REQUEST FOR BIDS (RFB) F-1240 - ADDENDUM #2 – BIDDER QUESTIONS

DESCRIPTION: “DELIVERED 10% ETHANOL (E10) REFORMULATED GASOLINE”

The Los Angeles Harbor Department has received the following questions from potential bidders for the above-referenced RFB. The Department’s answers are in red.

1. Is the fuel tank at the C&P Warehouse above ground or below ground? **Below Ground**
2. Is the fuel tank at the Harbor Administration building above ground or below ground? **Below Ground**
3. How many of gallons of unleaded does the C&P Warehouse use annually? **In 2024 we purchased about 136,000 gallons.**
4. How many gallons of unleaded does the Harbor Administration Building use annually? **In 2024 we purchased about 36,000 gallons.**
5. Are deliveries ever split between both locations? **No.**
6. Can you confirm that bidders do not need to submit insurance documents prior to the bid closing in order to be marked responsive? **Proof of insurance will only be required from the selected bidder at contract award.**
7. What is the anticipated award date on this contract? **Approximately 90 days from contract execution. This contract will require the approval of the Board of Harbor Commissioners so, it can take up to three months to execute.**
8. Can you please clarify if any deliveries are being made to the Port of Los Angeles (POLA) High School? If so, can you please provide tank information for that location? **The Tank information is included in the Bid documents. See Addendum 1 for further information. The tank that is described as being at the Harbor Administrative Building (HAB) is actually located next door at POLA High School. HAB is located next to POLA High School.**
