent by the Determination Due Date or (ii) Tenant has received the Executive Director's determination but disagrees with the determination therein, either City or Tenant may elect to commence the Appraisal Process with written notification to the other Party of such election, within ten (10) calendar days following the Determination Due Date. City and Tenant shall each select an appraiser who meets the qualifications set forth in Exhibit "C" (a "Main Appraiser"), and deliver to the other Party the name and address of their respective selected Main Appraiser. The Executive Director shall immediately fix the time and place for a conference ("Appraiser Meeting") between the Parties and the Main Appraisers no later than fifteen (15) days from the date of the exchange of names and addresses of the Main Appraisers. At the Appraiser Meeting, both City and Tenant may discuss with the Main Appraisers any externalities that may affect the derivation of the rental rate and determine the appraisal scope. The Appraisal Instructions to be given to the Main Appraisers are provided in Exhibit "D." City and Tenant shall each pay the fees and expenses of their respective Main Appraisers. The Appraisal Report shall be as described and defined in Exhibit "D".

No later than sixty (60) calendar days after the Appraiser Meeting, a copy of the respective Appraisal Reports of City and Tenant shall be made available for review by the other Party on the same day. If either City or Tenant is unable to deliver its Appraisal Report by the delivery date, the late Party will inform the other Party in writing of the reason for the delay and the expected date on which Appraisal Reports will be exchanged. If

either Party's Appraisal Report cannot be delivered within ninety (90) days of the Appraiser Meeting, the complying Party shall have its Appraisal Report presented to the Board for determination of the rental rate.

Upon exchange of the two Appraisal Reports, in the event that the determination of the rental rates in the Appraisal Reports differs by fifteen percent (15%) or less, the average of the two determinations in the Appraisal Reports shall be presented as a recommendation to the Board for determination of the rental rate. If the rental rate in the two Appraisal Reports differs by more than fifteen percent (15%), the parties shall proceed to subsection (c), below.

(c) Arbitration Appraiser Selection. The Main Appraisers selected by each Party shall agree upon and select an "Arbitration Appraiser" (as described below) no later than four (4) weeks after the Appraiser Meeting. The Arbitration Appraiser shall have the qualifications in Exhibit "C" and shall not be under contract with the City or Tenant for appraisal services. If the Arbitration Appraiser selected is not available to perform the task pursuant to the instructions in subsection (e) below or is unwilling to execute a City contract for the performance of appraisal services, then City and Tenant shall inform the Main Appraisers and require them to repeat the selection process again until an available Arbitration Appraiser is selected. If the Main Appraisers cannot come to agreement on the selection of an Arbitration Appraiser within four (4) weeks from the date of the Appraiser Meeting, the Executive Director shall select an Arbitration Appraiser.

(d) Appraisal Review Period. The Parties shall have two (2) weeks to review each other's Appraisal Reports from the date of the appraisal exchange described above. Within fifteen (15) calendar days of the Appraisal Report exchange described above, the Executive Director shall fix a time and place for a negotiation meeting ("Negotiation Meeting") between the Parties to be held no later than three (3) weeks from the date of the Appraisal Report exchange. At such meeting, the parties shall attempt to reach a final agreement on the rental rate. Either Party may include its Main Appraiser in the meeting, if desired. If City and Tenant reach agreement on the rental rate, the Executive Director shall present the result as a recommendation to the Board for its determination. If City and Tenant are unable to reach agreement on the rental rate by the date that is fourteen (14) calendar days from the date of the Negotiation Meeting, then City and Tenant shall proceed to the procedure in subsection (e) below.

(e) Appraiser Arbitration. City and Tenant shall each pay one-half of the fees and expense of the Arbitration Appraiser. The Arbitration Appraiser selected by the two Main Appraisers or the Executive Director, as the case may be, shall receive copies of both City's and Tenant's final Appraisal Reports that were procured in subsection (b) above. The Arbitration Appraiser shall be allowed fifteen (15) days to review both Appraisal Reports. After review of the two Appraisal Reports, the Arbitration Appraiser will determine which of the two Appraisal Reports is the most reasonable, considering comparable data selection, market information and applicable valuation methodology. The Arbitration Appraiser shall communicate his or her decision as to which appraisal is the most reasonable and a brief explanation for that rationale in writing to both City and Tenant any time before but no later than fifteen (15) days after engagement. The Executive Director shall present the two Appraisal Reports and the Arbitration Appraiser's determination as a recommendation to the Board for its determination of the Adjusted Base Rent; City shall make every effort to present this information to the Board prior to the Periodic Adjustment Date.

4.3.2.4 Reconciliation of Rent Payments. The monies paid at the one hundred twenty-five percent (125%) rate shall count against the Adjusted Base Rent which shall accrue from the date the Five-Year Adjusted Period commenced. If the Adjusted Base Rent is more than the Base Rent paid at the one hundred twenty-five percent (125%) rate, Tenant shall immediately pay City the difference due from the date the Five-Year Adjusted Period commenced to the date the Adjusted Base Rent is paid. If the Adjusted Base Rent is less than the amount paid at the one hundred twenty-five percent (125%) rate, Tenant shall be entitled to a credit against future sums owed to City under this Agreement. No interest shall accrue on the amount due to City or Tenant pursuant to this provision except to the extent Tenant fails to pay any deficiency within thirty (30) days of a billing from City. If Tenant's payments are delinquent, a delinquency charge shall accrue at the rate provided in Item No. 270 of the Tariff (or its successor), currently consisting of simple interest of 1/30 of two percent (2%) of the invoice amount remaining unpaid each day.

**4.4 Reconciling Rent for Final Measurements.** The Parties agree that the Rent shall be adjusted to reflect any changes in the final measurement of the Premises, or any improvements thereon, which are made pursuant to Subsection 102.3 (Modification of Premises and Documents), without further action of the Board or the Council. City shall inform Tenant of the revised Rent by written notice and affix such notice as an Attachment to this Agreement.

**4.5 No Waiver.** It is agreed by the Parties that failure by the Parties to comply timely with the Rent adjustment procedures herein shall not be construed to constitute a waiver of the right of City to a Rent adjustment.

#### **4.6 Additional Rent.**

4.6.1 Payment; Definition of Rent. In addition to any other consideration under this Agreement, including without limitation any Base Rent, Tenant shall pay to City all Additional Rent, as listed below, when due. Base Rent and Additional Rent shall collectively be referred to herein as "Rent". All Rent shall be paid to City at the address set forth in Subsection 103.2.2 (Payments), or at such other place as City may from time to time designate.

4.6.2 Tariff. Tenant shall pay City for any applicable Tariff Charges as Additional Rent.

#### **4.6.3 Taxes and Impositions.**

(a) Tenant shall timely pay all Taxes imposed with respect to this Agreement, the use or the operation of the Premises, including, without limitation, any documentary or other transfer or sales taxes, property or possessory interest taxes and any City of Los Angeles Business Tax applicable to the use and operation of the Premises. City reserves the right, without being obligated to do so, to pay the amount any such Taxes not timely paid by Tenant, and the amount so paid by City shall be deemed Additional Rent hereunder, due and payable by Tenant immediately upon demand by City.

(b) Tenant hereby agrees to pay as Additional Rent such assessments, fees and charges as shall be set by the Board and that shall be reasonable and not unjustly discriminatory.

(c) Notwithstanding this Subsection 4.6.3, Tenant does not waive its right to seek relief from a court of competent jurisdiction to the extent that such Tax, assessment, fee or charges are contrary to Applicable Law.

4.6.4 Utilities and Services. Tenant shall be liable for and shall pay all charges for services furnished to the Premises, including, without limitation, heat, power, telephone, water, light, janitorial services, security services and trash collection services, and any other services in connection with its occupancy of the Premises, including, without limitation, deposits, connection fees or charges and meter rentals required by the supplier of any such service. If any such services are not separately metered or billed to Tenant, Tenant shall pay a reasonable proportion, to be determined by City, of all charges jointly metered or billed. There shall be no abatement of Rent and City shall not be liable in any respect whatsoever for the inadequacy, stoppage, interruption or discontinuance of any utility or service due to riot, strike, labor dispute, breakdown, accident, repair or other cause beyond City's reasonable control or in cooperation with

governmental request or directions. To the extent such utilities and services are provided by City, payment for same shall be Additional Rent.

4.6.5 **Rent for Non-permitted Uses.** Use of the Premises for purposes not expressly permitted herein, whether approved in writing by the Executive Director or not, may result in additional charges, including charges required by the Tariff, as it may be amended or superseded. Imposing additional charges and receiving Additional Rent for non-permitted uses shall not waive City's rights to declare a default or limit City's remedies under this Agreement and at law.

4.6.6 **Rent on New Improvements.** With respect to additions, improvements or alterations to the structures on the Premises authorized by City and made by Tenant, at Tenant's sole expense, during the Term of this Agreement, Tenant shall not be charged Rent for the rental value thereof unless and until title to said additions, improvements, or alterations revert to City pursuant to the terms of this Agreement or by operation of law.

4.6.7 **Other Amounts.** Any amounts due and owing from Tenant that arise from or are related to its undertaking of the Permitted Uses or its occupancy of the Premises, including without limitation, service charges for services provided by the Harbor Department.

4.6.8 **City's Net Return.** The Parties intend that this Agreement shall constitute a "triple net lease" so that the Rent shall provide City with a "net" return for the Term, free of any expenses or charges with respect to the Premises, except as specifically provided in the Agreement. Accordingly, Tenant shall pay as Additional Rent and discharge, before delinquency (but subject to the terms of this Agreement, including any applicable cure periods), each and every item of expense, of every kind and nature whatsoever, including Impositions or other amounts customarily paid by a tenant under a "triple net lease" or otherwise payable by Tenant in accordance with the terms of this Agreement.

## **Section 5. Uses.**

**5.1 Permitted Uses.** The Premises shall be used for the following purposes and no others: operation and maintenance of subsurface pipelines for the transportation of petroleum products ("Permitted Uses").

**5.2 Limitations on Use.** Tenant shall not use or allow the Premises or any part thereof to be used for purposes other than the Permitted Uses without the prior written approval of the Board (which approval may be withheld by the Board in its sole and absolute discretion), and subject to such restrictions, limitations and conditions as may be imposed by the Board.

**5.3 Operating Covenant.** Tenant shall manage and operate the Premises, or cause them to be managed and operated, as a maritime support facility, in a manner consistent with

the manner and standard by which comparable facilities are managed and operated, and shall perform maintenance and capital improvements necessary to maintain the Premises in a manner comparable to that in which comparable facilities are maintained.

**Section 6. Notices.**

The Parties shall send all notices or other communication necessary under this Agreement in writing by personal service, or express mail, Federal Express, DHL, UPS or any other similar form of airborne/overnight delivery service, or mailing in the United States mail, postage prepaid, certified and return receipt requested, addressed to the Parties at their respective addresses as follows:

**ARTICLE 1 – Sections 7 to 99, intentionally omitted.**

## ARTICLE 2 – STANDARD PROVISIONS

### Section 100. Applicability of Article 2.

Notwithstanding anything in this Agreement to the contrary, in the case of any inconsistency between Article 1 and Article 2 of this Agreement, the provisions of Article 1 shall be controlling.

### Section 101. Definitions.

All capitalized terms used and not defined in Article 1 or Article 2 shall have the meaning ascribed to them in the Glossary of Defined Terms attached hereto and incorporated herein as Attachment 1.

### Section 102. Limitations and Additional Provisions Related to Premises.

**102.1 Compliance with Applicable Laws; Executive Directives.** At all times in its use and occupancy of the Premises and in its conduct of operations thereon, Tenant, at its sole cost and expense, shall comply with all Applicable Laws. In addition to the foregoing, Tenant shall comply immediately with any and all directives issued by the Executive Director under authority of any such Applicable Law. It is the Parties' intent that Tenant shall make, at Tenant's sole cost and expense, any and all alterations, improvements and changes, whether structural or nonstructural, that are required by Applicable Law.

**102.2 Reservations.** This Agreement and the Premises are and shall be at all times subject to the reservations and exclusions listed below and additional reservations City may reasonably require after the Effective Date, of which Tenant shall receive advance written notice, for which Tenant shall receive no compensation unless otherwise provided in this Agreement.

102.2.1 Utilities or other Rights-of-Way. Rights-of-way for sewers, pipelines (public or private), conduits for telecommunications, electric, gas, and power lines, as may from time to time be determined to be necessary by the Board, including the right to enter upon, above, below or through the surface to construct, maintain, replace, repair, enlarge or otherwise utilize the Premises for such purpose, without compensation or abatement of Rent and with as minimal interference with the Permitted Uses as possible.

102.2.2 Streets and Highways. Rights-of-way for streets and other highways and for railroads and other means of transportation which are apparent from a visual inspection of the Premises or which shall have been duly established or which are reserved herein, provided that the exercise of such right after the Effective Date does not materially interfere with the Permitted Uses.

102.2.3 Telecommunication and Utility Equipment. Access, temporary occupancy and the right of City or third-parties selected by City in its sole and absolute

discretion to install, operate, maintain and repair telecommunication and utility equipment, without compensation or abatement of Rent unless otherwise agreed to in writing by City. City shall minimize any interference with the Permitted Uses to the extent possible.

102.2.4 Homeland Security. Access, temporary occupancy and other rights reasonably necessary to comply with homeland security or related requirements of local, state and federal law enforcement agencies or the Harbor Department. City reserves the right to install, maintain and operate on the Premises equipment related to homeland security and/or public safety with seventy-two (72) hours prior written notice to Tenant without compensation or abatement of Rent unless otherwise agreed to in writing by City.

102.2.5 Environmental Initiatives. Access, temporary occupancy and other rights reasonably necessary to comply with environmental initiatives and/or policies of City, local, state and federal agencies or the Harbor Department, provided that the exercise of such rights do not materially interfere with the Permitted Uses.

102.2.6 Prior Exceptions. All prior exceptions, reservations, grants, easements, leases or licenses of any kind whatsoever that appear of record in the office of the Recorder of Los Angeles County, California, or in the official records of City or any of its various departments.

102.2.7 Mineral Rights Excluded. All minerals and mineral rights of every kind and character now known to exist or hereafter discovered, including, without limiting the generality of the foregoing, oil, gas and water rights, together with the full, exclusive and perpetual rights to explore for, remove and dispose of said minerals, or any part thereof, from the Premises, without, however, the right of surface entry on the Premises.

### **102.3 Modification of Premises and Documents.**

102.3.1 Final Measurement. The Premises may be subject to final measurement by City. To the extent that the final measurements differ from Exhibit "A", the Harbor Engineer shall: (i) revise Exhibit "A" to reflect the correct measurements of the Premises and any improvements thereon; (ii) renumber the revised Exhibit "A" as Exhibit "A-1"; and (iii) transmit Exhibit "A-1" to Tenant. Upon City's transmittal to Tenant, such revised and renumbered Exhibit "A-1" shall be deemed to: (i) be incorporated into this Agreement without further action of the Board or the Council; and (ii) supersede Exhibit "A".

102.3.2 Modifications. Addition or deletion of Premises for which Tenant is charged, not to exceed a cumulative total of ten percent (10%) of the originally designated Premises, may be made by mutual agreement of the Parties, so long as such change in area is not a temporary use of substitute premises as set forth in Tariff Item 1035 (or its successor) or not temporary as determined by City in its sole reasonable discretion. Such addition or deletion shall be by written amendment and shall specify appropriate

adjustments in Rent and shall not require approval by the Board or the Council unless the modification involves an amount in excess of the Executive Director's contracting authority, as that amount may be amended from time to time, in which case prior Board approval shall be required. The Executive Director shall revise and replace the following: (i) Section 2 (Premises) (ii) Section 4 (Rent and Other Tenant Payments), and (iii) Exhibit "A", as necessary to conform to these modifications.

