# HATE CRIME/INCIDENT GUIDELINES

## FIELD NOTEBOOK DIVIDER

### DEFINITIONS:

#### HATE CRIME

A Hate Crime is any criminal act or attempted criminal act *rooted in bias and* directed against a person(s), public agency or private institution based *in whole or in part* on the victim's actual or perceived race, *ethnicity*, nationality, religion, sexual orientation, disability, gender, *gender identity or gender expression* or because the agency or institution is identified or associated with a person or group of an identifiable *or perceived* race, nationality, religion, sexual orientation, disability, gender, *gender identity or gender expression*. A Hate Crime includes an act which results in injury, however slight; a verbal threat of violence which apparently can be carried out; an act which results in property damage; and property damage or other criminal act(s) directed against a public or private agency.

#### HATE INCIDENT

A Hate Incident is any non-criminal act including words directed against a person(s) based on that person's actual or perceived race, nationality, religion, sexual orientation, disability, gender, *gender expression or gender identity that is not punishable under the California Penal Code or federal law. Hatred incidents are differentiated from hate crimes because they do not violate criminal or civil law. Rather, such incidents are generally protected free speech under the First Amendment to the U.S. Constitution.*

Hate Incidents include, but are not limited to, epithets, distribution of hate material in public places, posting of hate material that does not result in property damage, and the display of *hate* material on one's own property. *However, if over an extended period of time a person directs numerous bigoted, biased or prejudiced statements to the same person, such a pattern of conduct could rise to the level of unlawful criminal harassment or stalking under certain state laws.*

### **POLICY STATEMENTS:**

The City of Los Angeles values the great diversity of its people and recognizes that a threat against any portion of our community is truly a threat against our diverse way of life. Acts or threats of violence motivated by hatred or prejudice are serious acts, often vicious in nature, which tear at the fabric of our community. These occurrences generate fear and concern among victims as well as the entire community and have the potential of recurring, escalating and possibly causing counter-violence.

It is the policy of the Los Angeles Police Department to ensure that the rights of all people, as guaranteed by the Constitutions of the United States and the State of California, are protected. Among those constitutional guarantees is the right of all people to live without fear of attack by or threat from an individual or group due to hatred or prejudice. An act or a threat of violence motivated by hatred or prejudice threatens this constitutional guarantee and generates fear and concern among victims and the public. When any act motivated by hatred or prejudice occurs, the Department will ensure that it is dealt with on a priority basis and use every necessary legal resource to rapidly and decisively identify the suspects and bring them to justice.

# HATE CRIMES

## RESOURCE PAMPHLET

The City of Los Angeles has a unique and culturally diverse population. Its residents represent nearly every culture, nationality, race, and religion on earth. This diversity has significantly contributed to making Los Angeles the vibrant and dynamic City it is today. There are people and groups who commit crimes and acts against members of specific groups. These crimes and acts are called "Hate Crimes" and "Hate Incidents." It is important to know the facts about hate crimes and hate incidents. Knowing the facts places the community in a better position to recognize hate crimes and hate incidents as a very serious community problem.

## HATE CRIMES

A hate crime is any criminal act or attempt directed against a person(s), public agency, or private institution based on the victim's actual or perceived race, nationality, immigration status, religion, sexual orientation, disability, or gender or because the agency, institution or victim is identified or associated with a person or group of an identifiable race, nationality, religion, sexual orientation, disability, or gender.

- Examples of hate crimes include:
- Acts that result in injury, no matter how slight the injury appears.
  - Threats of violence that look like they can be carried out.
  - Vandalism and other destructive acts, resulting in property damage.
  - Any criminal act or attempted criminal act, including property damage, directed against public or private agencies, or a particular religion (e.g., symbols of importance or articles considered of spiritual significance).
  - Harassment, including anonymous telephone calls, threatening letters, and interruptions of religious services.
  - Threats made verbally, in writing, and by means of electronic communication devices which can apparently be carried out. (Electronic communication device includes, but is not limited to, telephones, cellular telephones, computers, video recorders, fax machines, or pagers.)
  - Murder.

## HATE INCIDENTS

A hate incident is any noncriminal act including words directed against a person(s) based on that person's actual or perceived race, nationality, religion, sexual orientation, disability, or gender.

- Examples of hate incidents include:
- Epithets.
  - Distribution of hate material in public places.
  - Posting of hate material that does not result in property damage.
  - The display of offensive material on one's own property.

## WHAT CAN BE DONE?

Hate crimes and hate incidents not only affect the victim but also the community. Hate crimes and hate incidents strike at the heart of our society. Our country, constitution, and national character are based on tolerance and respect for the rights and needs of the individual. Hate crimes and hate incidents directly attack those founding principles; breeding fear, distrust, and uncertainty in the community.

Hate crimes can be prosecuted either as misdemeanors or felonies, depending on the severity of the acts committed. Hate crimes and hate incidents are tracked by the Los Angeles Police Department.

Historically, hate crimes have been under-reported; thus many are not prosecuted. Law Enforcement, the Los Angeles Police Department, and the Los Angeles City, County and U. S. Attorneys' Offices, are all committed to apprehending and prosecuting perpetrators.

## RESPECT DIVERSITY!

Respect diversity at work and in your community. The more you learn and know about different cultures and traditions, the richer your life will be. Additionally, support the efforts of the community to fight hate crimes and hate incidents through programs and projects on cultural diversity, human relations, and conflict resolution. Promote the sharing of cultural events and holidays.

## IF YOU HAVE KNOWLEDGE ABOUT THE PERPETRATOR OF A HATE CRIME

You are encouraged to contact the LAPD's Crime Tip Hotline. Public cooperation is often essential in solving hate crimes.
