

EXPORT DOCUMENTATION

BRIEFING

Getting it right the first time. And all the time.

Join the Los Angeles Area Chamber of Commerce and Fast Track Global Services to learn how to get your goods to your target countries ... efficiently and without pitfalls.

Exporting products requires passing through many document processing gateways.

GETTING THAT RIGHT IS THE KEY TO SUCCESSFUL EXPORTS!

LEARN FROM EXPERTS ABOUT OVERSEAS DISTRIBUTORS AND THEIR CHALLENGES:

- Understand the various levels of Certificates of Free Sale and their differences.
- Learn where to get your documents: Certificate of Free Sale, GMP Certificate, Certificate of Origin and more.
- Understand the documents needed to register your products with various Ministries of Health in each country.
- Learn why and which documents are needed for hassle-free exports.

JOIN US TO GET SOLUTIONS FROM EXPERT SPEAKERS AND LEARN ABOUT THE FOLLOWING:

- International agreements and pitfalls.
- Import licenses and navigating product registration issues.
- Certification of documents with various embassies.

NOT GETTING PAID? GOODS HELD IN CUSTOMS?

- Errors in documents submitted under letters of credit = No Payment.
- Incomplete or inaccurate documents accompanying shipments = No Loading or Goods Seized at Entry.
- Certificate of Origin/commercial invoice and other documents not authenticated = Not Legally Accepted.