**102.4 Inspection by Tenant; No Warranties by City.** Tenant acknowledges that it has inspected the Premises in contemplation of entering into this Agreement and occupying the Premises for the Permitted Uses, including the construction of improvements, if any, and acknowledges and agrees that:

(a) Tenant is accepting the Premises as set forth in Subsection 2.2 (Acceptance and Surrender), that is, without representation or warranty with respect thereto, express or implied, except only as set forth in this Agreement, with regard to the physical or other condition of the Premises, including the existence of any Environmentally Regulated Material thereon, soils condition, the presence or absence of archeological or historical remains or suitability for the intended use;

(b) Tenant has determined for itself, that the Premises are suitable for the Permitted Uses; and

(c) No individual of, or affiliated with, City has made any representation or warranty with respect to the Premises or improvements existing or planned or to the suitability of the Premises for the Permitted Uses, unless the nature and extent of such representation or warranty is described in writing and attached hereto.

**102.5 No Conveyance of Fee Estate.** The Parties acknowledge and agree that this Agreement does not transfer or convey the Fee Estate of the Premises, and that any grant or conveyance under this Agreement is solely of the leasehold estate thereto.

**102.6 Temporary Assignments.** By issuing this Agreement, City does not grant to Tenant the sole or exclusive right to use the Premises. Whenever the Premises, excepting the office building occupied by Tenant, if any, are not being used, in whole or in part, by Tenant for the Permitted Uses or if City requires the Premises on a project or emergency basis, the Executive Director shall have the right, subject to Tenant's consent (which consent shall not be unreasonably withheld), to make temporary assignments to other persons, firms and/or corporations to use the Premises, or any part thereof, as provided in the Tariff. Any direct charges accruing against Tenant from the use of the Premises by a temporary user, and the allocated costs of utilities which Tenant furnishes to such temporary user, shall be paid by such temporary user. City and Tenant agree to negotiate in good faith regarding any other terms and conditions of such temporary assignments.

**102.7 Waste or Nuisance.** Tenant shall not use the Premises in any manner that constitutes waste or nuisance.

**102.8 Load Limits.** City warrants and represents that wharfs and paving on the Premises will support the load limits specified in Exhibit "B." Tenant shall allow no loading in excess of such limits without the prior written consent of the Harbor Department, which consent may be provided by a Harbor Engineer's Permit or a Heavy Lift Permit. Upon receipt of a notice from City that the load limits on Exhibit "B" have been exceeded, Tenant immediately shall take all appropriate steps to correct such condition and, irrespective of such notice, shall, as between City and Tenant, be solely responsible for any cost, expense or damage resulting from exceeding the load limits.

**102.9 Wilmington Truck Route.** City and Tenant acknowledge that Tenant does not directly control the trucks serving the Premises. However, Tenant shall make its best efforts to notify truck drivers, truck brokers and trucking companies that trucks serving the Premises must confine their route to the designated Wilmington Truck Route ("Wilmington Truck Route" attached hereto as Exhibit "E"). The Wilmington Truck Route may be modified from time to time at the sole and absolute discretion of the Executive Director. The Harbor Department shall provide Tenant with notice of any modifications to the Wilmington Truck Route.

**102.10 Maintenance Areas.** Tenant shall not conduct or permit any maintenance of mobile or portable equipment on the Premises except in full compliance with all Applicable Laws attendant to the Premises and its use, including without limitation, all Environmental Laws and Mitigation Measures as hereinafter defined.

**102.11 Responsibility for Financing.** Tenant covenants that any financing required in connection with the use of the Premises, including without limitation development and operation, shall be the sole responsibility, cost and expense of Tenant.

**102.12 Tenant to Supply Necessary Labor and Equipment.** Tenant shall, at its sole cost and expense, provide all equipment and labor necessary to undertake the Permitted Uses; provided, however, that nothing contained herein shall prevent Tenant from using such equipment as may be installed by City at the Premises upon the payment to City of all applicable charges.

**102.13 Liens; Indemnity.** Except where contested by Tenant in good faith in a court of competent jurisdiction, and except for non-delinquent liens arising from taxes or tax assessments, Tenant shall keep the Premises free from liens of any kind or nature arising out of its use and/or occupancy of the Premises, including any liens arising out of any labor performed for or materials furnished to or on behalf of Tenant on the Premises. Tenant agrees that it shall at all times defend and indemnify City from and against all claims for labor or materials in connection with the construction, erection or installation of improvements made by Tenant upon the Premises, or from additions or alterations made to any improvements on the Premises, or the repair of the same, by or at the direction of Tenant, and the costs of defending against any

such claim, including reasonable attorneys' fees. If a mechanic's or other similar lien shall at any time be filed against City's interest in the Premises, which is not contested by Tenant in good faith in a court of competent jurisdiction, Tenant shall: (i) cause the same to be discharged of record within thirty (30) days after the date of filing the same; or, (ii) otherwise free the Premises from such claim or lien and any action brought to foreclose such lien; or, (iii) promptly furnish City with a bond in the amount of the lien plus twenty-five percent (25%) thereof issued by a surety company, acceptable to the Executive Director, securing City against payment of such lien and against any and all loss or damage whatsoever in any way arising from the failure of Tenant to discharge such lien.

**102.14 Tenant Telecommunications Equipment.** Tenant shall coordinate with the Harbor Department and any other applicable Governmental Agencies prior to installing any radio or telecommunications equipment to ensure that frequencies do not interfere with public safety communications or radio frequencies.

**102.15 Property of Tenant.** All property brought onto the Premises by Tenant, or in the care, custody or control of Tenant, to undertake the Permitted Uses or otherwise shall be and remain the property of Tenant, subject to the terms and conditions contained herein, and shall be there at the sole risk of Tenant. Tenant hereby waives all claims against City with respect to such property, except for injury or damage to such property caused by City's sole negligence or willful misconduct.

**102.16 Quiet Enjoyment.** City covenants that, so long as this Agreement has not expired or terminated in accordance with its terms and Applicable Laws attendant to the Premises and its use, Tenant shall and may peaceably and quietly have, hold and enjoy the Premises for the Term so long as the Premises are used in compliance with the State Tidelands Trust. By such covenant, City makes no representation or warranty as to the condition of title of the Premises or the suitability of the Premises for the Permitted Uses. Tenant's sole remedy for breach of this Subsection 102.16 shall be an action for specific performance.

**102.17 Local Job Participation; Living Wage.** In furtherance of the policies of the Board and the Council, Tenant shall strive to achieve the goals of local job participation in the use and operation of the Premises and the Living Wage Ordinance of the City of Los Angeles as defined in the City of Los Angeles Administrative Code Section 10.37.

**102.18 Provision of Safe Environment.** Tenant shall provide for a safe environment on the Premises and follow the Harbor Department's Homeland Security rules and regulations, including without limitation, Tariff Section 2, item 298, (or its successor) and all other Applicable Laws.

### **Section 103. Additional Provisions Related to Rent.**

**103.1 Premises Subject to Tariff.** Tenant accepts the Premises and shall undertake the Permitted Uses subject to each and every of the terms and conditions provided in this

Agreement, and to each and every of the applicable rates, terms and conditions of the Tariff as it now exists, or as it may be temporarily amended or permanently amended or superseded. Tenant represents and warrants that it has received, read and understands the rates, terms and conditions of the Tariff and covenants that, at all times during the term of this Agreement, it shall maintain a complete and current Tariff at the address set forth in Section 6 (Notices). Except as otherwise set forth in this Agreement, Tenant is contractually bound by all Tariff rates, terms and conditions as if the same were set forth in full herein. City in its sole and absolute discretion shall determine if a conflict exists between a provision of this Agreement and a Tariff provision. In the event of such conflict, this Agreement shall at all times prevail.

### **103.2 Requirements Applicable to Tenant's Payment of Rent.**

103.2.1 Tenant's Obligation to Pay; No Right of Set-Off. Notwithstanding any other provision of this Agreement, Tenant's obligations to pay Rent to City according to the terms and conditions of this Agreement shall be absolute and unconditional and shall be unaffected by any circumstance, including, without limitation, off-set, counterclaim, recoupment, defense or other right which Tenant may have against City.

103.2.2 Payments. Tenant shall render its payments at the Harbor Department Administration Building or any other place that City from time to time may designate in writing. All payments due to City under this Agreement shall be made in U.S. Dollars, either in the form of a check (drawn on a bank located in the State of California) or via electronically transmitted funds.

103.2.3 Proration of Payments. If any payment by Tenant is for a period shorter than one calendar month, the Rent for that fractional calendar month shall accrue on a daily basis for each day of that fractional month at a daily rate equal to 1/365 of the total annual Rent then due and payable. All other payments or adjustments that are required to be made under the terms of this Agreement and that require proration on a time basis shall be prorated on the same basis.

103.2.4 Labor Disturbance. If, by reason of strikes, other labor disputes, lockouts, or other work stoppages of which Tenant did not directly or indirectly cause and/or to which Tenant is not a party ("Labor Disturbance"), occurring at the Premises and lasting more than (30) days, Tenant is prevented from making substantial use of Premises to undertake the Permitted Uses, the Rent for the period during which the Labor Disturbance occurs shall be proportionately adjusted, commencing the thirty-first (31<sup>st</sup>) day after commencement of such Labor Disturbance, provided Tenant has, prior to such date, given City written notice of such Labor Disturbance including its assertion that it has not caused such disturbance, and such reduction shall be applicable from and after said thirty-first (31<sup>st</sup>) day until Tenant is able to make substantial uses of the Premises to undertake the Permitted Uses.

103.2.5 Force Majeure Not Applicable. Any Force Majeure provision or principle, including, without limitation, the provisions of Section 110 (Force Majeure), shall not apply to any of Tenant's Rent Payment Obligations.

#### 103.2.6 Deposits.

103.2.6.1 Security Deposit. As a condition precedent to the effectiveness of this Agreement, Tenant shall deposit with the Board a sum equal to three times the Monthly Rent due for the first full three months of the Agreement. Said deposit shall be in cash or a standby letter of credit, or equivalent, in a form approved by City. Said deposit may be used to cover delinquent Rent and other obligations under this Agreement. This deposit shall not, in any way, reduce Tenant's liabilities under this Agreement unless specifically stated in writing by City and approved by the Board. In the event that all or part of such deposit is used to apply against Rent due and unpaid or other obligations due and unpaid, Tenant shall immediately make another deposit in an amount equal to the amount so used, so that at all times during the term of this Agreement said deposit shall be maintained in the sum stated above, or as increased pursuant to Subsection 103.2.6.2, below. Two percent (2%) of the value of the standby letter of credit, or its equivalent shall be deducted and paid to a Harbor District maintenance fund and shall be non-refundable. Upon the expiration or earlier termination of this Agreement, the Executive Director may release the standby letter of credit or its equivalent and refund the remaining ninety-eight percent (98%) of the Security Deposit to Tenant, provided that Tenant is in compliance with all the terms and conditions of this Agreement.

103.2.6.2 Increased Security Deposit. If, for any reason, Tenant's Monthly Rent obligation to City is increased in excess of ten percent (10%), the amount of Tenant's Deposit shall, within thirty (30) days after receiving written notice from City, correspondingly be increased to a sum three (3) times the new Monthly Rent obligation.

103.2.6.3 Port Environmental Fund Deposit. In addition to the Security Deposit, Tenant shall deposit with the Board a sum equal to one percent (1%) of the Base Rent up to \$100,000, for deposit into the Port's general environmental clean-up and restoration fund to be used by City if Tenant fails to remediate a Term Release fully or if Tenant fails to restore the Premises fully at the expiration or earlier termination of the Agreement. Any funds not needed for a Term Release or for Restoration shall be refunded to Tenant at the expiration of this Agreement. When the Base Rent is increased pursuant to this Agreement, Tenant shall increase the amount of the Port Environmental Fund Deposit such that there is one percent (1%) of the Base Rent deposited (up to \$100,000 deposit) at all times.

103.2.7 Delinquent Payments. Payments required to be made by this Section 103 which have not been paid within ten (10) calendar days of the date such payments are due shall be subject to a delinquency charge which shall accrue at the rate provided in Item No. 270 of the Tariff, currently consisting of simple interest of 1/30 of two percent (2%) of the amount remaining unpaid each day. Tenant acknowledges that it knows the day of the month its payments hereunder are due and that such payments are due to be made from that date and not the date of City's invoice, if any. The delinquency service charge shall be imposed whether or not a deposit required by Subsection 103.2.6, above, is applied to the amount due. City has the unqualified right, upon thirty (30) days' prior written notice to Tenant, to change the level of the delinquency service charge.

## **Section 104. Tenant's Environmental Obligations During Term of Agreement.**

### **104.1 Intentionally Blank**

### **104.2 Tenant Responsibility for Existing Condition of the Premises.**

104.2.1 Existing Conditions. Tenant has accepted the Premises in an "AS IS" condition as set forth in Subsection 2.2 (Acceptance and Surrender). As such, Tenant shall be responsible for remediation of all contaminants which may be on, below or emanating from the Premises whether or not such contamination occurred before or after Tenant took possession of the Premises unless a Baseline Report for the Premises is obtained as set forth below.

104.2.2 Baseline Conditions, City's Baseline Report. Notwithstanding Subsection 104.2.1, above, Tenant acknowledges and agrees that it has reviewed and approved the document attached hereto as Exhibit "F-1", if any, which document constitutes the written depiction of the environmental condition of the Premises on the Effective Date ("Baseline Condition") and which hereinafter shall be referred to as the "City's Baseline Report." Tenant shall be responsible only for contamination above the Baseline levels for those contaminants covered in the City's Baseline Report. Any contaminants not analyzed in the Baseline Report, any contamination which occurred as a result of Tenant Prior Occupancy as set forth in Subsection 104.2.4 (Existing Contamination), and any Term Contamination shall be the sole responsibility of Tenant.

104.2.3 Baseline Conditions, Tenant's Baseline Report. Notwithstanding Subsection 104.2.1, above, if the City has not determined the Baseline Condition and Tenant elects, at its sole cost and expense, to prepare a Baseline Report depicting the Baseline Condition, and the Tenant's Baseline Report is approved by City, in its sole but reasonable discretion, ("Tenant's Baseline Report") attached hereto as Exhibit "F-2", if any, then the Tenant's Baseline Report shall establish the condition of the Premises as of the Effective Date. Tenant shall be responsible only for contamination above the Baseline levels for those contaminants covered in the Tenant's Baseline Report. Any contaminants not analyzed in Tenant's Baseline Report, any contamination which occurred as a result

of Tenant Prior Occupancy as set forth in Subsection 104.2.4 (Existing Contamination) and any Term Contamination shall be the sole responsibility of Tenant.

104.2.4 Existing Contamination. City and Tenant acknowledge that prior to the Effective Date, the Premises, or portions thereof, were occupied by Tenant, or an Affiliate of Tenant, or by an assignor or transferor to Tenant, under an entitlement or agreements separate from this Agreement (“Tenant Prior Occupancy”) and that as a result of such prior use and occupancy, the Premises (and/or areas adjacent to the Premises) on the Effective Date may possess contamination (“Existing Contamination”). As to City, Tenant bears all responsibility for the Existing Contamination which occurred during Tenant Prior Occupancy whether or not such contamination is depicted in a Baseline Report.

### **104.3 Tenant Responsibility for Term Contamination.**

104.3.1 Remediation. Tenant shall remediate or cause the remediation of any Term Releases, including any Existing Contamination that is not covered by a Baseline Report, such that the affected Premises (and/or areas adjacent to the Premises) are left: (a) in the Baseline Condition if a Baseline Report was prepared and approved by City or (b) in an environmental condition that fully complies with the guidelines of, orders of, or directives of the Governmental Agency or Agencies that have assumed jurisdiction, if any, whichever of the two is stricter, and in conformance with Harbor Department then existing remediation procedures, and free of encumbrances, such as deed or land use restrictions, except those that may be imposed as a result of the presence of Environmentally Regulated Material despite Tenant’s compliance with the foregoing requirement. As between City and Tenant, Tenant shall bear sole responsibility for all Term Contamination and any costs related thereto.

