COMMENTS

The Los Angeles Police Department (LAPD) requests authority to enter into a Master Services Agreement (Agreement or MSA) with Motorola Solutions, Inc. (Contractor) to allow the City to purchase, on an as-needed basis, technical services consisting of field engineering; communications system design; system upgrade or expansion; project management; system technologist; field service; installation, programming, maintenance and support; or other services associated with the LAPD's various communication systems, including the Computer-Aided Dispatch (CAD) system, Geofile, Voice Radio Systems (VRS), Data and Dispatch Radio Systems, handheld and mobile radios, and the Automatic License Plate Recognition (ALPR) system.

This MSA will serve as an umbrella agreement to be utilized in instances when the LAPD requires services from Contractor for a particular project that meets the description/scope of the sole-source approval described below. As a project is identified, a Statement of Work (SOW) and pricing, pursuant to the terms specified in the MSA, for that SOW will be agreed upon by the Contractor and the LAPD, and then reviewed and approved by the City Attorney. Upon such approval, the SOW will then be executed as an Amendment to the MSA and be subject to all terms and conditions in the MSA, including the Standard Provisions for City Contracts. The terms and conditions within the MSA have been reviewed and approved by the CAO Risk Manager and the City Attorney.

 AS Analyst 04140079	 Assistant CAO	 City Administrative Officer
--	--	--

The total amount of compensation under the MSA will be determined on a project-by-project basis for each SOW, over the 36-month term of the Agreement. The Agreement's schedule of professional services and per diem pricing consists of Project Manager (\$1,650), Engineer (\$1,650), System Technologist (\$1,625), and Field Service Operations (\$1,600). The per diem rates are fixed during the 36-month term of the Agreement. The source of funding for each SOW, whether General Funds or grant funds, will be identified at the time of execution of the SOW.

The Contractor has complied with all of the required Standard Provisions for City Contracts.

Sole-Source Contract

Prior to Contractor's proposal for the work being performed under this Agreement, the LAPD contracted with Motorola to develop and install the Voice Radio Switch and Dispatch Integration Services for the LAPD's Emergency Command Control Communications System (ECCCS) Enhancement Program. That system upgraded the Voice Radio Switch (VRS System) and 9-1-1 Customer Premises Equipment (CPE) systems for LAPD's Dispatch Centers. The LAPD's radio communications equipment, including 10,000 handheld radios used by field officers and approximately 2,000 mobile radios used in patrol vehicles were purchased from and are maintained by the Contractor.

Motorola possesses proprietary information and technology specific to the Department's Radio Systems and equipment that the LAPD indicates is integral to this Agreement. As such, Motorola submitted a proposal for various types of services. The LAPD evaluated Motorola's proposed pricing and determined it to be reasonable and sufficient to warrant awarding Motorola a sole-source contract. The proprietary information and technology are not readily available from another vendor, and therefore, the LAPD determined that a sole-source contract with Motorola is justified and critical to maintaining the LAPD's communications systems. The City Attorney has reviewed the LAPD's justification for non-competitive procurement and approved the LAPD's request to enter into a sole-source contract with Motorola Solutions, Inc. for a MSA.

As each project to be performed under this MSA is identified, and each related SOW is agreed upon, the City Attorney will conduct a review of the SOW to ensure it falls within the scope of the sole-source approval.

RECOMMENDATION

That the Mayor, authorize the Chief of Police, or his designee, to execute a Master Services Agreement with Motorola Solutions, Inc. for a term of 36 months, upon contract execution to allow the City to purchase, on an as-needed basis, technical services consisting of field engineering; communications system design; system upgrade or expansion; project management; system technologist; field service; installation, programming, maintenance and support; or other services associated with the LAPD's various communication systems, including the Computer-Aided Dispatch (CAD) system, Geofile, Voice Radio Systems (VRS), Data and Dispatch Radio Systems, handheld and mobile radios, and the Automatic License Plate Recognition (ALPR) system, subject to the approval of the City Attorney as to form and legality.

FISCAL IMPACT STATEMENT

No additional General Fund appropriation is required as costs for the contract will be determined for each Statement of Work to be performed under the Master Services Agreement and will be covered within the Department's operating budget or eligible grant funds, as approved by the Grantor and City Attorney. Therefore, execution of this contract complies with the City's Financial Policies.

MASTER SERVICES AGREEMENT

THIS MASTER SERVICES AGREEMENT ("Agreement" or "Contract") is made and entered into by and between the City of Los Angeles, a municipal corporation, hereinafter called "City", acting by and through its Los Angeles Police Department, hereinafter called "Department" or "LAPD", and Motorola Solutions, Inc., a Delaware corporation ("Motorola" or "Contractor"). City and Motorola may be referred to together as the "Parties" or individually as a "Party." This Agreement is made with reference to the following factual recitals.

WHEREAS, LAPD and Contractor share a mutual desire to establish a Master Services Agreement whereby LAPD may, from time to time during the term of this Agreement and on an as needed basis, purchase services from Contractor; and

WHEREAS, Contractor submitted a proposal for various types of services, which are more fully described in Section 2.2 below; and

WHEREAS, City evaluated the Contractor's proposed pricing and determined its pricing to be reasonable and its proprietary knowledge regarding the LAPD's Radio Systems and equipment previously provided by Contractor to be sufficient to warrant awarding Contractor a sole source contract, which was reviewed and approved by the City Attorney; and

WHEREAS, the Board of Police Commissioners authorized the Chief of Police to enter into this contract on _____; and

WHEREAS, the parties wish to enter into this Agreement as described herein for consideration and upon the terms and conditions as hereinafter provided; and

WHEREAS, the services to be provided herein are of a professional, expert, temporary, and occasional nature.

NOW, THEREFORE, in consideration of the above promises and of the terms, covenants and considerations set forth herein, the Parties agree as follows:

SECTION 1 INTRODUCTION

1.1 PARTIES TO THE AGREEMENT AND REPRESENTATIVES

1.1.1 Parties to the Agreement

The Parties to this Agreement are:

City of Los Angeles, a municipal corporation, acting by and through the Los Angeles

Police Department, having its principal office at 100 West First Street, Los Angeles, California 90012.

Contractor, Motorola Solutions, Inc., a Delaware Corporation, having its principal office in California at 6450 Sequence Drive, San Diego, CA 92121 and its corporate headquarters at 1303 East Algonquin Road, Schaumburg, Illinois 60196.

1.1.2 Representatives of the Parties and Service of Notices

The representative of the City shall be, unless otherwise stated in the Agreement:

Los Angeles Police Department
100 West First Street, 10th Floor
Los Angeles, CA 90012

With copies to:

Maggie Goodrich, Chief Information Officer
Los Angeles Police Department

The representatives of Contractor shall be:

Mark Schmidl
MSSSI Vice President,
Motorola Solutions, Inc.
Government and Public Safety
6450 Sequence Drive

Formal notices, demands and communications to be given hereunder by either Party must be made in writing and may be effected by personal delivery or by registered or certified mail, postage prepaid, return receipt requested (or by a recognized courier service, such as Federal Express or UPS) and shall be deemed communicated as of the date of mailing.

If the name of the person designated to receive the notices, demands or communications or the address of such person is changed, written notice must be given, in accord with this section, within five (5) working days of said change.

1.2 Independent Contractor

The Contractor is acting hereunder as an independent contractor and not as an agent or employee of the City. No employee of the Contractor has been, is, or shall be an employee of the City by virtue of this Agreement. Contractor shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the City.

1.3 Exhibits to this Agreement

The exhibits to this Agreement are:

- Exhibit A Standard Provisions For City Contracts (rev. 03/09)
- Exhibit B List of Services and Pricing
- Exhibit C Communications System Agreement, including exhibits thereto.

All of these exhibits are incorporated into and made part of this Agreement by this reference. In interpreting this Agreement and resolving any ambiguities, any special provisions contained in a Proposal (as defined below in Section 2.2) that are specifically related to that order, have the highest order of precedence but only concerning that order, and then the main body of this Agreement takes precedence over the exhibits and any inconsistency between Exhibits A through C will be resolved in their listed order.

SECTION 2 TERM OF AGREEMENT AND SERVICES TO BE PROVIDED

2.1 Term of Agreement

The term of this Agreement shall commence upon execution by all Parties to the Agreement ("Effective Date") and end thirty-six (36) months thereafter, subject to the termination provisions herein.

2.2 Scope of Agreement

This Agreement is a Master Services Agreement ("Agreement"). During the term of this Agreement, City has the right but not the duty to purchase from time to time services from Motorola that are then available. City may purchase, on an as needed basis, field engineering, communications system design, system upgrade or expansion, project management, system technologist, field service, installation, programming, maintenance and support, or other services typically performed by Motorola, including those relating to Motorola Computer-Aided Dispatch (CAD) systems, Geofile, Voice Radio System (VRS), Data and Dispatch Radio Systems, Handheld and Mobile Radios, and PIPS Automated License Plate Recognition (ALPR-MW).

The scope of services and pricing for each transaction will be more particularly

described in a written quotation or proposal prepared by Motorola ("Proposal"), which may include a statement of work, a test plan, a performance schedule, special provisions such as a payment milestone schedule, or such other documents as are reasonably needed to accurately and thoroughly describe the services. If the Parties determine that a statement of work or other documents described in this paragraph are needed, then those documents will be attached to and be part of the Proposal and resulting order.

The services will be priced at the per diem rates or other pricing shown in the List of Services and Pricing, Exhibit B. Rates and pricing are based upon a normal eight hour work day (excluding weekends, holidays, or other premium rate times) with a half-day minimum. Unless otherwise expressly stated in the written quotation or proposal, pricing will be on a firm, fixed price basis, applying the rates described above to the estimated types and amounts of services and, if applicable, may include large project, system, or other discounts. During the initial 36-month term of this Agreement, these per diem rates shall remain fixed. If this Agreement is extended beyond the initial term, Motorola may increase these per diem rates by no more than 3% or as otherwise agreed by the Parties. Motorola will provide at least thirty (30) days prior written notice before any rate increase becomes effective, and the increased rate will apply to any subsequent orders.

