

FIRST AMENDMENT TO AGREEMENT NO. 09-2816
BETWEEN THE CITY OF LOS ANGELES AND
SCIENCE APPLICATIONS INTERNATIONAL CORPORATION

THIS FIRST AMENDMENT to Agreement No. 09-2816 is made and entered into by and between the CITY OF LOS ANGELES, a municipal corporation ("City"), acting by and through its Board of Harbor Commissioners ("Board"), and SCIENCE APPLICATIONS INTERNATIONAL CORPORATION ("Consultant") as follows:

1. Exhibit A is amended by adding Tasks 10 and 11 as follows:

Task 10: Extension or Expansion of Security Systems

- a. During the period of this Agreement, POLA may construct new or expand existing sites, which will require additional security components, such as but not limited to cameras, electronic locks, sensors, network equipment, computers, software and access control doors or gates. These added components will need to interoperate with and be integrated into POLA's existing security and command systems.
- b. Whenever additions are authorized by the POLA DHS or his designee, and when authorized by POLA DHS Project Directive, Consultant shall provide the following services when requested:
 - Serve as a technical advisor and evaluate POLA project designs to provide recommendations for additional hardware or software to satisfy the security requirements of the new or expanded facility; estimate the impact these additional components will have on the security and/or command systems, and prepare design documentation for installation and implementation of the additional components.
 - Upon approval of the POLA DHS or his designee, the Consultant shall procure the approved hardware and/or software.
 - Upon approval of the POLA DHS or his designee, the Consultant shall install, and integrate the new components into the existing security and/or command system.
 - The Consultant shall demonstrate that the new component(s) perform as designed for system integration by acceptance testing, which the POLA DHS or his designee, shall witness and provide approval of which shall not be unreasonably withheld.

- Upon acceptance, the Consultant will document all affected system configuration changes including updating CAD drawings.
- Supply new equipment manufacturer warranties; and, warrant all related Consultant labor for one year from approved installation and acceptance.

Task 11: Procurement of Hardware and Software

- a. During the period of this Agreement, POLA may desire to augment existing systems with additional security-related hardware, software, or materials.
- b. Whenever purchases are authorized by the POLA DHS or his designee, the Consultant shall, when authorized by POLA DHS Project Directive, procure, install, and/or integrate security-related hardware, software, materials, and related labor services.
- c. Whenever additions are authorized by the POLA DHS or his designee, the Consultant shall, when authorized by POLA DHS Project Directive:
 - Install, and/or integrate the new components into the existing security system.
 - Demonstrate that the new component(s) perform as designated by acceptance testing, which the POLA DHS or his designee shall witness.
 - Upon acceptance, document all system configuration changes, including updating of CAD drawings.
Supply new equipment manufacturer warranties; and, warrant all related Consultant labor for one year from installation.
