**PortTechEXPO 2014
– Global Technology Solutions for Ports
and Beyond –**

- WHAT:** The 5th annual PortTechEXPO connects entrepreneurs, industry and community to explore global technology solutions for ports and beyond. The EXPO features demonstrations, interactive displays and the latest advancements in environment, energy, transportation and safety/security solutions.
- WHO:** PortTech Los Angeles hosts the EXPO to bring together innovators and entrepreneurs; port and transportation executives; investors, sponsors and service providers; government and regulatory agency representatives; and academic, corporate and civic leaders. PortTech is a commercialization center and incubation program dedicated to accelerating innovation, advancing clean technologies and creating jobs and economic opportunities.
- WHY:** Join Southern California's clean tech community to learn about the latest innovations; discuss environmental challenges and sustainable solutions for the ports; and capitalize on networking opportunities.
- WHEN:** September 17, 2014 from 8:00am – 3:00pm
- WHERE:** Crafted at the Port of Los Angeles
110 East 22nd Street

San Pedro, CA 90731

HONOREE: TransPower is the first recipient of the Advancing Innovation Award. This award recognizes a PortTech client company that has excelled in moving from concept to production. TransPower's fleet of heavy-duty, zero-emission vehicles, including drayage trucks and yard tractors, will be showcased at the EXPO.

FEATURED SPEAKERS: Maritime leaders discuss key megatrends impacting innovation and sustainability at ports worldwide:

- Federal Maritime Commission Chairman Mario Cordero
- Port of Los Angeles Executive Director Gene Seroka
- Port of Long Beach Executive Director Jon Slangerup

SPONSORS: Port of Los Angeles, Port of Long Beach, Cavotec and PwC
