COASTAL DEVELOPMENT PERMIT

1. Coastal Development Permit Number: **16-09**

2. Name/Address of Permittee: **Hecate Energy Harborside LLC
115 Rosa Parks Blvd.
Nashville, TN 32703**

3. Permit Type: **Level II**

Non-appealable Appealable Emergency

4. Development Location: **Liberty Hill Plaza
B.161
22nd Street Park
Los Angeles, CA**

5. Development Description:

CDP No. 16-09 allows Hecate Energy Harborside LLC installation of 2.6 MW PV solar carport project on three separate sites that include, parking lots at the 22nd St Park, Liberty Plaza, and Berth 161 Construction & Maintenance yard. The solar carport structures will be galvanized or painted steel with cross members and purlins to support installation of photovoltaic panels on top. The carport structures will provide at least 9 feet under-clearance and may be as high as 20 feet above ground. Site preparation work may involve removal of some on-site trees and paving over tree wells. Additionally, work could include removing light fixtures and demolition of their concrete pads as needed. Installation will include setting steel supports structures that will be secured with deep caisson concrete or spread footing foundations or pile driven steel piers. Some trenching will occur to run electric collection lines between certain portions of the arrays and to the point of interconnect near existing power lines. Soil removed for the foundations and trenching will be tested and disposed according to Port soil removal standard as outlined in Application for Port Permit (APP) No. 151005-118.

6. The Executive Director has found that:

The proposed development conforms to the certified Port of Los Angeles Master Plan, as amended, and the California Coastal Act of 1976, as amended.

The proposed development is consistent with the project description listed on the amended Application for Port Permits No. 151005-118.

The proposed development complies with the requirements of the California Environmental Quality Act.

7. This permit is issued subject to the following standard conditions imposed pursuant to the certified Port of Los Angeles Master Plan, as amended, and the California Coastal Act of 1976, as amended:

- a) No property rights, either in real estate or material, or any exclusive privileges are granted, and the permit does not authorize any injury to private property or invasion of private rights, or any infringement of federal, state or local laws or regulations.
- b) Final working drawings shall have been submitted to the Chief Harbor Engineer for review and approval, and a Harbor Engineering Permit issued prior to commencement of any portion of the development.
- c) All construction and operations shall occur in accordance with the approved plans.
- d) This permit is issued subject to the applicant obtaining all other approvals and/or permits required by applicable law from agencies having jurisdiction over any aspect of the development. Construction shall not commence until such approvals and permits have been obtained.
- e) Any person who has obtained a permit for development may assign such permit to another person subject to the following conditions outlined in Section 6.8.6 of the Port of Los Angeles Master Plan.
- f) The permit shall not become effective until the issuance is reported to the Board of Harbor Commissioners and the original and two signed copies of the permit have been returned to the Los Angeles Harbor Department, upon which all permittee(s) or agent(s) authorized in the permit application have acknowledged that they have received a copy of the permit and have accepted the contents.
- g) Work must commence within two (2) years from the date of the executed coastal development permit, unless otherwise specified. If construction has not commenced, this permit will expire two (2) years from the date of

the executed permit. Any extension of time of said commencement date must be applied for prior to expiration of the permit.

- h) Issuance of this coastal development permit does not change the obligation of the applicant to meet all other time requirements in any other permits or agreements granted by the City of Los Angeles.

Issued on behalf of the Executive Director by:

By: _____
MICHAEL KEENAN
Director of Planning and Strategy
