SUBJECT: RESOLUTION NO. _____ - MEMORANDUM OF AGREEMENT BETWEEN THE LOS ANGELES HARBOR DEPARTMENT ON BEHALF OF THE LOS ANGELES PORT POLICE AND THE LOS ANGELES POLICE DEPARTMENT FORMALIZING JOINT AGENCY PRACTICES AND AGENCY RESPONSIBILITIES WITH REGARDS TO LAW ENFORCEMENT RESPONSE OPERATIONS AND INVESTIGATIONS

SUMMARY:

Staff requests approval of a Memorandum of Agreement (MOA) between the City of Los Angeles Harbor Department (Harbor Department), on behalf of the Los Angeles Port Police (LAPP), and the Los Angeles Police Department (LAPD), to formalize joint agency practices and responsibilities regarding law enforcement response operations and investigations in the Harbor District.

The proposed MOA is for a five-year term and will establish the various duties and responsibilities of each agency in the areas of public safety, law enforcement, emergency management, and joint operations. The approval of this MOA will have no financial impact on the Harbor Department, as there are no costs and/or revenues associated with this action.

RECOMMENDATION:

It is recommended that the Board of Harbor Commissioners (Board):

2. Approve the Memorandum of Agreement between the City of Los Angeles Harbor Department and the Los Angeles Police Department to formalize the understanding between the Los Angeles Port Police and the Los Angeles Police Department formalizing joint agency practices and agency responsibilities with regard to law enforcement response operations and investigations in the Harbor District for a term of five-years, as a cooperative agreement with another City Department with no financial or staff commitment required pursuant to City Charter Section 373 and Los Angeles Administrative Code Section 10.5 (a);

SUBJECT: MEMORANDUM OF AGREEMENT BETWEEN THE LOS ANGELES HARBOR DEPARTMENT AND LAPD FORMALIZING JOINT AGENCY PRACTICES AND AGENCY RESPONSIBILITIES WITH REGARDS TO RESPONSE OPERATIONS AND INVESTIGATIONS

4. Adopt Resolution No. _____.

DISCUSSION:

Background/Context – LAPP is the primary provider of port security, maritime policing, police patrol and response within the lands and waters of the Harbor District; however, LAPD has concurrent responsibility for conducting criminal investigations in, or related to, the City of Los Angeles in general.

On October 15, 2020, the Harbor Department and LAPD entered into a five-year MOA to establish and formalize responsibilities related to response operations and investigations.

This proposed successor MOA is also for a five-year term and documents a number of joint agency practices and responsibilities with regards to law enforcement response operations and investigations. The MOA establishes responsibility for conducting criminal investigations in, or related to, the City of Los Angeles in general, establishes responsibility for public notifications and alerts, and responsibilities of the two agency's dispatch centers.

As the City Charter recognizes the general powers of LAPD and LAPP separately, the two agencies have established certain working practices in the interest of creating clarity of roles when responding to an investigation or incident. The intent of this MOA is not to create any powers that conflict with any law, regulation, Los Angeles City Charter, Administrative or Municipal Code provisions, or formally approved policies or procedures but to help establish a guide to ensure both parties are able to facilitate their individual mission sets.

ENVIRONMENTAL ASSESSMENT:

The proposed action is the approval of an MOA to formalize joint agency practices and agency responsibilities with regard to law enforcement response operations and investigations in the Harbor District, which is an administrative activity. Therefore, the Director of Environmental Management has determined that the proposed action is administratively exempt from the requirements of CEQA in accordance with Article II Section 2(f) of the Los Angeles City CEQA Guidelines.

FINANCIAL IMPACT:

Approval of this MOA will formalize the understanding between LAPP and LAPD as it relates to the exchange of information necessary to facilitate both agency's missions sets. There is no financial impact associated with the approval of this action.