104.3.2 Tenant Responsibility; Indemnity. Except for Baseline Conditions which are depicted in the City’s Baseline Report or the Tenant’s Baseline Report, as the case may be, which are not Existing Contamination which occurred during Tenant Prior Occupancy, or conditions of the Premises resulting from City or third-party activities on or about the Premises when Tenant is required by this Agreement to allow City or such third-parties onto the Premises under a temporary assignment pursuant to Subsection 102.6 (Temporary Assignments), or whose access to the Premises has been requested by City pursuant to Subsection 102.2 (Reservations), Tenant bears sole responsibility for full compliance with any and all Applicable Laws regarding the use, storage, handling, distribution, processing, and/or disposal of Environmentally Regulated Material, regardless of whether the obligation for such compliance or responsibility is placed on the owner of the land, on the owner of any improvements on the Premises, on the user of the land, or on the user of the improvements. Except for Baseline Conditions which are not Existing Contamination which occurred during Tenant Prior Occupancy, or conditions of the Premises resulting from City or third-party activities on or about the Premises when Tenant is required by this Agreement to allow City or such third-parties onto the Premises as described above, Tenant agrees that any claims, damages, fines or

other penalties asserted against or levied on City and/or Tenant as a result of noncompliance with any Environmental Laws shall be the sole responsibility of Tenant and that Tenant shall indemnify and hold City harmless from any and all such claims, damages, fines and penalties, as well as any costs expended to defend against such claims, damages, fines and penalties, including attorneys' and experts' fees and costs that result from Term Contamination or Tenant's non-compliance with any applicable Environmental Law during the Term regarding the use, storage, handling, distribution, processing and/or disposal of Environmentally Regulated Material. City shall provide Tenant with sixty (60) days' notice to comply with any claims, damages, fines and penalties, or if Tenant has not complied with such claims, damages, fines and penalties, or if Tenant has not requested a meet and confer to discuss compliance within such sixty (60) days, then City, at its sole option, may pay such claims, damages, fines and penalties resulting from Tenant's noncompliance with any of the Environmental Laws, and Tenant shall indemnify and reimburse City for any such payments. As between Tenant and City, City shall indemnify and hold Tenant harmless, to the extent allowed by Applicable Law, from any and all such claims, damages, fines and penalties, including attorneys' and experts' fees and costs, that result from any Baseline Condition other than for Existing Contamination which occurred during Tenant Prior Occupancy whether or not the Existing Contamination was included in the Baseline Report.

104.3.3 Rebuttable Presumption When Baseline Report Prepared. Tenant acknowledges and agrees that a presumption shall exist that any contamination not specifically depicted and analyzed in the City's Baseline Report or the Tenant's Baseline Report, as the case may be, constitutes Term Contamination for which, as between City and Tenant, Tenant is solely responsible. City shall provide written notice of the existence of any such contamination to Tenant. Tenant may rebut such presumption by providing to City, within ninety (90) days of City's written notice, conclusive evidence demonstrating that such contamination is not Term Contamination. Otherwise, such presumption shall be deemed confirmed making Tenant solely responsible for such contamination. Whether any information submitted by Tenant rebuts the aforementioned presumption shall be within the City's sole and absolute discretion, exercised reasonably and in good faith. This provision shall survive the expiration or earlier termination of this Agreement.

#### **104.4 Tenant Obligations In the Event of a Term Release.**

104.4.1 Duty to Remediate. Upon discovery of any Term Contamination, Tenant shall, at its sole cost remediate the Term Contamination in accordance with Subsection 104.3 (Tenant Responsibility for Term Contamination).

104.4.2 Compliance with Government Agency Orders. If Applicable Law requires Tenant to report a Term Release to a Governmental Agency, Tenant shall so report and thereafter, if such Governmental Agency asserts jurisdiction over such Term Release, Tenant shall, at its sole cost and expense as between City and Tenant, manage the Term Release consistent with Environmental Laws and the directives of the Governmental

Agencies with jurisdiction, if any. If a schedule for such Term Release management is not prescribed by Environmental Laws, or the directives of the Governmental Agencies with jurisdiction if any, the Harbor Department shall reasonably prescribe such schedule in consultation with Tenant.

104.4.3 Site Characterization. Whether a Governmental Agency asserts jurisdiction over Term Contamination or not, Tenant shall characterize (including sampling and analysis) and remediate all Term Contamination in conformity with Environmental Laws to levels determined in the sole discretion of the Executive Director. Relevant and current guidance documents published by regulatory agencies (including but not limited to, the South Coast Air Management District, the Los Angeles Regional Water Quality Control Board, the Los Angeles Fire Department (local CUPA), the California Department Toxics Substances Control, the United States Environmental Protection Agency, and the Occupational Safety and Health Administration) shall be referenced and incorporated into work plans, site investigations and risk evaluations, and during the development and implementation of Term Contamination cleanup measures. Project planning, execution, and documentation shall be compliant with the terms as set forth in the National Contingency Plan (CFR 40, Part 300). The Tenant shall provide copies of project-relevant documents (including Work Plans, Reports, Remedial Action Plans, and Progress Reports) for Harbor Department review and approval prior to implementing field investigations, studies, or cleanups.

104.4.4 Copies to City. Tenant shall provide copies to City of all communications between Tenant (and any third-parties acting for or on its behalf), and any Governmental Agency with jurisdiction regarding all Term Releases and Term Contamination.

104.4.5 City's Rights to Remediate. If Tenant fails to wholly or partially fulfill any obligation set forth in Subsection 104.3 (Tenant Responsibility for Term Contamination), City may (but shall not be required to) take all steps it deems necessary to fulfill such obligation. Any action taken by City shall be at Tenant's sole cost and expense and Tenant shall indemnify and pay for and/or reimburse City for any and all costs (including any administrative costs) City incurs as a result of any such action it takes.

**104.5 Environmentally Regulated Material on Premises.** Tenant shall not cause or permit any Environmentally Regulated Material to be generated, brought onto, handled, used, stored, transported from, received or disposed of (hereinafter sometimes collectively referred to as "handle" or "handled") in or about the Premises, except for: (i) limited quantities of standard office and janitorial supplies containing chemicals categorized as Environmentally Regulated Material; (ii) Environmentally Regulated Material set forth in Exhibit "G" which are necessary for Tenant to undertake the Permitted Uses; and (iii) Environmentally Regulated Material handled in conformity with all state and federal environmental regulations. Tenant shall handle all such Environmentally Regulated Material in strict compliance with Environmental Laws in effect during the term of this Agreement or any holdover. Tenant shall provide City with a report

including an updated Exhibit "G" which reflects all additional Environmentally Regulated Material necessary for Tenant to undertake the Permitted Uses only if there are changes to Exhibit "G".

#### **104.6 Environmental Compliance.**

104.6.1 Generally; Notice. In its use and occupancy of the Premises, Tenant shall comply (and shall immediately halt and remedy any incident of non-compliance) with: (a) Environmental Laws; (b) all applicable environmental policies, rules and directives of the Harbor Department as set forth in Exhibit "H" attached hereto; and (c) following certification of the environmental document required by the California Environmental Quality Act ("CEQA") for the development at the Premises intended to implement any improvements or legally entitle hereunder an additional term of use and occupancy of the Premises, the environmental mitigation measures ("Mitigation Measures") and Mitigation Monitoring and Reporting Program (or "MMRP") and other Environmental Compliance Requirements, if any, set forth collectively in Exhibit "I" attached hereto. Tenant shall immediately upon receipt provide City with copies of any notices or orders or similar notifications received from any Governmental Agency regarding compliance with any Environmental Laws.

104.6.2 Revision of Mitigation Measures and Environmental Compliance Requirements. Following the Effective Date, upon mutual written agreement of the Board and Tenant, or through other measures incorporated into this Agreement, the Board may revise Exhibit "I".

**104.7 Environmental Audits.** Tenant shall perform annual written audits of its compliance with the Mitigation Monitoring and Reporting Program and Environmental Compliance requirements described in Exhibit "I". The results of such audits shall be maintained on Premises for review by City. City shall have the right to conduct, at its sole cost and expense, periodic audits of Tenant's compliance with the Mitigation Monitoring and Reporting Program and Environmental Compliance Requirements described in Exhibit "I". Tenant shall provide access to backup materials necessary for City to conduct such audits. Upon completion of such audits, should Tenant so request in writing, City shall provide Tenant with copies of any written reports or resulting from such audits.

**104.8 Waste Disposal.** In discharging its obligations under this Section 104, if Tenant disposes of any soil, material or groundwater contaminated with Environmentally Regulated Material, Tenant shall maintain copies of all records, including a copy of each uniform hazardous waste manifest indicating the quantity and type of material being disposed of, the method of transportation of the material to the disposal site and the location of the disposal site. Tenant shall supply copies of such records to the City promptly upon City's request. The name of the City of Los Angeles, the Port of Los Angeles or the Harbor Department shall not appear on any manifest document as a generator of such material.

**104.9 Laboratory Testing.** In discharging its obligations under this Section 104, all analyses shall be conducted at a laboratory certified for such analyses by the Los Angeles Regional Water Quality Control Board or other similar laboratory of which the Harbor Department shall approve in writing. By signing this Agreement, Tenant hereby irrevocably directs any such laboratory to provide City, within thirty (30) days, upon written request from City, copies of all of its reports, test results, and data which are prepared in accordance with the requirements of this lease and/or regulatory agencies. Should Tenant fail to provide City with the requested information within thirty (30) days, City has the right to obtain such information directly from the laboratory. Tenant hereby irrevocably directs any such laboratory to provide City, upon written request from City, copies of all of its reports, test results, and data gathered. As used in this Subsection 104.9, "Tenant" includes agents, employees, contractors, subcontractors, and/or invitees of the Tenant.

**104.10 Survival of Obligations.** Except as otherwise provided in this Section 104, this Section 104 and the obligations herein shall survive the expiration or earlier termination of this Agreement.

#### **Section 105. Alteration of Premises by Tenant.**

**105.1 Alterations Require City Authorization.** Tenant acknowledges City's interest in controlling the manner in which physical changes are made to the Premises after the Effective Date and covenants that, other than maintenance and repair undertaken in compliance with Section 108, it shall make no improvements, alterations, additions, modifications, or changes to the Premises including but not limited to the construction of works or improvements or the changing of the grade of the Premises or which affect the structural integrity of the Improvements on the Premises or which substantially change the value or utility of the Improvements ("Alteration") without obtaining the Executive Director's prior written authorization to undertake such Alteration and no Alterations shall be made for the purpose of altering the Permitted Uses unless approved in advance in writing by the Harbor Department which approval shall be in the Harbor Department's sole and absolute discretion.

**105.2 Authorization Procedure.** When so required, Tenant shall obtain written authorization to undertake an Alteration according to the following procedure:

105.2.1 Application for Port Permits. If Tenant desires to undertake an Alteration, Tenant shall submit to the Harbor Department a complete Application for Port Permits ("APP") that attaches a complete set of drawings, plans, and specifications reflecting the proposed Alteration. Such drawings, plans and specifications shall be prepared and stamped by a licensed engineer registered in the State of California. Tenant bears sole responsibility for the completeness of such submittal.

105.2.2 Harbor Engineer's General Permit. The Harbor Engineer shall have the right to require changes to the drawings, plans and specifications Tenant submits in connection with such APP. If the Harbor Engineer orders such a change and Tenant

believes that such a change will have any detrimental effect on the structural integrity of the works, project or improvements, or increase any hazard to life or property, Tenant shall immediately notify the Harbor Engineer. If Tenant fails to provide such notification, the drawings, plans and specifications shall be treated for all purposes as if they had been originally prepared by Tenant, as changed. The Harbor Engineer's approval of Tenant's submittal, if any, shall be reflected by issuance of a Harbor Engineer's General Permit.

105.2.3 Non-Harbor Department Permits. Tenant acknowledges that, in addition to obtaining a Harbor Engineer's General Permit, Tenant additionally may be required to obtain permits and authorizations with respect to the proposed Alteration from City, federal and state bodies ("Non-Harbor Department Permits"), the issuance of which the Harbor Department does not control. In any event, obtaining the Harbor Engineer's General Permit and any Non-Harbor Department Permits necessary to undertake the proposed Alteration is and shall be the sole responsibility of Tenant. Every Alteration made by Tenant shall conform with Applicable Laws, as well as with the plans and specifications as approved by the Harbor Engineer.

105.2.4 Tenant's Obligation to Obtain All Permits. Tenant acknowledges that issuance of the Harbor Engineer's General Permit shall be conditioned upon Tenant's demonstration that it has obtained all Non-Harbor Department Permits with respect to the proposed Alteration as may be required by entities other than the Harbor Department.

105.2.5 Tenant's Obligation to Obtain All Environmental Clearances. Tenant acknowledges that the Alterations may require compliance with all Environmental Laws, including, but not limited to, compliance with CEQA. Tenant shall reimburse City for all expenses it incurs in conjunction with the review and preparation of any needed environmental clearance for the Alterations.

105.2.6 Payment of City Fees and Reimbursement of City Costs. Tenant acknowledges that City shall incur costs in processing Tenant's APP and agrees that such costs are the sole responsibility of Tenant. Tenant shall submit any fees established by the Harbor Department for processing APPs. Additionally, within fifteen (15) days of receiving an invoice by City, Tenant shall reimburse City for any extraordinary costs not covered by such fees, including without limitation, costs incurred in preparing and processing any environmental clearance for the Alteration.

105.2.7 City Inspection; Corrective Action. Tenant acknowledges that City may perform inspections of the Alteration to ensure that such Alteration conforms with the permits issued. Tenant shall undertake any corrective measures reasonably requested by City as a result of such inspections.

**105.3 Notice of Commencement and Completion of Work.** Tenant shall give advance written notice to the Harbor Engineer of the date it will commence any construction. Within

thirty (30) days of completion of construction, Tenant shall provide written notice to the Harbor Engineer of the date of such completion, copies of "as-built" plans for such construction, copies of all permits issued in connection with such construction and copies of all documentation issued in connection with such completed construction, including but not limited to inspection reports and certificates of occupancy.

**105.4 Cost of Permits.** Tenant, at its sole cost and expense, shall obtain all permits necessary for such construction.

**105.5 Cost of Construction.** All construction by Tenant pursuant to this Section 105 shall be at Tenant's sole cost and expense. Tenant shall keep the Premises and improvements constructed free and clear of liens for labor and materials and shall hold City harmless from any responsibility in respect thereto.

**105.6 Construction Contractors.** Tenant shall require by contract that its construction contractors and subcontractors comply with all Applicable Laws.

**105.7 Tenant's Cost for Governmental Agency Requirements.** Any modification, improvement, or addition to the Premises and any equipment installation required by the City Fire Department, City Department of Building and Safety, Air Quality Management District, California or Regional Water Quality Control Board, United States Coast Guard, Environmental Protection Agency, Department of Homeland Security or any other local, regional, state or federal agency in connection with Tenant's undertaking of the Permitted Uses shall be constructed or installed at Tenant's sole cost and expense.

#### **Section 106. Pipelines (For pipeline permits only).**

**106.1 Generally.** Tenant shall maintain on the Premises as-built drawings that identify the precise position of any pipelines, utilities or improvements of any type Tenant places on the Premises, whether placed above or below ground, if any. Upon twenty-four (24) hours' written notice by the Executive Director, Tenant shall undertake at its sole cost and expense whatever measures are reasonably necessary, including subsurface exploration for any pipeline or any other substructure under Tenant's control or servicing Tenant's operation within the Premises granted herein, to precisely locate the position of such items if City considers such as-built drawings insufficient to locate such items. Tenant agrees any work necessary to locate such items or any damage which may result from the location being incorrectly described, whether incurred by Tenant or City, shall be borne exclusively by Tenant. Exploration and preparation of all documentation recording the location of lines or structures shall be completed within the time specified in said notice. The subsurface exploration shall verify the vertical as well as horizontal location of all pipelines and substructures. Documentation reflecting the results of said exploration shall be filed with the Harbor Engineer.

**106.2 City's Rights.** If Tenant neglects, fails or refuses within the time specified in said notice to begin or fails to prosecute diligently to complete the work of locating any pipeline or

any other substructure under Tenant's control or servicing Tenant's operation within the Premises granted herein, the City shall have the right to enter onto the Premises and perform the work designated in the notice. All subsurface exploration required by the provisions contained herein whether performed by Tenant or City shall be performed at Tenant's expense. In addition, Tenant agrees to bear the cost of any and all damage of whatever nature caused by any act, omission, or negligence of City and any and all of its boards, officers, agents, consultants, and employees in the performance of said subsurface exploration as required by this provision. Work performed by City or City's contractors under this provision does not alter Tenant's obligation to maintain the Premises in a safe condition, both during and after completion of the work.

