

Mrs. Shaw

Page 3

I, Bonnie Shaw, surviving spouse of Joseph W. Shaw, represent and warrant that neither I nor the estate of Joseph W. Shaw claim any interest in the fishing vessel Betsy Ross II. Also, I am not aware of any other person that claims an ownership interest in the Betsy Ross II. I have no objection to the vessel being declared abandoned by the Port of Los Angeles and understand that such declaration will result in the vessel being destroyed.