Motorola will perform the services described in a Proposal and its other contractual responsibilities, all in accordance with this Agreement and in a manner that does not interfere unnecessarily with the City's operations. City will perform its contractual responsibilities in accordance with this Agreement. If due to its operations City delays, disrupts, or otherwise interferes with and materially affects Contractor's performance hereunder, adjustments will be determined by mutual agreement of the Parties and may be accomplished by a Project Change Authorization executed in accordance with Section 5 of this Agreement concerning Amendments and Change Requests. Contractor shall notify City immediately if delays, regardless of the cause, begin to put the implementation schedule in jeopardy.

This Agreement, if so desired by City, could cover system transactions. A system transaction will usually involve the combination of infrastructure equipment, software, incidental hardware and materials, and services into an integrated system; system transactions will typically have provisions that cover system acceptance and acceptance testing procedures, software licensing, an assigned project manager, a system functionality representation, and possibly electrical or other site work and site access requirements. If City wishes to purchase a system, upon City's request, Motorola will provide a written proposal that will include either supplemental terms and conditions to address system-specific issues or a separate Communications System Agreement in the form of Exhibit C (or, if applicable, a Communications System Agreement for Motorola's Public Safety Applications transaction).

2.3. Orders

During the term of this Agreement, City (and any other Eligible Purchaser using this Agreement to purchase services from Motorola) may order services described in a Proposal from Motorola. Each order must refer to this Agreement (Motorola Contract No. 1000409608) and the Proposal by date and general description, and will be an offer to purchase subject to Motorola's acceptance. Unless expressly set forth in the order (or an attachment to the order) and signed by both Parties, the applicable provisions of this Agreement and the special provisions of the Proposal, if any, will govern the purchase and sale of the services, notwithstanding any different terms and conditions contained in an order or acknowledgment of an order.

2.4. Eligible Purchasers

Eligible Purchasers may purchase services from Motorola using this Agreement. The term "Eligible Purchasers" means departments within the City other than LAPD. An Eligible Purchaser placing an order for services using this Agreement has the same rights and responsibilities as LAPD under this Agreement with respect to its purchase of services, but the Eligible Purchaser and not LAPD is liable to pay for and perform the purchaser's duties concerning the order placed by that Eligible Purchaser.

2.5 Access to Sites and Site Conditions

If applicable, City will provide all necessary construction and building permits, licenses, and the like; and access to the work sites or vehicles as reasonably requested by Motorola so that it may perform its contractual duties. If Motorola is providing installation or other services at City's sites, City will ensure that these work sites are safe, secure, and in compliance with all applicable industry and OSHA standards. City will ensure that these work sites have, as applicable, adequate physical space; air conditioning and other environmental conditions; electrical power outlets, distribution and equipment; and telephone or other communication lines, all for the installation, use and maintenance of the products. Motorola is not responsible for building, zoning, and land use permits, and FCC licenses, unless the Proposal statement of work expressly states the contrary.

Access To City Facilities

- A. City shall provide Contractor access to City facilities and personnel during City business hours, Monday through Friday, 8:00am to 5:00pm. City generally recognizes all State of California and National holidays.
- B. In instances where Contractor requires access to City facilities and personnel during off-hours, Contractor shall provide City with forty-eight (48) hours notice prior to each requested access. Each such request shall be subject to approval by City.

- C. Subject to availability and the discretion of City, City will provide the following for the Contractor project team while the Contractor project team is working on City premises:
 - 1. Suitable office space, office supplies, furniture, telephone and other facilities.

- D. If City makes software, hardware, networks or other resources available to Contractor, City is responsible for obtaining any licenses or approvals related to such resources that may be necessary for Contractor or its subcontractors to perform the Services, including the development of any Deliverables. Contractor will be relieved of its obligations to the extent City's failure to promptly obtain such licenses or approvals adversely affect Contractor's ability to perform its obligations.

2.6 Services Warranty

This Services Warranty applies in addition to any other applicable warranty from Motorola; for example, if the order is for a system, there will be one year equipment and software warranties as indicated in Section 9 of the Communications System Agreement attached as Exhibit C hereto. (See also, City Contract No. 59456, which is a master purchasing agreement for equipment between Motorola and City.) During the Warranty Period, Motorola warrants that the services have been performed in a good and workmanlike manner. The term "Warranty Period" means 120 days from the date of performance of the services. To assert a warranty claim, City must notify Motorola in writing of the claim before the expiration of the Warranty Period. Upon receipt of this notice, Motorola will investigate promptly the warranty claim and respond within a reasonable period of time. City's exclusive remedy for a breach of this services warranty is that Motorola will re-perform the services at no cost to the City and, if the re-performed work is not reasonably satisfactory to City, then City may demand and Motorola will refund the Contract Price of the services that were not performed in a good and workmanlike manner. MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED.

SECTION 3 COMPENSATION AND METHOD OF PAYMENT

3.1 Compensation

City shall pay to Contractor as compensation for complete and satisfactory performance of the ordered services the Contract Price as set forth in the applicable Proposal. The term "Contract Price" means the price for the ordered services, excluding any applicable sales or similar taxes but including any travel or lodging expenses for Contractor's employees or those of its subcontractors.

Each order will indicate the address to which invoices should be sent.

City makes no commitment to fund this Agreement beyond the terms set herein. City's obligation to make payments under this Agreement shall be limited to the appropriation(s) for that purpose. When an order is placed and accepted, the total appropriation for the order, and City's obligations to pay for the ordered services, is limited to the Contract Price amount stated in the order. If City appropriates additional funds for an order, City's payment obligations may be expanded to the extent of such appropriation(s), subject to the terms and conditions of this Agreement, and an amendment implementing that change shall be executed by the parties as more fully described below in Section 5. Contractor shall not provide any services, and City shall not pay for any services, that are provided in excess of the funds appropriated by City for the order.

3.2 Invoices

A statement describing the services performed, deliverable, or milestone completed, as applicable, must accompany each invoice. Funds shall not be released until City has approved the services performed, deliverable, or milestone completed which approval shall not be unreasonably withheld or delayed. The payments to Contractor shall thereafter be made upon submission of invoices as follows:

An original invoice, on Contractor's letterhead (and if a Project Manager has been assigned, signed by the Project Manager for Contractor) shall be delivered to the authorized representative for City within fifteen (15) calendar days after the services have been performed, the deliverable has been provided, or the milestone has been completed, as applicable. If the services will be performed over a time period exceeding three (3) months, then Motorola may invoice monthly on an estimated percentage of completion basis or in accordance with the payment milestone schedule if one is included in the Proposal. Contractor must include the following information on each invoice:

- Date of invoice
- Invoice number
- Agreement number
- Date and description of the ordered services that have been performed
- Amount of invoice
- Taxes, if any

City payments to Contractor shall be paid within 30 days after receipt by City of an accurate invoice; provided however, that City may withhold any portion of an invoice that it disputes in good faith. If an invoice or portion thereof is disputed, City shall notify Contractor of the potential disapproval action and afford it an opportunity to be heard prior to official disapproval. City shall pay all undisputed portions of invoices in accordance with this Section.

Invoices shall be submitted to:

Los Angeles Police Department
100 West 1st Street, Room 842
Los Angeles, CA 90012
ATTN: Wade Nakakura

3.3. Invoices and supporting documentation, if any, shall be prepared at the sole expense and responsibility of the Contractor. The City will not compensate the Contractor for any costs incurred for invoice preparation. The City may reasonably request, in writing, changes to the content and format of the invoice and supporting documentation at any time. City reserves the right to request additional supporting documentation to substantiate the invoiced amount is correct and actually due at any time; however, Contractor will not be required to submit any confidential or proprietary documentation, such as but not limited to cost data.

SECTION 4 DEFAULTS, SUSPENSION, AND TERMINATION

4.1 Defaults

If either Party fails to perform a material obligation under this Agreement, the other Party may consider the non-performing Party to be in default (unless a force majeure causes the failure) and may assert a default claim by giving the non-performing Party a written and detailed notice of default. Except for a default by City for failing to pay any amount when due under this Agreement which must be cured immediately, the defaulting Party will have twenty (20) days after receipt of the notice of default to either cure the default or, if the default is reasonably not curable within twenty (20) days, provide a written cure plan that is reasonably acceptable to the non-defaulting Party. The defaulting Party will begin implementing the cure plan immediately after receipt of notice by the non-defaulting Party that it approves the plan.

If a defaulting Party fails to cure the default as provided above in Section 4.1, unless otherwise agreed in writing, the non-defaulting Party may terminate any unfulfilled portion of the applicable order or this Agreement. In the event of termination for default, each Party will promptly return to the other Party any of its Confidential Information. If City is the non-defaulting Party, terminates this Agreement as permitted by this Section, and completes the System through a third party, City may as its exclusive remedy recover from Contractor reasonable costs actually incurred by City to complete the services less the unpaid portion of the Contract Price for those services. City will mitigate damages and provide Contractor with detailed invoices concerning the incurred costs substantiating the charges.

4.2 Suspension

City may suspend all or part of the project operations for failure by Contractor to comply with the terms and conditions of this Agreement by giving written notice, which shall be effective upon receipt.

- A. Said notice shall set forth the specific conditions of non-compliance and the period provided for corrective action.
- B. Within five (5) business days Contractor must reply in writing setting forth the corrective actions that shall be undertaken, subject to City approval in writing. Both parties agree to meet and confer with regard to the resolution of the suspension within a reasonable period of time following the receipt of the Contractor's reply.
- C. Performance under this Agreement shall be automatically suspended without any notice from City as of the date Contractor is not fully insured in compliance with this Agreement. Performance shall not resume without the prior written approval of City.

4.3 Termination for Convenience

In lieu of PSC 10(A), the following shall be applicable to this Agreement:

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. The **CITY'S** notice will state whether pending orders, if any, are terminated or should be performed through completion. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses concerning the terminated work or order, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable portion of the contract price, for work completed. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and written materials that are promised deliverables under this Agreement and the applicable order ("Documentary Deliverables") shall become **CITY** property upon the date of such termination (except for Software, if any, which is licensed), but no transfer of **CONTRACTOR'S** underlying intellectual property rights will occur. **CONTRACTOR** agrees to execute any documents necessary to transfer title to the Documentary Deliverables.

