

AGREEMENT NO.

AGREEMENT BETWEEN
THE CITY OF LOS ANGELES AND
INTERTEK TESTING SERVICES, NA, INC.

THIS AGREEMENT ("Agreement") is made and entered into by and between the CITY OF LOS ANGELES, a municipal corporation ("City"), acting by and through its Board of Harbor Commissioners ("Board") and INTERTEK TESTING SERVICES, NA, INC., a New York corporation, 3933 US Route 11, Cortland, New York, 13045 ("Contractor").

WHEREAS, City requires audit, review and certification of the Harbor Department's ("Department") Construction and Maintenance ("C&M") Environmental Management System ("EMS") to maintain ISO 14001 Certification; and

WHEREAS, City requires the professional, expert and technical services of Contractor on a temporary or occasional basis to assist the City in the conducting audits and review of the Department's C&M EMS in order to maintain its three year certification; and

WHEREAS, Contractor possesses extensive experience in performing audits and review for ISO 14001 Certification; and

WHEREAS, Contractor, by virtue of training and experience, is well qualified to provide such services to City; and

WHEREAS, City does not employ personnel with the required expertise nor is it feasible to do so on a temporary or occasional basis;

NOW, THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:

I. SERVICES TO BE PERFORMED BY CONTRACTOR

A. Contractor hereby agrees to render to City, as an independent contractor, certain professional, technical and expert services of a temporary and occasional character as set forth in Exhibit A ("Scope of Work").

B. Contractor, at its sole cost and expense, shall furnish all services, materials, equipment, subsistence, transportation and all other items necessary to perform the Scope of Work. As between City and Contractor, Contractor is solely responsible for any taxes or fees which may be assessed against it or its employees resulting from performance of the Scope of Work, whether social security, payroll or other, and regardless of whether assessed by the federal government, any state, the City, or any other governmental entity.

C. Contractor acknowledges and agrees that it lacks authority to perform any services outside the Scope of Work. Contractor further acknowledges and agrees that any services it performs outside the Scope of Work are performed as a volunteer and shall not be compensable under this Agreement.

D. The Scope of Work shall be performed by personnel qualified and competent in the sole reasonable discretion of the Executive Director or his or her designee ("Executive Director"), whether performance is undertaken by Contractor or third-parties with whom Contractor has contracted ("Subcontractors"). Obligations of this Agreement, whether undertaken by Contractor or Subcontractors, are and shall be the responsibility of Contractor. Contractor acknowledges and agrees that this Agreement creates no rights in Subcontractors with respect to City and that obligations that may be owed to Subcontractors, including, but not limited to, the obligation to pay Subcontractors for services performed, are those of Contractor alone. Upon Executive Director's written request, Contractor shall supply City's Harbor Department ("Department") with all agreements between it and its Subcontractors.

E. Contractor warrants exclusively to City that the services shall be performed in a manner consistent with that level of care and skill ordinarily exercised by other companies providing like services under similar circumstances. In the event of a breach of this warranty, Contractor will, at its own expense, perform services of the type originally performed as may be reasonably required to correct such defects. Except as expressly stated in this Agreement, Contractor makes no other express warranties. Contractor excludes and disclaims all implied warranties including but not limited to any warranty of fitness for a particular purpose, warranty of merchantability, warranty of workmanlike performance and warranty of results.

II. SERVICES TO BE PERFORMED BY CITY

A. City shall furnish Contractor, upon its request, all documents and papers in possession of City which may lawfully be supplied to Contractor and which are necessary for it to perform its obligations.

B. The Executive Director or his or her designee is designated as the contract administrator for City and shall also decide any and all questions which may arise as to the quality or acceptability of the services performed and the manner of performance, the interpretation of instructions to Contractor and the acceptable completion of this Agreement and the amount of compensation due. Notwithstanding the preceding, the termination of this Agreement shall be governed by the provisions of Article X (Termination) hereof.

C. Contractor shall provide Executive Director with reasonable advance written notice if it requires access to premises of Department. Subsequent access rights, if any, shall be granted to Contractor at the sole reasonable discretion of Executive Director, specifying conditions Contractor must satisfy in connection with such access. Contractor acknowledges that such areas may be occupied or used by

tenants or contractors of City and that access rights granted by Department to Contractor shall be consistent with any such occupancy or use.

III. EFFECTIVE DATE AND TERM OF AGREEMENT

A. Subject to the provisions of Charter Section 245, the effective date of this Agreement shall be the date of its execution by Executive Director upon authorization of the Board. Contractor is aware that the City Council, pursuant to Charter Section 245 of the City of Los Angeles, has the right to review this Agreement. Accordingly, in no event shall this Agreement become effective until the sixth Council meeting day after Board action or the City Council's approval of the Agreement.

B. This Agreement shall be in full force and effect commencing from the date of execution and shall continue until the earlier of the following occurs:

1. Three (3) years have lapsed from the effective date of this Agreement;

or

2. The Board of Harbor Commissioners, in its sole discretion, terminates and cancels all or part of this Agreement for any reason upon giving to Contractor ten (10) days' notice in writing of its election to cancel and terminate this Agreement.

IV. TERMINATION DUE TO NON-APPROPRIATION OF FUNDS

This Agreement is subject to the provisions of the Los Angeles City Charter which, among other things, precludes the City from making any expenditure of funds or incurring any liability, including contractual commitments, in excess of the amount appropriated thereof.

