SUBJECT: Fiscal Year 2019 Notices of Funding Opportunity

Today, the Federal Emergency Management Agency (FEMA), a component of the Department of Homeland Security, announced the availability of the Fiscal Year (FY) 2019 Notices of Funding Opportunity. This Information Bulletin (IB) provides details on the available FY 2019 preparedness grant programs. The Notices of Funding Opportunity released today represent \$1,715,100,000 in available FY 2019 Federal assistance and are available online at <http://www.fema.gov/grants> and at <http://www.grants.gov>.

Notices of Funding Opportunity are available for the following programs:

- Homeland Security Grant Program (HSGP)
  - State Homeland Security Program
  - Urban Area Security Initiative
  - Operation Stonegarden
- Tribal Homeland Security Grant Program (THSGP)
- Nonprofit Security Grant Program (NSGP)
- Intercity Bus Security Grant Program (IBSGP)
- Intercity Passenger Rail – Amtrak (IPR) Program
- Port Security Grant Program (PSGP)
- Transit Security Grant Program (TSGP)
- Emergency Management Performance Grant (EMPG)

Detailed guidance and application instructions for all grant programs are available at <http://www.fema.gov/grants>.

Eligible applicants must apply for funding through the Grants.gov portal, accessible on the internet at <http://www.grants.gov>. When applicants apply through <http://www.grants.gov>, applicants must submit the Standard Form 424 in the initial Grants.gov application. The FEMA Non-Disaster (ND) Grants system will retrieve the Standard Form 424 directly from the Grants.gov system and will automatically populate the relevant data fields in the ND Grants application. To allow sufficient time for FEMA to conduct an initial eligibility review of the application prior to the final submission deadline, **applicants are strongly encouraged to begin their initial application in Grants.gov at the time of this announcement** to ensure they have adequate time to start and complete their application submission. Applicants should complete the initial Grants.gov application **no later than seven days before the May 29, 2019 application deadline**. Upon the completion of the initial review, FEMA will determine whether an application is eligible to proceed further and will notify the applicant to complete their submission by fulfilling additional application requirements (e.g., Budget, Investment Justification, Work Plan, etc.) required by the relevant grant program. Completed final applications in ND Grants for all grant programs must be submitted no later than **5 p.m. EDT, May 29, 2019**.

The application must be complete, and only final submissions made through the ND Grants system located at <https://portal.fema.gov> will be accepted. If you, the applicant, need assistance registering for the ND Grants system, please contact ND Grants Help Desk at 1-800-865-4076, Monday through Friday, 9:00 a.m. – 5:00 p.m. EDT.

Additional questions may be directed to a FEMA Headquarters Program Analyst (PA) or the Centralized Scheduling and Information Desk (CSID) at [askcsid@fema.gov](mailto:askcsid@fema.gov) or (800) 368-6498, Monday through Friday, 9:00 a.m. – 5:00 p.m. EDT.

A summary of eligible applicants and deadlines is provided in Appendix A. Specific allocations for programs marked with an asterisk (\*) are listed in Appendix B.

### **FY 2019 Homeland Security Grant Program (HSGP)**

The HSGP includes a suite of risk-based grants to assist state, local, territorial, and tribal efforts in preventing, preparing for, protecting against, and responding to acts of terrorism. The grants included under HSGP include:

*State Homeland Security Program (SHSP)\**. In FY 2019, the SHSP provides \$415 million to assist state, local, tribal, and territorial, governments in preventing, preparing for, protecting against, and responding to acts of terrorism.

*Urban Area Security Initiative (UASI)\**. In FY 2019, the UASI program provides \$590 million to assist high-risk Urban Areas in preventing, preparing for, protecting against, and responding to acts of terrorism.

*Operation Stonegarden (OPSG)*. In FY 2019, OPSG provides \$90 million to support enhanced cooperation and coordination among state, local, tribal, territorial, and Federal law enforcement

agencies in a joint mission to secure the United States' borders along routes of ingress from international borders, to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders.

**FY 2019 Tribal Homeland Security Grant Program (THSGP)**

In FY 2019, the THSGP provides \$10 million to directly eligible tribes to support the building, sustainment, and delivery of core capabilities to enable tribes to strengthen their capacity to prevent, protect against, mitigate, respond to, and recover from potential terrorist attacks.

**FY 2019 Nonprofit Security Grant Program (NSGP)\***

In FY 2019, the NSGP provides \$50 million in funding support for hardening and other physical security enhancements to nonprofit organizations that are at high risk of terrorist attack and located within the UASI-designated Urban Areas (NSGP-UA). In FY 2019, additional, separate funding in the amount of \$10 million has also been appropriated for nonprofit organizations located outside of FY 2019 UASI-designated Urban Areas. The intent of the FY 2019 NSGP is to competitively award grant funding to assist nonprofit organizations in obtaining the resources required to support and integrate the preparedness activities of nonprofit organizations that are at high risk of a terrorist attack with broader state and local preparedness efforts. The program seeks to integrate nonprofit preparedness activities with broader state and local preparedness efforts. It is also designed to promote coordination and collaboration in emergency preparedness activities among public and private community representatives, as well as state and local government agencies. Under the NSGP - State (NSGP-S), eligible states will receive an allocation for nonprofit organizations located outside of FY 2019 UASI-designated Urban Areas. As in previous fiscal years, the Nonprofit Security Grant Program will be a competitive grant program.

**FY 2019 Intercity Bus Security Grant Program (IBSGP)**

In FY 2019, the IBSGP provides \$2 million to owners and operators of intercity bus systems providing services to UASI-designated Urban Areas, to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure.

**FY 2019 Intercity Passenger Rail – Amtrak (IPR) Program**

In FY 2019, the IPR Program provides \$10 million to the National Passenger Railroad Corporation (Amtrak) to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of the Amtrak rail system.

**FY 2019 Port Security Grant Program (PSGP)**

In FY 2019, the PSGP provides \$100 million to provide funds to port authorities, facility operators, and state, local, and territorial agencies required to provide security services to implement Area Maritime Security Plans and facility security plans.

**FY 2019 Transit Security Grant Program (TSGP)**

In FY 2019, the TSGP provides \$88 million to support transportation infrastructure security activities. The TSGP provides funds to eligible publicly owned operators of public transportation (which include intra-city bus, commuter bus, ferries, and all forms of passenger rail) that serve historically eligible UASI-designated Urban Areas to protect critical surface transportation

infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure.

**FY 2019 Emergency Management Performance Grant (EMPG)\***

In FY 2019, the EMPG Program provides \$350.1 million to assist state, local, tribal, and territorial governments for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from all hazards and to vest responsibility for emergency preparedness jointly in the Federal government and the states and their political subdivisions. This total funding amount includes \$100,000 from the Disaster Relief Fund that FEMA must make available to the Federated States of Micronesia and the Republic of the Marshall Islands.
