Attention: **Michael Swords,**

Gentlemen:

Enclosed are phone logs showing that we called all prequalified infrastructure relocation subcontractors and in fact, called several of them repeatedly.

We did not receive any quotes from the listed pre-qualified infrastructure relocation subcontractors.

Griffith was called twice by Vern Paine and once by Cliff Dawley.

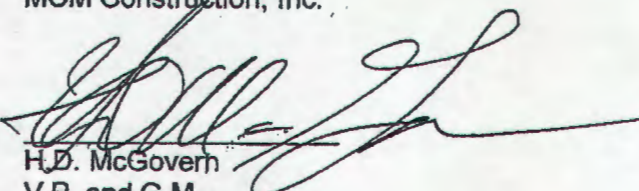

Also enclosed is a written summary of the estimators efforts to obtain a quote from the listed prequalified infrastructure relocation subcontractors.

Foundation Pile, Inc. is performing all pile driving work.

Your prompt award of the project to our Company will be appreciated.

Sincerely,

MCM Construction, Inc.