**106.3 Rules Governing Pipelines.** After installation, and in any event for the duration of this Agreement, Tenant shall comply with pipeline testing and inspection requirements, as well as the laws and regulations under CFR Title 49, Subtitle B, Chapter 1 Subchapter D, the Pipeline Safety Act, the California Public Utilities Code, the California Public Utilities Commission regulations for pipelines, the California State Lands Commission Marine Facilities Division ("CSLC/MFD"), the State of California Bureau of Conservation/Division of Oil, Gas, and Geothermal Resources ("DOGGR"), and any other federal, state, or local agency not mentioned above, and as required by the California State Fire Marshall ("CSFM") under the Pipeline Safety Act. The City reserves the right to request tests for facilities not under the direct authority of the CSFM, the CSLC/MFD, the DOGGR, the California Public Utilities Commission, and the Federal Office of Pipeline Safety ("FOPS").

106.3.1 Pipeline Tests or Inspections. Tenant shall comply with the following:

(a) Within thirty (30) days from the Effective Date of this Agreement, and at least annually thereafter, Tenant shall provide the Director of Real Estate of the Harbor Department and the Director of Environmental Management of the Harbor Department with a master schedule showing dates for pipeline testing and inspection(s) in accordance with the requirements referenced in Subsection 106.3. The master schedule shall include an itemized list with corresponding line item reference numbers for each pipeline covered under this Agreement, corresponding required test(s) or inspection(s), date(s) of test(s) or inspection(s), method(s) of test(s) or inspection(s), applicable agency, the frequency of required test(s) or inspection(s), and the California State Fire Marshall Line Number and the California State Fire Marshall Test ID Number, if applicable. If Tenant's existing pipelines are modified, or new pipelines are added to Tenant's Premises, Tenant shall follow the authorization procedure described in Subsection 106.3, and provide an updated master schedule with any addition or subtraction of pipelines. The requirements of this Subsection 106.3.1 shall cover testing or inspection requirements of all agencies mentioned in Subsection 106.3, as well as any other additional required test(s) or inspection(s).

(b) If Tenant's pipeline test(s) or inspection(s) are approved by the applicable agency requiring or overseeing the test(s) or inspections(s), Tenant shall confirm in writing to the Harbor Department approval of the test(s) or inspections(s) and/or submit documentation including master schedule reference number for pipeline(s) being reported on, date(s) of test(s) or inspection(s), method(s) of test(s) or inspection(s) and a general non-technical summary of results.

(c) Tenant shall submit a summary of its certified test or inspection approval results to the Director of Environmental Management of the Harbor Department within thirty (30) days after they have been approved by the agencies which required the pipeline testing or inspection(s), and the records of such test(s) shall be retained by Tenant for as long as is required by Applicable Law, but in any event not less than three (3) years. Records of all tests will be made available for inspection by the Executive Director.

(d) If Tenant's pipeline test(s) or inspection(s) are disapproved, and/or there are irregularities with Tenant's pipeline test(s) or inspection(s), indicating a leak or other operational deficiency, Tenant shall notify the Director of Environmental Management of the Harbor Department within three (3) days of disapproval and/or receipt of test(s) or inspection(s) results with a non-technical summary of the results including the circumstances that resulted in the disapproval or test(s)/inspection(s) irregularities as well as all test documentation produced and a description and schedule for implementation of corrective action as directed by the applicable agency requiring or overseeing the test(s) or inspection(s).

**106.4 Relocation of Pipelines; Harbor Department Right to Relocate.** At any time during the term of this Agreement, the Board shall have the right to make any change in the route or location of any pipeline constructed or maintained on the Premises by Tenant pursuant to the authority of this Agreement as may be required or made necessary for the progress of harbor development or the performance of any work or improvement within the jurisdiction of the Board. If the Board shall determine that any such change or relocation is necessary, the Board shall give at least ninety (90) days' written notice to Tenant and the work of removal and relocation shall be completed within such time after said written notice as shall be fixed in said notice. The cost of any such removal and relocation shall be borne by Tenant. If Tenant neglects, fails or refuses within the time specified in said notice to begin or fails to prosecute diligently to complete the work of relocating the pipelines, the Harbor Department shall provide written notice to Tenant which shall specify such neglect, failure or refusal. Upon delivery of the notice specifying Tenant's neglect, failure or refusal, Tenant shall have such time as is reasonably necessary to cure such neglect, failure or refusal so long as Tenant commences the cure within a thirty (30) day period and thereafter diligently prosecutes such cure to completion. If Tenant fails to cure in a timely and diligent manner, City shall have the right to enter the Premises and relocate the pipelines. Tenant shall be solely responsible for City Costs associated with the right

set forth in this Subsection 106.4 and shall pay City, as Additional Rent, within thirty (30) days of receiving an invoice for payment from City. Tenant hereby waives the provisions of the Water Resources Development Act of 1980, and as amended, pertaining to cost allocation for pipeline relocation.

#### **Section 107. Utilities.**

**107.1 Generally.** Tenant shall maintain on the Premises as-built drawings that identify the precise location of any pipelines, utilities or similar improvements of any type, that Tenant places on the Premises, or which were placed on the Premises by others and accepted by Tenant for use of the Premises, whether placed above or below ground, (which for the purposes of this Section 107, are collectively referred to as “utilities”). Upon twenty-four (24) hours’ written notice by the Harbor Department, Tenant shall undertake at its sole cost and expense whatever measures are reasonably necessary, including subsurface exploration for any utilities or any other substructure placed on the Premises by Tenant, or placed by others and accepted by Tenant for use of the Premises, to precisely locate the position of such items if the Harbor Department considers the as-built drawings as insufficient to locate such items. Tenant agrees any work necessary to locate such items or any damage which may result from the location being incorrectly described, whether incurred by Tenant or the Harbor Department, shall be borne exclusively by Tenant. Exploration and preparation of all documentation recording the location of lines or structures shall be completed within the time specified in said notice, which time shall be commercially reasonable. The subsurface exploration shall verify the vertical as well as the horizontal location of all utilities and substructures. Documentation reflecting the results of said exploration shall be filed with the Chief Harbor Engineer.

**107.2 Harbor Department Right to Locate.** If Tenant neglects, fails or refuses within the time specified in said notice to begin or fails to prosecute diligently to complete the work of locating any utilities or any other substructure placed on the Premise by Tenant, or placed by others and accepted by Tenant for use of the Premises, the Harbor Department shall provide written notice to Tenant which shall specify such neglect, failure or refusal. Upon delivery of the notice specifying Tenant’s neglect, failure or refusal, Tenant shall have such time as is reasonably necessary to cure such neglect, failure or refusal so long as Tenant commences the cure within a thirty (30) day period and thereafter diligently prosecutes such cure to completion. If Tenant fails to cure in a timely and diligent manner, City shall have the right to enter the Premises to identify the precise location of any utilities or improvements of any type that Tenant has placed on the Premises, or that were placed by others and accepted by Tenant for use of the Premises, whether placed above or below ground. Tenant shall be solely responsible for City Costs associated with the right set forth in this Subsection 107.2 and shall pay City, as Additional Rent, within thirty (30) days of receiving an invoice for payment from City.

**107.3 Relocation of Utilities; Harbor Department Right to Relocate.** At any time during the term of this Agreement, the Executive Director shall have the right to make any change in the route or location of any utility constructed or maintained on the Premises by Tenant pursuant to the authority of this Agreement as may be required or made necessary for the progress of harbor

development or the performance of any work or improvement within the jurisdiction of the Board. If the Executive Director determines that any such change or relocation is necessary, the Executive Director shall give at least ninety (90) days written notice to Tenant and the work of removal and relocation shall be completed within such time after said written notice as shall be fixed in said notice. The cost of any such removal and relocation shall be borne by Tenant. If Tenant neglects, fails or refuses within the time specified in said notice to begin or fails to prosecute diligently to completion the work of relocating the pipelines, the Harbor Department shall provide written notice to Tenant which shall specify such neglect, failure or refusal. Upon delivery of the notice specifying Tenant's neglect, failure or refusal, Tenant shall have such time as is reasonably necessary to cure such neglect, failure or refusal so long as Tenant commences the cure within a thirty (30) day period and thereafter diligently prosecutes such cure to completion. If Tenant fails to cure in a timely and diligent manner, City shall have the right to enter the Premises and relocate the utility. Tenant shall be solely responsible for City Costs associated with the right set forth in this Subsection 107.3 and shall pay City, as Additional Rent, within thirty (30) days of receiving an invoice for payment from City.

**107.4 Rules Governing Utilities.** After installation, and in any event for the duration of this Agreement, Tenant shall comply with the Applicable Laws regarding utilities testing and inspection requirements.

#### **Section 108. Maintenance and Repair.**

**108.1 Generally.** Except for those items identified in Exhibit "J" attached hereto (which Exhibit "J" may be amended by the Executive Director, in the Executive Director's sole reasonable discretion), and as set forth in Subsection 108.6 (City Maintenance Obligations) at all times, Tenant, at its sole cost and expense, shall keep and maintain the Premises, and all buildings, works and improvements of any kind thereon, including without limitation the paving, the improvements existing on the Premises as of the Effective Date, and City's Improvements as depicted on Exhibit "B", in good and substantial repair and condition, whether or not the need for such repairs occurs as a result of Tenant's use, any prior use, the elements, or the age of such portion of the Premises or improvements thereon, and shall be responsible for and perform all necessary inspection, maintenance and repair thereof, including preventive maintenance, using materials and workmanship of similar quality to the original improvements, or updated to current standards for such improvements. Tenant shall obtain any permits, including but not limited to those issued by City, necessary for such maintenance and repair. City shall reimburse Tenant for any repairs made necessary by use of the Premises by a temporary user pursuant to Subsection 102.6 (Temporary Assignments).

**108.2 Failure to Maintain.** If Tenant fails to make any repairs or to perform required maintenance within thirty (30) days after receipt of notice from City to do so, City may, but shall not be obligated to, make such repairs or perform such maintenance. Tenant shall reimburse City for City's Costs (as defined in Subsection 108.3, below, which costs shall be deemed Additional Rent) within thirty (30) days after receipt of City's invoice for work performed. In the event Tenant shall commence such repairs and diligently prosecute the same to completion or

shall begin to perform the required maintenance within the thirty (30) day period, City shall refrain from commencing or prosecuting further any repairs or performing any required maintenance until the work has been completed by Tenant. Tenant shall thereafter pay on demand City's costs incurred pursuant to this Subsection 108.2 prior to Tenant's commencement of repair or maintenance. The making of any repairs or the performance of maintenance by City, which is the responsibility of Tenant, shall in no event be construed as a waiver of the duty or obligation of Tenant to make future repairs or perform required maintenance as herein provided.

**108.3 City's Costs.** "City's costs" for purposes of this Section 108 shall include, in City's sole reasonable discretion, the cost of maintenance or repair or replacement of property neglected, damaged or destroyed, including direct and allocated costs for labor, materials, services, equipment usage, and other indirect or overhead expenses arising from or related to maintenance, repair or replacement work performed by or on behalf of City.

**108.4 Litter and Debris.** Tenant, at its sole cost and expense, shall provide sufficient dumpsters or other like containers for trash collection and disposal and keep the Premises free and clear of rubbish, debris, litter and graffiti at all times. Tenant shall perform periodic inspections and cleaning of the storm water catch basins (including filters), maintenance holes, and drains, and, to the extent applicable to this Agreement, maintaining the submerged land underlying the water berthing area at the Premises free and clear of debris from the wharf and from vessels, and cargo loading and unloading operations of vessels berthed at said berths in connection with Tenant's undertaking of the Permitted Uses. Tenant, at its sole cost and expense, further shall keep and maintain the Premises in a safe, clean and sanitary condition in accordance with all Applicable Laws.

**108.5 Fire Protection Systems.** All fire protection sprinkler systems, standpipe systems, fire hoses, fire alarm systems, portable fire extinguishers and other fire-protective or extinguishing systems, with the exception of hydrant systems, which have been or may be installed on the Premises shall be maintained and repaired by Tenant, at its cost, in an operative condition at all times.

**108.6 City Maintenance Obligations.** In addition to the improvements listed in Exhibit "J", City shall be responsible for the maintenance and repair of all fire hydrant systems on City Improvements. To the extent that the Harbor Department maintains any utilities utilized by Tenant, the Harbor Department shall assess a maintenance fee to cover the cost of such maintenance which assessment shall be Additional Rent.

## **Section 109. Default and Termination.**

### **109.1 Tenant's Default.**

109.1.1 Event of Default. The occurrence of any of the following shall constitute a material breach and default by Tenant under this Agreement:

(a) Tenant's failure to pay when due any Rent required to be paid under this Agreement if the failure continues for three (3) business days after written notice of the failure from City to Tenant;

(b) Tenant's failure to comply with any term, provision or covenant of this Agreement other than paying Rent, and does not commence to cure such failure within thirty (30) days after delivery of written notice of the failure from City to Tenant or does not cure the failure within ninety (90) days after delivery of such notice. An extension may be granted by the Executive Director to cure such failure, as Tenant commences to cure within thirty (30) days of delivery of the notice and diligently proceeds to cure such default to completion.

(c) Tenant's abandonment of the Premises, including but not limited to (i) Tenant's absence from or failure to use the Premises or any substantial portion thereof for three (3) consecutive days (excluding Saturdays, Sundays, and California legal holidays) while in default of any provision of this Agreement; or (ii) if not in default, Tenant's absence from or failure to use the Premises or any substantial portion thereof for a period of thirty (30) consecutive days unless Tenant, prior to the expiration of any such period of thirty (30) consecutive days, notified the Executive Director in writing that such nonuse is temporary and obtains the written consent of the Executive Director to such nonuse;

(d) To the extent permitted by law:

(1) A general assignment by Tenant or any guarantor of the Agreement for the benefit of the creditors without written consent of City;

(2) The filing by or against Tenant, or any guarantor, of any proceeding under an insolvency or bankruptcy law, unless (in the case of an involuntary proceeding) the proceeding is dismissed within sixty (60) days;

(3) The appointment of a trustee or receiver to take possession of all or substantially all the assets of Tenant or any guarantor, unless possession is unconditionally restored to Tenant or that guarantor within thirty (30) days and the trusteeship or receivership is dissolved; and/or

(4) Any execution or other judicially authorized seizure of all or substantially all the assets of Tenant located on the Premises, or of Tenant's interest in this Agreement, unless that seizure is discharged within thirty (30) days;

(e) The undertaking of a use other than a Permitted Use on the Premises if Tenant fails to discontinue such use within three (3) calendar days after delivery

of written notice from City to Tenant demanding that Tenant cease and desist such unpermitted use.

109.1.2 City's Remedies on Tenant's Default. On the occurrence of a default by Tenant, City shall have the right to pursue any one or more of the following remedies in addition to any other remedies now or later available to City at law or in equity. These remedies are not exclusive but are instead cumulative. Any monetary sums that result from application of this Subsection 109.1.2 shall be deemed Additional Rent.

109.1.2.1 Termination of Agreement. City may terminate this Agreement and recover possession of the Premises. Once City has terminated this Agreement, Tenant shall immediately surrender the Premises to City. On termination of this Agreement, pursuant to Civil Code Section 1951.2 or its successor, City may recover from Tenant all of the following:

(a) The worth at the time of the award of any unpaid Rent that had been earned at the time of the termination, to be computed by allowing interest at the rate set forth in Item 270 of the Tariff but in no case greater than the maximum amount of interest permitted by law;

(b) The worth at the time of the award of the amount by which the unpaid Rent that would have been earned between the time of the termination and the time of the award exceeds the amount of unpaid Rent that Tenant proves could reasonably have been avoided, to be computed by allowing interest at the rate set forth in Item 270 of the Tariff but in no case greater than the maximum amount of interest permitted by law;

(c) The worth at the time of the award of the amount by which the unpaid Rent for the balance of the term of the Agreement after the time of the award exceeds the amount of unpaid Rent that Tenant proves could reasonably have been avoided, to be computed by discounting that amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of the award plus one percent (1%);

(d) Any other amount necessary to compensate City for all the detriment proximately caused by Tenant's failure to perform obligations under this Agreement, including, without limitation, restoration expenses, expenses of improving the Premises for a new tenant (whether for the same or a different use), brokerage commissions, and any special concessions made to obtain a new tenant;

(e) Any other amounts, in addition to or in lieu of those listed above, that may be permitted by Applicable Law; and

(f) To the extent that Tenant fails to surrender the Premises after Termination, Tenant agrees that the damages to City for such holdover shall be one hundred fifty percent (150%) of the Rent payable for the last month prior to the Termination of this Agreement or one hundred fifty percent (150%) of the fair market rental at the time of the Termination, whichever is greater.