The Board, in awarding this Agreement, is expected to appropriate sufficient funds to meet the estimated expenditure of funds through June 30 of the current fiscal year and to make further appropriations in each succeeding fiscal year during the life of the Agreement. However, the Board is under no legal obligation to do so.

The City, its boards, officers, and employees are not bound by the terms of this Agreement or obligated to make payment thereunder in any fiscal year in which the Board does not appropriate funds therefore. The Contractor is not entitled to any compensation in any fiscal year in which funds have not been appropriated for the Agreement by the Board.

Although the Contractor is not obligated to perform any work under the Agreement in any fiscal year in which no appropriation for the Agreement has been made, the Contractor agrees to resume performance of the work required by the Agreement on the same terms and conditions for a period of sixty (60) days after the

end of the fiscal year if an appropriation therefore is approved by the Board within that 60-day period. The Contractor is responsible for maintaining all insurance and bonds during this 60-day period until the appropriation is made; however, such extension of time is not compensable.

If in any subsequent fiscal year funds are not appropriated by the Board for the work required by the Agreement, the Agreement shall be terminated. However, such termination shall not relieve the parties of liability for any obligation previously incurred.

V. COMPENSATION AND PAYMENT

A. As compensation for the satisfactory performance of the services required by this Agreement, City shall pay and reimburse Contractor at the rates set forth in Exhibit B.

B. The maximum payable under this Agreement, including reimbursable expenses (see Exhibit B), shall be Thirty Thousand Dollars (\$30,000).

C. Contractor shall submit invoices in quadruplicate to City monthly following the effective date of this Agreement for services performed during the preceding month. Each such invoice shall be signed by the Contractor and shall include the following certification:

"I certify under penalty of perjury that the above bill is just and correct according to the terms of Agreement No. _____ and that payment has not been received. I further certify that I have complied with the provisions of the City's Living Wage Ordinance.

(Contractor's Signature)

D. Contractor must include on the face of each itemized invoice submitted for payment its Business Tax Registration Certificate number, as required at Article VIII of this Agreement. No invoice will be processed for payment by City without this number shown thereon. All invoices shall be approved by the Executive Director or his or her designee prior to payment. All invoices due and payable and found to be in order shall be paid as soon as, in the ordinary course of City business, the same may be approved, audited and paid.

Contractor shall submit appropriate supporting documents with each invoice. Such documents may include provider invoices, payrolls, and time sheets. The City may require, and Contractor shall provide, all documents reasonably required to determine whether amounts on the invoice are allowable expenses under this Agreement.

Further, where the Contractor employs Subcontractors under this Agreement, the Contractor shall submit to City, with each monthly invoice, a Monthly Subcontractor Monitoring Report Form (Exhibit C) listing SBE/VSBE/MBE/WBE/DVBE/OBE amounts. Contractor shall provide an explanation for any item that does not meet or exceed the anticipated participation levels for this Agreement, with specific plans and recommendations for improved Subcontractor utilization. Invoices will not be paid without a completed Monthly Subcontractor Monitoring Report Form. All invoices are subject to audit. Contractor is not required to submit support for direct costs items of \$25 or less.

E. For payment and processing, all invoices should be mailed to the following address:

Accounts Payable Section
Harbor Department, City of Los Angeles
P.O. Box 191
San Pedro, CA 90733-0191

VI. RECORDKEEPING AND AUDIT RIGHTS

A. Contractor shall keep and maintain full, complete and accurate books of accounts and records of the services performed under this Agreement in accordance with generally accepted accounting principles consistently applied, which books and records shall be readily accessible to and open for inspection and copying at the premises by City, its auditors or other authorized representatives. Notwithstanding any other provision of this Agreement, failure to do so shall constitute a conclusive waiver of any right to compensation for such services as are otherwise compensable hereunder. Such books and records shall be maintained by Contractor for a period of three (3) years after completion of services to be performed under this Agreement or until all disputes, appeals, litigation or claims arising from this Agreement have been resolved.

B. During the term of this Agreement, City may audit, review and copy any and all writings (as that term is defined in Section 250 of the California Evidence Code) of Contractor and Subcontractors arising from or related to this Agreement or performance of the Scope of Work, whether such writings are (a) in final form or not, (b) prepared by Contractor, Subcontractors or any individual or entity acting for or on behalf of Contractor or a Subcontractor, and (c) without regard to whether such writings have previously been provided to City. Contractor shall be responsible for obtaining access to and providing writings of Subcontractors. Contractor shall provide City at Contractor's sole cost and expense a copy of all such writings within fourteen (14) calendar days of a written request by City. City's right shall also include inspection at reasonable times of the Contractor's office or facilities which are engaged in the performance of the Scope of Work. Contractor shall, at no cost to City, furnish reasonable facilities and assistance for such review and audit. Contractor's failure to comply with this Article VI shall constitute a material breach of this Agreement and shall entitle City to withhold any payment due under this Agreement until such breach is

cured. Contractor shall not be required to give access to or disclose records, reports, documents and other information that are confidential, and/or proprietary, in violation of any confidentiality agreements with third parties, or in any applicable law.

VII. INDEPENDENT CONTRACTOR

Contractor, in the performance of the work required by this Agreement, is an independent contractor and not an agent or employee of City. Contractor shall not represent itself as an agent or employee of the City and shall have no power to bind the City in contract or otherwise.