4.4 Termination for Breach of Contract

In lieu of PSC 10(B)5, the following shall be applicable to this Agreement:

All finished or unfinished Documentary Deliverables produced or procured under this Contract, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

4.5 Notices of Suspension or Termination

In the event that this Agreement is suspended or terminated, Contractor shall

immediately notify all employees and participants assigned to or performing the Services and must notify in writing all other parties contracted with under the terms of Agreement within five (5) working days of such suspension or termination.

SECTION 5 AMENDMENTS AND CHANGE REQUESTS

5.1 Amendments

Any mutually agreed change to the terms and conditions of this Agreement, the exhibits, or any order shall be documented by a written amendment to the Agreement, exhibit, or order, as applicable, in the form of a Project Change Authorization properly executed and signed by the person(s) authorized to bind the Parties. The Parties acknowledge that large dollar orders or changes to orders (i.e., over \$100,000) will require additional approval from the Police Commission as an Amendment to the Contract

Contractor agrees to comply with all future City directives, or any rules, amendments or requirements promulgated by City affecting this Contract; provided that if such compliance impacts Contractor's performance, schedule, risks, or cost to perform, such compliance is subject to an agreed upon Project Change Authorization negotiated in good faith by the Parties. If the Parties are unable to agree upon a change request, City may exercise its right to terminate for convenience in accordance with Section 4.3 of this Agreement.

5.2 Change Requests

5.2.1 Change Requests

During the term of this Agreement, either Party shall have the right to request changes to the ordered services within the general scope of work of the order and the price or schedule for those services. A "change," as that term is used in this Section 5.2, means technical or other adjustments made to the services as described in the order and Proposal that are consistent with Section 2.2 of this Agreement. The requesting Party shall make a formal written request, per the procedure outlined, with respect to each change it desires to make.

5.2.2 Change Proposal

If Contractor is the requesting party, its Change Request will include the information described in points 1 through 6 below. If City is the requesting party, within ten (10) calendar days following Contractor's receipt of City's written Change Request, Contractor shall prepare and deliver to City a written statement that includes the following:

1. The total change to the price of the ordered services;
2. The schedule impact resulting from the change if it is agreed;

3. The impact of the change on any other order or part of this Agreement;
4. The estimated California Sales Tax impact, if any;
5. The period of time for which the contemplated Change Request is valid; and
6. The City contract number and date of contract.

5.2.3 Method of Agreement to Changes

Upon approval of Contractor's written statement for a proposed change by City's authorized representatives as identified in Section 1.2 of this Agreement, or their designee established in writing, City shall deliver to Contractor a Project Change Authorization, specifying the change to be made and all of the particulars set forth in Section 5.2 of this Agreement as mutually agreed, and upon mutual execution of the Project Change Authorization, the applicable order shall be deemed modified accordingly. City and Contractor agree to make a good faith effort to reach a mutually agreed upon fixed price or time and materials services for any Change Request. Failure to agree on the price of such changes shall be treated as a dispute and subject to the provisions of Section 6 of this Agreement concerning Disputes.

5.3 Waivers

Waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the waiving Party. No waiver or breach of any provision of these conditions shall be deemed for any purpose to be waiver or a breach of any other provision or of a continuing or subsequent breach of the same provision.

SECTION 6 INTELLECTUAL PROPERTY, OWNERSHIP AND LICENSE

6.1 Intellectual Property Indemnification

Section 13.3 of the Communications System Agreement, Exhibit C to the Master Services Agreement, provides the exclusive Infringement Indemnity protection for the City. This section is in lieu of PSC-21.

Consistent with applicable California law concerning indemnification and defense, as well as Los Angeles City Charter sections 272 and 273, Contractor will obtain City's prior written consent to any settlement of an Infringement Claim if such settlement would either cause the City to pay a monetary liability or would otherwise adversely affect the City. Such consent will not be unreasonably withheld or delayed.

6.2 Intellectual Property Warranty

CONTRACTOR represents and warrants that, based upon its reasonable belief and information after performing appropriate due diligence, its performance of all obligations under this Contract does not infringe in any way, directly, upon any third party's intellectual property rights, including, without limitation, patents, copyrights, trademarks, trade secrets, rights of publicity and proprietary information.

6.3 Ownership and License

All Documentary Deliverables and other materials that are promised deliverables under this Agreement and the applicable order shall become **CITY** property upon the date of delivery and payment therefor (except for Software, if any, which is licensed), but no transfer of **CONTRACTOR'S** intellectual property rights will occur. This section is in lieu of PSC-23.

SECTION 7 RETENTION OF RECORDS, AUDIT AND REPORTS

7.1 Retention of Records, Audit and Reports

In lieu of PSC-17 of Attachment A, the following shall be applicable to this Agreement:

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form, in accordance with requirements prescribed by the **CITY**. These records shall be retained for a period of no less than three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. Said records shall be subject to examination and audit by authorized **CITY** personnel or the **CITY'S** representative at any time during the term of this Contract or within the three years following final payment made by the **CITY** hereunder or the expiration date of this Contract, whichever occurs last. **CONTRACTOR** shall provide any reports requested by the **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR**, to the extent allowed hereunder, shall include a like provision for work to be performed under this Contract.

Notwithstanding the preceding paragraph, **CONTRACTOR** (on behalf of itself and its subcontractors) agrees that **CITY** has the right to inspect at its own expense certain books and records that are directly pertinent to the services provided by **CONTRACTOR** under this Agreement or an order for the purpose of verifying **CONTRACTOR'S** performance in accordance with the terms of this Agreement or an order. Such inspection will be upon reasonable advanced written notice (e.g., at least ten (10) business days) and will be conducted at **CONTRACTOR'S** facility where such records are ordinarily kept during normal business hours. **CONTRACTOR'S** books and records provided to **CITY** pursuant to this provision shall not be used, duplicated or disclosed to any other third party without the express written permission of **CONTRACTOR**. **CONTRACTOR** is not required to create or maintain documents not

kept in the ordinary course of its business operations, nor will it be required to disclose any information which it reasonably considers to be confidential or proprietary.

SECTION 8 INSURANCE

8.1 Insurance

In lieu of PSC-24, the following insurance provisions apply.

During the term of this Contract and without limiting **CONTRACTOR'S** indemnification of the **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits customarily carried and actually arranged by **CONTRACTOR**, but not less than the amounts and types listed below, covering its operations hereunder. Such insurance shall conform to **CITY** requirements established by Charter or ordinance. The Certificate of Insurance will be an industry standard Acord form, the Commercial General Liability and Business Automobile Liability policies will be written on ISO forms, and the Workers Compensation policy will be written on a NCCI form, all of which forms are acceptable to the Office of the City Administrative Officer, Risk Management.

INSURANCE CONTRACTUAL REQUIREMENTS

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured on general and automobile liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. When applicable, the CITY is to be named as a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of the term of this Agreement with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel prior to the policy expiration date.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary

with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder due to significant change in scope of work by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a Service of Suit clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Impairment. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

10. Types and Limits.

Commercial General Liability (\$5,000,000 each occurrence/\$5,000,000 general aggregate, with Products/Completed Operations coverage);

Business Automobile Liability (\$5,000,000, combined single limit);

Workers Compensation (statutory) and Employer's Liability (\$1,000,000), with waiver of subrogation.

Professional Errors & Omissions (\$1,000,000) will be provided only concerning orders where significant professional services are being rendered by Motorola.

Promptly after the Effective Date of the Agreement, Motorola will provide to the City the Certificate of Insurance, blanket additional insured endorsements for the Commercial General Liability and Automobile Liability policies, and a waiver of subrogation endorsement for the Workers Compensation policy.

SECTION 9 DISCOUNT TERMS

9.1 Discount Terms

In lieu of PSC 25 of Attachment A, the following shall be applicable to this Agreement:

CONTRACTOR makes no representations or commitments concerning the pricing or discounts for the services to be provided hereunder, except as set forth in Section 2 above and Exhibit B to this Agreement. Notwithstanding the preceding sentence, if **CITY** becomes aware of any of its orders under this Agreement that is substantially similar in time frame and nature to another service transaction with a different Motorola state or local governmental customer in the United States where that other customer received more favorable pricing, then **CITY** may notify **CONTRACTOR** of the other substantially similar transaction with more favorable pricing. Upon receipt of such notice, **CONTRACTOR** will investigate the matter, and thereafter the Parties will meet and confer to discuss the matter. Based upon that meet and confer process, if a differential in pricing does exist, **CONTRACTOR** will make an appropriate reduction in the pricing for **CITY'S** order in the form of a credit to be used against future purchases. In addition, **CONTRACTOR** may but is not obligated to provide additional or other discounts (e.g., large order) to **CITY** concerning any order.

SECTION 10 DISPUTES

10.1 Disputes

Both Parties shall undertake to reach an amicable settlement in cases of Dispute. If an amicable settlement cannot be reached, or in the event of default that could result in termination of this Agreement, City and Contractor shall schedule a meeting of their representatives in a good faith attempt to resolve the issues in Dispute. The meeting shall allow for a detailed presentation of each Party's views on the issues and potential solutions to the Dispute or default. If possible, the meeting should result in an agreed upon course of action to resolve the Dispute or default. Contractor and City shall continue to perform any obligations under this Agreement during any Dispute.

The provisions of Sections 5.169 and 5.170 (Div. 5, Ch. 10, Art. 1) of the Los Angeles Administrative Code and Section 350 of the City Charter shall govern the procedure and rights of the Parties with regard to claims arising from this Agreement.