109.1.2.2 Continuation of Agreement in Effect. City shall have the remedy described in Civil Code Section 1951.4, which provides that, when a tenant has the right to sublet or assign (subject only to reasonable limitations), the City may continue the Agreement in effect after the tenant's breach and abandonment and recover Rent as it becomes due. Accordingly, if City does not elect to terminate this Agreement on account of any default by Tenant, City may enforce all of City's rights and remedies under this Agreement, including the right to recover all Rent as it becomes due.

109.1.2.3 Tenant's Subleases. Whether or not City elects to terminate this Agreement on account of any default by Tenant, City may:

(a) Terminate any sublease, license, concession, or other consensual arrangement for possession entered into by Tenant and affecting the Premises; or

(b) Choose to succeed to Tenant's interest in such an arrangement. If City elects to succeed to Tenant's interest in such an arrangement, Tenant shall, as of the date of notice by City of that election, have no further right to, or interest in, the Rent or other consideration receivable under that arrangement.

109.1.3 Form of Payment After Default. If Tenant fails to pay any amount due under this Agreement within ten (10) days after the due date or if Tenant draws a check on an account with insufficient funds, City shall have the right to require that any subsequent amounts paid by Tenant to City under this Agreement (to cure a default or otherwise) be paid in the form of cash, money order, cashier's or certified check drawn on an institution acceptable to City, or other form approved by City despite any prior practice of accepting payments in a different form.

109.1.4 Acceptance of Rent Without Waiving Rights. City may accept Tenant's payments without waiving any rights under this Agreement, including rights under a previously served notice of default. If City accepts payments after serving a notice of default, City may nevertheless commence and pursue an action to enforce rights and remedies under the previously served notice of default, including any rights City may have to recover possession of the property.

109.1.5 Cross Default. A material breach of the terms of any other permit, license, lease or other contract held by Tenant and City shall constitute a material breach of the terms of this Agreement and shall give City the right to terminate this Agreement for cause in accordance with the procedures set forth in this Section 109.

## **109.2 City's Defaults.**

109.2.1 Event of Default. City's failure to perform any of its obligations under this Agreement, if City fails to commence to cure the failure within sixty (60) days after delivery of written notice of the failure from Tenant to City, or if the failure continues for ninety (90) days after delivery of such notice, unless the failure is such that it cannot be cured in ninety (90) days, in which case if City fails to diligently cure within a reasonable amount of time, shall constitute a default.

109.2.2 Tenant's Remedy on City Default. Tenant's sole remedy for a City default shall be to seek specific performance in a court of competent jurisdiction.

**109.3 Replacement of Statutory Notice Requirements.** When this Agreement requires service of a notice, that notice shall replace rather than supplement any equivalent or similar statutory notice, including any notices required by Code of Civil Procedure Section 1161 or any similar or successor statute. When a statute requires service of a notice in a particular manner, service of that notice (or a similar notice required by this Agreement) in the manner required by Section 6 (Notices) shall replace and satisfy the statutory service-of-notice procedures, including those required by Code of Civil Procedure Section 1162 or any similar or successor statute. Notwithstanding the foregoing, nothing herein contained shall preclude or render inoperative service of notice in the manner provided by law.

## **Section 110. Force Majeure.**

Except as otherwise provided in this Agreement, whenever a day is established in this Agreement on which, or a period of time, including a reasonable period of time, is designated within which, either Party is required to do or complete any act, matter or thing, the time for the doing or completion thereof shall be extended by a period of time equal to the number of days on or during which such Party is prevented from, or is unreasonably interfered with, the doing or completion of such act, matter or thing because of acts of God, the public enemy or public riots; failures due to nonperformance or delay of performance by suppliers or contractors; any order, directive or other interference by municipal, state, federal or other governmental official or agency (other than City's failure or refusal to issue permits for the construction, use or occupancy of City's Improvements or the Premises); any catastrophe resulting from the elements, flood, fire, explosion; or any other cause reasonably beyond the control of a Party, but excluding strikes or other labor disputes, lockouts or work stoppages ("Force Majeure"); provided, however, that this Section 110 shall not apply to (1) the time for payment of Rent or any other monetary obligation, (2) the Completion Deadline, if any (3) the insurance provisions set forth in this Agreement, or (4) to extend the term of the Agreement beyond fifty (50) years. In the event of the happening

of any of such contingencies events, the Party delayed by Force Majeure shall immediately give the other Party written notice of such contingency, specifying the cause for delay or failure, and such notice from the Party delayed shall be prima facie evidence that the delay resulting from the causes specified in the notice is excusable. The Party delayed by Force Majeure shall use reasonable diligence to remove the cause of delay, and if and when the event which delayed or prevented the performance of a Party shall cease or be removed, the Party delayed shall notify the other Party immediately, and the delayed Party shall recommence its performance of the terms, covenants and conditions of this Agreement.

## **Section 111. Indemnity and Insurance.**

### **111.1 Indemnity.**

111.1.1 Generally. Tenant shall at all times relieve, indemnify, protect and save harmless City and any and all of its boards, officers, agents and employees from any and all claims and demands, actions, proceedings, losses, liens, costs and judgments of any kind and nature whatsoever, including cost of litigation (including all actual litigation costs incurred by the City, including but not limited to, costs of experts and consultants), for death of or injury to persons, or damage to property, including property owned by or under the care and custody of City, and for civil fines and penalties that may arise from or be caused directly or indirectly by:

(a) Any dangerous, hazardous, unsafe or defective condition of, in or on the Premises, of any nature whatsoever, which may exist by reason of any act, omission, neglect, or any use or occupation of the Premises by Tenant, its officers, agents, employees, sublessees, licensees or invitees;

(b) Any operation conducted upon or any use or occupation of the Premises by Tenant, its officers, agents, employees, sublessees, licensees or invitees under or pursuant to the provisions of this Agreement or otherwise;

(c) Any act, error, omission, willful misconduct or negligence of Tenant, its officers, agents, employees, sublessees, licensees or invitees, arising from the use, operation or occupancy of the Premises, regardless of whether any act, omission or negligence of City, its officers, agents or employees contributed thereto;

(d) Any failure of Tenant, its officers, agents or employees to comply with any of the terms or conditions of this Agreement or any applicable federal, state, regional, or municipal law, ordinance, rule or regulation; or

(e) The conditions, operations, uses, occupations, acts, omissions or negligence referred to in subsections (a) through (d) above, existing or conducted

upon or arising from the use or occupation by Tenant or its invitees on any other premises within the "Harbor District," as defined in City's Charter.

This Subsection 111.1.1 shall not be construed to make Tenant responsible for loss, damage, liability or expense to third-parties to the extent caused solely by the negligence or willful misconduct of City.

**111.1.2 Term Contamination Losses.** Tenant shall also indemnify, defend and hold City harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses (including, without limitation, diminution of the value of the Premises, damages for loss or restriction on use of rentable or useable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space, and sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees) which arise during or after the Agreement term as a result of Term Contamination for which Tenant is otherwise responsible for under the terms of this Agreement. This indemnification of City by Tenant includes, without limitation, costs incurred in connection with any investigation of site conditions or any clean up, remedial, removal or restoration work required by any federal, state or local governmental agency because of Term Contamination present in the soil or groundwater on or under the Premises.

**111.1.3 Survival of Obligations.** The indemnity obligations in this Section 111 shall survive the expiration or earlier termination of this Agreement and shall apply regardless of the active or passive negligence of City and regardless of whether liability without fault or strict liability is imposed or sought to be imposed on City.

**111.2 Insurance.** In addition to, and not as a substitute for, or limitation of, any of the indemnity obligations imposed by this Agreement, Tenant shall procure and maintain at its expense and keep in force at all times during the term of this Agreement the types and amounts of insurance specified on Insurance, Exhibit "K", attached hereto and incorporated by reference herein. The specified insurance shall also, either by provisions in the policies, by City's endorsement form or by other endorsement attached to such policies, include and insure City, its Harbor Department, its Board and all of City's officers, employees, and agents, their successors and assigns, as additional insureds, against the areas of risk described in Exhibit "K" and below, with respect to Tenant's acts or omissions in its operation, use and occupancy of the Premises or other related functions performed by or on behalf of Tenant in, on or about the Harbor District. The types of insurance which are required must meet the following conditions during the term of this Agreement and any holdover periods:

**111.2.1 Commercial General Liability.** Commercial general liability insurance, including contractual liability and property damage insurance written by an insurance company authorized to do business in the State of California, or approved by the California Department of Insurance as a surplus lines insurer eligible to do business in California, rated VII, A- or better in Best's Insurance Guide (or an alternate guide acceptable to City if a Best's Rating is not available) with Tenant's normal limits of liability,

but not less than set forth in Exhibit "K" for each accident or occurrence. Where Tenant operates watercraft, liability coverage for such craft must be provided as follows:

(1) Hull and machinery coverage for the value of each vessel which will call at the Premises during the term of this Agreement, if any; and

(2) Protection and indemnity coverage with combined single limits as set forth in Exhibit "K" per occurrence for bodily injury, illness, death, loss of or damage to the property of another, Jones Act risks or equivalent thereto internationally, and pollution liability to which it is agreed that the additional insured provisions as required and described below must be included. Pollution liability shall include coverage for bodily injury, including death and mental anguish, property damage, defense costs and cleanup costs. Such coverage shall contain a defense of suits provision and a severability of interest clause.

The submitted policy shall, in addition, provide the following coverage either in the original policy or by endorsement substantially as follows:

"Notwithstanding any inconsistent statement in the policy to which this endorsement is attached, or any endorsement or certificate now or hereafter attached hereto, it is agreed that City, Board, their officers, agents and employees, are additional insureds hereunder, and that coverage is provided for all operations, uses, occupations, acts and activities of the insured under Permit No. 943, and under any amendments, modifications, extensions or renewals of said Permit regardless of whether such operations, uses, occupations, acts and activities occur on the Premises or elsewhere within the Harbor District.

"The coverage provided by the policy to which this endorsement is attached is primary coverage and any other insurance carried by City is excess coverage;

"In the event of one of the named insureds incurring liability to any other of the named insureds, this policy shall provide protection for each named insured against whom claim is or may be made, including claims by other named insureds, in the same manner as if separate policies had been issued to each named insured. Nothing contained herein shall operate to increase the company's limit of liability; and

"Notice of occurrences or claims under the policy shall be made to the Risk Manager of City's Harbor Department with copies to the City Attorney's Office."

111.2.2 Fire Legal Liability. In addition to and concurrently with the aforesaid insurance coverage, Tenant shall also secure and maintain, either by an endorsement

thereto or by a separate policy, fire legal liability insurance in the amounts set forth in Exhibit "K" , covering legal liability of Tenant for damage or destruction to the works, buildings and improvements owned by City provided that said minimum limits of liability shall be subject to adjustments by the Executive Director to conform with the deductible amount of the fire insurance policy maintained by the Board, with waiver of subrogation in favor of Tenant so long as permitted by the Board's fire insurance policy.

111.2.3 Automobile Liability. Where Tenant utilizes any vehicles, Tenant shall procure and maintain automobile insurance with limits of liability not less than set forth in Exhibit "K" covering injuries or death resulting from each accident or claim arising out of any one claim or accident. This insurance shall cover all owned, non-owned, and/or hired automobiles.

111.2.4 All Risk Insurance. Fire and extended coverage insurance covering a percentage of the replacement value, as set forth in Exhibit "K", of the works, buildings and improvements erected or owned by Tenant on the Premises, with such provision in the policies issued to cover the same, or in riders attached thereto, as will provide for all losses the amount stated in Exhibit "K" to be payable to Board to be held in trust for reconstruction. In the event of loss or damage by fire to any of such buildings or improvements, Tenant shall undertake replacement or reconditioning of such items within ninety (90) days following any such loss. In the event Tenant shall undertake such replacement or reconditioning within said period of ninety (90) days, such proceeds shall be released by Board to Tenant as payments are required for said purpose. Upon the completion of such replacement or reconditioning to the satisfaction of the Executive Director, any balance thereof remaining shall be paid to said Tenant forthwith. In the event Tenant fails to undertake such replacement or reconditioning within said period of ninety (90) days, such proceeds shall be retained by City.

111.2.5 Environmental Impairment Liability Insurance. Should Tenant's operations involve the storage or use of any type of hazardous materials or pollutants, the Tenant shall be required to maintain environmental impairment liability insurance which shall include coverage for bodily injury, property damage, including third-party claims for on-site and off-site bodily injury and property damage, clean-up and defense, with a limit of at least the amount set forth in Exhibit "K" per occurrence, which is to remain in effect at least five (5) years after the termination of the Agreement.

111.2.6 Railroad Protective Liability. Where Tenant's operations involve work within fifty (50) feet of railroad tracks, Tenant shall procure and maintain railroad protective liability insurance in which Pacific Harbor Line (PHL), acting for itself, is named the insured with Tenant. The minimum limits of railroad protective liability insurance shall be the limits normally carried by Tenant by not less than set forth in Exhibit "K" combined single limit for property damage and bodily injury including death. If the submitted policies contain aggregate limits, Tenant shall provide evidence of insurance protection for such limits so that the required coverage is not diminished in the event that the

aggregate limits become exhausted. Tenant shall also provide comprehensive general liability coverage with additional insured requirements as previously indicated, however, the railroad exclusion shall be deleted.

111.2.7 Workers' Compensation. Tenant shall secure the payment of compensation to employees injured while performing work or labor necessary for and incidental to performance under this Agreement in accordance with Section 3700 of the Labor Code of the State of California. Tenant shall file with the City one of the following: 1) a certificate of consent to self-insure issued by the Director of Industrial Relations, State of California; 2) a certificate of Workers' Compensation insurance issued by an admitted carrier; or 3) an exact copy or duplicate thereof of the policy certified by the Director or the insurer. Such documents shall be filed prior to delivery of Premises. Where Tenant has employees who are covered by the United States Longshore and Harbor Workers' Compensation Act, Tenant shall furnish proof of such coverage to the City. It is suggested that Tenant consult an insurance professional of its choosing to determine whether its proposed operation methods will render its employees subject to coverage under such Act. All Workers' Compensation insurance submitted to City shall include an endorsement providing that any carrier paying benefits agrees to waive any right of subrogation it may have against City.

111.2.8 Insurance Features. Such insurance procured by Tenant shall include the following features:

111.2.8.1 Notice of Cancellation. For each insurance policy described above, Tenant shall give to the Board of Harbor Commissioners a ten (10) days' prior written notice of cancellation or reduction in coverage for nonpayment of premium, and a thirty (30) days' written notice of cancellation or reduction in coverage for any other reason, by written notice via registered mail and addressed to the City of Los Angeles Harbor Department, Attn: Risk Manager and the City Attorney's Office, 425 S. Palos Verdes Street, San Pedro, California 90731.

111.2.8.2 Acceptable Evidence and Approval of Insurance. Electronic submission is the required method of submitting Tenant's insurance documents. Tenant's insurance broker or agent shall obtain access to KwikComply at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on Tenant's behalf.

111.2.8.3 Renewal of Policies. Prior to the expiration of each policy, Tenant shall show through submitting to KwikComply that the policy has been renewed or extended or, if new insurance has been obtained, submit the appropriate proof of insurance to KwikComply. If Tenant neglects or fails to secure or maintain the required insurance, or if Tenant fails to submit proof of insurance as required above, the City's Harbor Department may, at its option and at the expense of Tenant, obtain such insurance for Tenant.

111.2.8.4 Certified Copies of Policies. Immediately upon procuring any and all policies of insurance required herein, Tenant must request from Tenant's insurance carrier(s) full certified copies of such policies of insurance. Tenant shall thereafter provide such full certified copies of such policies to City within thirty (30) days of Tenant's receipt of such policies from Tenant's insurance carrier(s). Tenant's obligation to provide such copies shall survive the Expiration Date regardless of whether Tenant receives such policies prior to or after the Expiration Date. Tenant shall further provide written notice to City of any change of terms of any policies of insurance required herein within thirty (30) days of any such change.