VIII. BUSINESS TAX REGISTRATION CERTIFICATE

The City of Los Angeles Office of Finance requires the implementation and enforcement of Los Angeles Municipal Code Section 21.09 et seq. This Code Section provides that every person, other than a municipal employee, who engages in any business within the City of Los Angeles, is required to obtain the necessary Business Tax Registration Certificate and pay business taxes. The City Controller has determined that this Code Section applies to consulting firms that are doing work for the Department. See Exhibit D.

IX. INDEMNIFICATION AND INSURANCE

A. Indemnification

Except for the sole negligence or willful misconduct of the City, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, Contractor undertakes and agrees to defend, indemnify and hold harmless the City and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by the City, including but not limited to, costs of experts and contractors), damages or liability of any nature whatsoever, for death or injury to any person, including Contractor's employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Agreement by Contractor or its subcontractors of any tier. Rights and remedies available to the City under this provision are cumulative of those provided for elsewhere in this Agreement and those allowed under the laws of the United States, the State of California, and the City.

B. Acceptable Evidence and Approval of Insurance

Electronic submission is the required method of submitting Contractor's insurance documents. Contractor's insurance broker or agent shall register with the City's online insurance compliance system **Track4LA**™ at <http://track4la.lacity.org/> and submit the appropriate proof of insurance on Contractor's behalf.

C. General Liability Insurance

Contractor shall procure and maintain in effect throughout the term of this Agreement, without requiring additional compensation from the City, commercial general liability insurance covering personal and advertising injury, bodily injury, and property damage providing contractual liability, independent contractors, products and completed operations, and premises/operations coverage written by an insurance company authorized to do business in the State of California rated VII, A- or better in Best's Insurance Guide (or an alternate guide acceptable to City if Best's is not available) within Contractor's normal limits of liability but not less than One Million Dollars (\$1,000,000) combined single limit for injury or claim. Said limits shall provide first dollar coverage except that Executive Director may permit a self-insured retention or self-insurance in those cases where, in his or her judgment, such retention or self-insurance is justified by the net worth of Contractor. The retention or self-insurance provided shall provide that any other insurance maintained by the Harbor Department shall be excess of Contractor's insurance and shall not contribute to it. In all cases, regardless of any deductible or retention, said insurance shall contain a defense of suits provision and a severability of interest clause. Additionally, each policy shall include an additional insured endorsement (CG 2010 or equivalent or on a form acceptable to City) naming the City of Los Angeles Harbor Department, its officers, agents and employees as Primary additional insureds.

D. Automobile Liability Insurance

Contractor shall procure and maintain at its expense and keep in force at all times during the term of this Agreement, automobile liability insurance written by an insurance company authorized to do business in the State of California rated VII, A- or better in Best's Insurance Guide (or an alternate guide acceptable to City if Best's is not available) within Contractor's normal limits of liability but not less than One Million Dollars (\$1,000,000) covering damages, injuries or death resulting from each accident or claim arising out of any one claim or accident. Said insurance shall protect against claims arising from actions or operations of the insured, or by its employees. Coverage shall contain a defense of suits provision and a severability of interest clause. Additionally, each policy shall include an additional insured endorsement (CG 2010 or equivalent or on a form acceptable to City) naming the City of Los Angeles Harbor Department, its officers, agents and employees as Primary additional insureds.

E. Workers' Compensation and Employer's Liability

Contractor shall certify that it is aware of the provisions of Section 3700 of the California Labor code which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that Contractor shall comply with such provisions before commencing the performance of the tasks under this Agreement. Coverage for claims under U.S. Longshore and Harbor Workers' Compensation Act, if required under

applicable law, shall be included. Contractor shall submit Workers' Compensation policies whether underwritten by the state insurance fund or private carrier, which provide that the public or private carrier waives its right of subrogation against the City in any circumstance in which it is alleged that actions or omissions of the City contributed to the accident. Such Worker's Compensation and occupational disease requirements shall include coverage for all employees of Contractor, and for all employees of any subcontractor or other vendor retained by Contractor.

F. Carrier Requirements

All insurance which Contractor is required to provide pursuant to this Agreement shall be placed with insurance carriers authorized to do business in the State of California and which are rated A-, VII or better in Best's Insurance Guide. Carriers without a Best's rating shall meet comparable standards in another rating service acceptable to City.

G. Notice of Cancellation

Contractor shall provide 30 days notification in the event of any of the above required policies are cancelled or materially changed such that Contractor is no longer in compliance with the insurance requirements in this Agreement. Contractor shall send such notifications to the Board of Harbor Commissioners, Attention: Risk Manager and the City Attorney of City by registered mail addressed to 425 S. Palos Verdes Street, San Pedro, California 90731.

H. Modification of Coverage

Executive Director, at his or her discretion, based upon recommendation of independent insurance consultants to City, may increase or decrease amounts and types of insurance coverage required hereunder at any time during the term hereof by giving ninety (90) days' prior written notice to Contractor.

I. Renewal of Policies

Prior to the expiration of each policy, Contractor shall direct their insurance broker or agent to submit to the City's online insurance compliance system **Track4LA™** at <http://track4la.lacity.org/> a renewal endorsement or renewal certificate showing that the policy has been renewed or extended or, if new insurance has been obtained, evidence of insurance as specified above. If Contractor neglects or fails to secure or maintain the insurance required above, Executive Director may, at his or her own option but without any obligation, obtain such insurance to protect City's interests. The cost of such insurance will be deducted from the next payment due Contractor.

