Dear Mr. Padilla:

SUBJECT: TIME LIMIT WAIVER FOR PORT OF LOS ANGELES MASTER PLAN

The South Coast office of the California Coastal Commission (Coastal Commission) formally received the Port of Los Angeles Master Plan (PMP) update on August 26, 2013. Pursuant to Section 30714 of the Coastal Act, the Coastal Commission must take action on the PMP within 90-days of submission. The 90-day time limit ends on November 24, 2013.

On October 24, 2013, the City of Los Angeles Harbor Department (Harbor Department) received a request from Coastal Commission staff to waive the time limit in order to work together to resolve any outstanding issues. In response, the Harbor Department agrees to waive the time limit with the intention of scheduling the PMP for the Coastal Commission's December 2013 hearing.

Please contact Michael Cham of my staff at (310) 732-3850 or mcham@portla.org with any questions or requests.

Sincerely,

DAVID L. MATHEWSON
Director of Planning & Economic Development
