SUBJECT: NOTICE OF PUBLIC HEARING AND PUBLIC REVIEW PERIOD EXTENSION – INITIAL STUDY/MITIGATED NEGATIVE DECLARATION FOR THE BERTHS 148-151 [PHILLIPS 66] MARINE OIL TERMINAL IMPROVEMENTS (MOTEMS) PROJECT, PORT OF LOS ANGELES – PRESENTATION AND PUBLIC COMMENT OPPORTUNITY

The City of Los Angeles Harbor Department (Harbor Department) prepared a Draft Initial Study/Mitigated Negative Declaration (IS/MND) (SCH No: 2021110263) to address the environmental effects of the Berth 148-151 [Phillips 66] Marine Oil Terminal Wharf Improvements Project (Project) in the Port of Los Angeles (Port).

The primary objective of the Project is to ensure that the Phillips 66 marine oil terminal (MOT) at Berths 148-151 complies with Marine Oil Terminal Engineering and Maintenance Standards (MOTEMS) to protect public health, safety, and the environment. The timber wharf at Berths 150-151 would be replaced with a new concrete wharf and associated equipment to comply with MOTEMS seismic and safety standards. The Project includes temporary improvements at Berths 148-149 that would allow these berths to continue to be utilized while the Berths 150-151 are being reconstructed. The Project also includes consideration of a new 20-year entitlement (with two potential 10-year additional options) to Phillips 66 for continued operations at Berths 148-151.

Due to comments received during the public during the comment period, the Harbor Department is holding a Virtual Public Hearing on March 23, 2022, at 5PM. At the Public Hearing, Project elements will be described and clarified as appropriate. After the presentation, the public will have an opportunity to present verbal comments. No registration is required. Simultaneous Spanish translation services will be provided.

SIP: 82721587136@zoomcrc.com

Passcode: 278517

After the Public Hearing, an additional 30-day public comment period will begin. Comments on the IS/MND should be submitted in writing prior to the end of the public review period and must be postmarked by **April 22, 2022**. Please submit written comments to:

Christopher Cannon, Director
City of Los Angeles Harbor Department
Environmental Management Division
425 S. Palos Verdes Street
San Pedro, CA 90731

Written comments may also be sent via email to ceqacomments@portla.org. All correspondence, through mail or email, should include the project title in the subject line. For additional information, please contact the Harbor Department's Environmental Management Division at (310) 732-3097.

Sincerely,

CHRISTOPHER CANNON
Director of Environmental Management