J. Right to Self-Insure

Upon written approval by the Executive Director, Contractor may self-insure if the following conditions are met:

1. Contractor has a formal self-insurance program in place prior to execution of this Agreement. If a corporation, Contractor must have a formal resolution of its board of directors authorizing self-insurance.
2. Contractor agrees to protect the City, its boards, officers, agents and employees at the same level as would be provided by full insurance with respect to types of coverage and minimum limits of liability required by this Agreement.
3. Contractor agrees to defend the City, its boards, officers, agents and employees in any lawsuit that would otherwise be defended by an insurance carrier.
4. Contractor agrees that any insurance carried by Department is excess of Contractor's self-insurance and will not contribute to it.
5. Contractor provides the name and address of its claims administrator.
6. Contractor submits its most recently filed 10-Q and its 10-K or audited annual financial statements for the three most recent fiscal years prior to Executive Director's consideration of approval of self-insurance and annually thereafter.
7. Contractor agrees to inform Department in writing immediately of any change in its status or policy which would materially affect the protection afforded Department by this self-insurance.
8. Contractor has complied with all laws pertaining to self-insurance.

K. Accident Reports

Contractor shall report in writing to Executive Director within fifteen (15) calendar days after it, its officers or managing agents have knowledge of any accident or occurrence involving death of or injury to any person or persons, or damage in excess of Five Hundred Dollars (\$500.00) to property, occurring upon the premises, or elsewhere within the Port of Los Angeles if Contractor's officers, agents or employees are involved in such an accident or occurrence. Such report shall contain to the extent available (1) the name and address of the persons involved, (2) a general statement as to the nature and extent of injury or damage, (3) the date and hour of occurrence,

(4) the names and addresses of known witnesses, and (5) such other information as may be known to Contractor, its officers or managing agents.

L. Limitation of Liability

The maximum aggregate liability of Contractor in contract, tort (including negligence and breach of statutory duty) or otherwise for any breach of this Agreement or any matter arising out of or in connection with the services to be provided in accordance with this Agreement shall be the amount of fees paid and payable by the City to Contractor under this Agreement, except: (i) in the case of Contractor's gross negligence or willful misconduct; or (ii) for personal injury or property damage that occurs during the course of Contractor's performance of the services. Neither party shall be liable to the other in contract, tort (including negligence and breach of statutory duty) or otherwise for any: (a) loss of profits; (b) loss of sales or business; (c) loss of opportunity (including without limitation in relation to third party agreements or contracts); (d) loss of or damage to goodwill or reputation; (e) loss of anticipated savings; (f) cost or expenses incurred in relation to making a product recall; (g) loss of use or corruption of software, data or information; or (h) any indirect, consequential loss, punitive or special loss (even when advised of their possibility).

X. TERMINATION PROVISION

The Board of Harbor Commissioners, in its sole discretion, shall have the right to terminate and cancel all or any part of this Agreement for any reason upon giving the Contractor ten (10) days' advance, written notice of the Board's election to cancel and terminate this Agreement. It is agreed that any Agreement entered into shall not limit the right of the City to hire additional Contractors or perform the services described in this Agreement either during or after the term of this Agreement. Upon termination of this Agreement, the City shall immediately discontinue use of the applicable Certification Mark(s) and Certificate(s) of Registration.

XI. PERSONAL SERVICE AGREEMENT

A. During the term hereof, Contractor agrees that it will not enter into other contracts or perform any work without the written permission of the Executive Director where the work may conflict with the interests of the Department.

B. Contractor acknowledges that it has been selected to perform the Scope of Work because of its experience, qualifications and expertise. Any assignment or other transfer of this Agreement or any part hereof shall be void provided, however, that Contractor may permit Subcontractor(s) to perform portions of the Scope of Work in accordance with Article I. All Subcontractors whom Contractor utilizes, however, shall be deemed to be its agents. Subcontractors' performance of the Scope of Work shall not be deemed to release Contractor from its obligations under this Agreement or to impose any obligation on the City to such Subcontractor(s) or give the Subcontractor(s) any rights against the City.

XII. AFFIRMATIVE ACTION

The Contractor, during the performance of this Agreement, shall not discriminate in its employment practices against any employee or applicant for employment because of employee's or applicant's race, religion, national origin, ancestry, sex, age, sexual orientation, disability, marital status, domestic partner status, or medical condition. The provisions of Section 10.8.4 of the Los Angeles Administrative Code shall be incorporated and made a part of this Agreement. All subcontracts awarded shall contain a like nondiscrimination provision. See Exhibit E.

Contractor shall assist the City in implementing this policy and shall use its best efforts to afford the opportunity for SBEs, VSBEs, MBEs, WBEs, DVBEs, and OBEs to achieve participation in subcontracts where such participation opportunities present themselves and attempt to ensure that all available business enterprises, including SBEs, VSBEs, MBEs, WBEs, DVBEs, and OBEs, have equal participation opportunity which might be presented under this Agreement. See Exhibit F.

It is also the policy of the Department to support an increase in local and regional jobs. The Department's Local Business Preference Program aims to benefit the Southern California region by increasing jobs and expenditures within the local and regional private sector. Contractor shall assist the City in implementing this policy and shall use its best efforts to afford the opportunity for Local Business Enterprises to achieve participation in subcontracts where such participation opportunities present themselves.

