

San Pedro Bay Ports Clean Air Action Plan

News Release

Joint Commission Meeting Oct. 6 on Clean Air Action Plan Los Angeles and Long Beach boards to consider 2010 CAAP Update

The Los Angeles and Long Beach boards of harbor commissioners will convene a special joint meeting 2 p.m. Wednesday, October 6 at Banning's Landing Community Center in Wilmington to consider the 2010 San Pedro Bay Ports Clean Air Action Plan (CAAP) Update.

The 2010 CAAP Update is a new version of the Clean Air Action Plan adopted by the ports of Los Angeles and Long Beach in 2006 to reduce air pollution from port operations. The Update sets even more aggressive goals and strategies for reducing air pollution and health risks from goods movement.

**Joint meeting of Los Angeles and Long Beach boards of harbor commissioners
Wednesday, October 6, 2 p.m.**

Banning's Landing Community Center, 100 E. Water St., Wilmington 90744

Live Webcast: www.polb.com/webcast and on the Port of Los Angeles website [here](#).

The 2010 CAAP Update, Fact Sheet, Synopsis of Significant Changes and "Response to Comments" document are available at www.cleanairactionplan.org, www.polb.com/caap or www.portoflosangeles.org.

The original CAAP and the 2010 CAAP Update were developed with significant input and collaboration among the ports, the U.S. Environmental Protection Agency, California Air Resources Board and South Coast Air Quality Management District.