10.2 Limitation of Liability

EXCEPT FOR PERSONAL INJURY, DEATH, DAMAGE TO TANGIBLE PROPERTY, OR INTELLECTUAL PROPERTY INDEMNIFICATION UNDER SECTION 6.1 ABOVE, MOTOROLA'S TOTAL LIABILITY REGARDLESS OF THE THEORY OF LIABILITY OR CAUSE OF ACTION WILL BE LIMITED TO THE DIRECT DAMAGES RECOVERABLE UNDER LAW BUT NOT TO EXCEED \$1,000,000. ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT MOTOROLA WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OF THE OR THE PERFORMANCE OF SERVICES BY MOTOROLA PURSUANT TO THIS AGREEMENT. THIS LIMITATION OF LIABILITY PROVISION SURVIVES THE EXPIRATION OR TERMINATION OF THE AGREEMENT AND APPLIES NOTWITHSTANDING ANY CONTRARY PROVISION.

SECTION 11 ENTIRE AGREEMENT

11.1 Complete Agreement

This Agreement, including its exhibits, contains the full and complete Agreement between the Parties regarding the subject matter of the Agreement and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter. No verbal agreement or conversation with any representative, officer or employee of either Party shall affect or modify any of the terms and conditions of this Agreement. This Agreement may be amended or modified only by a written instrument signed by authorized representatives of both Parties. The preprinted terms and conditions found on any City or Eligible Purchaser purchase order, Motorola acknowledgment, or other form will not be considered an amendment or modification of this Agreement, even if a representative of each Party signs that document.

11.2 Confidentiality and Preservation of Proprietary Rights

During the term of this Agreement, the Parties may provide each other with Confidential Information. The term "Confidential Information" means any information that is disclosed in written, graphic, verbal, or machine-recognizable form, and is marked, designated, or identified at the time of disclosure as being confidential or its equivalent; or if the information is in verbal form, it is either (a) identified as confidential at the time of disclosure and is confirmed in writing within thirty (30) days of the disclosure, or (b) is sensitive information related to City's system security or by the nature of the information should reasonably be treated as confidential even if it is not so marked. Confidential

Information does not include any information that: is or becomes publicly known through no wrongful act of the receiving Party; is already known to the receiving Party without restriction when it is disclosed; is or becomes, rightfully and without breach of this Agreement, in the receiving Party's possession without any obligation restricting disclosure; is independently developed by the receiving Party without breach of this Agreement; or is explicitly approved for release by written authorization of the disclosing Party.

Each Party will: maintain the confidentiality of the other Party's Confidential Information and not disclose it to any third party, except as authorized by the disclosing Party in writing or as required by a court of competent jurisdiction; restrict disclosure of Confidential Information to its employees who have a "need to know" and not copy or reproduce the Confidential Information; take necessary and appropriate precautions to guard the confidentiality of Confidential Information, including informing its employees who handle the Confidential Information that it is confidential and not to be disclosed to others, but those precautions will be at least the same degree of care that the receiving Party applies to its own confidential information and will not be less than reasonable care; and use the Confidential Information only in furtherance of the performance of this Agreement. Confidential Information is and will at all times remain the property of the disclosing Party, and no grant of any proprietary rights in the Confidential Information is given or intended, including any express or implied license, other than the limited right of the recipient to use the Confidential Information in the manner and to the extent permitted by this Agreement.

Motorola, the third party manufacturer of any equipment, and the copyright owner of any software own and retain all of their respective intellectual property rights in the equipment and software, and nothing in this Agreement is intended to restrict their intellectual property rights. All intellectual property developed, originated, or prepared by Motorola in connection with providing to City the services remain vested exclusively in Motorola, and this Agreement does not grant to City any shared development rights of intellectual property. Except as explicitly provided in the Software License Agreement, if applicable, Motorola does not grant to City, either directly or by implication, estoppel, or otherwise, any right, title or interest in Motorola's intellectual property rights. City will not modify, disassemble, peel components, decompile, otherwise reverse engineer or attempt to reverse engineer, derive source code or create derivative works from, adapt, translate, merge with other software, reproduce, or export the Software, or permit or encourage any third party to do so. The preceding sentence does not apply to Open Source Software which is governed by the standard license of the copyright owner.

11.3 Authority to Execute Agreement

Each Party represents that it has obtained all necessary approvals, consents and authorizations to enter into this Agreement and to perform its duties under this Agreement; the person executing this Agreement on its behalf has the authority to do so; upon execution and delivery of this Agreement by the Parties, it is a valid and

binding contract, enforceable in accordance with its terms; and the execution, delivery, and performance of this Agreement does not violate any bylaw, charter, regulation, law or any other governing authority of the Party.

11.4 Severability

If a court of competent jurisdiction renders any part of this Agreement invalid or unenforceable, that part will be severed and the remainder of this Agreement will continue in full force and effect.

11.5 Number of Originals and Exhibits

This Agreement is executed in three (3) duplicate originals, each of which is deemed to be an original.

11.6 Applicable Law, Interpretation and Enforcement

In lieu of PSC 3 of Attachment A, the following shall be applicable to this Agreement:

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the CITY, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles.

CONTRACTOR shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract, provided that per mutual agreement CONTRACTOR shall be entitled to increased compensation or an extension of the performance schedule if CONTRACTOR'S compliance with new, amended, or revised laws, regulations, and/or procedures applicable to the performance of the Contract cause CONTRACTOR'S costs or time for performance to increase.

In any action arising out of this Contract, CONTRACTOR consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

11.7 Assignment and Subcontracting

Except as provided herein, neither Party may assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other Party, which consent will not be unreasonably withheld or delayed. Any attempted assignment, delegation, or transfer without the necessary consent will be void. Notwithstanding the foregoing, Motorola may assign this Agreement to any of its affiliates or its right to receive payment without the prior consent of Customer. In addition, in the event Motorola separates one or more of its businesses (each a "Separated Business"), whether by way of a sale, establishment of a joint venture, spin-off or otherwise (each a "Separation Event"), Motorola may, without the prior written consent of the other Party

and at no additional cost to Motorola, assign this Agreement such that it will continue to benefit the Separated Business and its affiliates (and Motorola and its affiliates, to the extent applicable) following the Separation Event. In the event of any assignment by Motorola where City's consent is not required, Motorola will give City prompt notice of the assignment. Motorola may subcontract any of the work, but subcontracting will not relieve Motorola of its duties under this Agreement.

11.8 Subcontractors

A. Subcontracts/Joint Participation Agreements

With prior written approval of Department, Contractor may enter into subcontracts with subcontractors for the performance of portions of this Agreement. Contractor shall at all times be responsible for the acts and errors or omissions of its subcontractors in the performance of this Agreement. Nothing in this Agreement shall constitute any contractual relationship between any subcontractors and Department or any obligation on the part of Department to pay, or to be responsible for the payment of, any sums to any subcontractors.

11.9 Background Checks

To the extent permitted by applicable law, the City may conduct background checks at its expense on the Contractor, its employees, designated replacement employees, agents, and subcontractors who will have, or may have, access to City information and data during performance of this Agreement. The Contractor recognizes the highly sensitive nature of such information and data and agrees to cooperate with the City and provide, to the extent permitted by applicable law, whatever information the City requires in order to conduct reference checks. The City may request changes to Contractor personnel in response to background check information, and the Contractor will accommodate such request for personnel changes. Both parties agree to keep the results of any reference checks confidential, as permitted by applicable law.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective duly authorized representatives.

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3 APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The CITY may terminate this Contract for the CITY'S convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The CITY shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the CITY under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become CITY property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the CITY to perfect, memorialize, or record the CITY'S ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the CITY may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the CITY within the time permitted by the CITY, then the CITY may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.

2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the CITY may immediately terminate this Contract.

3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the CITY'S lobbying policies, then the CITY may immediately terminate this Contract.

4. In the event the CITY terminates this Contract as provided in this section, the CITY may procure, upon such terms and in such manner as the CITY may deem appropriate, services similar in scope and level of effort to those so terminated, and

CONTRACTOR shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.

5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.

7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

CONTRACTOR is acting hereunder as an independent contractor and not as an agent or employee of the **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the **CITY**.

PSC-12. CONTRACTOR'S PERSONNEL

Unless otherwise provided or approved by the **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. this Contract. The **CITY** has the right to approve **CONTRACTOR'S** subcontractors, and the **CITY** reserves the right to request replacement of subcontractors. The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-13. PROHIBITION AGAINST ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of the **CITY**:

A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or

B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-14. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and subcontractors, to the extent allowed hereunder, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance hereunder and shall pay any fees required therefor. **CONTRACTOR** certifies to immediately notify the **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

If applicable, **CONTRACTOR** represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code. CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interest May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of the Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker.)

1. **Agreement/Reference** All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the preferred method of submitting your documents. **Track4LA™** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. Track4LA™ advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA™** at <http://track4la.lacity.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 may be accepted. **All** Certificates must provide a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Acceptable Alternatives to Acord Certificates and other Insurance Certificates:

- **A copy of the full insurance policy** which contains a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) and additional insured and/or loss-payee status, when appropriate, for the CITY.
- **Binders and Cover Notes** are also acceptable as interim evidence for up to 90 days from date of approval.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Completed **Insurance Industry Certificates other than ACORD 25 Certificates** can be sent electronically (CAO.insurance.bonds@lacity.org) or faxed to the Office of the City Administrative Officer, Risk Management (213) 978-7616. **Please note that submissions other than through**

Track4LA™ will delay the insurance approval process as documents will have to be manually processed.

Verification of approved insurance and bonds may be obtained by checking Track4LA™, the CITY's online insurance compliance system, at <http://track4la.lacity.org>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate through Track4LA™ at <http://track4la.lacity.org> or submit an Insurance Industry Certificate or a renewal endorsement as outlined in Section 3 above. If your policy number changes you must also submit a new Additional Insured Endorsement with an Insurance Industry Certificate.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.)

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property Insurance** is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

- 3.4. **ADDITIONAL EQUIPMENT OR SOFTWARE.** For three (3) years after the Effective Date, Customer may order additional Equipment or Software if it is then available and related services. Each order must refer to this Agreement and must specify the pricing and delivery terms. Notwithstanding any additional or contrary terms in the order, the applicable provisions of this Agreement (except for pricing, delivery, passage of title and risk of loss to Equipment, warranty commencement, and payment terms) will govern the purchase and sale of the additional Equipment or Software. Title and risk of loss to additional Equipment will pass at shipment, and payment is due within thirty (30) days after the invoice date. Motorola will send Customer an invoice as the additional Equipment is shipped or Software is licensed.

