Executive Director's
Report to the
Board of Harbor Commissioners

LEVEL I COASTAL DEVELOPMENT PERMIT REPORT

DATE: AUGUST 6, 2019

**TO: HONORABLE MEMBERS OF THE BOARD OF HARBOR
COMMISSIONERS**

BACKGROUND

In accordance with the approved Port of Los Angeles Master Plan (PMP), the Executive Director is designated with the authority to approve or deny applications for Level I Coastal Development Permits (CDP), but these CDPs only become effective when the permits are reported in writing to the Board of Harbor Commissioners (Board). No Board action is required. Additionally, the PMP provides that a Level I CDP that is being reported to the Board can be stayed if any two Board members so request. In this case, the CDP would be agendaized for the next regular Board meeting and would require Board action to be approved or denied.

PERMIT ACTIONS

The Executive Director issued Level I CDP No. 19-10 on August 1, 2019.