NOTE: Prior to being awarded a contract with the City, Contractor and all Subcontractors must be registered on the City's Contracts Management and Opportunities Database, Los Angeles Business Assistance Virtual Network (LABAVN), at <http://www.labavn.org>.

XIV. CONFLICT OF INTEREST

It is hereby understood and agreed that the parties to this Agreement have read and are aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the California Government Code relating to conflict of interest of public officers and employees, as well as the Los Angeles Municipal Code (LAMC) Municipal Ethics and Conflict of Interest provisions of Section 49.5.1 et seq. and the Conflict of Interest Codes of the City and the Department. All parties hereto agree that they are unaware

of any financial or economic interest of any public officer or employee of City relating to this Agreement. Notwithstanding any other provision of this Agreement, it is further understood and agreed that if such financial interest does exist at the inception of this Agreement, City may immediately terminate this Agreement by giving written notice thereof.

XVII. TRADEMARKS, COPYRIGHTS, AND PATENTS

Contractor agrees to save, keep, hold harmless, protect and indemnify the City and any of its officers or agents from any damages, cost, or expenses in law or equity from infringement of any patent, trademark, service mark or copyright of any person or persons, or corporations in consequence of the use by City of any materials supplied by Contractor in the performance of this Agreement.

XVIII. PROPRIETARY INFORMATION

A. Writings, as that term is defined in Section 250 of the California Evidence Code (including, without limitation, drawings, specifications, estimates, reports, records, reference material, data, charts, documents, renderings, computations, computer tapes or disks, submittals and other items of any type whatsoever, whether in the form of writing, figures or delineations), which are obtained, generated, compiled or derived in connection with this Agreement (collectively hereafter referred to as "property"), are owned by City as soon as they are developed, whether in draft or final form. City has the right to use or permit the use of property and any ideas or methods represented by such property for any purpose and at any time without compensation other than that provided in this Agreement. Contractor hereby warrants and represents that City at all times owns rights provided for in this section free and clear of all third-party claims whether presently existing or arising in the future, whether or not presently known. Contractor need not obtain for City the right to use any idea, design, method, material, equipment or other matter which is the subject of a valid patent, unless such patent is owned by Contractor or one of its employees, or its Subcontractor or the

Subcontractor's employees, in which case such right shall be obtained without additional compensation. Upon City's request, Contractor, at its sole cost and expense, shall promptly furnish or obtain from the appropriate person a form of license satisfactory to the City. It is expressly understood and agreed that, as between City and Contractor, the referenced license shall arise for City's benefit immediately upon the production of the work product, and is not dependent on the written license specified above. City may transfer such license to its successors in the operation or ownership of any real or personal property now or hereafter owned or operated by City.

XIX. CONFIDENTIALITY

The data, documents, reports, or other materials which contain information relating to the review, documentation, analysis and evaluation of the work described in this Agreement and any recommendations made by Contractor relative thereto shall be considered confidential and shall not be reproduced, altered, used or disseminated by Contractor or its employees or agents in any manner except and only to the extent necessary in the performance of the work under this Agreement, or as required by law. In addition, Contractor is required to safeguard such information from access by unauthorized personnel.

Any Contractor subject to Charter Section 470(c)(12), shall include the following notice in any contract with a subcontractor expected to receive at least \$100,000 for performance under this Agreement:

EXHIBIT A
SCOPE OF WORK

The Los Angeles Harbor Department initiated a pilot Environmental Management System (EMS) in 2003, centered on its largest division, Construction and Maintenance Division (C&M). C&M provides maintenance services to all Harbor Department owned facilities. The facilities extend throughout the terminals and administrative buildings. C&M has its main shop facility located at 500 Pier "A" Street, Berth 161 in Wilmington, California. The C&M facility has approximately 275 staff and craftspeople. In 2007, the EMS was certified to International Organization for Standardization (ISO) 14001:2004 and recertified in 2010 and 2013.

Consultant will provide EMS auditing and registration services for the C&M facility for the three (3) year period of certification. Consultant shall provide a single certificate of approval for the entire operation. Consultant shall conduct a recertification audit to certify compliance of the C&M EMS to ISO 14001:2004. One (1) surveillance audit shall be performed annually to certify that the C&M EMS continues to comply with ISO 14001:2004, or ISO 14001:2015, as appropriate. Audit documents shall be provided in electronic format.

During the term of the Agreement, the Harbor Department shall have the option to authorize Consultant to upgrade the audit services to ISO 14001:2015 pursuant to the terms of Consultant's proposal attached to the Agreement as Exhibit B. This option shall be at the sole discretion of the City and indicated in writing by the City's contract administrator.

RE: ISO 14001:2004 Recertification

SECTION 1 – Firm Qualification, Experience and References

Intertek is a leading provider of quality and safety solutions, serving a wide range of industries around the world. With a global network of more than 1,000 laboratories and offices and over 40,000 people across more than 100 countries, we provide services that add value to our customers' products and processes such as auditing, testing, inspections, certification, outsourcing, advisory, training and quality assurance.

In North America, Intertek received ISO 14001 accreditation from SCC in 1998, and from ANAB in 2000. Intertek has issued hundreds of EMS certificates, from very small businesses to large global multi-site organizations.

We have clients in most industry sectors, particularly in manufacturing (food, automotive, chemicals, metals), government (utilities, Homeland Security, state and provincial management), and services (construction, geophysical, telemetry & data management, etc.).