111.2.8.5 Modification of Coverage. The Executive Director, or designee, at the Executive Director's discretion, may require that Tenant increase or decrease amounts and types of insurance coverage required hereunder at any time during the term hereof by giving ninety (90) days' prior written notice to Tenant. The modification of coverage shall occur no less than every five (5) years of the term to insure that the coverage amounts are consistent with industry standards at the time of the modification for the Permitted Uses of the Premises.

111.2.8.6 Accident Reports. Tenant shall report in writing to Executive Director within fifteen (15) days after it, its officers or managing agents have knowledge of any accident or occurrence involving death of or injury to any person or persons, or damage in excess of Fifty Thousand Dollars (\$50,000) to property, occurring upon the Premises, or elsewhere within the Harbor District, if Tenant's officers, agents or employees are involved in such an accident or occurrence while undertaking the Permitted Uses. Such report shall contain to the extent available: (1) the name and address of the persons involved; (2) a general statement as to the nature and extent of injury or damage; (3) the date and hour of occurrence; (4) the names and addresses of known witnesses; and (5) such other information as may be known to Tenant, its officers or managing agents.

111.2.9 Right to Self-Insure. The required coverage above shall provide first dollar coverage except that the Executive Director may permit a self-insured retention or self-insurance in those cases where, in the Executive Director's judgment, such retention or self-insurance is justified by the net worth of Tenant. The retention or self-insurance shall provide that any other insurance maintained by the Department shall be excess of Tenant's insurance and shall not contribute to it. In all cases, regardless of any deductible, retention, or self-insurance, Tenant shall have the obligations of an "insurer" under the California Insurance Code and said insurance shall be deemed to include a defense of suits provision and a severability of interest clause. Upon written approval by the Executive Director, Tenant may self-insure if the following conditions are met:

(a) Tenant has a formal self-insurance program in place prior to execution of this Agreement. If a corporation, Tenant must have a formal resolution of its board of directors authorizing self-insurance;

(b) Tenant agrees to protect the City, its boards, officers, agents and employees at the same level as would be provided by full insurance with respect to types of coverage and minimum limits of liability required by this Agreement;

(c) Tenant agrees to defend the City, its boards, officers, agents and employees in any lawsuit that would otherwise be defended by an insurance carrier;

(d) Tenant agrees that any insurance carried by Department is excess of Tenant's self-insurance and will not contribute to it;

(e) Tenant provides the name and address of its claims administrator;

(f) Tenant submits its most recently filed 10-Q and its 10-K or audited annual financial statements for the three most recent fiscal years prior to the Executive Director's consideration of approval of self-insurance and annually thereafter;

(g) Tenant agrees to inform Department in writing immediately of any change in its status or policy which would materially affect the protection afforded Department by this self-insurance; and

(h) Tenant has complied with all laws pertaining to self-insurance.

**111.3 Increased Insurance Risks.** Following the Effective Date, should an event occurring in or about the Premises cause either cancellation or increased rates with respect to any insurance that City may have on the Premises or on adjacent premises, or cause either cancellation or increased rates with respect to any other insurance coverage for the Premises or adjacent premises, upon receipt of written notice from City that cancellation of insurance or increased insurance rates is threatened or has occurred, Tenant immediately shall take appropriate steps to ensure that City is not adversely affected. In City's sole reasonable discretion, such steps may include Tenant: correcting the condition; providing any necessary insurance; paying the increased cost of City's insurance; and/or indemnifying City against any uninsured or underinsured loss on a claim.

## **Section 112. Damage and Destruction to Improvements.**

**112.1 Notice; No Rent Abatement.** Tenant shall promptly give City notice of any material damage or destruction of any or all of the improvements on the Premises ("Casualty") generally describing the nature and extent thereof. There shall be no abatement or reduction of

Rent on account of any Minor Casualty and all obligations of Tenant under this Agreement shall remain unchanged and in full force and effect. In the case of a Major Casualty, provided that the Major Casualty was not caused by the act or omission of Tenant or any of its employees, agents, licensees, subtenants, customers, clients or invitees, until the repair and restoration of the Premises is completed, Tenant shall be required to pay rent only for that part of the Premises that Tenant is able to use while repairs are being made, based on the ratio that the amount of usable rentable area bears to the total rental area in the Premises.

**112.2 Minor Casualty.** In the event of any Minor Casualty at any time during the Term, and regardless of whether such Minor Casualty is insured or uninsured, Tenant shall be obligated to repair, rebuild or restore the damaged improvements.

**112.3 Casualty Covered by Insurance.** If, during the Term of this Agreement, any buildings, structures, or improvements on the Premises are partially or totally destroyed from a risk covered by the insurance required under this Agreement, thereby rendering the Premises partially or totally inaccessible or unusable, Tenant must restore the Premises to substantially the same condition as they were immediately before destruction.

**112.4 Casualty Not Covered by Insurance.** If, during the Term of this Agreement, improvements on the Premises are partially or totally destroyed from a risk not covered by the fire and extended coverage insurance required under this Agreement thereby rendering said Premises partially or totally inaccessible or unusable, such destruction shall not automatically terminate this Agreement. If, however, the cost of restoration exceeds ten percent (10%) of the full replacement value of improvements, as said value existed immediately before said destruction, Tenant may, at Tenant's option, terminate this Agreement by giving written notice to City within sixty (60) days from the date of destruction. If Tenant elects to terminate as above provided, Tenant shall be obligated, unless otherwise directed by City, to demolish all damaged improvements and remove all debris from the Premises, and otherwise comply with the restoration and surrender obligations contained in Section 117 (Restoration and Surrender of Premises), at Tenant's sole cost. If Tenant fails to exercise its right to terminate this Agreement, this Agreement shall continue in full force and effect for the remainder of the term specified herein and Tenant shall restore the Premises to substantially the same condition as they were in immediately before the damage or destruction.

**112.5 Inapplicability of Civil Code Sections.** The provisions of California Civil Code Sections 1932(2) and 1933(4), and any successor statutes, are inapplicable with respect to any destruction of any part of the Premises; such sections provide that a lease terminates on the destruction of the Premises unless otherwise agreed between the Parties to the contrary.

**112.6 Damage to Wharf.** Notwithstanding the foregoing, whether or not there is insurance to cover such Casualty, Tenant shall be responsible, at its sole cost and expense, for all costs, direct or indirect, associated with repairing any damage to the wharf structure on the Premises, including, but not limited to, damage resulting from a collision between a vessel and the wharf while docking or undocking, unless such damage is due to the sole active negligence

of City or of a third-party on the Premises pursuant to Subsection 102.6 (Temporary Assignment), or by a secondary assignee to which the Premises are assigned. The Harbor Department shall have the option of either making the repairs or requiring Tenant to make the repairs. If the Harbor Department makes the repairs, Tenant agrees to reimburse the Harbor Department for the City's costs incurred in making the repairs. All damage shall be presumed to be the responsibility of Tenant and Tenant agrees to be responsible for such damage, unless Tenant can demonstrate to the satisfaction of the Executive Director that someone other than Tenant, its officers, agents, employees, customers, contractors, subtenants, licensees or other invitees caused the damage. The sufficiency of proof presented by Tenant to the Harbor Department shall be determined by the Executive Director in the Executive Director's sole judgment.

### **Section 113. Assignments, Transfers and Subleases.**

#### **113.1 Assignment, Transfer and Subletting; City's Consent Required.**

113.1.1 Generally. Tenant shall not, in any manner, transfer or assign this Agreement, or any portion thereof or any interest therein, ("Assignment") voluntarily or involuntarily without the prior written consent of the Board, nor sublet or sublease the whole or any part of the Premises, nor license or permit the use of the same, in whole or in part, without the prior written consent of the Executive Director (collectively referred to as a "Transfer").

113.1.2 Consent Required; Payment of City's Costs. No Transfer of this Agreement, or any interest therein or any right or privilege thereunder, regardless of whether accomplished by a separate agreement, sale of stock or assets, merger or consolidation or reorganization by, or of, Tenant (or any entity that directly or indirectly controls or owns fifty percent (50%) or more of Tenant), or accomplished in any other manner, whether voluntary or by operation of law, including but not limited to assignment, sublease, transfer, gift, hypothecation or grant of total or partial control, or any encumbrance of this Agreement, shall be valid or effective for any purpose unless (i) Tenant receives the prior written consent of City and (ii) Tenant satisfies the requirements in Subsection 113.3 (Procedure to Obtain Consent to Transfer). Consent to one Transfer shall not be deemed to be a consent to any subsequent Transfer. For purposes of this Subsection 113.1.2, the term "by operation of law" includes but is not limited to: (1) the placement of all or substantially all of Tenant's assets in the hands of a receiver or trustee; or (2) a transfer by Tenant for the benefit of creditors; or (3) transfers resulting from the death or incapacity of any individual who is a Tenant or of a general partner of a Tenant (except as provided in Subsection 113.2.2 (Partnerships)).

Tenant acknowledges and agrees that it shall be required to pay the City for all City Costs incurred to review all documents submitted in response to a request to Transfer.

113.1.3 Transfer of Assets. "Transfer" also shall include the involvement of Tenant or its assets in any transaction, or series of transactions (by way of merger, sale, acquisition, financing, transfer, leveraged buyout or otherwise) whether or not there is a formal assignment or hypothecation of this Agreement or Tenant's assets, which involvement results in a reduction of the net worth of Tenant (defined as the net worth of Tenant, excluding guarantors, established by generally accepted accounting principles) by an amount greater than twenty-five percent (25%) of such net worth as it was represented at the time of the execution of this Agreement, or at the time of the most recent Transfer to which City has consented, or as it exists immediately prior to said transaction or transactions constituting such reduction, whichever was or is greater.

## **113.2 Transfers of Ownership.**

113.2.1 Ownership or Control. The transfer of more than twenty-five percent (25%) of the economic interest in Tenant or any entity that directly or indirectly controls or owns fifty percent (50%) or more of Tenant in one or more transactions, regardless of whether Tenant is a publicly or privately held entity, shall constitute a Transfer within the meaning of this Section 113.

113.2.2 Partnerships. If Tenant is a partnership, any transfer or attempted transfer by any general partner of Tenant of more than twenty-five percent (25%) of its partnership interest in Tenant in one or more transactions shall be a prohibited Transfer within the meaning of this Section 113. Notwithstanding the foregoing, if any transfer of a general partner's interest is due to the death of a general partner and results in the transfer to the immediate members of the general partner's family, who will be immediately and personally involved in the operation of the partnership, the City shall not unreasonably withhold its consent to such transfer.

113.2.3 Guarantor. If a parent or other entity has guaranteed or otherwise secured any or all of Tenant's obligations under this Agreement and if the ownership, makeup or financial condition of such parent or other entity has, in the sole reasonable discretion of the Executive Director, materially changed at any point during the term of this Agreement, the right is reserved for City to require amendments of such guaranty, the provision of new security, or a combination thereof reasonably required by the Executive Director to maintain the level of security as provided by the original guaranty. Following the Effective Date, Tenant shall have a continuing obligation to notify City in writing of any and all events that do or might constitute a material change within the meaning of this Subsection 113.2.3.

113.2.4 Executive Director Authority to Modify. The Executive Director shall have the authority, but not the obligation, to unilaterally modify the foregoing conditions based on the facts of a particular case.

**113.3 Procedure to Obtain Consent to Transfer.** If Tenant desires to undertake a Transfer, it may seek City's consent thereto. Tenant covenants that before entering into or permitting any Transfer, it shall provide to City written notice at least ninety (90) days before the proposed effective date of the Transfer. Notwithstanding the foregoing, City reserves the right to allow Tenant, on a case-by-case basis, to submit to City for City's consent, Transfers that would have become effective but for Tenant's failure to seek City's prior written consent. In any event, Tenant's written request to City for consent shall hereinafter be referred to as "Transfer Notice."

113.3.1 Transfer Notice. Tenant's Transfer Notice shall contain each of the following:

(a) Specific identification of the entity or entities with whom Tenant proposes to undertake the Transfer ("Transferee");

(b) Specific and detailed description of the Transferee's entity type, ownership (including identification of all parent and subsidiary entities), background/history, nature of the Transferee's business, Transferee's character and reputation and experience in the operations proposed;

(c) Specific and detailed description of the type of Transfer proposed (e.g., assignment, sublease, grant of control, etc.) and the rights proposed to be transferred;

(d) Specific and detailed description of the operations proposed to be undertaken at the Premises by Tenant and Transferee if City consents to the Transfer which includes a breakdown of the responsibilities and duties of Tenant and Transferee;

(e) All of the terms of the proposed Transfer, including the total consideration payable by Transferee; the specific consideration (if any) payable by Transferee in connection with the Premises and/or uses under this Agreement if the proposed Transfer is part of an acquisition or purchase that involves assets outside this Agreement; the proposed use of the Premises; the effective date of the proposed Transfer; and a copy of all documentation concerning the proposed Transfer;

(f) The proposed form of a guaranty or guaranties providing greater or substantially the same protection to City as any guaranty in effect prior to or contemporaneous with the proposed Transfer;

(g) A business plan for the Transferee including specific estimates of revenue anticipated under each of the following categories: existing contracts, contracts under negotiation and other specified sources;

(h) A general description of any planned Alterations or improvements to the Premises;

(i) A description of the worth of the proposed Transferee including an audited financial statement;

(j) Any further information relevant to the proposed Transfer that City reasonably requests; and

(k) Written authorization in a form acceptable to City allowing City to inspect and review but not to copy, at times and locations reasonably selected by City, any books and records or other information of Tenant or Transferee (or third-parties acting for or on either of their behalves) reasonably determined by City to be necessary for its assessment of Tenant's request for consent.

113.3.2 Limitations on City's Consent. If City consents to a Transfer, the following limits apply:

(a) City does not agree to waive or modify the terms and conditions of this Agreement;

(b) Such consent does not constitute either consent to any further or other Transfer by either Tenant or Transferee or a bar disqualifying submittal of additional Transfer Notices in accordance with the terms of this Agreement following such consent;

(c) If, following such consent, Tenant remains a party to this Agreement, Tenant shall remain liable under this Agreement and any guarantor shall remain liable under its guaranty;

(d) Such consent shall not transfer to the Transferee any option granted to the original Tenant by this Agreement unless such transfer is specifically consented to by City in writing;

(e) Tenant may enter into that Transfer in accordance with this Section 113 if: (a) the Transfer occurs within six (6) months after City's consent; (b) the Transfer, in the sole and absolute discretion of the Executive Director, is on substantially the same terms as specified in the Transfer Notice; and (c) Tenant delivers to City promptly after execution an original executed copy of all documentation pertaining to the Transfer in a form reasonably acceptable to City;

(f) If the Transfer occurs more than six (6) months after City's consent or, in the sole and absolute discretion of the Executive Director, the terms of the Transfer materially change from those in the Transfer Notice, Tenant shall submit a new Transfer Notice under this Section 113, requesting City's consent. A

material change for purposes of this Section 113 is one where the terms would have entitled City to refuse to consent to the Transfer initially, or would cause, in the sole and absolute discretion of the Executive Director, the proposed Transfer to be more favorable to Transferee than the terms in the original Transfer Notice;

(g) Tenant and/or Transferee, upon City's written request, shall provide proof, in a form satisfactory in the sole reasonable discretion of the Risk Manager of City's Harbor Department, demonstrating that insurance of the type and limits required by Subsection 111.2 (Insurance) is and shall be in full effect at all times in or around the time period in which the proposed Transfer is anticipated to occur. If requested in writing by City, Transferee shall provide a guaranty agreement in a form acceptable to City obligating Transferee to pay any uninsured or underinsured loss on a claim that, in City's sole and absolute discretion, would have been covered by insurance fully compliant with Subsection 111.2; and

(h) Transferee shall execute and deliver a written acceptance of Transfer in a form acceptable to City in which Transferee expressly assumes all of Tenant's obligations under the Agreement.

