PUBLIC HEARING
on Draft Environmental Document

Tuesday, November 1, 2011
from 6:00 p.m. to 8:00 p.m.
at the John Mendez Youth Center,
707 W. C Street, Wilmington CA, 90744

I-110/C STREET INTERCHANGE PROJECT
Welcome Message

Karl Price, Caltrans
Christopher Cannon, Port of Los Angeles
Introduction to Public Hearing

Laura Masterson, Port of Los Angeles
Presentation Agenda

1. Introduction
   • Meeting Format
   • Environmental Review Process

2. Project Information
   • Project Purpose
   • Project Features
   • Schedule
   • Summary of Environmental Findings

3. Public Comments
   • Availability of Draft Environmental Document
   • Your Role
Meeting Format

- This is a public hearing for the Draft Environmental Document (Draft IS/EA)
- Written comments on Draft IS/EA accepted via comment card
- Oral comments on Draft IS/EA limited to 3 minutes each (please fill in the speaker card)
- All public comments will be considered and included in the Final IS/EA
Environmental Review Process

Notice of Initiation of Studies → Open House Meeting → Technical Study/Analysis → Draft IS/EA → Public Hearing

Jan 7, 2009

Final IS with MND and EA with FONSI

- Historic/Cultural
- Air Quality
- Noise
- Biological Resources
- Water Resources
- Hazardous Waste
- Land Use
- Community Impacts
- Traffic Circulation
- Geology/Seismicity
- Visual Assessment
- Public Utilities

We Are Here
Project Information

Steve Leathers,
HDR Engineering
Project Purpose

- Direct Port traffic away from the Wilmington community
- Reduce queuing of trucks on Figueroa Street
- Eliminate cut through traffic on C Street
- Improve safety for all roadway users
- Reduce existing and anticipated future traffic congestion
Project Vicinity

I-110/C Street Interchange Project

John S. Gibson Project Related Project
Hearing was August 18, 2011
Integration With Other Projects
Integration With Other Projects
Integration With Other Projects
Integration With Other Projects

C STREET INTERCHANGE PROJECT

WILMINGTON WATERFRONT PARK

TRA-PACT TERMINAL IMPROVEMENTS
Project Features

- Combine John S Gibson Blvd/ Harry Bridges Blvd and C Street/Figueroa St. intersection
- Cul de Sac at C Street
- Realign Harry Bridges Blvd
- Northbound Off-ramp Structure
Proposed Project
I-110/C STREET INTERCHANGE PROJECT

**Project Schedule**

- **Environmental Clearance**
  - Sept 2010
  - Jan 2011
  - May 2011

- **Project Report**
  - Sept 2011

- **Preliminary Design**
  - Jan 2012

- **Final Design**
  - May 2012

- **Bid**
  - Sept 2012

- **Construction (2 years)**
  - Jan 2013
  - May 2013
  - Sept 2013
  - Jan 2014
  - May 2014
  - Sept 2014
  - Jan 2015
  - May 2015
Environmental Analysis Findings

Shilpa Trisal, ICF International
Temporary Impacts During Construction

- Temporary impacts on traffic, air, water quality, noise & utilities
- Potential for discovery of unknown archaeological or paleontological resources from site excavation
- Disturbance of hazardous materials during demolition and excavation
Temporary Impacts During Construction

- Site clearing and ground disturbance could affect nesting birds
- Invasive plant species may be spread in and out of construction area
Mitigation Measures During Construction

- Develop and implement Traffic Management Plan
- Implement Caltrans noise control measures
- Implement POLA Sustainable Construction Guidelines for Reducing Air Emissions
- Continue public outreach to keep area businesses and residents informed of construction activities and progress
Mitigation Measures During Construction

- Develop and implement paleontology mitigation plan
- Implement hazardous materials management plan during construction
- Clean construction equipment to prevent spreading of invasive plant species
- Implement surveys for nesting birds
- Landscape and revegetate disturbed areas to the greatest extent feasible
Long-Term Impacts

- Minor impact to aesthetics from new I-110 to Harry Bridges Boulevard Undercrossing
Mitigation Measures for Long-Term Impacts

- Develop context-sensitive solutions for landscape treatments based on Caltrans aesthetics and landscape guidance
Availability of Document
Laura Masterson, Port of Los Angeles
Availability of Draft IS/EA

• Local Libraries
  – San Pedro City Library
  – Wilmington City Library

• Websites
  – Port Website at http://www.portoflosangeles.org/
  – Caltrans website at http://www.dot.ca.dist07/resources/envdocs/

• POLA /Caltrans Offices
  – POLA - Engineering Division (425 S. Palos Verdes St., San Pedro)
  – Caltrans District 7 (100 S. Main St., Los Angeles)
Your Role

• Review Draft IS/EA
• Express your comments verbally or in writing today
• Send in your comments by November 14, 2011

Christopher Cannon, Director
Environmental Management Division
Port of Los Angeles