Intertek has a mix of full-time and contract environmental auditors with expertise in a wide-ranging array of disciplines. Intertek has recently been upgraded by our accreditation bodies to the TS17021-2 requirement for competency of EMS auditors. Our auditor qualification process rigorously evaluates competency to environmental aspects and associated regulatory requirements. Multiple accreditation body auditors have called our competency evaluations a "benchmark" process.

Current ISO 14001 with similar scopes:

The Greater Cleveland Transit Authority – Administration, facilities maintenance and engineering.

Miller Group – Management, Maintenance, repair and service of infrastructure.

Honeywell Buildings Solutions - Facilities management and maintenance

Section 2 – Project Organization, Personnel and Staffing

Project Organization

If you decide to move forward with Intertek, we will work hard to develop an audit plan, based on your specific needs and objectives. We will establish regular communications with your organization, and build a long-lasting relationship which is marked by trust and quality of service.

Transfers

For Transfers Intertek will require a copy of the existing certificates, reports from last certification cycle (Initial or recertification and subsequent surveillance audits), including nonconformities, including closure to the non-conformities and any other available relevant documentation and the customer must indicate whether it is currently engaged with regulatory bodies with respect to legal compliance (notices of violations, breaches, court actions, and consent orders). Once this information is reviewed by the technical team the new certificates can be issued.

Issuing of certificates

Typically certificates are issued within 10 business days after a transfer is completed. For new certifications or re-registrations certificates are issued within 10 business days after the audit report is reviewed by our technical team. The audit report is only submitted and reviewed once CARs have been approved and Non-Conformances have been closed.

Audit Process when standards are revised

When standards are revised, the IAF and local accreditation bodies issue rules governing the transition process. These rules will specify timing (i.e., such as 3-year transition period for the transition activities). For the revision to ISO 14001:2015, Intertek will provide communications to clients on the transition deadlines and requirements. Intertek will develop audit upgrade tools and train auditors on the upgrade process. Intertek will provide a specific quote for "upgrade" audit time, which is typically additional time spent at already-scheduled surveillance or recertification

audits. As well, Intertek offers webinars and public training courses related to the new standards.

Example:

2016 - Transfer of existing certificate.

- Audit to be scheduled and Audit plan sent to client minimum two weeks before the audit.
- On-site re-registration audit.
- Issuing of report
- Closure of non-conformances if any
- Issuing of certificate – 10 days after closure and technical review.

Auditor Qualification

Intertek has a global auditor pool that is constantly growing and developing. Our auditors bring many years of field experience, classroom education, and on-the-job training with them. They have been successfully qualified for EMS through the updated ISO 17021 and TS17021-2 competency criteria.

Currently Intertek has 21 full-time and 22 contract auditors in North America qualified to audit ISO 14001.

We would recommend Nitin Desai and/or Rebecca Carter as your ISO 14001 auditors. They are both Lead Auditors and have extensive experience.

In addition, special audits may be necessary as a result of field complaints, product recalls, and customer reports of poor trends in quality, delivery and/or services or related issues. Investigative visits of this type will be billed at a flat rate with travel costs and based on a minimum of one day.

EXHIBIT E - AFFIRMATIVE ACTION PROGRAM PROVISIONS

Sec. 10.8.4 Affirmative Action Program Provisions.

Every non-construction contract with or on behalf of the City of Los Angeles for which the consideration is \$100,000 or more and every construction contract with or on behalf of the City of Los Angeles for which the consideration is \$5,000 or more shall contain the following provisions which shall be designated as the AFFIRMATIVE ACTION PROGRAM provisions of such contract:

- A. During the performance of City contract, the contractor certifies and represents that the contractor and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status, domestic partner status, or medical condition.
 - 1. This provision applies to work or services performed or materials manufactured or assembled in the United States.
 - 2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
 - 3. The contractor shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

- B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status, domestic partner status, or medical condition.

- C. As part of the City's supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, the contractor shall certify on an electronic or hard copy form to be supplied, that the contractor has not discriminated in the performance of City contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status, domestic partner status, or medical condition.

- D. The contractor shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City contracts, and on their or either of their request to provide evidence that it has or will comply therewith.

- E. The failure of any contractor to comply with the Affirmative Action Program provisions of City contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to the contractor.
- F. Upon a finding duly made that the contractor has breached the Affirmative Action Program provisions of a City contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said contractor is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.
- G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that the contractor has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City contract, there may be deducted from the amount payable to the contractor by the City of Los Angeles under the contract, a penalty of TEN DOLLARS (\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a City contract.
- H. Notwithstanding any other provisions of a City contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.
- I. The Public Works Board of Commissioners shall promulgate rules and regulations through the Office of Contract Compliance and provide to the awarding authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an awarding authority of the City to accomplish this contract compliance program.
- J. Nothing contained in City contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.
- K. The Contractor shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the City. The plan shall be subject to approval by the

Office of Contract Compliance prior to award of the contract. The awarding authority may also require contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve

months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, the contractor may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, the contractor must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.