Alternatively, Customer may register with and place orders through Motorola Online ("MOL"), and this Agreement will be the "Underlying Agreement" for those MOL transactions rather than the MOL On-Line Terms and Conditions of Sale. MOL information may be found at <https://businessonline.motorola.com> and the MOL telephone number is (800) 814-0601.

3.5. **MAINTENANCE SERVICE.** During the Warranty Period, in addition to warranty services, Motorola will provide maintenance services for the Equipment and support for the Motorola Software. Those services and support are included in the Contract Price. If Customer wishes to purchase additional maintenance and support services for the Equipment either during the Warranty Period or after the Warranty Period, the description of and pricing for the services will be set forth in a separate document. If Customer wishes to purchase extended support for the Motorola Software after the Warranty Period, it may do so by ordering software maintenance or upgrade services. Unless otherwise agreed by the Parties in writing, the terms and conditions applicable to the maintenance, support or software services will be Motorola's standard Service Terms and Conditions, together with the appropriate statements of work.

3.6. **MOTOROLA SOFTWARE.** Any Motorola Software, including subsequent releases, is licensed to Customer solely in accordance with the Software License Agreement. Customer hereby accepts and agrees to abide by all of the terms and restrictions of the Software License Agreement.

3.7. **NON-MOTOROLA SOFTWARE.** Any Non-Motorola Software is licensed to Customer in accordance with the standard license, terms, and restrictions of the copyright owner on the Effective Date unless the copyright owner has granted to Motorola the right to sublicense the Non-Motorola Software pursuant to the Software License Agreement, in which case it applies and the copyright owner will have all of Licensor's rights and protections under the Software License Agreement. Non-Motorola Software may include Open Source Software. All Open Source Software is licensed to Customer in accordance with, and Customer agrees to abide by, the provisions of the standard license of the copyright owner and not the Software License Agreement.

3.8. **SUBSTITUTIONS.** At no additional cost to Customer, Motorola may substitute any Equipment, Software, or services to be provided by Motorola, if the substitute meets or exceeds the Specifications and is of equivalent or better quality to the Customer. Any substitution will be reflected in a change order.

Section 4 PERFORMANCE SCHEDULE

The Parties will perform their respective responsibilities in accordance with the Performance Schedule. By executing this Agreement, Customer authorizes Motorola to proceed with contract performance.

Section 5 CONTRACT PRICE, PAYMENT AND INVOICING

5.1. **CONTRACT PRICE.** The Contract Price in U.S. dollars is \$_____. Motorola has priced the services, Software, and Equipment as an integrated system, and a reduction in product quantities or services may affect the overall Contract Price, including any discounts.

5.2. **INVOICING AND PAYMENT.** Motorola will submit invoices to Customer according to the Payment Schedule. Customer will make payments to Motorola within thirty (30) days after the date of each invoice in the form of a wire transfer, check, or cashier's check from a U.S. financial institution. Overdue invoices will bear simple interest at the maximum allowable rate. For reference, the Federal Tax Identification Number for Motorola Solutions, Inc. is 36-1115800.

5.3. **FREIGHT, TITLE, AND RISK OF LOSS.** Motorola will pre-pay and add all freight charges to the invoices. Title to the Equipment will pass to Customer upon shipment. Title to Software will not pass to Customer at any time. Risk of loss will pass to Customer upon delivery of the Equipment to the Customer. Motorola will pack and ship all Equipment in accordance with good commercial practices.

5.4. **INVOICING AND SHIPPING ADDRESSES.** Invoices will be sent to the Customer at the following address: _____

The address which is the ultimate destination where the Equipment will be delivered to Customer is:

The Equipment will be shipped to the Customer at the following address (insert if this information is known): _____

Customer may change this information by giving written notice to Motorola.

Section 6 SITES AND SITE CONDITIONS

6.1. **ACCESS TO SITES.** Customer will provide a designated project manager; all necessary land use, construction and building permits, zoning variances, licenses, and any other approvals that are necessary to develop or use the sites and mounting locations; and access to the work sites or vehicles identified in the Technical and Implementation Documents as reasonably requested by Motorola so that it may perform its duties in accordance with the Performance Schedule and Statement of Work. Motorola may assist Customer in the local building permit process.

6.2. **SITE CONDITIONS.** Customer will ensure that all work sites it provides will be safe, secure, and in compliance with all applicable industry and OSHA standards. To the extent applicable and unless the Statement of Work states to the contrary, Customer will ensure that these work sites have adequate: physical space; air conditioning and other environmental conditions; adequate and appropriate electrical power outlets, distribution, equipment and connections; and adequate telephone or other communication lines (including modem access and adequate interfacing networking capabilities), all for the installation, use and maintenance of the System. Before installing the Equipment or Software at a work site, Motorola may inspect the work site and advise Customer of any apparent deficiencies or non-conformities with the requirements of this Section. This Agreement is predicated upon normal soil conditions as defined by the version of E.I.A. standard RS-222 in effect on the Effective Date.

6.3. **SITE ISSUES.** If a Party determines that the sites identified in the Technical and Implementation Documents are no longer available or desired, or if subsurface, structural, adverse environmental or latent conditions at any site differ from those indicated in the Technical and Implementation Documents, the Parties will promptly investigate the conditions and will select replacement sites or adjust the installation plans and Specifications as necessary. If change in sites or adjustment to the installation plans and Specifications causes a change in the cost or time to perform, the Parties will equitably amend the Contract Price, Performance Schedule, or both, by a change order.

Section 7 [RESERVED]

Section 8 SYSTEM ACCEPTANCE

8.1. **COMMENCEMENT OF ACCEPTANCE TESTING.** Motorola will provide to Customer at least ten (10) days notice before the Acceptance Tests commence. System testing will occur only in accordance with the Acceptance Test Plan.

8.2. **SYSTEM ACCEPTANCE.** System Acceptance will occur upon successful completion of the Acceptance Tests. Upon System Acceptance, the Parties will memorialize this event by promptly executing a System Acceptance Certificate. If the Acceptance Test Plan includes separate tests for individual Subsystems or phases of the System, acceptance of the individual Subsystem or phase will occur upon the successful completion of the Acceptance Tests for the Subsystem or phase, and the Parties will promptly execute an acceptance certificate for the Subsystem or phase. If Customer believes the System has failed the completed Acceptance Tests, Customer will provide to Motorola a written notice

that includes the specific details of the failure. If Customer does not provide to Motorola a failure notice within thirty (30) days after completion of the Acceptance Tests, System Acceptance will be deemed to have occurred as of the completion of the Acceptance Tests. Minor omissions or variances in the System that do not materially impair the operation of the System will not postpone System Acceptance or Subsystem acceptance, but will be corrected according to a mutually agreed punch list schedule.

8.3. **BENEFICIAL USE.** Motorola's ability to perform its implementation and testing responsibilities may be impeded if Customer begins using the System before System Acceptance. Therefore, Customer will not commence Beneficial Use before System Acceptance without Motorola's prior written authorization, which will not be unreasonably withheld. Motorola is not responsible for System performance deficiencies that occur during unauthorized Beneficial Use. Upon commencement of Beneficial Use, Customer assumes responsibility for the use and operation of the System.

8.4 **FINAL PROJECT ACCEPTANCE.** Final Project Acceptance will occur after System Acceptance when all deliverables and other work have been completed. When Final Project Acceptance occurs, the Parties will promptly memorialize this final event by means of a Final Project Acceptance Certificate.

Section 9 REPRESENTATIONS AND WARRANTIES

9.1. **SYSTEM FUNCTIONALITY.** Motorola represents that the System will perform in accordance with the Specifications in all material respects. Upon System Acceptance or Beneficial Use, whichever occurs first, this System functionality representation is fulfilled. Motorola is not responsible for System performance deficiencies that are caused by ancillary equipment not furnished by Motorola which is attached to or used in connection with the System or for reasons or parties beyond Motorola's control.

9.2. **EQUIPMENT WARRANTY.** During the Warranty Period, Motorola warrants that the Equipment under normal use and service will be free from material defects in materials and workmanship. If System Acceptance is delayed beyond six (6) months after shipment of the Equipment by events or causes within Customer's control, this warranty expires eighteen (18) months after the shipment of the Equipment.

9.3. **SOFTWARE WARRANTY.** Unless otherwise stated in the Software License Agreement, during the Warranty Period, Motorola warrants the Software in accordance with the terms of the Software License Agreement and the provisions of this Section 9 that are applicable to the Software. If System Acceptance is delayed beyond six (6) months after shipment of the Software by events or causes within Customer's control, this warranty expires eighteen (18) months after the shipment of the Software.

9.4. **EXCLUSIONS TO EQUIPMENT AND MOTOROLA SOFTWARE WARRANTIES.** These warranties do not apply to: (i) defects or damage resulting from: use of the Equipment or Software in other than its normal, customary, and authorized manner; accident, liquids, neglect, or acts of God; testing, maintenance, disassembly, repair, installation, alteration, modification, or adjustment not provided or authorized in writing by Motorola; Customer's failure to comply with all applicable industry and OSHA standards; (ii) breakage of or damage to antennas unless caused directly by defects in material or workmanship; (iii) Equipment that has had the serial number removed or made illegible; (iv) batteries (because they carry their own separate limited warranty) or consumables; (v) freight costs to ship Equipment to the repair depot; (vi) scratches or other cosmetic damage to Equipment surfaces that does not affect the operation of the Equipment; and (vii) normal or customary wear and tear.

9.5. **WARRANTY CLAIMS.** To assert a warranty claim, Customer must notify Motorola in writing of the claim before the expiration of the Warranty Period. Upon receipt of this notice, Motorola will investigate the warranty claim. If this investigation confirms a valid warranty claim, Motorola will (at its option and at no additional charge to Customer) repair the defective Equipment or Software, replace it with the same or equivalent product, or refund the price of the defective Equipment or Software. That action will be the full extent of Motorola's liability for the warranty claim. Repaired or replaced product is warranted for the balance of the original applicable warranty period. All replaced products or parts will become the property of Motorola.

