3. The undersigned shall require that the language of the lobbying restrictions be included in the award documents for subgrant agreement transactions over \$100,000 (per OMB) at all tiers (including subgrant agreements, contracts and subcontracts, under grants, loan, or cooperative agreements), and that all subrecipients shall certify and disclose accordingly.
4. This certification is a material representation of fact upon which reliance is placed when this transaction is executed. Submission of the Lobbying Certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. q. Nondiscrimination Clause:

1. As a condition to the award of financial assistance from the Department of Labor under Title I of WIOA, the Subrecipient assures that it has the ability to comply with the nondiscrimination and equal opportunity provisions of the following laws and will remain in compliance for the duration of the award of federal financial assistance:

- i. Section 188 of the Workforce Innovation and Opportunity Act (WIOA), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status and gender identity), national origin, age, disability, political affiliation or belief, and against beneficiaries on the basis of either citizenship status or participation in any WIOA Title I-financially assisted program or activity;
- ii. Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the bases of race, color and national origin;
- iii. Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination against qualified individuals with disabilities;
- iv. The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and
- v. Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

The Subrecipient also assures that, as a recipient of WIOA Title I financial assistance, it will comply with 29 CFR part 38 and all other regulations implementing the laws listed above. This assurance applies to the Subrecipient's operation of the WIOA Title I-financially assisted program or activity, and to all agreements the Subrecipient makes to carry out the WIOA Title I-financially assisted program or activity. The Subrecipient understands that the United States has the right to seek judicial enforcement of this assurance.

- r. Avoidance of Conflict of Economic Interest: An executive or employee of the Subrecipient, an elected official in the area or a member of the Local Board, will not solicit or accept money or any other consideration from a third person, for the performance of an act reimbursed in whole or part by the Subrecipient or Pass-through Entity. Supplies, materials, equipment or services purchased with subgrant agreement funds will be used solely for purposes allowed under this subgrant agreement. No member of the Local Board will cast a vote on the provision of services by that member (or any organization, which that member represents) or vote on any matter which would provide direct financial benefit to that member (or immediate family of the member) or any business or organization which the member directly represents.

Exhibit B

Intellectual Property Provisions

Federal Funding

Pursuant to 2 CFR 200.315, in any subgrant funded in whole or in part by the federal government, Pass-through Entity acquires the title to intangible property, as defined in 2 CFR 200.59 as including Intellectual Property, which results directly or indirectly from the subgrant. The federal government shall have a royalty-free, non-exclusive and irrevocable right to reproduce, publish, or otherwise use the Intellectual Property for Federal purposes, and to authorize others to do so. Additionally, pursuant to 2 CFR 2900.13, Intellectual Property developed under this subgrant will be licensed under a Creative Commons Attribution license, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and requires such users to attribute the work in the manner specified by the Pass-through Entity.

Exhibit C

Confidentiality Requirements

The State of California and the Subrecipient will exchange various kinds of information pursuant to this subgrant agreement. That information will include data, applications, program files, and databases. These data and information are confidential when they define an individual or an employing unit or when the disclosure is restricted or prohibited by any provision of law. Confidential information requires special precautions to protect it from unauthorized use, access, disclosure, modification, and destruction. The sources of information may include, but are not limited to, the EDD, the California Department of Social Services, the California Department of Education, the California Department of Corrections and Rehabilitation, the County Welfare Department(s), the County IV-D Directors Office of Child Support, the Office of the District Attorney, the California Department of

Mental Health, the California Office of Community Colleges and the Department of Alcohol and Drug Programs.

The Pass-through Entity and Subrecipient agree that:

- a. Each party shall keep all information that is exchanged between them in the strictest confidence and make such information available to their own employees only on a "need-to-know" basis.
- b. Each party shall provide security sufficient to ensure protection of confidential information from improper use and disclosures, including sufficient administrative, physical, and technical safeguards to protect this information from reasonable unanticipated threats to the security or confidentiality of the information.
- c. The Subrecipient agrees that information obtained under this subgrant agreement will not be reproduced, published, sold or released in original or in any other form for any purpose other than those specifically identified in this agreement.
 1. Aggregate Summaries: All reports and/or publications developed by the Subrecipient based on data obtained under this agreement shall contain confidential data in aggregated or statistical summary form only. "Aggregated" refers to a data output that does not allow identification of an individual or employer unit.
 2. Publication: Prior to publication, Subrecipient shall carefully analyze aggregated data outputs to ensure the identity of individuals and/or employer units cannot be inferred pursuant to California Unemployment Insurance Code Section 1094(c). Personal identifiers must be removed. Geographic identifiers should be specified only in large areas and as needed, and variables should be recorded in order to protect confidentiality.
 3. Minimum Data Cell Size: The minimum data cell size or derivation thereof shall be three participants for any data table released to outside parties or to the public.
- d. Each party agrees that no disaggregate data, identifying individuals or employers, shall be released to outside parties or the public.
- e. The Subrecipient shall notify Pass-through Entity's Information Security Office of any actual or attempted information security incidents, within 24 hours of initial detection, by telephone at (916) 654-6231. Information security incidents include, but are not limited to, any event (intentional or unintentional), that causes the loss, damage, or destruction, or unauthorized access, use, modification, or disclosure of information assets.