1. Every contract of \$5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.
 2. A contractor may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.
- L. The Office of Contract Compliance shall annually supply the awarding authorities of the City with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and the contractor.
- M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:
1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
 2. Classroom preparation for the job when not apprenticeable;
 3. Pre-apprenticeship education and preparation;
 4. Upgrading training and opportunities;

5. Encouraging the use of contractors, subcontractors and suppliers of all racial and ethnic groups, provided, however, that any contract subject to this ordinance shall require the contractor, subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the contractor's, subcontractor's or supplier's geographical area for such work;
 6. The entry of qualified women, minority and all other journeymen into the industry; and
 7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.
- N. Any adjustments which may be made in the contractor's or supplier's workforce to achieve the requirements of the City's Affirmative Action Contract Compliance Program in purchasing and construction shall be accomplished by either an increase in the size of the workforce or replacement of those employees who leave the workforce by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.
- O. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by the contractor at his or her discretion. Approved Affirmative Action Agreements become the property of the City and may be used at the discretion of the City in its Contract Compliance Affirmative Action Program.
- P. This ordinance shall not confer upon the City of Los Angeles or any Agency, Board or Commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by contractors or suppliers engaged in the performance of City contracts.
- Q. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the City and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the City.

EXHIBIT F

SMALL/VERY SMALL BUSINESS ENTERPRISE PROGRAM AND LOCAL BUSINESS PREFERENCE PROGRAM

(1) SMALL/VERY SMALL BUSINESS ENTERPRISE PROGRAM

The City of Los Angeles Harbor Department is committed to creating an environment that provides all individuals and businesses open access to the business opportunities available at the Harbor Department in a manner that reflects the diversity of the City of Los Angeles. The Harbor Department's Small Business Enterprise (SBE) Program was created to provide additional opportunities for small businesses to participate in professional service and construction contracts. An overall Department goal of 25% SBE participation, including 5% Very Small Business Enterprise (VSBE) participation, has been established for the Program. The specific goal or requirement for each contract opportunity may be higher or lower based on the scope of work.

It is the policy of the Harbor Department to solicit participation in the performance of all service contracts by all individuals and businesses, including, but not limited to, SBEs, VSBEs, women-owned business enterprises (WBEs), minority-owned business enterprises (MBEs), and disabled veteran business enterprises (DVBES). The SBE Program allows the Harbor Department to target small business participation, including MBEs, WBEs, and DVBES, more effectively. It is the intent of the Harbor Department to make it easier for small businesses to participate in contracts by providing education and assistance on how to do business with the City, and ensuring that payments to small businesses are processed in a timely manner. **In order to ensure the highest participation of SBE/VSBE/MBE/WBE/DVBES, all proposers shall utilize the City's contracts management and opportunities database, the Los Angeles Business Assistance Virtual Network (LABAVN), at <http://www.labavn.org>, to outreach to potential subcontractors.**

The Harbor Department defines a SBE as an independently owned and operated business that is not dominant in its field and meets criteria set forth by the Small Business Administration in Title 13, Code of Federal Regulations, Part 121. Go to www.sba.gov for more information. The Harbor Department defines a VSBE based on the State of California's Micro-business definition which is 1) a small business that has average annual gross receipts of \$3,500,000 or less within the previous three years, or (2) a small business manufacturer with 25 or fewer employees.

The SBE Program is a results-oriented program, requiring consultants who receive contracts from the Harbor Department to perform outreach and utilize certified small businesses. **Based on the work to be performed, it has been determined that the percentage of small business participation will be 0%, including 0% VSBE participation.** The North American Industry Classification System (NAICS) Code for the scope of services is 541990. This NAICS Code is the industry code that corresponds to at least 51% of the scope of services and will be used to determine the size standard for SBE participation of the Prime Consultant. The maximum SBE size standard for this NAICS Code is \$14 million.

Consultant shall be responsible for determining the SBE status of its subconsultants for purposes of meeting the small business requirement. Subconsultants must qualify as an SBE based on the type of services that they will be performing under the Agreement. All business participation will be determined by the percentage of the total amount of compensation under the agreement paid to SBEs. The Consultant shall not substitute an SBE firm without obtaining prior approval of the City. A request for substitution must be based upon demonstrated good cause. If substitution is permitted, Consultant shall endeavor to make an in-kind substitution for the substituted SBE.

(2) LOCAL BUSINESS PREFERENCE PROGRAM:

The Harbor Department is committed to maximizing opportunities for local and regional businesses, as well as encouraging local and regional businesses to locate and operate within the Southern California region. It is the policy of the Harbor Department to support an increase in local and regional jobs. The Harbor Department's Local Business Preference Program (LBPP) aims to benefit the Southern California region by increasing jobs and expenditures within the local and regional private sector.

The Harbor Department defines a LBE as:

- (a) A business headquartered within Los Angeles, Orange, Riverside, San Bernardino, or Ventura Counties; or
- (b) A business that has at least 50 full-time employees, or 25 full-time employees for specialty marine contracting firms, working in Los Angeles, Orange, Riverside, San Bernardino, or Ventura Counties.

In order for Harbor Department staff to determine the appropriate LBE preference, Consultant shall complete, sign, notarize (where applicable) and submit the attached Affidavit and Contractor Description Form. The Affidavit and Contractor Description Form will signify the LBE status of the Consultant and subconsultants. Prior to contract award, the Harbor Department will verify the status of all LBEs.

Consultant shall complete, sign, notarize (where applicable) and submit as part of the executed agreement the attached Affidavit and Contractor Description Form. The Contractor Description Form, when signed, will signify the Consultant's intent to comply with the SBE and LBPP requirements. Prior to contract award, the Harbor Department will verify the status of all SBEs. In addition, prior to being awarded a contract with the Harbor Department, all contractors and subcontractors must be registered on LABAVN.