9.6. ORIGINAL END USER IS COVERED. These express limited warranties are extended by Motorola to the original user purchasing the System for commercial, industrial, or governmental use only, and are not assignable or transferable.

9.7. DISCLAIMER OF OTHER WARRANTIES. THESE WARRANTIES ARE THE COMPLETE WARRANTIES FOR THE EQUIPMENT AND SOFTWARE PROVIDED UNDER THIS AGREEMENT AND ARE GIVEN IN LIEU OF ALL OTHER WARRANTIES. MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Section 10 DELAYS

10.1. FORCE MAJEURE. Neither Party will be liable for its non-performance or delayed performance if caused by a Force Majeure. A Party that becomes aware of a Force Majeure that will significantly delay performance will notify the other Party promptly after it discovers the Force Majeure. If a Force Majeure occurs, the Parties will execute a change order to extend the Performance Schedule for a time period that is reasonable under the circumstances.

10.2. PERFORMANCE SCHEDULE DELAYS CAUSED BY CUSTOMER. If Customer (including its other contractors) delays the Performance Schedule, the Parties will execute a change order to extend the Performance Schedule and, if requested, compensate Motorola for all reasonable charges incurred because of the delay. Delay charges may include costs incurred by Motorola or its subcontractors for additional freight, warehousing and handling of Equipment; extension of the warranties; travel; suspending and re-mobilizing the work; additional engineering, project management, and standby time calculated at then current rates; and preparing and implementing an alternative implementation plan.

Section 11 DISPUTES

The Parties will use the following procedure to address any dispute arising under this Agreement (a "Dispute").

11.1. GOVERNING LAW. This Agreement will be governed by and construed in accordance with the laws of the State in which the System is installed.

11.2. NEGOTIATION. Either Party may initiate the Dispute resolution procedures by sending a notice of Dispute ("Notice of Dispute"). The Parties will attempt to resolve the Dispute promptly through good faith negotiations, including timely escalation of the Dispute to executives who have authority to settle the Dispute and who are at a higher level of management than the persons with direct responsibility for the matter and direct communication between the executives. If the Dispute has not been resolved within ten (10) days from the Notice of Dispute, the Parties will proceed to mediation.

11.3. MEDIATION. The Parties will choose an independent mediator within thirty (30) days of a notice to mediate from either Party ("Notice of Mediation"). A Party may not unreasonably withhold consent to the mediator selection. If the Parties are unable to agree upon a mediator, either Party may request that American Arbitration Association nominate a mediator. Each Party will bear its own costs of mediation, but the Parties will share the cost of the mediator equally. Each Party will participate in the mediation in good faith and will be represented at the mediation by an executive with authority to settle the Dispute.

11.4. LITIGATION, VENUE AND JURISDICTION. If a Dispute remains unresolved for sixty (60) days after the Notice of Mediation, either Party may submit the Dispute to a court of competent jurisdiction in the state in which the System is installed. Each Party agrees to submit to the exclusive jurisdiction of the courts in such state over any claim or matter arising under or in connection with this Agreement.

11.5. CONFIDENTIALITY. All communications pursuant to subsections 11.2 and 11.3 will be treated as compromise and settlement negotiations for purposes of applicable rules of evidence and any additional confidentiality protections provided by applicable law. The use of these Dispute resolution

procedures will not be construed under the doctrines of laches, waiver or estoppel to affect adversely the rights of either Party.

Section 12 DEFAULT AND TERMINATION

12.1 **DEFAULT BY A PARTY.** If either Party fails to perform a material obligation under this Agreement, the other Party may consider the non-performing Party to be in default (unless a Force Majeure causes the failure) and may assert a default claim by giving the non-performing Party a written and detailed notice of default. Except for a default by Customer for failing to pay any amount when due under this Agreement which must be cured immediately, the defaulting Party will have thirty (30) days after receipt of the notice of default to either cure the default or, if the default is not curable within thirty (30) days, provide a written cure plan that is reasonably acceptable to the other Party. The defaulting Party will begin implementing the cure plan immediately after receipt of notice by the other Party that it approves the plan.

12.2 **FAILURE TO CURE.** If a defaulting Party fails to cure the default as provided above in Section 12.1, unless otherwise agreed in writing, the non-defaulting Party may terminate any unfulfilled portion of this Agreement. In the event of termination for default, the defaulting Party will promptly return to the non-defaulting Party any of its Confidential Information. If Customer is the non-defaulting Party, terminates this Agreement as permitted by this Section, and completes the System through a third party, Customer may as its exclusive remedy recover from Motorola reasonable costs incurred to complete the System to a capability not exceeding that specified in this Agreement less the unpaid portion of the Contract Price. Customer will mitigate damages and provide Motorola with detailed invoices substantiating the charges.

Section 13 INDEMNIFICATION

13.1 **GENERAL INDEMNITY BY MOTOROLA.** Motorola will indemnify and hold Customer harmless from any and all liability, expense, judgment, suit, cause of action, or demand for personal injury, death, or direct damage to tangible property which may accrue against Customer to the extent it is caused by the negligence of Motorola, its subcontractors, or their employees or agents, while performing their duties under this Agreement, if Customer gives Motorola prompt, written notice of any the claim or suit. Customer will cooperate with Motorola in its defense or settlement of the claim or suit. This section sets forth the full extent of Motorola's general indemnification of Customer from liabilities that are in any way related to Motorola's performance under this Agreement.

13.2 **GENERAL INDEMNITY BY CUSTOMER.** [Intentionally Omitted.]

13.3 **PATENT AND COPYRIGHT INFRINGEMENT.**

13.3.1. Motorola will defend at its expense any suit brought by a third-party claim against Customer to the extent it is based on an Infringement Claim. Motorola's duties to defend and indemnify are conditioned upon: Customer promptly notifying Motorola in writing of the Infringement Claim; Motorola having sole control of the defense of the suit and all negotiations for its settlement or compromise; and Customer providing to Motorola cooperation and, if requested by Motorola, reasonable assistance in the defense of the Infringement Claim. In addition to Motorola's obligation to defend, and subject to the same conditions, Motorola will pay all damages finally awarded against Customer by a court of competent jurisdiction for an Infringement Claim or agreed to, in writing, by Motorola in settlement of an Infringement Claim.

13.3.2. If an Infringement Claim occurs, or in Motorola's opinion is likely to occur, Motorola may at its option and expense: (a) procure for Customer the right to continue using the allegedly infringing product; (b) replace or modify the product so that it becomes non-infringing while providing functionally equivalent performance; or (c) accept the return of the product and grant Customer a credit for the product, less a reasonable charge for depreciation. The depreciation amount will be calculated based upon generally accepted accounting standards.

13.3.3. Motorola will have no duty to defend or indemnify for any Infringement Claim that is based upon: (a) the combination of the product with any software, apparatus or device not furnished by Motorola; (b)

the use of ancillary equipment or software not furnished by Motorola and that is attached to or used in connection with the product; (c) the product is designed or manufactured in accordance with Customer's designs, specifications, guidelines or instructions, if the alleged infringement would not have occurred without such designs, specifications, guidelines or instructions; (d) a modification of the product by a party other than Motorola; (e) use of the product in a manner for which it was not designed or that is inconsistent with the terms of this Agreement; or (f) the failure by Customer to install an enhancement release to the Software that is intended to correct the claimed infringement. In no event will Motorola's liability resulting from its indemnity obligation to Customer extend in any way to royalties payable on a per use basis or the Customer's revenues, or any royalty basis other than a reasonable royalty based upon revenue derived by Motorola from Customer from sales or license of the infringing product.

13.3.4. This Section 13 provides Customer's sole and exclusive remedies and Motorola's entire liability in the event of an Infringement Claim. Customer has no right to recover and Motorola has no obligation to provide any other or further remedies, whether under another provision of this Agreement or any other legal theory or principle, in connection with an Infringement Claim.

Section 14 LIMITATION OF LIABILITY

Except for personal injury or death, Motorola's total liability, regardless of the cause of action or theory of liability, will be limited to the direct damages recoverable under law, but not to exceed the price of the Equipment, Software, or services with respect to which losses or damages are claimed. **ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT MOTOROLA WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS; INCONVENIENCE; LOSS OF USE, TIME, DATA, GOOD WILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE EQUIPMENT OR SOFTWARE, OR THE PERFORMANCE OF SERVICES BY MOTOROLA PURSUANT TO THIS AGREEMENT.** This limitation of liability provision survives the expiration or termination of the Agreement and applies notwithstanding any contrary provision.

Section 15 CONFIDENTIALITY AND PROPRIETARY RIGHTS

15.1. **CONFIDENTIAL INFORMATION.** During the term of this Agreement, the Parties may provide each other with Confidential Information. Subject to the requirements of any applicable public records law, each Party will: maintain the confidentiality of the other Party's Confidential Information and not disclose it to any third party, except as authorized by the disclosing Party in writing or as required by a court of competent jurisdiction; restrict disclosure of the Confidential Information to its employees who have a "need to know" and not copy or reproduce the Confidential Information; take necessary and appropriate precautions to guard the confidentiality of the Confidential Information, including informing its employees who handle the Confidential Information that it is confidential and is not to be disclosed to others, but these precautions will be at least the same degree of care that the receiving Party applies to its own confidential information and will not be less than reasonable care; and use the Confidential Information only in furtherance of the performance of this Agreement. Confidential Information is and will at all times remain the property of the disclosing Party, and no grant of any proprietary rights in the Confidential Information is given or intended, including any express or implied license, other than the limited right of the recipient to use the Confidential Information in the manner and to the extent permitted by this Agreement.