The Subrecipient shall cooperate with the Pass-through Entity in any investigation of security incidents. The system or device affected by an information security incident and containing confidential data obtained in the administration of this program shall be immediately removed from operation upon confidential data exposure or a known security breach. It shall remain removed from operation until correction and mitigation measures are applied. If the Subrecipient learns of a breach in the security of the system which contains confidential data obtained under this Subgrant, then the Subrecipient must provide notification to individuals pursuant to California Civil Code Section 1798.82.

- f. The Subrecipient shall provide for the management and control of physical access to information assets (including personal computer systems, computer terminals, mobile computing devices, and various electronic storage media) used in performance of this Subgrant. This shall include, but is not limited to, security measures to physically protect data, systems, and workstations from unauthorized access and malicious activity; the prevention, detection, and suppression of fires; and the prevention, detection, and minimization of water damage.
- g. At no time will confidential data obtained pursuant to this agreement be placed on a mobile computing device, or on any form of removable electronic storage media of any kind unless the data are fully encrypted.
- h. Each party shall provide its employees with access to confidential information with written instructions fully disclosing and explaining the penalties for unauthorized use or disclosure of confidential information found in Section 1798.55 of the California Civil Code, Section 502 of the California Penal Code, Section 2111 of the

California Unemployment Insurance Code, Section 10850 of the California Welfare and Institutions Code and other applicable local, state and federal laws.

- i. Each party shall (where it is appropriate) store and process information in electronic format, in such a way that unauthorized persons cannot reasonably retrieve the information by means of a computer.
- j. Each party shall promptly return to the other party confidential information when its use ends, or destroy the confidential information utilizing an approved method of destroying confidential information: shredding, burning, or certified or witnessed destruction. Magnetic media are to be degaussed or returned to the other party.
- k. If the Pass-through Entity or Subrecipient enters into an agreement with a third party to provide WIOA services, the Pass-through Entity or Subrecipient agrees to include these data and security and confidentiality requirements in the agreement with that third party. In no event shall said information be disclosed to any individual outside of that third party's authorized staff, subcontractor(s), service providers, or employees.
- l. The Subrecipient may, in its operation of the America's Job Center of California (AJCC), permit an AJCC Operator to enter into a subcontract to manage confidential information. This subcontract may allow an individual to register for resume distribution services at the same time the individual enrolls in CalJOBS. Subrecipient shall ensure that all such subcontracts comply with the intellectual property requirements of this subgrant agreement, the confidentiality requirements of this subgrant agreement and any other terms of this subgrant agreement that may be applicable. In addition, the following requirements must be included in the subcontracts:
 1. All client information submitted over the internet to the subcontractor's databases must be protected, at a minimum, by 128-bit Secure Socket Layer (SSL) encryption. Clients' social security numbers must be stored in a separate database within the subcontractor's network of servers, and protected by a firewall and a secondary database server firewall or AES data encryption. If a subcontractor receives client social security numbers or other confidential information in the course of business, for example a resume-distribution service that provides enrollment in CalJOBS, social security numbers must be destroyed within two days after the client registers for CalJOBS. If a subcontractor obtains confidential information as an agent of the Subrecipient, the subcontract must specifically state the purpose for the data collection and the term of records retention must be stated, and directly related, to the purpose and use of the information. Social security numbers and other client specific information shall not be retained for more than three years after a client completes services.
 2. Client information (personal information that identifies a client such as name and social security number) and/or demographic information of a client (such as wage history, address, and previous employment) shall not be used as a basis for commercial solicitation during the time the client or agency is using the subcontractor's services. Client information and/or demographic information shall not be used for any purposes other than those specific program purposes set forth in the subcontract.
 3. An AJCC client must still be given the option to use the AJCC's services, including CalJOBS, even if he or she chooses not to use any services of the subcontractor. This option shall be prominently, clearly and immediately communicated to the client upon registration within the AJCC or for CalJOBS, the subcontractor's resume-distribution services, or any other services subcontractor offers to the client or the AJCC Operator.
 4. The subcontractor must clearly disclose all of its potential and intended uses of the client's personal and/or demographic information for the services the client seeks and for any other services the subcontractor offers. The subcontractor shall not use a client's personal and/or demographic information without the client's prior permission. A link to the subcontractor's Privacy Policy shall appear prominently on the registration screens that list the potential and intended uses of the client's personal and/or demographic information.
 5. When the Pass-through Entity modifies State automated systems such as the State CalJOBS System, it shall provide reasonable notice of such changes to the Subrecipient. The Subrecipient shall be responsible to communicate such changes

to the AJCC Operator(s) in the local area.

m. Each party shall designate an employee who shall be responsible for overall security and confidentiality of its data and information systems and each party shall notify the other of any changes in that designation. As of this date, the following are those individuals:
