

**THE PORT
OF LOS ANGELES**
Executive Director's
Report to the
Board of Harbor Commissioners

LEVEL I COASTAL DEVELOPMENT PERMIT REPORT

DATE: MAY 17, 2017

**TO: HONORABLE MEMBERS OF THE BOARD OF HARBOR
COMMISSIONERS**

BACKGROUND

In accordance with the approved Port of Los Angeles Master Plan (PMP), the Executive Director is designated with the authority to approve or deny applications for Level I Coastal Development Permits (CDP), but these CDPs only become effective when the permits are reported in writing to the Board of Harbor Commissioners (Board). No Board action is required. Additionally, the PMP provides that a Level I CDP that is being reported to the Board can be stayed if any two Board members so request. In this case, the CDP would be agendaized for the next regular Board meeting and would require Board action to be approved or denied.

PERMIT ACTIONS

The Executive Director has approved one Level I CDP:

CDP No. 17-06 Port of Los Angeles – Site improvements to allow placement of bike-share equipment

The project location for the approved CDP is identified on the attached map (Transmittal 1).

CDP No. 17-06 Port of Los Angeles – Site improvements to allow placement of bike-share equipment

CDP No. 17-06 (Transmittal 2) allows for site improvements to place bike-share equipment at two of the eleven bike-share locations as outlined in the Application for Port Permit (APP) No. 161201-170. The improvements include, but are not limited to, minor paving and landscape modifications. This CDP also allows minor site improvements at any of the remaining nine locations if needed.

SUBJECT: LEVEL I CDP REPORT

The Environmental Management Division has completed an Environmental Assessment for the project and determined it is exempt from the requirements of the California Environmental Quality Act (CEQA).

The estimated project cost is \$20,000 and will be paid by the Port of Los Angeles.