15.2. **PRESERVATION OF MOTOROLA'S PROPRIETARY RIGHTS.** Motorola, the third party manufacturer of any Equipment, and the copyright owner of any Non-Motorola Software own and retain all of their respective Proprietary Rights in the Equipment and Software, and nothing in this Agreement is intended to restrict their Proprietary Rights. All intellectual property developed, originated, or prepared by Motorola in connection with providing to Customer the Equipment, Software, or related services remain vested exclusively in Motorola, and this Agreement does not grant to Customer any shared development rights of intellectual property. Except as explicitly provided in the Software License Agreement, Motorola does not grant to Customer, either directly or by implication, estoppel, or otherwise, any right, title or interest in Motorola's Proprietary Rights. Customer will not modify, disassemble, peel components,

decompile, otherwise reverse engineer or attempt to reverse engineer, derive source code or create derivative works from, adapt, translate, merge with other software, reproduce, distribute, sublicense, sell or export the Software, or permit or encourage any third party to do so. The preceding sentence does not apply to Open Source Software which is governed by the standard license of the copyright owner.

Section 16 GENERAL

16.1. **TAXES.** The Contract Price does not include any excise, sales, lease, use, property, or other taxes, assessments or duties, all of which will be paid by Customer except as exempt by law. If Motorola is required to pay any of these taxes, Motorola will send an invoice to Customer and Customer will pay to Motorola the amount of the taxes (including any interest and penalties) within thirty (30) days after the invoice date. Customer will be solely responsible for reporting the Equipment for personal property tax purposes, and Motorola will be solely responsible for reporting taxes on its income or net worth.

16.2. **ASSIGNABILITY AND SUBCONTRACTING.** Except as provided herein, neither Party may assign this Agreement or any of its rights or obligations hereunder without the prior written consent of the other Party, which consent will not be unreasonably withheld. Any attempted assignment, delegation, or transfer without the necessary consent will be void. Notwithstanding the foregoing, Motorola may assign without the prior consent of Customer this Agreement to any of its affiliates or as part of a major corporate reorganization or restructuring, or its right to receive payment. Motorola may subcontract any of the work, but subcontracting will not relieve Motorola of its duties under this Agreement.

16.3. **WAIVER.** Failure or delay by either Party to exercise a right or power under this Agreement will not be a waiver of the right or power. For a waiver of a right or power to be effective, it must be in a writing signed by the waiving Party. An effective waiver of a right or power will not be construed as either a future or continuing waiver of that same right or power, or the waiver of any other right or power.

16.4. **SEVERABILITY.** If a court having jurisdiction finds any part of this Agreement to be invalid or unenforceable, that part will be severed and the remainder will continue in full force and effect.

16.5. **INDEPENDENT CONTRACTORS.** Each Party will perform its duties under this Agreement as an independent contractor. The Parties and their personnel will not be considered to be employees or agents of the other Party. Nothing in this Agreement will be interpreted as granting either Party the right or authority to make commitments of any kind for the other. This Agreement will not constitute, create, or be interpreted as a joint venture, partnership or formal business organization of any kind.

16.6. **HEADINGS AND SECTION REFERENCES.** The section headings in this Agreement are inserted only for convenience and are not to be construed as part of this Agreement or as a limitation of the scope of the particular section to which the heading refers. This Agreement will be fairly interpreted in accordance with its terms and conditions and not for or against either Party.

16.7. **ENTIRE AGREEMENT.** This Agreement, including all Exhibits, constitutes the entire agreement of the Parties regarding the subject matter of the Agreement and supersedes all previous agreements, proposals, and understandings, whether written or oral, relating to this subject matter. This Agreement may be executed in multiple counterparts, each of which shall be an original and all of which shall constitute one and the same instrument. A facsimile copy or computer image of a signature shall be treated as and shall have the same effect as an original signature. In addition, a true and correct facsimile copy or computer image of this Agreement shall be treated as and shall have the same effect as an original signed copy of this document. This Agreement may be amended or modified only by a written instrument signed by authorized representatives of both Parties. The preprinted terms and conditions found on any Customer purchase order, acknowledgment or other form will not be considered an amendment or modification of this Agreement, even if a representative of each Party signs that document.

16.8. **NOTICES.** Notices required under this Agreement to be given by one Party to the other must be in writing and either personally delivered or sent to the address shown below by certified mail, return

receipt requested and postage prepaid (or by a recognized courier service, such as Federal Express or UPS), or by facsimile with correct answerback received, and will be effective upon receipt:

16.9. COMPLIANCE WITH APPLICABLE LAWS. Each Party will comply with all applicable federal, state, and local laws, regulations and rules concerning the performance of this Agreement or use of the System. Customer will obtain and comply with all Federal Communications Commission ("FCC") licenses and authorizations required for the installation, operation and use of the System before the scheduled installation of the Equipment. Although Motorola might assist Customer in the preparation of its FCC license applications, neither Motorola nor any of its employees is an agent or representative of Customer in FCC matters.

16.10. AUTHORITY TO EXECUTE AGREEMENT. Each Party represents that it has obtained all necessary approvals, consents and authorizations to enter into this Agreement and to perform its duties under this Agreement; the person executing this Agreement on its behalf has the authority to do so; upon execution and delivery of this Agreement by the Parties, it is a valid and binding contract, enforceable in accordance with its terms; and the execution, delivery, and performance of this Agreement does not violate any bylaw, charter, regulation, law or any other governing authority of the Party.

16.11. SURVIVAL OF TERMS. The following provisions will survive the expiration or termination of this Agreement for any reason: Section 3.6 (Motorola Software); Section 3.7 (Non-Motorola Software); if any payment obligations exist, Sections 5.1 and 5.2 (Contract Price and Invoicing and Payment); Subsection 9.7 (Disclaimer of Implied Warranties); Section 11 (Disputes); Section 14 (Limitation of Liability); and Section 15 (Confidentiality and Proprietary Rights); and all of the General provisions in Section 16.

The Parties hereby enter into this Agreement as of the Effective Date.

Exhibit A

SOFTWARE LICENSE AGREEMENT

This Exhibit A Software License Agreement ("Agreement") is between Motorola Solutions, Inc., ("Motorola"), and _____ ("Licensee").

For good and valuable consideration, the parties agree as follows:

Section 1 DEFINITIONS

1.1 "Designated Products" means products provided by Motorola to Licensee with which or for which the Software and Documentation is licensed for use.

1.2 "Documentation" means product and software documentation that specifies technical and performance features and capabilities, and the user, operation and training manuals for the Software (including all physical or electronic media upon which such information is provided).

1.3 "Open Source Software" means software with either freely obtainable source code, license for modification, or permission for free distribution.

1.4 "Open Source Software License" means the terms or conditions under which the Open Source Software is licensed.

1.5 "Primary Agreement" means the agreement to which this exhibit is attached.

1.6 "Security Vulnerability" means a flaw or weakness in system security procedures, design, implementation, or internal controls that could be exercised (accidentally triggered or intentionally exploited) and result in a security breach such that data is compromised, manipulated or stolen or the system damaged.

1.7 "Software" (i) means proprietary software in object code format, and adaptations, translations, de-compilations, disassemblies, emulations, or derivative works of such software; (ii) means any modifications, enhancements, new versions and new releases of the software provided by Motorola; and (iii) may contain one or more items of software owned by a third party supplier. The term "Software" does not include any third party software provided under separate license or third party software not licensable under the terms of this Agreement.

Section 2 SCOPE

Motorola and Licensee enter into this Agreement in connection with Motorola's delivery of certain proprietary Software or products containing embedded or pre-loaded proprietary Software, or both. This Agreement contains the terms and conditions of the license Motorola is providing to Licensee, and Licensee's use of the Software and Documentation.

Section 3 GRANT OF LICENSE

3.1. Subject to the provisions of this Agreement and the payment of applicable license fees, Motorola grants to Licensee a personal, limited, non-transferable (except as permitted in Section 7) and non-exclusive license under Motorola's copyrights and Confidential Information (as defined in the Primary Agreement) embodied in the Software to use the Software, in object code form, and the Documentation solely in connection with Licensee's use of the Designated Products. This Agreement does not grant any rights to source code.

3.2. If the Software licensed under this Agreement contains or is derived from Open Source Software, the terms and conditions governing the use of such Open Source Software are in the Open Source Software Licenses of the copyright owner and not this Agreement. If there is a conflict between the terms

and conditions of this Agreement and the terms and conditions of the Open Source Software Licenses governing Licensee's use of the Open Source Software, the terms and conditions of the license grant of the applicable Open Source Software Licenses will take precedence over the license grants in this Agreement.

Section 4 LIMITATIONS ON USE

4.1. Licensee may use the Software only for Licensee's internal business purposes and only in accordance with the Documentation. Any other use of the Software is strictly prohibited. Without limiting the general nature of these restrictions, Licensee will not make the Software available for use by third parties on a "time sharing," "application service provider," or "service bureau" basis or for any other similar commercial rental or sharing arrangement.

4.2. Licensee will not, and will not allow or enable any third party to: (i) reverse engineer, disassemble, peel components, decompile, reprogram or otherwise reduce the Software or any portion to a human perceptible form or otherwise attempt to recreate the source code; (ii) modify, adapt, create derivative works of, or merge the Software; (iii) copy, reproduce, distribute, lend, or lease the Software or Documentation to any third party, grant any sublicense or other rights in the Software or Documentation to any third party, or take any action that would cause the Software or Documentation to be placed in the public domain; (iv) remove, or in any way alter or obscure, any copyright notice or other notice of Motorola's proprietary rights; (v) provide, copy, transmit, disclose, divulge or make the Software or Documentation available to, or permit the use of the Software by any third party or on any machine except as expressly authorized by this Agreement; or (vi) use, or permit the use of, the Software in a manner that would result in the production of a copy of the Software solely by activating a machine containing the Software. Licensee may make one copy of Software to be used solely for archival, back-up, or disaster recovery purposes; *provided* that Licensee may not operate that copy of the Software at the same time as the original Software is being operated. Licensee may make as many copies of the Documentation as it may reasonably require for the internal use of the Software.

4.3. Unless otherwise authorized by Motorola in writing, Licensee will not, and will not enable or allow any third party to: (i) install a licensed copy of the Software on more than one unit of a Designated Product; or (ii) copy onto or transfer Software installed in one unit of a Designated Product onto one other device. Licensee may temporarily transfer Software installed on a Designated Product to another device if the Designated Product is inoperable or malfunctioning, if Licensee provides written notice to Motorola of the temporary transfer and identifies the device on which the Software is transferred. Temporary transfer of the Software to another device must be discontinued when the original Designated Product is returned to operation and the Software must be removed from the other device. Licensee must provide prompt written notice to Motorola at the time temporary transfer is discontinued.

4.4. When using Motorola's Radio Service Software ("RSS"), Licensee must purchase a separate license for each location at which Licensee uses RSS. Licensee's use of RSS at a licensed location does not entitle Licensee to use or access RSS remotely. Licensee may make one copy of RSS for each licensed location. Licensee shall provide Motorola with a list of all locations at which Licensee uses or intends to use RSS upon Motorola's request.

4.5. For any Software that is licensed on the basis of the number of users, Licensee will maintain, during the term of this Agreement and for a period of two years thereafter, accurate records relating to this license grant to verify compliance with this Agreement. Motorola or an independent third party ("Auditor") may inspect Licensee's premises, books and records, upon reasonable prior notice to Licensee, during Licensee's normal business hours and subject to Licensee's facility and security regulations. Motorola is responsible for the payment of all expenses and costs of the Auditor. Any information obtained by Motorola and the Auditor will be kept in strict confidence by Motorola and the Auditor and used solely for the purpose of verifying Licensee's compliance with the terms of this Agreement.

Section 5 OWNERSHIP AND TITLE

Motorola, its licensors, and its suppliers retain all of their proprietary rights in any form in and to the Software and Documentation, including, but not limited to, all rights in patents, patent applications, inventions, copyrights, trademarks, trade secrets, trade names, and other proprietary rights in or relating to the Software and Documentation (including any corrections, bug fixes, enhancements, updates, modifications, adaptations, translations, de-compilations, disassemblies, emulations to or derivative works from the Software or Documentation, whether made by Motorola or another party, or any improvements that result from Motorola's processes or, provision of information services). No rights are granted to Licensee under this Agreement by implication, estoppel or otherwise, except for those rights which are expressly granted to Licensee in this Agreement. All intellectual property developed, originated, or prepared by Motorola in connection with providing the Software, Designated Products, Documentation or related services, remains vested exclusively in Motorola, and Licensee will not have any shared development or other intellectual property rights.

Section 6 LIMITED WARRANTY; DISCLAIMER OF WARRANTY

6.1. Unless the Warranty Period is otherwise stated in the Primary Agreement, the Software warranty will be for a period of ninety (90) days from shipment. If Licensee is not in breach of any of its obligations under this Agreement, Motorola warrants that the unmodified Software, when used properly and in accordance with the Documentation and this Agreement, will be free from a reproducible defect that eliminates the functionality or successful operation of a feature critical to the primary functionality or successful operation of the Software. Whether a defect occurs will be determined by Motorola solely with reference to the Documentation. Motorola does not warrant that Licensee's use of the Software or the Designated Products will be uninterrupted, error-free, completely free of Security Vulnerabilities, or that the Software or the Designated Products will meet Licensee's particular requirements. Motorola makes no representations or warranties with respect to any third party software included in the Software.

6.2 Motorola's sole obligation to Licensee and Licensee's exclusive remedy under this warranty is to use reasonable efforts to remedy any material Software defect covered by this warranty. These efforts will involve either replacing the media or attempting to correct significant, demonstrable program or documentation errors or Security Vulnerabilities. If Motorola cannot correct the defect within a reasonable time, then at Motorola's option, Motorola will replace the defective Software with functionally-equivalent Software, license to Licensee substitute Software which will accomplish the same objective, or terminate the license and refund the Licensee's paid license fee.

6.3. Warranty claims are described in the Primary Agreement.

6.4. The express warranties set forth in this Section 6 are in lieu of, and Motorola disclaims, any and all other warranties (express or implied, oral or written) with respect to the Software or Documentation, including, without limitation, any and all implied warranties of condition, title, non-infringement, merchantability, or fitness for a particular purpose or use by Licensee, whether arising by law, by reason of custom or usage of trade, or by course of dealing. In addition, Motorola disclaims any warranty to any person other than Licensee with respect to the Software or Documentation.

Section 7 TRANSFERS

Licensee will not transfer the Software or Documentation to any third party without Motorola's prior written consent. Motorola's consent may be withheld at its discretion and may be conditioned upon transferee paying all applicable license fees and agreeing to be bound by this Agreement. If the Designated Products are Motorola's radio products and Licensee transfers ownership of the Motorola radio products to a third party, Licensee may assign its right to use the Software (other than RSS and Motorola's FLASHport® software) which is embedded in or furnished for use with the radio products and the related Documentation; *provided* that Licensee transfers all copies of the Software and Documentation to the transferee, and Licensee and the transferee sign a transfer form to be provided by Motorola upon request, obligating the transferee to be bound by this Agreement.

Section 8 TERM AND TERMINATION

8.1 Licensee's right to use the Software and Documentation will begin when the Primary Agreement is signed by both parties and will continue for the life of the Designated Products with which or for which the Software and Documentation have been provided by Motorola, unless Licensee breaches this Agreement, in which case this Agreement and Licensee's right to use the Software and Documentation may be terminated immediately upon notice by Motorola.

8.2 Within thirty (30) days after termination of this Agreement, Licensee must certify in writing to Motorola that all copies of the Software have been removed or deleted from the Designated Products and that all copies of the Software and Documentation have been returned to Motorola or destroyed by Licensee and are no longer in use by Licensee.

8.3 Licensee acknowledges that Motorola made a considerable investment of resources in the development, marketing, and distribution of the Software and Documentation and that Licensee's breach of this Agreement will result in irreparable harm to Motorola for which monetary damages would be inadequate. If Licensee breaches this Agreement, Motorola may terminate this Agreement and be entitled to all available remedies at law or in equity (including immediate injunctive relief and repossession of all non-embedded Software and associated Documentation unless Licensee is a Federal agency of the United States Government).

Section 9 UNITED STATES GOVERNMENT LICENSING PROVISIONS

This Section applies if Licensee is the United States Government or a United States Government agency. Licensee's use, duplication or disclosure of the Software and Documentation under Motorola's copyrights or trade secret rights is subject to the restrictions set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights clause at FAR 52.227-19 (JUNE 1987), if applicable, unless they are being provided to the Department of Defense. If the Software and Documentation are being provided to the Department of Defense, Licensee's use, duplication, or disclosure of the Software and Documentation is subject to the restricted rights set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 (OCT 1988), if applicable. The Software and Documentation may or may not include a Restricted Rights notice, or other notice referring to this Agreement. The provisions of this Agreement will continue to apply, but only to the extent that they are consistent with the rights provided to the Licensee under the provisions of the FAR or DFARS mentioned above, as applicable to the particular procuring agency and procurement transaction.

Section 10 CONFIDENTIALITY

Licensee acknowledges that the Software and Documentation contain Motorola's valuable proprietary and Confidential Information and are Motorola's trade secrets, and that the provisions in the Primary Agreement concerning Confidential Information apply.

Section 11 LIMITATION OF LIABILITY

The Limitation of Liability provision is described in the Primary Agreement.

Section 12 NOTICES

Notices are described in the Primary Agreement.

Section 13 GENERAL

13.1. **COPYRIGHT NOTICES.** The existence of a copyright notice on the Software will not be construed as an admission or presumption of publication of the Software or public disclosure of any trade secrets associated with the Software.

13.2. **COMPLIANCE WITH LAWS.** Licensee acknowledges that the Software is subject to the laws and regulations of the United States and Licensee will comply with all applicable laws and regulations,

including export laws and regulations of the United States. Licensee will not, without the prior authorization of Motorola and the appropriate governmental authority of the United States, in any form export or re-export, sell or resell, ship or reship, or divert, through direct or indirect means, any item or technical data or direct or indirect products sold or otherwise furnished to any person within any territory for which the United States Government or any of its agencies at the time of the action, requires an export license or other governmental approval. Violation of this provision is a material breach of this Agreement.

13.3. **ASSIGNMENTS AND SUBCONTRACTING.** Motorola may assign its rights or subcontract its obligations under this Agreement, or encumber or sell its rights in any Software, without prior notice to or consent of Licensee.

13.4. **GOVERNING LAW.** This Agreement is governed by the laws of the United States to the extent that they apply and otherwise by the internal substantive laws of the State to which the Software is shipped if Licensee is a sovereign government entity, or the internal substantive laws of the State of Illinois if Licensee is not a sovereign government entity. The terms of the U.N. Convention on Contracts for the International Sale of Goods do not apply. In the event that the Uniform Computer Information Transaction Act, any version of this Act, or a substantially similar law (collectively "UCITA") becomes applicable to a party's performance under this Agreement, UCITA does not govern any aspect of this Agreement or any license granted under this Agreement, or any of the parties' rights or obligations under this Agreement. The governing law will be that in effect prior to the applicability of UCITA.

13.5. **THIRD PARTY BENEFICIARIES.** This Agreement is entered into solely for the benefit of Motorola and Licensee. No third party has the right to make any claim or assert any right under this Agreement, and no third party is deemed a beneficiary of this Agreement. Notwithstanding the foregoing, any licensor or supplier of third party software included in the Software will be a direct and intended third party beneficiary of this Agreement.

13.6. **SURVIVAL.** Sections 4, 5, 6.3, 7, 8, 9, 10, 11 and 13 survive the termination of this Agreement.

13.7. **ORDER OF PRECEDENCE.** In the event of inconsistencies between this Exhibit and the Primary Agreement, the parties agree that this Exhibit prevails, but only with respect to the specific subject matter of this Exhibit.

13.8. **SECURITY.** Motorola uses reasonable means in the design and writing of its own Software and the acquisition of third party Software to limit Security Vulnerabilities. While no software can be guaranteed to be free from Security Vulnerabilities, if a Security Vulnerability is discovered, Motorola will take the steps set forth in Section 6 of this Agreement.