**113.4 Factors Germane to City Consent.** In evaluating any Transfer Notice, it shall not be unreasonable for City to withhold or condition its consent to a Transfer based on the following factors, among others:

(a) The net worth, financial condition and creditworthiness of the Transferee and the existence of any guaranty provided by the Transferee's parent or related entity or entities;

(b) The character, experience and reputation of the Transferee (or its operator) in operating the business contemplated by the Transfer;

(c) Whether the Transfer will negatively impact the short-term or long-term development, land use or other plans of City's Harbor Department, and whether consent to such Transfer would violate any of the legal duties of City's Harbor Department, including duties owed to other tenants;

(d) Whether the proposed Transfer is consistent with the terms and conditions of this Agreement in existence when Tenant submitted the Transfer Notice and with the laws, rules and regulations applicable to the Premises and Tenant's use and occupancy thereof;

(e) Whether the information provided by Tenant in connection with Subsection 113.3.1 (Transfer Notice) justifies such consent;

(f) The Transferee's level of commitment and specific plans to invest to improve the Premises following approval of the proposed Transfer, if any;

(g) Whether there are uncured defaults including, without limitation, unpaid Rent and, if there are, whether the proposed Transferee agrees to cure, remedy or otherwise correct any default by Tenant existing at the time of the Transfer, in a manner satisfactory to the Board; and

(h) Whether the Transferee, its operator or any Affiliate of the Transferee or its operator is listed on any of the following lists maintained by the Officer of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of the Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of Persons with which the City may not do business under Applicable Law: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, and the Debarred List.

**113.5 Additional Conditions for Subleases.** If Tenant requests consent to a Transfer consisting of a sublease of all or a portion of the Premises, the following terms and conditions shall also apply:

(a) Notwithstanding Subsection 113.3 (Procedure to Obtain Consent to Transfer), Tenant may request consent for a sublease with less than ninety (90) days' notice.

(b) City reserves the right to recapture any portion of the Premises proposed by Tenant to be subleased (with appropriate amendments to this Agreement) and to undertake the transaction with the proposed Transferee directly;

(c) Tenant in no event shall be allowed to sublet more than twenty percent (20%) of the Premises to any one sublessee unless this Agreement expressly provides otherwise;

(d) Tenant shall owe to City as Additional Rent, fifty percent (50%) of any amount collected from the sublessee as compensation that exceeds, on a pro rata basis, based on the preceding year's Rent, the compensation due City from Tenant under Section 4 (Rent);

(e) Tenant must provide City with a copy of the Sublease Agreement; and a copy of any notice of default or breach of the sublease; and

(f) No sublessee shall further Transfer or sublet all or any part of the Premises without City's prior written consent.

**113.6 Assignments for Security Purposes.** Tenant's request to assign this Agreement to secure financing of improvements on the Premises will require Board approval and will be considered on a case-by-case basis. Consent to Assignments for security purposes will not be

granted unless Tenant and its lenders satisfy the following conditions, among others, which may be reasonably imposed by the Board:

(a) Monies borrowed will be used exclusively to construct improvements or alterations on the Premises.

(b) Monies borrowed must be in a fixed amount. New borrowings or refinancing require further Board approval.

(c) The collateral covered by the security agreement securing Tenant's loan shall cover only Tenant's leasehold interests and interest in improvements on the Premises, not the interests of City in improvements or land, and not any improvements or fixtures which, if removed, would leave the Premises untenable. In this Subsection 113.6, "untenable" means, the removal of improvements or fixtures which, in the City's sole and absolute discretion, would leave the Premises in a condition that prevents City from renting the Premises.

(d) Nothing in the instrument which creates the security interest in the lender shall amend, modify, or otherwise affect the rights of City under this Agreement or any guaranty.

(e) In the event the lender initiates any action to foreclose the interest of Tenant in this Agreement, the lender agrees to deliver to the Board in person or by registered mail a copy of any notice of default sent to Tenant and agrees, ten (10) calendar days in advance of any foreclosure sale, to give written notice to Board by registered mail. Such notices shall be addressed as follows:

Board of Harbor Commissioners  
c/o Director of Real Estate Division  
P.O. Box 151  
San Pedro, CA 90733-0151

Such notice shall specify which of the below alternative courses of action the lender will take with respect to the Agreement and any guaranty. Any and all of the below stated alternatives are contingent upon the Board's approval in accordance with the conditions in subsection (f) below. Lender may:

(1) Assume as principal all of the obligations and duties arising on or after the foreclosure conveyance date under the Agreement; or

(2) Assume as principal all of the obligations and duties arising on or after the foreclosure conveyance date under the Agreement, and hire an operator,

acceptable to the Executive Director, who shall operate the Premises pursuant to the Agreement; or

(3) Assume as principal all of the obligations and duties arising on or after the foreclosure conveyance date, and thereafter reassign the Agreement with the consent of Board. Notwithstanding any provision of this Agreement to the contrary, in the event the lender initiates any action to foreclose the interest of any subsequent assignee of the Agreement, the lender agrees to make the notifications and elections required herein.

The foregoing election by the lender shall be without prejudice to any rights the City may have with respect to Tenant's default of this Agreement; provided, however, that the City shall mail to both Tenant and lender a copy of any written notice of default in the performance of the terms and conditions of the Agreement, by registered mail, return receipt requested, addressed as follows:

(Name and Address of Tenant and lender is to be specified by Tenant. If no lender is specified, notice to Tenant alone is agreed to be sufficient.)

The lender shall have the option to cure such default within the time specified in such notice, provided that if such default is noncurable in nature, City shall have the right to immediately reclaim the Premises and lender shall have no further interest.

(f) Any lender proposal to Transfer its interest in this Agreement or interest therein or right or privilege thereunder requires the Board's consent. The Board may withhold its consent in its reasonable discretion if the Board determines that the proposed Transferee cannot meet all of the following conditions, and any other conditions which may be reasonably imposed by the Board:

(1) This Agreement shall be in full force and effect and no default shall exist or the lender shall agree in writing to cure all such defaults before the transfer.

(2) When requesting the Board's consent to such a Transfer, the lender shall demonstrate that: (a) the financial condition of the proposed Transferee is as sound as that of Tenant at the time this Agreement was initially entered into or as at the time of the proposed transfer - whichever provides the better financial security to the City; (b) the proposed Transferee has the requisite experience and reputation or has retained an operator with the requisite experience and reputation to operate the Premises; (c) the proposed Transfer will not unfavorably affect the revenues of the City, employment or the services available to the maritime community; and (d) the proposed Transferee, its operator or any

Affiliate of the proposed Transferee or its operator is not listed on any of the following lists maintained by the Officer of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of the Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of Persons with which the City may not do business under Applicable Law: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, and the Debarred List.

(3) Even if the Board consents to such a proposed Transfer, the Board may first require that the Transferee and the Board agree on a new compensation for the Premises transferred. If the Board modifies the compensation, it shall take into account the then existing Board policy for setting compensation and the prevailing market conditions.

(g) The form of all instruments and documents affecting the City's interests in the Premises shall be acceptable to Executive Director and City Attorney of City in their sole and absolute discretion.

(h) The Board shall have the authority, but not the obligation, to modify any of the foregoing conditions based on the facts of a particular case.

**113.7 Assignment Fee.** In the case of Assignments other than Assignments for Security Purposes permitted under Subsection 113.6, above, in recognition of the value added to the Assignment by virtue of the location of the Premises, Tenant shall pay to City a fee ("Assignment Fee") based on the following formula:

(a) Less than Ten (10) Years Left on Term: Tenant shall pay to City an Assignment Fee equal to ten percent (10%) of the economic value attributable to the assignor's leasehold interest derived from, or as a result of the use of the Premises; or

(b) Greater than Ten (10) Years or More Left on Term: Tenant shall pay to City an Assignment Fee equal to fifteen percent (15%) of the economic value attributable to the assignor's leasehold interest derived from, or as a result of the use of the Premises.

**113.8 Charter and Administrative Code.** Tenant acknowledges that this Agreement is subject to the Charter of City and the Administrative Code of City and that approval of a Transfer may require action by several separate entities, including but not limited to the Los Angeles City Council.

**113.9 Tenant Remedies.** If City wrongfully denies or conditions its consent, Tenant may seek only declaratory and/or injunctive relief. Tenant specifically waives any damage claims against City in connection with the withholding or conditioning of consent.

**113.10 Indemnity in Favor of City; Tenant's Rights.** In addition to and not as a substitute for the indemnities Tenant provides to City pursuant to Subsection 111.1 (Indemnity), Tenant shall indemnify, defend and hold harmless City and any and all of its boards, officers, agents, or employees from and against any and all claims and/or causes of action of any third-party (including but not limited to Transferee) arising out of or related to a proposed Transfer except for claims arising from the sole negligence or willful misconduct of City in withholding its consent in which case Tenant's sole remedy shall be entitled only to seek specific performance.

**113.11 Rent or Performance.** City, in its sole discretion, may accept Rent or performance of Tenant's obligations under this Agreement from any person other than Tenant pending approval or disapproval of a Transfer. City's exercise of discretion to accept Rent or performance shall be reflected in writing.

**113.12 Written Certification.** If requested in writing by the Executive Director, Tenant shall, within ten (10) days of its receipt of such written request, certify under penalty of perjury under California Law whether it has or has not undertaken a purported Transfer.

#### **Section 114. Records, Reports and City's Right of Inspection.**

**114.1 Operations.** Tenant shall keep full and accurate books, records and accounts relating to its operations on the Premises. City shall have the right, through its representatives, at all reasonable times and on reasonable notice, to inspect such books, records and accounts in order to verify the accuracy of the sums due, owing and paid to City hereunder. Tenant agrees that such books, records and accounts shall be made available to City at Tenant's offices in the City of Los Angeles. City shall protect, to the extent permitted by law, the confidentiality of any such books, records and/or accounts so inspected.

**114.2 City Right of Inspection.** City's authorized representatives shall have access to the Premises (a) with 24-hour notice at any and all reasonable times to determine whether or not Tenant is complying with the terms and conditions of this Agreement, and (b) at any and all times, with or without notice, for fire, and police/ or homeland security purposes, to investigate any incidents involving personal injury or property damage, or for any other purpose incidental to the rights and/or duties of City. The right of inspection hereby reserved to City shall impose no obligation on City to make inspections to ascertain the condition of the Premises, and shall impose no liability upon City for failure to make such inspection. Tenant shall provide personnel to accompany City's representatives on periodic inspections of the Premises to determine Tenant's compliance with this Agreement.

**114.3 ACTA.** (Only applicable if Permitted Uses includes a rail related use) Tenant shall provide to City, the Alameda Transportation Corridor Authority ("ACTA"), or their agents, any information reasonably required to compile accurate statistical information related to the Alameda Corridor, and to enable ACTA to generate timely and accurate invoices for Alameda Corridor use fees and container charges payable by users of the Alameda Corridor. Tenant shall

use its best efforts to provide such non-confidential and non-privileged information in the format requested.

**114.4 Report of Accidents, Casualties or Crimes.** Tenant shall give the Executive Director notice in case of accidents, crimes, fires or other adverse incidents in the Premise promptly after Tenant is aware of any such event.

## **Section 115. Condemnation.**

**115.1 Generally.** The Parties agree that if during the Term there is any taking of all or any part of the Premises by Condemnation, the rights and obligations of the Parties shall be determined pursuant to this Section 115.

**115.2 Total Taking.** Tenant may elect to treat as a Partial Taking any Taking that would otherwise qualify as a Total Taking. If a Total Taking of the Premises shall occur, and Tenant does not elect by written notice to City, within sixty (60) days thereafter, to treat the same as a Partial Taking, then this Agreement shall terminate as of the effective date of such Total Taking, and the Rent shall be apportioned accordingly. The proceeds of the Total Taking shall be allocated between City and Tenant in accordance with their respective interests.

### **115.3 Partial Taking.**

**115.3.1 Effect on Agreement; Award.** If a Partial Taking shall occur, then any award or awards shall be applied first to repair, rebuilding or restoration of any remaining part of the Improvements not so taken. Tenant shall perform such repair, rebuilding or restoration in accordance with the applicable requirements of this Agreement. The balance of any such award or awards remaining after the repair, rebuilding or restoration shall be distributed to City and Tenant as if they were proceeds of a Total Taking affecting only a portion of the Premises taken. If the Partial Taking impacts the usable area of the Premises, the City shall abate or reduce the Rent payable hereunder as a result of such Partial Taking. No other sums payable under the Agreement shall be abated or reduced as a result of any Partial Taking.

**115.3.2 Improvements.** Should Tenant terminate this Agreement pursuant to this Section 115, title to all improvements, additions, alterations constructed or installed by Tenant upon the Premises and which have not already vested in City shall thereupon vest in City.

**115.3.3 Waiver of CCP § 1265.130.** Each Party waives the provisions of the California Code of Civil Procedure Section 1265.130 allowing either Party to petition the superior court to terminate this Agreement in the event of a Partial Taking of the Premises.

**115.4 Temporary Taking.** If a Temporary Taking shall occur with respect to use or occupancy of the Premises for a period greater than 120 days, then Tenant shall, at its option, be entitled to terminate this Agreement effective as of the commencement date of the Temporary Taking. If the Temporary Taking relates to a period of 120 days or less, or if Tenant does not elect within sixty (60) days after the 120th day of the Temporary Taking, to terminate this Agreement, then all proceeds of such Temporary Taking (to the extent attributable to periods within the Term) shall be paid to Tenant, and Tenant's obligations under this Agreement shall not be affected in any way.

**115.5 Severance Damages.** The entire award of compensation paid for any severance damages, whether paid for impairment of access, for land, buildings, and/or improvements shall be the property of City, regardless of whether any buildings or improvements so damaged are owned or were constructed by City or Tenant. However, should City determine that improvements are to be restored, that portion of the severance damages necessary to pay the cost of restoration shall be paid to Tenant accompanied by evidence that the sum requested has been paid for said restoration and is a proper item of such cost and used for such purpose.

**115.6 Other Condemnation.** In the event of any condemnation action not resulting in a Taking but creating a right to compensation, this Agreement shall continue in full force and effect without reduction or abatement of Rent, and the award or payment made in connection with such action shall be allocated between City and Lessee in accordance with their respective interests.

**115.7 Settlement or Compromise.** Neither City, in its Proprietary Capacity under this Agreement, nor Tenant shall settle or compromise any Taking award affecting the interests of the other Party without the consent by such other Party, such consent not to be unreasonably withheld. Each of City and Tenant shall be entitled to appear in all Taking proceedings affecting its respective interest, to participate in any settlement, arbitration or other proceeding involving such a Taking and to claim its Taking award under this Agreement.

**115.8 Prompt Notice.** If either Party becomes aware of any Taking or threatened or contemplated Taking, then such Party shall promptly give Notice thereof to the other Party.

**115.9 Control of Funds after Partial Taking.** In the event of a Partial Taking where Tenant is required to, or chooses to, repair, rebuild or restore the damaged improvements, the following provisions regarding control of funds shall apply:

115.9.1 Proceeds Less Than \$1,000,000. All proceeds from any Partial Taking less than \$1,000,000 shall be distributed to Tenant and shall be applied by Tenant in accordance with Subsection 115.3 (Partial Taking).

115.9.2 Proceeds Greater Than \$1,000,000.

115.9.2.1 When Fund Control Mechanism in Leasehold Mortgage Governs. If any Leasehold Mortgage permitted by City and entered into by Tenant contains a fund control mechanism providing that all proceeds from any Partial Taking in excess of \$1,000,000 shall be deposited with such Leasehold Mortgagee or a third party depository specified in such Leasehold Mortgage to be disbursed to repair, rebuild or restore the Premises, the mechanics for fund control set forth in such Leasehold Mortgage shall have priority over the corresponding mechanics for fund control set forth in Subsection 115.9.2.2, below.

115.9.2.2 When Fund Control Mechanism in This Agreement Governs. Subject to Subsection 115.9.2.1, above, if proceeds from any Partial Taking total in excess of \$1,000,000, then upon request of City all such proceeds shall be deposited with the City to be disbursed to repair, rebuild or restore the Premises in accordance with the procedures set forth in Section 112 (Damage and Destruction to Improvements), and the balance, if any, of such proceeds shall be allocated between City and Tenant in accordance with their respective interests.

**115.10 Waiver.** The provisions of this Agreement governing Takings are intended to supersede the application of Chapter 10, Article 2 of the California Code of Civil Procedure and all similar Laws, to the extent inconsistent with this Agreement. Nothing in this Section 115 shall be construed to limit City's powers with respect to Takings in its Governmental Capacity.

## **Section 116. Marks.**

**116.1 City-Associated Name or Mark.** A "City-Associated" name or mark, as used in this Agreement, shall mean any name or Mark that (i) contains, in whole or partly, name(s) and/or mark(s) (including service marks, trademarks, names, titles, descriptions, slogans, insignias, emblems or logos) of the City of Los Angeles or any department, agency or commission thereof; and (ii) imparts the color of authority of the City of Los Angeles; and/or (3) otherwise imparts association with or endorsement by the City of Los Angeles on any goods or services offered by Lessee under such name or mark.

**116.2 City Approval of Lessee Name or Mark.** City shall have the right of approval of names and marks coined or created by Tenant for use on the Premises to ensure that use of the Premises leased herein under is consistent with that of a public venue leased by a governmental entity. City shall not approve names or marks that impart notions or contain elements that put the City in a false light or that are racist, sexist, derogatory to any legally protected groups/class or unfitting for public facilities.

**116.3 No Assignment or Transfer of City's Intellectual Property.** Nothing in this Agreement shall be construed to transfer or assign to any party, signatory herein or not, any of the intellectual property rights of the City, including but not limited to trademark rights. Rights not expressly granted by City herein are reserved. Other than as approved by City, Tenant has no right to use any of the City-Associated Marks.

## **Section 117. Restoration and Surrender of Premises.**

### **117.1 Tenant's Restoration Obligations.**

117.1.1 Generally. By the Expiration Date, or any sooner termination of this Agreement, Tenant shall quit and surrender possession of the Premises and shall be obligated to, as directed by the Executive Director, in the Executive Director's sole and absolute discretion, either (i) return the Premises to City in good and usable condition, said condition to be consistent with a first class facility of similar age as repaired, maintained or upgraded by Tenant, or any Assignor, or Affiliate of Tenant under this Agreement or any prior permit, or by City, or (ii) demolish all Improvements on the Premises (both City Improvements and Tenant Improvements, if any) and leave the Premises in a clean level and usable condition as set forth below, or (iii) demolish some of the Improvements on the Premises, as designated by City, and leave the area of the Premises where the Improvements were demolished in a clean level and usable condition as set forth below and the remainder of the Premises in good and usable condition as set forth above or (iv) pay the cost of restoration to City if City chooses to perform the work itself or have the work performed on its behalf. Additionally, in lieu of demolition, if the City determines that any of the improvements are historical, or eligible for listing as such, the City, in its sole discretion, may require Tenant to pay to City an amount equal to the estimated cost of demolition to be used by the City for the restoration or adaptive reuse of the historical structure or structures. If City terminates this Agreement due to Tenant's default, Tenant is still obligated to restore the Premises as provided in this Section 117 or to pay the cost of restoration if City chooses to perform the work.

117.1.2 Water Restoration (applicable only when the Premises include water use rights). Tenant agrees to remove all debris and sunken hulks from channels, slips and water areas within or fronting upon Premises not solely caused by City. Tenant expressly waives the benefits of the "Wreck Act" (Act of March 3, 1899) 33 U.S.C. Section 401 et seq. and the Limitation of Liability Acts (March 3, 1851, c. 43, 9 Stat. 635) (June 26, 1884, c. 121, Sec. 18, 23 Stat. 57) 46 U.S.C. 189 (Feb. 13, 1893, c. 105, 27 Stat. 445) 46 U.S.C. Sec. 190-196 and any amendments to these Acts if it is entitled to claim the benefits of such Acts.

117.1.3 Restoration Requirements. In connection with Subsections 117.1.1 and 117.1.2, above, Tenant, at its sole cost and expense, shall restore the Premises (including the soil, groundwater and sediment) such that, on the Expiration Date, or earlier termination date, the Premises shall be returned to City:

- (a) Free of Term Contamination and in at least as good of a condition as the condition depicted in the Baseline Report, if there is a Baseline Report, and free of all contamination if there is no Baseline Report. As between City and

Tenant, Tenant shall bear sole responsibility for Term Contamination and any costs related thereto;

(b) Free of any encumbrances including but not limited to deed or land use restrictions as a result of any Term Release and/or any liens (UCC, federal or state tax or otherwise) on the Premises or on fixtures or equipment, or personal property left on the Premises;

(c) Free of all above-ground and below-ground works, structures, improvements and pipelines of any kind, (collectively referred to as "Structures"), placed on the Premises by Tenant, if directed to remove such Structures by City. If the Premises have been improved by a prior tenant or by both City and a prior tenant, then such Structures which were left on the Premises at Tenant's request or for Tenant's benefit shall also be the responsibility of Tenant except as may be otherwise specified by this Agreement; and

(d) In a clean, level, graded and compacted condition with no excavations or holes resulting from Structures removed if City elects to have Tenant remove all Improvements or, if the City elects to retain some of the Improvements, the area of the demolished improvements shall be in a clean, level, graded and compacted condition with no excavations or holes resulting from any structures the City elects to have removed.

**117.2 Restoration Procedure.** Tenant, at its sole cost and expense, shall initiate and complete the procedures set forth below in Subsections 117.2.1 through 117.2.3, and comply with any other conditions reasonably imposed by the Executive Director for the restoration of the Premises. Provided that Tenant discharges its obligations under this Subsection 117.2 expeditiously and in good faith, City shall reasonably endeavor to ensure that the requirement to discharge its obligations disturbs as little as reasonably possible Tenant's undertaking of the Permitted Uses during the Term of this Agreement. The Executive Director may alter or delete any of the procedures set forth below at the Executive Director's sole and absolute discretion.

117.2.1 Site Vacation Plan. When requested to do so in writing by the Executive Director, Tenant shall submit to City a written plan hereinafter referred to as the "Site Vacation Plan". The Executive Director's written request shall state which, if any of the Improvements or Structures on the Premises the City does or does not want Tenant to remove as part of the restoration of the Premises. The sufficiency of the Site Vacation Plan is subject to City's reasonable approval. The Site Vacation Plan shall comply with the then existing Harbor Department procedures for Restoration.

117.2.2 Permits for Restoration. Tenant shall obtain at its sole cost and expense all permits required for the completion of its restoration obligations.

117.2.3 Adequacy of Restoration. Subject to orders or directives issued by any Governmental Agency with jurisdiction which orders or directives shall take precedence over this Subsection 117.2.3, the adequacy of Tenant's execution of the Restoration Obligations shall be within the sole reasonable discretion of the Executive Director. Tenant shall notify the Executive Director in writing when it believes it has completed all work contemplated by the Site Vacation Plan. The Executive Director shall determine the adequacy of the restoration using the Executive's Director sole reasonable discretion.

**117.3 Restoration Indemnity.** In addition to and not as a substitute for any remedies provided by this Agreement or at law or equity, Tenant shall defend, indemnify and hold harmless City from any and all claims and/or causes of action brought against City and from all damages and costs which arise out of or are related to:

(a) Claims brought by holders of liens on the Premises, Structures, and/or on fixtures and/or equipment or property left on the Premises following the Expiration Date; and

(b) Claims, causes of action, orders or enforcement actions pending against or in connection with the Premises, the Permitted Uses and/or this Agreement.

This restoration indemnity is intended to and shall survive the expiration or earlier termination of this Agreement.

**117.4 No Relocation Assistance.** Nothing contained in this Agreement shall create any right in Tenant or any sublessees of Tenant for relocation assistance or payment from City upon expiration or termination of this Agreement (whether by lapse of time or otherwise). Tenant acknowledges and agrees that it shall not be entitled to any relocation assistance or payment pursuant to the provisions of any state or federal law, including Title 1, Division 7, Chapter 16 of the California Government Code (Sections 7260 et seq.) with respect to any relocation of its business or activities upon the expiration of the term of this Agreement or upon its earlier termination or upon the termination of any holdover.

**117.5 Failure to Restore.** If City has directed Tenant to demolish or restore some or all of the improvements on the Premises, or otherwise restore the Premises, and Tenant has failed to do so, or failed to do so to the level required by this Agreement, on or before the earlier to occur of the date of the termination of this Agreement or the Expiration Date, City shall have the right, but not the obligation, to remove and/or demolish the same at Tenant's cost. In that event, Tenant agrees to pay to City, upon demand, City's Costs of any such removal, demolition or restoration and further agrees that such City's Costs shall be deemed Additional Rent.

## **Section 118. Miscellaneous.**

**118.1 Titles and Captions.** Unless otherwise indicated, references in this Agreement to sections, subsections, paragraphs, clauses, exhibits and schedules are to the same contained in

or attached to this Agreement. Additionally, the Parties have inserted the section titles in this Agreement only as a matter of convenience and for reference, and the section titles in no way define, limit, extend or describe the scope of this Agreement or the intent of the Parties including any particular provision in this Agreement. Unless otherwise specified, references to Section or Subsection are to sections and subsections of this Agreement.

**118.2 Exhibits and Attachments.** All exhibits and attachments to which reference is made in this Agreement are deemed incorporated in this Agreement, whether or not actually attached. References to sections are to sections of this Agreement unless stated otherwise.

**118.3 Construction of Agreement.** This Agreement shall not be construed against the Party preparing the same, shall be construed without regard to the identity of the person who drafted such and shall be construed as if all Parties had jointly prepared this Agreement and it shall be deemed their joint work product; each and every provision of this Agreement shall be construed as though all of the Parties hereto participated equally in the drafting hereof; and any uncertainty or ambiguity shall not be interpreted against any one Party. As a result of the foregoing, any rule of construction that a document is to be construed against the drafting Party shall not be applicable.

**118.4 Entire Agreement; Amendments.** This Agreement and all exhibits referred to in this Agreement constitute the final complete and exclusive statement of the terms of the agreement between City and Tenant pertaining to Tenant's use and occupancy of the Premises and, subject to the provisions of Subsection 118.32 (Prior Permits), supersedes all prior and contemporaneous understandings or agreements of the Parties. Neither Party has been induced to enter into this Agreement by, and neither Party is relying on, any representation or warranty outside those expressly set forth in this Agreement.

**118.5 Modification in Writing.** This Agreement may be modified only by written Agreement of all Parties. Any such modifications are subject to all applicable approval processes set forth in City's Charter, City's Administrative Code, or Applicable Laws.

**118.6 Waivers.** A failure of any Party to this Agreement to enforce the Agreement upon a breach or default shall not waive the breach or default or any other breach or default. All waivers shall be in writing. The subsequent acceptance of Rent by Board shall not be deemed to be a waiver of any other breach by Tenant of any term, covenant or condition of this Agreement, other than the failure of Tenant to timely make the particular Rent payment so accepted, regardless of Board's knowledge of such other breach. No delay, failure or omission of either Party to execute any right, power, privilege or option arising from any default, nor subsequent acceptance of guarantee then or thereafter accrued, shall impair any such right, power, privilege, or option, or be construed to be a waiver of any such default or relinquishment thereof, or acquiescence therein, and no notice by either Party shall be required to restore or revive the time is of the essence provision hereof after waiver by the other Party or default in one or more instances. No option, right, power, remedy or privilege of either Party shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each

and all of the rights, powers, options or remedies given to City by this Agreement are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law, in that the exercise of one right, power, option or remedy by City shall not impair its rights to any other right, power, option or remedy.

**118.7 Joint and Several Obligations of Tenant.** If more than one individual or entity comprises Tenant, the obligations imposed on each individual or entity that comprises Tenant under this Agreement shall be joint and several.

**118.8 Time is of the Essence.** Time shall be of the essence as to all dates and times of performance, and obligations set forth herein, whether or not a specific date is contained herein. If performance is required by the terms hereof on a Saturday, Sunday or legal holiday in California, the performance shall be made on the next business day.

**118.9 Statements of Tenant as Applicant.** This Agreement may be granted pursuant to an application filed by Tenant with Board. If the application or any of the attachments thereto contain any material misstatements of fact, Board may cancel this Agreement. Upon any such cancellation of the Agreement granted hereunder, Tenant shall quit and surrender the Premises as provided in Section 117 (Restoration and Surrender of Premises).

**118.10 Governing Law and Venue.** This Agreement is made and entered into in the State of California and shall in all respects be construed, interpreted, enforced and governed under and by the laws of the State of California, without reference to choice of law rules. Any action or proceeding arising out of or related to this Agreement shall be filed and litigated in the state or federal courts located in the County of Los Angeles, State of California, in the judicial district mandated by applicable court rules. If either Party files or attempts to litigate an action in violation of this Subsection 118.10, the other Party shall be entitled to recover reasonable costs and attorneys' fees incurred to enforce this Subsection 118.10.

**118.11 Severability.** Should any part, term, condition or provision of this Agreement be declared or determined by any court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of law, public policy, or charter, the validity of the remaining parts, terms, conditions or provisions of this Agreement shall not be affected thereby, and such invalid, illegal or unenforceable part, term, condition or provision shall be treated as follows: (a) if such part, term, condition or provision is immaterial to this Agreement, then such part, term, condition or provision shall be deemed not to be a part of this Agreement; or (b) if such part, term, condition or provision is material to this Agreement, then the Parties shall revise the part, term, condition or provision so as to comply with the Applicable Law or public policy and to effect the original intent of the Parties as closely as possible.

**118.12 Termination by Court.** If any court having jurisdiction in the matter renders a final decision which prevents the performance by City of any of its obligations under this Agreement, then either Party may terminate this Agreement by written notice, and all rights and

obligations hereunder (with the exception of any undischarged rights and obligations) shall thereupon terminate.

**118.13 License Fees and Taxes.** Tenant shall pay all taxes and assessments of whatever character levied upon or charged against the interest of Tenant, if any, created by this Agreement in the Premises or upon works, buildings, improvements or other property thereof, or upon Tenant's operations hereunder. Tenant shall also pay all license and permit fees required for the conduct of its operations hereunder. Any sums due and owing to City by Tenant under this Subsection 118.13, or paid by City on Tenant's behalf shall be deemed Additional Rent.

In the event of removal of any improvements, Tenant shall comply with the restoration obligations of Section 111 (Indemnity and Insurance). ## EXHIBIT L – LOS ANGELES ADMINISTRATIVE CODE: AFFIRMATIVE ACTION

(These provisions are attached for Tenant reference only)

### Sec. 10.8.4 Affirmative Action Program Provisions.

Every non-construction contract with or on behalf of the City of Los Angeles for which the consideration is \$100,000 or more and every construction contract with or on behalf of the City of Los Angeles for which the consideration is \$5,000 or more shall contain the following provisions which shall be designated as the AFFIRMATIVE ACTION PROGRAM provisions of such contract:

- A. During the performance of a City contract, the contractor certifies and represents that the contractor and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
  - 1. This provision applies to work or services performed or materials manufactured or assembled in the United States.
  - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
  - 3. The contractor shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.
- B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.
- C. As part of the City's supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, the contractor shall certify on an electronic or hard copy form to be supplied, that the contractor has not discriminated in the performance of City contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry,

national origin, sex, sexual orientation, age, disability, marital status or medical condition.

- D. The contractor shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City contracts, and on their or either of their request to provide evidence that it has or will comply therewith.
- E. The failure of any contractor to comply with the Affirmative Action Program provisions of City contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to the contractor.
- F. Upon a finding duly made that the contractor has breached the Affirmative Action Program provisions of a City contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said contractor is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that the contractor has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City contract, there may be deducted from the amount payable to the contractor by the City of Los Angeles under the contract, a penalty of TEN DOLLARS (\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a City contract.

No other rules, regulations or forms may be used by an awarding authority of the City to accomplish this contract compliance program.
- J. Nothing contained in City contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.
- K. The contractor shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the City. The plan shall be subject to approval by the Office of Contract Compliance prior to award of the contract. The awarding authority may also require contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, the contractor may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, the contractor must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.

For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and the contractor.

Approved Affirmative Action Agreements become the property of the City and may be used at the discretion of the City in its Contract Compliance Affirmative Action Program.
- P.