In the event of Consultant's noncompliance during the performance of the Agreement, Consultant shall be considered in material breach of contract. In addition to any other remedy available to City under this Agreement or by operation of law, the City may withhold invoice payments to Consultant until noncompliance is corrected, and assess the costs of City's audit of books and records of Consultant and its subconsultants. In the event the Consultant falsifies or misrepresents information contained in any form or other willful noncompliance as determined by City, City may disqualify the Consultant from participation in City contracts for a period of up to five (5) years.

AFFIDAVIT OF COMPANY STATUS

"The undersigned declares under penalty of perjury pursuant to the laws of the State of California that the following information and information contained on the attached Consultant Description Form is true and correct and include all material information necessary to identify and explain the operations of

EXHIBIT G

Sec. 10.8.2.1. Equal Benefits Ordinance.

Discrimination in the provision of employee benefits between employees with domestic partners and employees with spouses results in unequal pay for equal work. Los Angeles law prohibits entities doing business with the City from discriminating in employment practices based on marital status and/or sexual orientation. The City's departments and contracting agents are required to place in all City contracts a provision that the company choosing to do business with the City agrees to comply with the City's nondiscrimination laws.

It is the City's intent, through the contracting practices outlined in this Ordinance, to assure that those companies wanting to do business with the City will equalize the total compensation between similarly situated employees with spouses and with domestic partners. The provisions of this Ordinance are designed to ensure that the City's contractors will maintain a competitive advantage in recruiting and retaining capable employees, thereby improving the quality of the goods and services the City and its people receive, and ensuring protection of the City's property.

(c) Equal Benefits Requirements.

(1) No Awarding Authority of the City shall execute or amend any Contract with any Contractor that discriminates in the provision of Benefits between employees with spouses and employees with Domestic Partners, between spouses of employees and Domestic Partners of employees, and between dependents and family members of spouses and dependents and family members of Domestic Partners.

(2) A Contractor must permit access to, and upon request, must provide certified copies of all of its records pertaining to its Benefits policies and its employment policies and practices to the DAA, for the purpose of investigation or to ascertain compliance with the Equal Benefits Ordinance.

(3) A Contractor must post a copy of the following statement in conspicuous places at its place of business available to employees and applicants for employment: "During the performance of a Contract with the City of Los Angeles, the Contractor will provide equal benefits to its employees with spouses and its employees with domestic partners." The posted statement must also include a City contact telephone number which will be provided each Contractor when the Contract is executed.

(4) A Contractor must not set up or use its contracting entity for the purpose of evading the requirements imposed by the Equal Benefits Ordinance.

(d) Other Options for Compliance. Provided that the Contractor does not discriminate in the provision of Benefits, a Contractor may also comply with the Equal Benefits Ordinance in the following ways:

(1) A Contractor may provide an employee with the Cash Equivalent only if the DAA determines that either:

a. The Contractor has made a reasonable, yet unsuccessful effort to provide Equal Benefits; or

b. Under the circumstances, it would be unreasonable to require the Contractor to provide Benefits to the Domestic Partner (or spouse, if applicable).

(2) Allow each employee to designate a legally domiciled member of the employee's household as being eligible for spousal equivalent Benefits.

(3) Provide Benefits neither to employees' spouses nor to employees' Domestic Partners.

(e) Applicability.

(1) Unless otherwise exempt, a Contractor is subject to and shall comply with all applicable provisions of the Equal Benefits Ordinance.

(2) The requirements of the Equal Benefits Ordinance shall apply to a Contractor's operations as follows:

a. A Contractor's operations located within the City limits, regardless of whether there are employees at those locations performing work on the Contract.

b. A Contractor's operations on real property located outside of the City limits if the property is owned by the City or the City has a right to occupy the property, and if the Contractor's presence at or on that property is connected to a Contract with the City.

c. The Contractor's employees located elsewhere in the United States but outside of the City limits if those employees are performing work on the City Contract.

(3) The requirements of the Equal Benefits Ordinance do not apply to collective bargaining agreements ("CBA") in effect prior to January 1, 2000. The Contractor must agree to propose to its union that the requirements of the Equal Benefits Ordinance be incorporated into its CBA upon amendment, extension, or other modification of a CBA occurring after January 1, 2000.

(f) Mandatory Contract Provisions Pertaining to Equal Benefits. Unless otherwise exempted, every Contract shall contain language that obligates the Contractor to comply with the applicable provisions of the Equal Benefits Ordinance. The language shall include provisions for the following:

(1) During the performance of the Contract, the Contractor certifies and represents that the Contractor will comply with the Equal Benefits Ordinance.

(2) The failure of the Contractor to comply with the Equal Benefits Ordinance will be deemed to be a material breach of the Contract by the Awarding Authority.

(3) If the Contractor fails to comply with the Equal Benefits Ordinance the Awarding Authority may cancel, terminate or suspend the Contract, in whole or in part, and all monies due or to become due under the Contract may be retained by the City. The City may also pursue any and all other remedies at law or in equity for any breach.

(4) Failure to comply with the Equal Benefits Ordinance may be used as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, et seq., Contractor Responsibility Ordinance.

(5) If the DAA determines that a Contractor has set up or used its Contracting entity for the purpose of evading the intent of the Equal Benefits Ordinance, the Awarding Authority may terminate the Contract on behalf of the City. Violation of this provision may be used as evidence against the Contractor in actions taken pursuant to the provisions of Los Angeles Administrative Code Section 10.40, et seq., Contractor Responsibility Ordinance.
